AN ACT relating to public records; making certain records of local governmental entities containing personally identifying information confidential if such information was provided to the local governmental entity in relation to the use of recreational facilities of the local governmental entity or participation in instructional or recreational activities of the local governmental entity; requiring the disclosure of such information for certain purposes; prohibiting a local governmental entity from requiring a social security number to be provided for certain purposes; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Existing law requires certain books and records of a governmental entity to be open for public inspection. (NRS 239.010) Books and records of a governmental entity are not required to be open for public inspection if they are deemed by statute to be confidential or if the governmental entity determines pursuant to a balancing test that disclosure is not required. (*Donrey v. Bradshaw*, 106 Nev. 630 (1990))

This bill makes the records of a local governmental entity confidential if the records contain the address, telephone number or other personally identifying information of a natural person who provided the information to the local governmental entity to: (1) register or apply to use a recreational facility of the local governmental entity that is available by reservation; or (2) register or enroll himself or his child in instructional or recreational activities or events conducted,

12 operated or sponsored by the local governmental entity. This bill, however, requires  
13 a local governmental entity to disclose certain information pursuant to a lawfully  
14 issued subpoena or court order, pursuant to affidavits of attorneys relating to  
15 investigations in anticipation of litigation, and pursuant to requests from certain  
16 reporters and editorial employees. This bill also expressly prohibits a local  
17 governmental entity from requiring the social security number of a natural person  
18 from being included in any information submitted to the local governmental entity  
19 for certain purposes.
