19 Senators Terry Care and Joseph M. Neal are designated as the first
20 and second alternate members, respectively, for Senator Maggie
21 Carlton; and be it further
22 RESOLVED, That the procedure for requesting an alternate
23 member to replace a regular member during his absence at a
24 meeting must be as follows:

1 1. The Secretary of the Legislative Commission shall establish
2 a record of service of alternate members at meetings of the
3 Legislative Commission and shall maintain a list of the alternate
4 members for each individual Senator or group of Senators. Each list
5 must contain a numerical designation in ascending order for each
6 alternate member on the list. The initial sequence in which the
7 alternate members must be listed must correspond to their
8 designation as alternates in this resolution.

9 2. If a regular member of the Legislative Commission is unable
10 to attend a scheduled meeting of the Legislative Commission and
11 notifies the Secretary of the Legislative Commission, the Secretary
12 shall request the alternate member with the lowest numerical
13 designation on the appropriate list to replace the regular member at
14 the meeting. If the alternate member does not agree to serve, the
15 Secretary shall make the same request of the alternate member with
16 the next higher numerical designation on the list, and so on through
17 the list until an alternate member agrees to replace the regular
18 member.

19 3. An alternate member who agrees to replace a regular
20 member at a meeting of the Legislative Commission loses the
21 numerical designation he had on the appropriate list at the time he
22 was requested to serve. The Secretary of the Legislative
23 Commission shall, when the alternate member agrees to replace the
24 regular member, assign to that alternate member the highest
25 numerical designation on the appropriate list. At the same time, the
26 Secretary shall also reduce by one the numerical designation in the
27 appropriate list to those alternate members who have higher
28 numerical designations in the appropriate list than the alternate
29 member who has agreed to serve.

30 4. An alternate member who is requested to replace a regular
31 member at a meeting of the Legislative Commission, but who does
32 not agree to replace the regular member, does not lose the numerical
33 designation he had on the appropriate list at the time of the request.
