CHAPTER.....

AN ACT relating to traffic laws; prohibiting a person from using a cellular telephone or other handheld wireless communications device while operating a motor vehicle in certain circumstances; providing penalties; and providing other matters pertaining relating thereto.

**Legislative Counsel's Digest:**

Under existing traffic laws of this State, it is a crime to engage in various activities while operating a motor vehicle or to operate a motor vehicle in a reckless or unsafe manner. (Chapters 484A-484E of NRS) **Section 1** of this bill makes it a crime for a person to manually type or enter text into a cellular telephone or other similar device, or to send or read data using any such device, while operating a motor vehicle. **Section 1** further prohibits a person from using such a device for voice communications unless the device is used with an accessory which allows the person to communicate without using his or her hands, with certain limited exceptions. **Section 1** provides an exception to the prohibitions when the cellular telephone or other device is used by certain emergency and law enforcement personnel and persons designated by a sheriff or chief of police or the Director of the Department of Public Safety who are acting within the course and scope of their employment. Additional exceptions apply if: (1) the person is using the cellular telephone or other device to report or request assistance relating to a medical emergency, a safety hazard or criminal activity; (2) the person is responding to a situation requiring immediate action and stopping the vehicle would be inadvisable, impractical or dangerous; (3) the person is a licensed amateur radio operator providing communications services in connection with a disaster or emergency, participating in a drill, test, or other exercise in preparation for a disaster or emergency or otherwise communicating public information; or (4) the person is an employee or contractor of a public utility and is responding to an emergency dispatch. A violation of the provisions added by **section 1** is a misdemeanor and punishable by a fine of \$50 for a first offense within the immediately preceding 7 years, \$100 for a second offense within the immediately preceding 7 years and \$250 for a third or subsequent offense within the immediately preceding 7 years. However, **section 4** of this bill provides that until January 1, 2012, a law enforcement officer must not issue a citation to a person for violating **section 1** but must give the person a verbal or written warning. **Section 1** further provides that a first offense will not be treated as a moving traffic violation. Additionally, if a person is convicted of a third or subsequent offense, in addition to the fine, the driver's license of the person will be suspended for 6 months. **Section 2** of this bill makes the enhanced penalty for certain traffic violations that occur in a temporary traffic control zone applicable to violations of these new crimes.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN

A person who would otherwise be subject to an additional penalty pursuant to this section is not subject to an additional penalty if the violation occurred in a temporary traffic control zone for which signs are not erected pursuant to subsection 5, unless the violation results in injury to any person performing highway construction or maintenance or other work in the temporary traffic control zone or in damage to property in an amount equal to \$1,000 or more.
