16 construction tasks developed pursuant to section 6 of this act during
17 normal business hours;

24 the catalog of construction tasks developed pursuant to section 6 of
25 this act during times other than normal business hours;

26 (c) An adjustment factor for work which is not subject to the

31 complete any of the public works contained in the catalog of
32 construction tasks developed pursuant to section 6 of this act during
33 normal business hours; and

38 established by the Clark County School District for which the
39 contractor agrees to complete any of the public works contained in
40 the catalog of construction tasks developed pursuant to section 6 of
41 this act during times other than normal business hours.

42 2. A contractor who submits a bid on an indefinite quantity
43 contract is not required to submit the information described in NRS
44 338.141 with his bid.

19 the adjustment factors submitted pursuant to section 8 of this act.
20 The method must be based upon a price index of construction costs
21 that is nationally recognized in the construction industry, as
22 determined by the Clark County School District.

23 2. The term of an indefinite quantity contract must be:

24 (a) Not more than 1 year or until the expiration of any extension
25 or renewal of the indefinite quantity contract; or

36 **Sec. 10.** 1. If the Clark County School District desires to

- 9 business hours multiplied by the adjusted price for work performed
- 10 during normal business hours plus the number of units of the public
- 11 work to be completed during times other than normal business hours
- 12 multiplied by the adjusted price for work performed during times
- 13 other than normal business hours. The adjusted price for work
- 14 performed during normal business hours is equal to the per-unit
- 15 price of the public work set forth in the catalog of construction tasks
- 16 developed pursuant to section 6 of this act multiplied by the
- 17 appropriate adjustment factor submitted pursuant to section 8 of this
- 18 act for work performed during normal business hours. The adjusted
