CHAPTER.....

AN ACT relating to local governments; authorizing the board of county commissioners of a county and the governing body of a city to designate persons who are charged with the enforcement of county or city ordinances to prepare, sign and serve written citations for violations of county or city ordinances in their jurisdiction; increasing the amount that the governing body of a city is authorized to impose as a civil penalty for a violation of certain city ordinances; requiring that if a county board of health, city board of health or district board of health has adopted a definition of garbage, that certain ordinances adopted by the governing body of an incorporated city use that definition; revising the provisions governing the authority of the governing body of a city to abate certain conditions on private property; authorizing persons charged with the enforcement of county or city ordinances to remove abandoned vehicles from public property in their jurisdiction; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes counties and cities to designate certain persons to prepare, sign and serve citations on people accused of violating a county or city ordinance. (NRS 171.17751) Existing law further authorizes cities to provide by ordinance for the imposition of a civil penalty for the violation of an ordinance instead of a criminal sanction. (NRS 268.019)

This bill authorizes additional persons charged with the enforcement of county or city ordinances to prepare, sign and serve citations for violations of county or city ordinances. This bill also increases the maximum civil penalty that a city may impose for violation of a city ordinance ordering the owner of commercial property to repair, safeguard or eliminate a dangerous structure or condition or to clear certain debris, rubbish and refuse to protect the public health, safety and welfare from \$500 to \$1,000.

Existing law authorizes cities to adopt procedures for ordering an owner of property to repair, safeguard or eliminate a dangerous structure or condition or to clear certain debris, rubbish and refuse to protect the public health, safety and welfare. (NRS 268.4122)

This bill adds litter, garbage, abandoned or junk vehicles and junk appliances to the list of items that a city governing body may order a property owner to remove to protect the public health, safety and welfare. This bill requires that, if a county board of health or district board of health has adopted a definition of garbage, the ordinance must use such definition. This bill also adds the welfare of the general public and the failure to meet minimum maintenance requirements as factors when determining whether a dangerous structure or condition exists.

Existing law authorizes various persons to remove abandoned vehicles from public property under certain circumstances. (NRS 487.230)

This bill authorizes additional persons charged with the enforcement of county or city ordinances to remove abandoned vehicles from public property under certain circumstances.
