|---|--------------------------------|--------------------------------|--------------------------------|-------------------------------------|
|   |                                |                                |                                |                                     |
| Total   |                                |                                |                                |                                     |

Explanation (Use Additional Sheets of Attachments, if required)

It does not appear that the pioneer hunt would have a fiscal impact.

Name Patty Wagner

Title Policy Analyst

DEPARTMENT OF ADMINISTRATION'S COMMENTS

Date April 13, 2005

Agency analysis appears reasonable.

Name John P. Comeaux

Title Director
