**If this amendment is adopted, the Legislative
Counsel's Digest will be changed to read as follows:**

Legislative Counsel's Digest:

Existing law requires the Attorney General to appoint a Committee on Domestic Violence. The duties of that committee include reviewing, monitoring and certifying treatment programs for domestic violence offenders and reviewing and making recommendations concerning training programs provided to peace officers related to domestic violence. (NRS 228.470) Existing law also creates the Office of Ombudsman for Victims of Domestic Violence within the Office of the Attorney General to provide assistance to domestic violence victims and to administer the Account for Programs Related to Domestic Violence created in the State General Fund. (NRS 228.440-228.460)

This bill creates the Nevada Council for the Prevention of Domestic Violence within the Office of the Attorney General and prescribes the membership and duties of the Council. Those duties include increasing public awareness of domestic violence, recommending necessary legislation relating to domestic violence and providing financial support to programs for the prevention of domestic violence in this State. This bill provides that the expenses incurred by the Council in carrying out its duties will be paid from money received by the Council from gifts, grants, donations and contributions and from other money expended from the Account for Programs Related to Domestic Violence. This bill also requires the Council to study issues pertaining to the administration of the criminal justice system in rural Nevada with respect to offenses involving domestic violence and to

submit a report regarding its study to the Director of the Legislative Counsel Bureau for distribution to each regular session of the Legislature.
