

Assembly Bill No. 61—Committee on Transportation

CHAPTER.....

AN ACT relating to taxes; exempting from the imposition of the governmental services tax vehicles owned by the governing body of an Indian reservation or Indian colony under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law imposes a tax for governmental services for the privilege of operating a vehicle on the public highways of Nevada. (NRS 371.030) The amount of the tax is based on the depreciated value of the vehicle. (NRS 371.040, 371.060) Existing law provides an exemption from the tax for vehicles owned by the Federal Government, the State of Nevada and certain local governments. The exemption also applies to certain emergency vehicles and vehicles used for public transportation in an urban area. (NRS 371.100)

This bill exempts from the tax all noncommercial vehicles owned by the governing body of an Indian reservation or Indian colony in this State if the tribe or the reservation or colony is recognized by federal law and the governing body is located on the reservation or colony.
