AN ACT relating to public records; authorizing certain persons to have personal information contained in the records of a county assessor kept confidential; authorizing a county assessor to create a program for the disclosure of confidential information for certain purposes; providing civil and criminal penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

1 Existing law requires certain books and records of a governmental entity to be
2 open for public inspection. (NRS 239.010) Books and records of a governmental
3 entity are not required to be open for public inspection if they are deemed by statute
4 to be confidential or if the governmental entity determines pursuant to a balancing
5 test that disclosure is not required. (*Donrey v. Bradshaw*, 106 Nev. 630 (1990))

6 This bill authorizes certain governmental officers and other persons to obtain a
7 court order to require a county assessor to keep confidential certain personal
8 information about such officers and persons. Upon receipt of such a court order, a
9 county assessor must keep the personal information confidential, except that the
10 county assessor may provide the information to other governmental entities in
11 carrying out their functions and for use in connection with certain legal and
12 administrative proceedings and for use in certain investigatory, statistical and
13 marketing activities.

14 This bill also allows a county assessor to establish a program by which certain
15 qualified persons may request a complete list of the assessor's roll, including
16 confidential information.

* A B 1 4 2 R 1 *

17 This bill makes it a misdemeanor for a person to make a false representation to
18 obtain confidential information from a county assessor and to knowingly obtain or
19 disclose such information for unauthorized purposes. This bill also authorizes a
20 civil penalty of up to \$2,500 for committing such an act.
