AN ACT relating to prisons; requiring the Board of State Prison Commissioners to adopt regulations pertaining to a facility or institution operated by a private organization; requiring the monitoring of certain private facilities and institutions; ~~providing for the development of minimum staffing levels for institutions and facilities of the Department of Corrections;~~ providing that certain provisions relating to a prisoner confined in a facility or institution also apply to a prisoner confined in a private facility or institution operated by a private organization; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Board of State Prison Commissioners to adopt regulations for carrying out the business of the Board and of the Department of Corrections. (NRS 209.111) **Section 1.4** of this bill requires the Board to adopt additional regulations establishing the maximum number of prisoners that may be incarcerated in a private facility or institution. Those regulations must be based upon the standards adopted by the American Correctional Association.

Section 1.5 of this bill requires the Department to monitor private facilities or institutions which house prisoners incarcerated pursuant to the authority of another state to ensure that the care and custody of the prisoners comply with the Nevada Constitution and the United States Constitution. ~~Section 1.6 of this bill provides that the provisions of this bill which relate to private facilities or institutions do not apply with respect to prisoners incarcerated in a private facility or institution pursuant to a contract with the Federal Government.~~

~~Section 1.67 of this bill revises the duties of the Director of the Department by requiring the Director to consult with representatives of the employees of the Department to develop a minimum staffing level which is necessary to ensure the safety of the public, the employees of the Department and the prisoners and which is within the limits of legislative appropriation.~~

Existing law makes it a crime for: (1) a prisoner to escape from prison or to manufacture or possess certain items used in an escape; (2) a person to aid a prisoner in escaping from prison; (3) a person who has custody of a prisoner to allow the prisoner to escape; and (4) a person to conceal an escaped prisoner. (NRS 212.080, 212.090, 212.093, 212.100-212.130) Existing law also provides certain procedures for issuing a warrant for the arrest of an escaped prisoner and the manner in which expenses for recapturing the prisoner must be paid. (NRS 212.030-212.080) Further, existing law makes it a crime to: (1) provide certain items to a prisoner, including certain weapons, an intoxicant or a controlled substance and certain

25 communications devices; or (2) engage in certain behavior concerning a prisoner, such as
26 engaging in sexual conduct or certain unlawful acts relating to human excrement or bodily
27 fluid. (NRS 212.160-212.189) **Section 1.7** of this bill provides that those provisions also apply
28 to a prisoner incarcerated in a private prison operated by a private organization as well as to
29 certain other persons. **Section 1.7** also provides that the private organization which operates a
30 private facility or institution must: (1) reimburse the State for expenses incurred by the State
31 in recapturing a prisoner who escapes from the private facility or institution; and (2) provide
32 training to its employees that is equivalent to the training provided to a correctional officer in
33 this State.
