AN ACT relating to local financial administration; revising provisions governing the operation of the Committee on Local Government Finance; revising provisions relating to the management of a local government existing in a severe financial emergency; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 Existing law establishes the procedures by which certain local governments
2 existing in a severe financial emergency may receive technical financial and other
3 assistance from the Department of Taxation and the Committee on Local
4 Government Finance. Existing law also requires the Nevada Tax Commission,
5 upon determining that a local government exists in a severe financial emergency, to
6 require by order that: (1) the Department take over the management of the local
7 government until the severe financial emergency ceases to exist; (2) the local
8 government increase or impose new taxes to meet the revenue requirements of the
9 local government; and (3) under certain circumstances, a question be submitted to
10 the electors of the local government as to whether the local government should be
11 disincorporated or dissolved. Existing law further provides for the cessation of the
12 management of a local government by order of the Commission under certain
13 circumstances. (NRS 354.105, 354.655-354.725) **Section 1** of this bill revises
14 provisions providing for the operation of the Committee on Local Government
15 Finance. **Sections 4 and 5** of this bill generally provide for the withholding of
16 certain payments to which a local government may otherwise be entitled for failing

17 to file certain financial reports or to make certain payments to the Public
18 Employees' Benefits Program. **Section 6** of this bill requires the Department, upon
19 making a determination that certain financial conditions exist in a local government
20 and after giving consideration to the severity of each such condition, to place the
21 local government under a program of monitoring. **Section 7** of this bill establishes
22 the process by which the Committee and the Commission determine that a local
23 government exists in a severe financial emergency and requires the Commission,
24 upon making such a determination, to order the local government to follow a
25 remedial course of action. **Section 8** of this bill revises the duties of the Department
26 upon taking over the management of a local government found to exist in a severe
27 financial emergency, including requiring the Department to: (1) negotiate and
28 approve employment contracts of the local government; (2) open and renegotiate,
29 or assist the local government in renegotiating, existing collective bargaining
30 agreements and employment contracts; and (3) meet and negotiate in good faith
31 with creditors of the local government. **Section 9** of this bill provides for the
32 creation and adoption by the Commission of a remedial plan of action to increase
33 the revenues and reduce the expenditures of the local government. The plan may
34 provide for the imposition of additional taxes by the local government, which taxes,
35 pursuant to **section 15** of this bill, are not subject to certain abatements and other
36 limitations. **Section 9** further requires the Department to prepare and submit to the
37 Legislature a report relating to local governments existing in a severe financial
38 emergency. **Section 11** of this bill authorizes the distribution of money in the
39 Severe Financial Emergency Fund to a local government as a loan for the purpose
40 of discharging the general obligations of the local government. **Section 11** further
41 extends the period within which a local government may repay certain interest-free
42 loans distributed by the Executive Director of the Department to the local
43 government from the Fund. **Section 12** of this bill authorizes the Commission to
44 require a local government that is found to exist in a severe financial emergency to
45 take remedial action in accordance with the recommendations of the Committee.
46 **Section 13** of this bill prohibits the Commission from terminating or modifying the
47 management of a local government by the Department without first obtaining a
48 recommendation from the Committee.
