S.B. No. 218—Revises provisions relating to licensing and taxing of certain persons by local governments.

Amend sec. 5, page 9, line 22, by deleting “(c)” and inserting “(b)”.

**If this amendment is adopted, the Legislative  
Counsel's Digest will be changed to read as follows:**

**Legislative Counsel's Digest:**

Existing law authorizes a local government, such as a county, city or town, to regulate and collect a license fee or tax on businesses, trades, professions and occupations. (NRS 244.335, 266.355, 266.600, 268.095, 269.170) Existing law also provides for the regulation and licensing of various professions and occupations in this State. (Title 54 of NRS; Nevada Supreme Court Rules)

This bill prohibits a local government from requiring a person to obtain a license or pay a license tax on the sole basis that the person is a professional. This bill defines a "professional" as a person who: (1) holds a license, certificate, registration, permit or similar type of authorization issued by any of the bodies that regulate certain professions and occupations; and (2) practices his profession for any type of compensation as an employee.
