SECOND READING AND AMENDMENT

Assembly Bill No. 20.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 297.

AN ACT relating to the Commission on Judicial Discipline; ~~revising provisions governing the appointment of certain members of the Commission under certain circumstances; revising provisions governing the investigation of complaints against judges and the procedural rules and standard of proof applicable to certain proceedings;~~ **requiring the investigative and prosecutorial function of the Commission to be separate from the adjudicative function** of the Commission; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the Commission on Judicial Discipline has exclusive jurisdiction over the public censure, removal, involuntary retirement and other discipline of judges in this State. (Nev. Const. Art. 6, § 21; NRS 1.440) The Nevada Constitution requires the Commission to be composed of seven members, including two members appointed by the Nevada Supreme Court. (Nev. Const. Art. 6, § 21) Existing law also provides that if a justice of the peace or a municipal judge is required to appear before the Commission in formal, public proceedings, the Nevada Supreme Court must appoint two justices of the peace or two municipal judges, respectively, to replace the regular Supreme Court appointees for those formal, public proceedings. (NRS 1.440) ~~Section 1 of this bill requires the Nevada Supreme Court to make these appointments with the advice of the Nevada Judges of Limited Jurisdiction, which is an association of justices of the peace and municipal judges in this State.~~

—Under the Nevada Constitution, the Legislature is required to establish the grounds for censure and other disciplinary action against judges and the standards for the investigation of matters relating to the fitness of judges to hold their judicial offices. (Nev. Const. Art. 6, § 21) With regard to disciplinary proceedings against judges, the Nevada Supreme Court has determined that judges have a constitutionally-protected interest in their judicial offices, and when disciplinary proceedings threaten to deprive a judge of that interest, constitutional due process is required. (U.S. Const. Amend. XIV, § 1; Nev. Const. Art. 1, § 8; *Mosley v. Nev. Comm'n on Jud. Discipline*, 117 Nev. 371, 378 (2001)) Constitutional due process requires that a judge accused of misconduct must be given: (1) notice of the charges and an opportunity to respond; and (2) a fair trial of the charges before a fair tribunal. (*Jones v. Nev. Comm'n on Jud. Discipline*, 130 Nev. 99, 105 (2014))

Although constitutional due process protections are implicated by disciplinary proceedings against a judge, the Nevada Supreme Court has determined that such disciplinary proceedings are divided into two distinct stages, investigatory and adjudicatory, and during the investigatory stage, when evidence is collected and the Commission determines how to proceed against the judge, constitutional due process protections generally do not apply because the Commission's investigatory proceedings do not adjudicate the judge's legal rights and thus do not require constitutional due process

protections. Consequently, constitutional due process protections generally do not attach until after the investigatory stage is completed and the Commission files a formal statement of charges, which commences the adjudicatory stage, and the judge is then afforded notice of the charges and an opportunity to respond and defend against the charges in a hearing in which the judge's legal rights are adjudicated by the Commission. (*Jones v. Nev. Comm'n on Jud. Discipline*, 130 Nev. 99, 105-06 (2014)) Even though constitutional due process protections generally do not apply during the investigatory stage of the Commission's proceedings, the Legislature may provide additional procedural protections by statute. (*Univ. & Cmty. Coll. Sys. of Nev. v. Nevadans for Sound Gov't*, 120 Nev. 712, 730-31 & n.52 (2004) (explaining that the Legislature may enact statutes affording greater protections than the minimum protections established by constitutional provisions))

~~[Under existing law, the Commission is required to adopt procedural rules for conducting its hearings and carrying out its duties, including procedural rules for the investigatory stage of its proceedings. (Nev. Const. Art. 6, § 21; NRS 1.4663, 1.4667, 1.467) However, existing law also provides that after the Commission files a formal statement of charges and commences the adjudicatory stage of its proceedings, the Nevada Rules of Civil Procedure apply, which afford a judge due process protections. (NRS 1.462) Sections 2 and 4 of this bill require that the Nevada Rules of Civil Procedure apply to all stages of the Commission's proceedings, including the investigatory stage.]~~ **Section 2 [also] of this bill** requires ~~[that any procedural rules adopted by the Commission must provide due process to a judge~~

~~— Existing law provides that the standard of proof during the investigatory stage of the Commission's proceedings is whether there is a reasonable probability that the evidence available for introduction at a formal hearing could clearly and convincingly establish grounds for disciplinary action against a judge. (NRS 1.4655, 1.4667, 1.467, 1.468) Existing law also provides that the standard of proof during the adjudicatory stage of the Commission's proceedings is clear and convincing evidence. (NRS 1.4673) Sections 3 and 5-7 of this bill clarify that the standard of proof during the investigatory stage of the Commission's proceedings is whether there is a reasonable probability, supported by clear and convincing evidence, to establish grounds for disciplinary action against a judge.~~

~~— Finally, existing law provides that if the standard of proof is met during the investigatory stage of the Commission's proceedings, the Commission must require the judge to respond to the complaint in accordance with the Commission's procedural rules. (NRS 1.4667) Section 5 of this bill changes this provision to state that the Commission must give the judge an opportunity to respond to the complaint, thereby leaving it to the discretion of the judge to determine whether to respond to the complaint during the investigatory stage of the Commission's proceedings.]~~ **the investigatory and prosecutorial function of the Commission to be separate from the adjudicatory function of the Commission in any matter before the Commission and prohibits**

any member of the Commission who is involved with the adjudicatory function of the Commission in a particular matter from: (1) receiving any investigatory or informational reports relating to the matter before a hearing; or (2) being provided with any information beyond that which is provided to the judge against whom a formal statement of charges has been filed.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. ~~NRS 1.440 is hereby amended to read as follows:~~

~~1.440 1. The Commission has exclusive jurisdiction over the public censure, removal, involuntary retirement and other discipline of judges which is coextensive with its jurisdiction over justices of the Supreme Court and must be exercised in the same manner and under the same rules.~~

~~2. Any complaint or action, including, without limitation, an interlocutory action or appeal, filed in connection with any proceeding of the Commission must be filed in the Supreme Court. Any such complaint or action filed in a court other than the Supreme Court shall be presumed to be frivolous and intended solely for the purposes of delay.~~

~~3. [The] *With the advice of the Nevada Judges of Limited Jurisdiction, or its successor organization, the* Supreme Court shall appoint two justices of the peace and two municipal judges to sit on the Commission for formal, public proceedings against a justice of the peace or a municipal judge, respectively. Justices of the peace and municipal judges so appointed must be designated by an order of the Supreme Court to sit for such proceedings in place of and to serve for the same terms as the regular members of the Commission appointed by the Supreme Court.] **(Deleted by amendment.)**~~

Sec. 2. NRS 1.462 is hereby amended to read as follows:

1.462 1. Proceedings before the Commission are civil matters designed to preserve an independent and honorable judiciary.

2. Except as otherwise provided in NRS 1.425 to 1.4695, inclusive, or in the procedural rules adopted by the Commission, after a formal statement of charges has been filed, the [The] Nevada Rules of Civil Procedure apply ~~to all stages of the proceedings before the Commission, including, without limitation, the investigatory stage.~~

3. *In any matter before the Commission, the investigatory and prosecutorial function of the Commission, including, without limitation, deciding whether a formal statement of charges should be filed, must be separate from the adjudicatory function of the Commission, including, without limitation, hearing evidence, making factual findings and imposing discipline after a formal complaint of charges is filed. Any member of the Commission who is involved with the adjudicatory function of the Commission in a particular matter must not:*

(a) Receive any investigatory or informational reports relating to the matter before a hearing; or

(b) Be provided with any information beyond that which is provided to the judge against whom a formal statement of charges has been filed.

~~4. [Any procedural rules adopted by the Commission pursuant to NRS 1.425 to 1.4695, inclusive, must provide due process to a judge.]~~

Sec. 3. [NRS 1.4655 is hereby amended to read as follows:

~~1.4655 1. The Commission may begin an inquiry regarding the alleged misconduct or incapacity of a judge upon the receipt of a complaint.~~

~~2. The Commission shall not consider complaints arising from acts or omissions that occurred more than 3 years before the date of the complaint or more than 1 year after the complainant knew or in the exercise of reasonable diligence should have known of the conduct, whichever is earlier, except that:~~

~~(a) Where there is a continuing course of conduct, the conduct will be deemed to have been committed at the termination of the course of conduct;~~

~~(b) Where there is a pattern of recurring judicial misconduct and at least one act occurs within the 3-year or 1-year period, as applicable, the Commission may consider all prior acts or omissions related to that pattern; and~~

~~(c) Any period in which the judge has concealed or conspired to conceal evidence of misconduct is not included in the computation of the time limit for the filing of a complaint pursuant to this section.~~

~~3. Within 18 months after the receipt of a complaint pursuant to this section, the Commission shall:~~

~~(a) Dismiss the complaint with or without a letter of caution;~~

~~(b) Attempt to resolve the complaint informally as required pursuant to NRS 1.4665;~~

~~(c) Enter into a deferred discipline agreement pursuant to NRS 1.468;~~

~~(d) With the consent of the judge, impose discipline on the judge pursuant to an agreement between the judge and the Commission; or~~

~~(e) Authorize the filing of a formal statement of the charges based on a finding that there is a reasonable probability [that the evidence available for introduction at a formal hearing could clearly and convincingly], **supported by clear and convincing evidence, to** establish grounds for disciplinary action.] (Deleted by amendment.)~~

Sec. 4. [NRS 1.4663 is hereby amended to read as follows:

~~1.4663 1. If the Commission determines pursuant to NRS 1.4657 that a complaint alleges objectively verifiable evidence from which a reasonable inference could be drawn that a judge committed misconduct or is incapacitated, the Commission shall assign or appoint an investigator to conduct an investigation to determine whether the allegations have merit. The Commission may designate special counsel at any time after a complaint is filed with the Commission pursuant to NRS 1.4655.~~

~~2. Such an investigation [must be conducted in accordance with procedural rules adopted by the Commission and] may extend to any matter that is, in the determination of the Commission, reasonably related to an allegation of misconduct or incapacity contained in the complaint.~~

~~3. An investigator assigned or appointed by the Commission to conduct an investigation pursuant to this section may, for the purpose of investigation, compel by subpoena on behalf of the Commission the attendance of witnesses and the production of necessary materials as set forth in NRS 1.466.~~

~~4. At the conclusion of the investigation, the investigator shall prepare a written report of the investigation for review by the Commission.] (Deleted by amendment.)~~

Sec. 5. ~~NRS 1.4667 is hereby amended to read as follows:~~

~~1.4667 1. The Commission shall review the report prepared pursuant to NRS 1.4663 to determine whether there is a reasonable probability [that the evidence available for introduction at a formal hearing could clearly and convincingly] , *supported by clear and convincing evidence*, to establish grounds for disciplinary action against a judge.~~

~~2. If the Commission determines that such a reasonable probability does not exist, the Commission shall dismiss the complaint with or without a letter of caution. The Commission may consider a letter of caution when deciding the appropriate action to be taken on a subsequent complaint against a judge unless the caution is not relevant to the misconduct alleged in the subsequent complaint.~~

~~3. If the Commission determines that such a reasonable probability exists, the Commission shall [require] *give* the judge *an opportunity* to respond to the complaint in accordance with procedural rules adopted by the Commission.] (Deleted by amendment.)~~

Sec. 6. ~~NRS 1.467 is hereby amended to read as follows:~~

~~1.467 1. After *giving* a judge [responds] *an opportunity to respond* to the complaint as required pursuant to NRS 1.4667, the Commission shall make a finding of whether there is a reasonable probability [that the evidence available for introduction at a formal hearing could clearly and convincingly] , *supported by clear and convincing evidence*, to establish grounds for disciplinary action against the judge.~~

~~2. If the Commission finds that such a reasonable probability does not exist, the Commission shall dismiss the complaint with or without a letter of caution. The Commission may consider a letter of caution when deciding the appropriate action to be taken on a subsequent complaint against a judge unless the caution is not relevant to the misconduct alleged in the subsequent complaint.~~

~~3. If the Commission finds that such a reasonable probability exists, but reasonably believes that the misconduct would be addressed more appropriately through rehabilitation, treatment, education or minor corrective action, the Commission may enter into a deferred discipline agreement with the judge for a definite period as described in NRS 1.468.~~

~~4. The Commission shall not dismiss a complaint with a letter of caution or enter into a deferred discipline agreement with a judge if:~~

~~—(a) The misconduct of the judge involves the misappropriation of money, dishonesty, deceit, fraud, misrepresentation or a crime that adversely reflects on the honesty, trustworthiness or fitness of the judge;~~

~~—(b) The misconduct of the judge resulted or will likely result in substantial prejudice to a litigant or other person;~~

~~—(c) The misconduct of the judge is part of a pattern of similar misconduct;~~
~~or~~

~~—(d) The misconduct of the judge is of the same nature as misconduct for which the judge has been publicly disciplined or which was the subject of a deferred discipline agreement entered into by the judge within the immediately preceding 5 years.~~

~~—5. If the Commission finds that such a reasonable probability exists and that formal proceedings are warranted, the Commission shall, in accordance with its procedural rules, designate special counsel to sign under oath and file with the Commission a formal statement of charges against the judge.~~

~~—6. Within 20 days after service of the formal statement of charges, the judge shall file an answer with the Commission under oath. If the judge fails to answer the formal statement of charges within that period, the Commission shall deem such failure to be an admission that the charges set forth in the formal statement:~~

~~—(a) Are true; and~~

~~—(b) Establish grounds for discipline pursuant to NRS 1.4653.~~

~~—7. The Commission shall adopt rules regarding disclosure and discovery after the filing of a formal statement of charges.~~

~~—8. By leave of the Commission, a statement of formal charges may be amended at any time, before the close of the hearing, to allege additional matters discovered in a subsequent investigation or to conform to proof presented at the hearing if the judge has adequate time, as determined by the Commission, to prepare a defense.] (Deleted by amendment.)~~

~~Sec. 7. [NRS 1.468 is hereby amended to read as follows:~~

~~—1.468 1. Except as otherwise provided in subsections 2 and 3, if the Commission reasonably believes that a judge has committed an act or engaged in a behavior that would be addressed most appropriately through rehabilitation, treatment, education or minor corrective action, the Commission may enter into an agreement with the judge to defer formal disciplinary proceedings and require the judge to undergo the rehabilitation, treatment, education or minor corrective action.~~

~~—2. The Commission may not enter into an agreement with a judge to defer formal disciplinary proceedings if the Commission has determined, pursuant to NRS 1.467, that there is a reasonable probability [that the evidence available for introduction at a formal hearing could clearly and convincingly], *supported by clear and convincing evidence*, to establish grounds for disciplinary action against the judge pursuant to NRS 1.4653.~~

~~3. The Commission may enter into an agreement with a judge to defer formal disciplinary proceedings only in response to misconduct that is minor in nature.~~

~~4. A deferred discipline agreement entered into pursuant to this section must be in writing and must specify the conduct that resulted in the agreement. A judge who enters into such an agreement must agree:~~

~~(a) To the specified rehabilitation, treatment, education or minor corrective action;~~

~~(b) To waive the right to a hearing before the Commission; and~~

~~(c) That the agreement will not be protected by confidentiality for the purpose of any subsequent disciplinary proceedings against the judge,~~

~~and the agreement must indicate that the judge agreed to the terms set forth in paragraphs (a), (b) and (c). Such an agreement must expressly authorize the Commission to revoke the agreement and proceed with any other disposition of the complaint or formal statement of charges authorized by NRS 1.467 if the Commission finds that the judge has failed to comply with a condition of the agreement.~~

~~5. The Executive Director of the Commission shall monitor the compliance of the judge with the agreement. The Commission may require the judge to document his or her compliance with the agreement. The Commission shall give the judge written notice of any alleged failure to comply with any condition of the agreement and shall allow the judge not less than 15 days to respond.~~

~~6. If the judge complies in a satisfactory manner with the conditions imposed in the agreement, the Commission may dismiss the complaint or take any other appropriate action. **(Deleted by amendment.)**~~

Sec. 8. The Commission on Judicial Discipline:

1. Shall apply the amendatory provisions of this act which govern the procedures applicable to proceedings arising under NRS 1.425 to 1.4695, inclusive, to any such proceedings that are within the jurisdiction of the Commission and are commenced on or after the effective date of this act, whether or not the conduct at issue in such proceedings occurred before the effective date of this act.

2. May apply the amendatory provisions of this act which govern the procedures applicable to proceedings arising under NRS 1.425 to 1.4695, inclusive, to any such proceedings that were commenced before the effective date of this act and are still within the jurisdiction of the Commission and pending before the Commission on the effective date of this act, unless the Commission determines that such an application would be impracticable, unreasonable or unconstitutional under the circumstances, in which case the Commission shall apply the procedures in effect before the effective date of this act.

Sec. 9. This act becomes effective upon passage and approval.

Assembly Bill No. 34.

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 372.

AN ACT relating to governmental financial administration; authorizing the State Treasurer to invest in certain securities issued or guaranteed by certain supranational organizations or issued by a foreign financial institution, corporation or government; authorizing certain political subdivisions of the State to invest in such securities; expanding the types of governmental entities authorized to invest in certain additional securities; revising the requirements for certain investments; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the State Treasurer is responsible for the investment of money of the State unless a specific statute imposes this responsibility on some other person with respect to particular money. (NRS 226.110) The State Treasurer is also responsible for the investment of certain money that the State holds in trust, such as the money in the Nevada Higher Education Prepaid Tuition Trust Fund. (NRS 353.160) In addition, existing law authorizes the State Treasurer to invest all money of the State's General Portfolio in specified categories of securities. (NRS 355.140) Existing law provides separate authorization for the State Treasurer to invest money held in certain funds, such as the Nevada Higher Education Prepaid Tuition Trust Fund and the State Permanent School Fund. (NRS 353B.160, 355.060)

Existing law authorizes the governing body of certain local governments to invest money only in certain specified securities. (NRS 355.170) Existing law similarly authorizes a board of county commissioners, a board of trustees of a county school district or the governing body of an incorporated city to invest money in certain additional securities. (NRS 355.171)

The Board of Trustees of the College Savings Plans of Nevada is required to develop policies for investment to be followed by the State Treasurer in investing money in the Nevada Higher Education Prepaid Tuition Trust Fund. (NRS 353B.160) **Section 1** of this bill expands the list of authorized investments for the Trust Fund to include: (1) certain bonds, notes and other obligations that are issued or unconditionally guaranteed by the International Bank for Reconstruction and Development, the International Finance Corporation or the Inter-American Development Bank; and (2) certain bonds, notes and other obligations, commonly called "Yankee bonds," that are issued by a foreign financial institution, corporation or government. **Sections 2 and 3** of this bill similarly expand the list of authorized investments for money in

the State Permanent School Fund and money invested through the General Portfolio. **Section 3** also increases, from 20 to 25 percent, the maximum share of the aggregate value of the General Portfolio that is authorized to be invested in the commercial paper, notes, bonds or other obligations of certain corporations and depository institutions operating in the United States.

Section 4 of this bill authorizes the governing body of certain local governments and certain administrative entities established by cooperative agreements entered into by cities and counties to invest in the additional types of securities described above. **Section 6** of this bill makes a conforming change. **Sections 4 and 5** of this bill increase, from 20 to 25 percent, the maximum share of the aggregate value of the portfolios of certain local governments that is authorized to be invested in the commercial paper, notes, bonds or other obligations of certain corporations and depository institutions and require that not more than 5 percent of the value of such a portfolio be in the obligations of a single corporation or depository institution. **Section 5** also authorizes additional local governments and certain administrative entities established by cooperative agreements entered into by cities and counties to invest in certain securities, which, under existing law, are authorized investments only for certain boards of county commissioners, boards of trustees of certain county school districts and the governing bodies of certain incorporated cities.

Existing law places various requirements on money in the State's General Portfolio and the investment of the money of certain local governments. (NRS 355.140, 355.170, 355.171) **Sections 3-5** eliminate the requirement that certain securities be sold as soon as possible if the rating of the security falls below the level required by existing law. ~~For certain investments by local governments, section 5 replaces this requirement with a requirement that the rating reduction be reported to the local government.~~ **Sections 3-5 instead require that the State Treasurer or local government, as applicable, take certain actions to preserve the principal value and the integrity of the portfolio as a whole and report such actions to the State Board of Finance.**

Sections 2, 4, 36 and 38 of this bill authorize an elector to register to vote in person or to update his or her voter registration~~

~~information for a primary, primary city, general or general city election: (1) during the period for early voting; and (2) on the day of the election. Additionally, sections 2, 4, 36 and 38 require the county or city clerk to designate one or more polling places in the county or city as a site for registering to vote or updating voter registration information during early voting and on election day. To register to vote or to update his or her voter registration information, an elector must appear at such a site, complete an application to register to vote or to update his or her voter registration information and provide his or her driver's license or an identification card issued by the Department of Motor Vehicles as proof of identity and residence. Upon completion of the application or update and verification of identity and residence, the elector is deemed registered to vote or his or her voter registration is deemed updated, and the elector may vote in that election only at the polling place at which he or she has registered to vote or updated his or her voter registration information. Sections 5-9, 11-14, 22-34, 39-41, 43-46 and 49-57 of this bill make conforming changes.]~~

Existing law requires, under certain circumstances, county and city clerks to establish at least one polling place for the day of a primary election, general election, primary city election or general city election, as applicable, within the boundaries of an Indian reservation or Indian colony at a location or locations approved by the Indian tribe upon the request of the Indian tribe. (NRS 293.2733, 293C.2675) Existing law also requires, under certain circumstances, county and city clerks to establish at least one temporary branch polling place for early voting within the boundaries of an Indian reservation or Indian colony upon the request of an Indian tribe. (NRS 293.3572, 293C.3572) **Sections 10, 21, 42 and 48** of this bill provide that if a county or city clerk establishes a polling place for the day of an election or for early voting upon the request of an Indian tribe, the county or city clerk shall continue to establish such a polling place within the boundaries of the Indian reservation or Indian colony for future elections or early voting, unless otherwise requested by the Indian tribe.

~~[Existing law requires polls to close at 7 p.m. on election day and provides that any person waiting in line at 7 p.m. is entitled to vote. (NRS 293.2546, 293.273, 293.305, 293C.267, 293C.297) Sections 14 and 45 of this bill provide that if there are still people waiting in line to vote, register to vote or update voter registration information at 7 p.m., any registered voter who enters the line after 7 p.m. must also be allowed to vote.~~

~~— Sections 3 and 37 of this bill provide that any person waiting in line to vote, register to vote or update voter registration information before the hour set for the closing of the polls on any day during early voting must be admitted to vote. Sections 3 and 37 also provide that any registered voter who gets in line to vote after the hour set for the closing of the polls during early voting, if there is still a line of persons waiting to vote, register to vote or update voter registration information at that time, must be admitted to vote.~~

~~Existing law authorizes a person to cast a provisional ballot if the person completes a written affirmation and: (1) declares that he or she is registered to vote and is eligible to vote in the election in the jurisdiction but his or her name does not appear on the election register; (2) has registered to vote by mail or computer, has not voted in an election for federal office in this State and fails to provide identification to an election board officer at the polling place; or (3) declares that he or she is entitled to vote after the polling place would close as a result of certain court orders. A provisional ballot allows the person casting it to vote only for candidates for federal office. After the election, provisional ballots are kept separate from regular ballots and are only counted towards the result of the election under certain circumstances. (NRS 293.3081-293.3085) Sections 15-17 of this bill require provisional ballots to include all offices, candidates and ballot questions on which the person who is casting the provisional ballot would be entitled to vote if he or she were casting a regular ballot. Sections 18 and 19 of this bill make conforming changes.~~

~~Existing law sets forth the period for early voting by personal appearance at a primary or general election which begins the third Saturday before the election and extends through the Friday before the election and excludes Sundays and federal holidays. (NRS 293.3568, 293C.3568) Section 20 of this bill requires the period for early voting in a county with a population of 100,000 or more (currently Clark and Washoe Counties) to extend to the Monday before the election and include Sundays in that period. Section 20 also authorizes a county clerk in a county with a population of less than 100,000 to extend the period for early voting to the Monday before the election. Section 47 of this bill requires the period for early voting in a city located in a county whose population is 100,000 or more to extend through the Monday before the election. Section 47 also authorizes the city clerk in a city located in a county whose population is less than 100,000 to extend the period for early voting through the Monday before the election.~~

Assembly Bill No. 168.

Bill read second time.

The following amendment was proposed by the Committee on Education:

Amendment No. 245.

AN ACT relating to education; requiring a school to provide a plan of action based on restorative justice before suspending or expelling a pupil; prohibiting certain pupils from being suspended or expelled in certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law excepts certain classes of persons from criminal liability, including: (1) children under the age of 8 years; (2) children between the ages of 8 years and 10 years unless the child is charged with certain serious crimes; and (3) children between the ages of 8 years and 14 years in the absence of clear proof that the child knew at the time of committing an act that it was wrong. (NRS 194.010)

Under existing law, a pupil is required to be expelled or suspended from a public school if he or she commits a battery which results in the bodily injury of an employee of the school or sells or distributes any controlled substance in certain circumstances. (NRS 392.466) Existing law authorizes the expulsion or suspension of a pupil who: (1) is deemed a habitual disciplinary problem; or (2) participates in a program of special education in certain circumstances upon review of the board of trustees of the school district in which the pupil is enrolled. (NRS 392.466, 392.467) Existing law also authorizes the board of trustees of a school district to expel or suspend a pupil from a public school in the school district, but prohibits the board of trustees from expelling, suspending or removing a pupil solely because the pupil is deemed a truant. (NRS 392.467)

Section 3 of this bill, with certain exceptions, requires a school to provide a plan of action based on restorative justice to a pupil before suspending or expelling the pupil. **Sections 7 and 8** of this bill prohibit the expulsion or suspension of a pupil who is excepted from criminal liability except in certain limited circumstances. **Section 7** requires a public school to provide a plan of action based on restorative justice to a pupil who engages in certain actions and is not excepted from criminal liability before expelling or suspending the pupil. ~~[Section 7 authorizes a school to expel a pupil without providing such a plan of action if the pupil subsequently engages in another prohibited action.]~~ **Section 7** also requires a public school that removes a pupil from school and places the pupil in another ~~(kind of)~~ school **of the same kind** to explain what services will be provided to address the specific needs and behaviors of the pupil at the new school that the current school is unable to provide. **Section 7 requires the school district of the current school of the pupil to coordinate with the new school or the school district of the new school to ensure the new school has the resources necessary to accommodate the pupil.** **Section 8** prohibits the board of trustees of a school district from expelling, suspending or removing a pupil solely for offenses related to attendance. ~~Sections [4-6]~~ **4 and 5** of this bill make conforming changes.

Existing law requires the principal of each public school to establish a plan for the discipline of pupils. (NRS 392.4644) Section 5.5 of this bill instead requires the board of trustees of each school district to establish such a plan. Existing law authorizes the school in which a pupil who is suspended is enrolled to develop a plan of behavior for the pupil. (NRS 392.4655) Section 6 of this bill instead requires such a school to develop a plan of behavior.

Existing law prohibits a pupil who is participating in a program of special education from being suspended from school for more than 10 days or permanently expelled unless the board of trustees of the school district in which the pupil is enrolled has reviewed the circumstances and determined that the action complies with federal law relating to pupils with disabilities. (NRS 392.466, 392.467) **Sections 7 and 8** reduce the number of days that such

a pupil can be suspended ~~[without a review of the circumstances of the suspension by the board of trustees]~~ from 10 to 5.

Existing law authorizes the expulsion, suspension or removal of a pupil of a charter school or university school for profoundly gifted pupils in certain circumstances. (NRS 388A.495, 388C.150) **Sections 1 and 2** of this bill apply similar provisions relating to the discipline of such pupils as are applied to pupils in other public schools by **sections 3, 7 and 8**.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 378.

~~ASSEMBLYMAN~~ **ASSEMBLYMEN FLORES; BILBRAY-AXELROD, KRAMER AND SMITH**

AN ACT relating to document preparation services; **defining “business entity”**; authorizing a business entity to file a cash or surety bond for certain employees who perform document preparation services; **setting forth certain procedures for claiming against a bond**; exempting certain persons from the definition of a “document preparation service”; requiring an applicant for registration as a document preparation service to be a natural person; requiring the Secretary of State to deny or suspend the registration of a document

preparation service under certain circumstances; revising provisions related to certain prohibited acts; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes requirements for the registration and practice of a person who provides a document preparation service, which includes: (1) defining a "document preparation service"; (2) requiring persons who provide a document preparation service to register with the Secretary of State; (3) requiring persons who register as a document preparation service with the Secretary of State to file a cash bond or surety bond; and (4) prohibiting a person who provides a document preparation service from committing certain acts. (Chapter 240A of NRS) **Section 2** of this bill authorizes a business entity to file a cash or surety bond with the Secretary of State on behalf of employees of the business entity who perform document preparation services for the business entity. **Section 3** of this bill sets the amount of the bond filed by a business entity based on the number of employees covered by the bond ~~and~~ **which includes temporary or seasonal employees. Section 3.5. of this bill establishes procedures for claiming against a bond.** **Section 7** of this bill lowers the amount of the bond required for an individual registrant from \$50,000 to \$25,000. **Section 6** of this bill makes conforming changes.

Section 1.5 of this bill defines the term "business entity."

Section 4 of this bill revises the definition of "document preparation service" to exempt enrolled agents who are authorized to practice before the Internal Revenue Service. **Section 5** of this bill requires an applicant for registration as a document preparation service to be a natural person. **Section 8** of this bill makes conforming changes. **Section 5** also requires the Secretary of State to deny the registration of an applicant as a document preparation service if the applicant has had his or her appointment or registration as a notary public suspended or revoked for cause in this State or another state. **Section 10** of this bill authorizes the Secretary of State to suspend the registration of a registrant who is also appointed as a notary public and whose appointment as a notary public has been suspended.

Existing law prohibits a registrant from: (1) negotiating with another person concerning the rights or responsibilities of a client, communicating the position of a client to another person or conveying the position of another person to a client; (2) appearing on behalf of a client in a court proceeding or other formal adjudicative proceeding; (3) providing certain advice, explanations, opinions or recommendations to a client; or (4) selecting documents or strategies to assist a client. (NRS 240A.240) **Under existing federal law, tax return preparers who are not enrolled agents have limited representation rights before the Internal Revenue Service. (IRS Rev. Proc. 2014-42)** **Section 9** of this bill clarifies that these prohibitions do not apply to a registrant to the extent that it would violate federal law.

Existing law also prohibits a registrant from using certain terms, including "notary public," in any advertisement or written description of the registrant or services offered. (NRS 240A.240) **Section 9** provides that a registrant who

is also an appointed notary public in this State and is in good standing with the Secretary of State may use the term “notary public” in such advertisements or written descriptions.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 240A of NRS is hereby amended by adding thereto the provisions set forth as sections ~~1.2 and 3.1~~ **1.5 to 3.5, inclusive**, of this act.

Sec. 1.5. “Business entity” means a corporation, association, partnership, limited-liability company, limited-liability partnership or other entity organized and existing under the laws of this State.

Sec. 2. 1. *A business entity that has one or more employees who perform document preparation services may file with the Secretary of State a cash bond or surety bond on behalf of all employees of the business entity who are registered as a document preparation service and provide document preparation services for the business entity. Any such bond must be for the applicable amount set forth in section 3 of this act.*

2. *If a business entity files a cash bond or surety bond pursuant to subsection 1, the employees of the business entity who are covered by the bond are not required to file a cash bond or surety bond pursuant to NRS 240A.120.*

3. *A cash or surety bond filed pursuant to subsection 1 must be approved as to form by the Attorney General and conditioned to provide:*

(a) *Indemnification to a client or any other person who is determined in an action or proceeding to have suffered damage as a result of:*

(1) *An act or omission of a registrant employed by the business entity which violates a provision of this chapter or a regulation or order adopted or issued pursuant thereto;*

(2) *A wrongful failure or refusal by a registrant employed by the business entity to provide services in accordance with a contract entered into pursuant to NRS 240A.190;*

(3) *The fraud, dishonesty, negligence or other wrongful conduct of a registrant employed by the business entity; or*

(4) *An act or omission of a registrant employed by the business entity in violation of any other federal or state law for which the return of fees, an award of damages or the imposition of sanctions have been awarded by a court of competent jurisdiction in this State; or*

(b) *Payment to the Secretary of State for any civil penalty or award of attorney’s fees or costs of suit owing and unpaid by a registrant employed by the business entity to the Secretary of State pursuant to this chapter.*

4. *No part of a bond filed pursuant to this section may be withdrawn while the registration of a registrant employed by the business entity remains in effect, or while a proceeding to suspend or revoke the registration is pending.*

5. *If a surety bond is filed pursuant to subsection 1:*

(a) Except as otherwise provided in subsection 6, the bond must be executed by the business entity as principal and by a surety company qualified and authorized to do business in this State.

(b) The bond must cover the period of registration of each employee of the business entity who is registered as a document preparation service and performs document preparation services for the business entity, except when the surety is released in accordance with this section.

(c) The surety shall pay any final, nonappealable judgment of a court of this State that has jurisdiction, upon receipt of written notice that the judgment is final.

(d) The bond may be continuous, but regardless of the duration of the bond, the aggregate liability of the surety does not exceed the penal sum of the bond.

(e) If the penal sum of the bond is exhausted, the surety shall give written notice to the Secretary of State and the business entity within 30 days after its exhaustion.

(f) The surety may be released after giving 30 days' written notice to the Secretary of State and the business entity, but the release does not discharge or otherwise affect any claim resulting from an act or omission which is alleged to have occurred while the bond was in effect.

6. If a business entity employs only one registrant to perform document preparation services, the registrant must be named as principal in the bond filed pursuant to this section.

7. Except as otherwise provided in this subsection, if a cash bond is filed pursuant to subsection 1, the Secretary of State may retain the bond until the expiration of 3 years after the date the business entity has ceased to do business, or 3 years after the date of the expiration or revocation of the registration of each employee of the business entity who is registered as a document preparation service and performs document preparation services for the business entity, to ensure that there are no outstanding claims against the bond. A court of competent jurisdiction may order the return of the bond, or any part of the bond, at an earlier date upon evidence satisfactory to the court that there are no outstanding claims against the bond or that the part of the bond retained by the Secretary of State is sufficient to satisfy any outstanding claims. Interest on a cash bond filed pursuant to subsection 1 must accrue to the account of the depositor.

8. The registration of a registrant is suspended by operation of law when the registrant is no longer covered by a bond or the penal sum of the bond is exhausted. If the Secretary of State receives notice pursuant to subsection 5 that the penal sum of a surety bond is exhausted or that the surety is being released, the Secretary of State shall immediately notify the business entity and each registrant covered under the bond in writing that their registration is suspended by operation of law until another bond is filed in the same manner and amount as the former bond.

9. *The Secretary of State may reinstate the registration of a registrant whose registration has been suspended pursuant to subsection 8 if, before the current term of the registration expires, the business entity files with the Secretary of State a new bond meeting the requirements of this section or the registrant files with the Secretary of State a new bond meeting the requirements of NRS 240A.120.*

10. *Except as specifically authorized or required by this chapter, a business entity or registrant shall not make or cause to be made any oral or written reference to the registrant's compliance with the requirements of this section.*

Sec. 3. 1. *A bond filed by a business entity pursuant to section 2 of this act on behalf of the employees of the business entity who are registered as a document preparation service must be in the penal sum of:*

~~11~~ (a) *If the business entity employs 1 registrant to perform document preparation services, \$25,000;*

Sec. 3.5. 1. *A claim against a bond filed pursuant to NRS 240A.120 or section 2 of this act may be filed in a court of competent jurisdiction for damages to the extent covered by the bond. A claim may not be brought against a bond after 3 years from the date of the act on which the action is based.*

2. *If a person commences an action pursuant to subsection 1, he or she must notify the Secretary of State in writing upon filing the action. Upon receiving such notification, the Secretary of State shall notify the person:*

(a) *Whether the bond is in effect;*

(b) *The amount of the bond; and*

(c) *If there is any other claim against the bond, the title, court and case number of the action and the amount sought by the plaintiff in the other action.*

3. *If a surety wishes to make payment without awaiting action by a court:*

(a) The amount of the bond must be reduced to the extent of any payment made by the surety in good faith under the bond; and

(b) Any payment must be based on written claims received by the surety before any action is taken by a court.

4. A surety may bring an action for interpleader against all claimants upon the bond. If such an action for interpleader is brought, the surety:

(a) Shall publish notice of the action at least once each week for 2 weeks in every issue of a newspaper of general circulation in the county of the principal place of business of the registrant or business entity, as applicable; and

(b) May deduct its costs of the action, including, without limitation, costs for attorney's fees and publication, from its liability under the bond.

5. Claims against a bond have equal priority. If a bond is insufficient to pay all claims in full, the claims must be paid on a pro rata basis. Any claimant may bring action against the registrant or business entity, as applicable, for the unpaid balance of a claim.

Assembly Bill No. 286.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 305.

AN ACT relating to personal financial administration; **revising provisions relating to certain fees charged by the clerk of the court;** revising provisions relating to the statutory rule against perpetuities; clarifying certain provisions relating to nonprobate transfer of property upon death; providing that certain sums derived from the sale of a homestead are exempt from the execution of a judgment; revising provisions that govern the transfer of community property or separate property into a trust; revising certain provisions that govern wills and estates of deceased persons; revising certain provisions of the Uniform Powers of Appointment Act; revising certain provisions that govern trusts and the administration of trusts; ~~revising certain provisions that govern spendthrift trusts;~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the clerk of the court is required to charge and collect certain fees on the filing of a petition for letters testamentary or letters of administration for an estate that is valued at \$200,000 or more and for an estate that is valued at more than \$20,000 but less than \$200,000. (NRS 19.0302) Section 1 of this bill increases the \$200,000 amount to \$300,000.

Existing law sets forth the Uniform Statutory Rule Against Perpetuities. (NRS 111.103-111.1039) This rule provides that a property interest which has not vested is invalid unless: (1) when the property interest is created, it is certain to vest or terminate no later than 21 years after the death of a person who is alive when the interest is created; or (2) the property interest either vests or terminates within 365 years after its creation. (NRS 111.1031) Existing law further provides that if language in a governing instrument for a trust or other property arrangement seeks to disallow or postpone the vesting or termination of any interest or trust beyond or until the later of the expiration of a period of time not exceeding or that exceeds or might exceed 21 years after the death of certain persons, such language is inoperative to the extent that it produces a period of time that exceeds 21 years after the death of certain persons. (NRS

111.1031) **Section 4** of this bill removes this limitation on a governing instrument for a trust or other property.

Article 15, section 4 of the Nevada Constitution provides that “[n]o perpetuities shall be allowed except for eleemosynary purposes.” According to the Nevada Supreme Court, “ ‘eleemosynary’ is synonymous with ‘charitable,’ . . . (*Nixon v. Brown*, 46 Nev. 439, 457 (1923)) The constitutional provision against perpetuities is directed at private trusts and not at public or charitable trusts.” *Id.* Existing law provides exclusions to which the statutory rule against perpetuities does not apply. (NRS 111.1037) **Section 5** of this bill provides that the statutory rule against perpetuities does not apply to a property interest in or a power of appointment with respect to certain trusts or other property arrangements that were established for eleemosynary purposes.

Existing law sets forth various provisions governing nonprobate transfer of property upon death. (NRS 111.700-111.815) Existing law provides that a creditor has no claim against property transferred according to a power of appointment that was exercised by a decedent unless it was exercisable in favor of the decedent or the decedent’s estate. (NRS 111.779) **Section 6** of this bill provides that a creditor has no claim against property transferred according to a power of appointment that was exercised by a decedent unless the power of appointment was actually exercised in favor of the decedent or the decedent’s estate.

Existing law provides that a homestead is not subject to forced sale on execution or any final process from any court, subject to certain exceptions. Existing law further provides that this exemption for homesteads extends only to the amount of equity in the property which does not exceed \$550,000 in value. (NRS 115.010) Existing law defines “homestead” to mean the property consisting of: (1) a quantity of land, together with the dwelling house and its appurtenances; (2) a mobile home; or (3) a unit existing in a common-interest community or a condominium project. (NRS 115.005) Existing law provides that if the equity in the homestead exceeds the sum of \$550,000, the judge shall determine whether the property can be divided so as to leave the property subject to the homestead exemption without material injury. If such division cannot occur, existing law requires: (1) the judge to order the entire property to be sold; and (2) that, from the proceeds of such a sale, the sum of \$550,000 must be paid to the defendant in execution, with certain rules applying when the execution is against a spouse. (NRS 115.050) **Section 7** of this bill provides that if the sum of \$550,000 is paid to the defendant in execution or to a spouse, then the sum of \$550,000 possesses all the protections that the original homestead possessed. Existing law provides that the homestead is exempt from execution of a judgment. (NRS 21.090) **Section 2** of this bill provides that the sum of \$550,000 that is paid to the defendant or spouse is also exempt from execution of a judgment. **Sections ~~1.5~~ 1.5 and 3** of this bill make conforming changes.

Existing law authorizes a trust instrument to provide that community property or separate property transferred into an irrevocable trust of which

both spouses are current permissible beneficiaries remains community property or separate property, as applicable, during the marriage. (NRS 123.125) **Section 8** of this bill ~~provides that, except as otherwise provided in~~ **authorizes** a trust instrument ~~for certain other instruments,~~ **to provide that** community property or separate property transferred into ~~a revocable or~~ an irrevocable trust of which both spouses are ~~current permissible~~ **distribution** beneficiaries remains community property or separate property, as applicable, during the marriage. ~~Section 9 of this bill makes a conforming change. Section 8 further authorizes a spouse to transfer his or her interest in community property into a separate trust but prohibits such a spouse from encumbering, pledging, transferring or otherwise distributing the interest in community property while the other spouse is alive without the written consent of the spouse.~~ The Nevada Supreme Court found that “[t]ransmutation from separate to community property must be shown by clear and convincing evidence.” (*Sprenger v. Sprenger*, 110 Nev. 855, 858 (1994)) **Section 8** incorporates this standard by requiring a spouse or party to a case to establish by clear and convincing evidence the transmutation of community property or separate property that is transferred into a trust into separate property or community property, as applicable.

Existing law provides that kindred of the half blood inherit equally with those of the whole blood in the same degree, unless the inheritance comes to the decedent from an ancestor, in which case those who are not of the blood of the ancestor are excluded from the inheritance. (NRS 134.160) **Section 10** of this bill provides that kindred of the half blood inherit equally with those of the whole blood in the same degree.

Existing law grants exclusive jurisdiction of the settlement of an estate to the district court in the county where the decedent was a resident at the time of death. Existing law provides that the estate of a nonresident decedent may be settled by the district court of any county in which part of the estate is located. (NRS 136.010) **Section 11** of this bill provides that the estate of a decedent may be settled by the district court of any county in which any part of the estate is located or where the decedent was a resident at the time of death. **Section 11** further provides that if the decedent was a resident of this State at his or her time of death, the district court of any county in this State may assume jurisdiction of the settlement of the estate only after considering the convenience of the forum to certain parties. **Section 11** additionally provides that after a properly noticed hearing is held, the district court that first assumes jurisdiction of the settlement of an estate has exclusive jurisdiction of the settlement of that estate. Existing law requires a petition for the probate of a will and issuance of letters to state certain facts and information. (NRS 136.090) **Section 12** of this bill requires such a petition to state how the district court in which the petition is being filed is a convenient forum to certain parties.

Existing law sets forth the procedure for petitioning for probate and proving a lost or destroyed will by using a copy of such a lost or destroyed will or a

statement of the testamentary words. Existing law further provides that the production of a person's lost or destroyed will, whose primary beneficiary is a certain nontestamentary trust, creates a rebuttable presumption that the will had not been revoked. (NRS 136.240) **Section 13** of this bill provides that the production of a copy of a person's lost or destroyed will, whose provisions are clearly and distinctly proved by two or more credible witnesses, creates a rebuttable presumption that the will had not been revoked. **Section 13** further provides that a person may overcome these presumptions only by proving by a preponderance of the evidence that the person whose will it is claimed to be destroyed the will with the intent to revoke the will before his or her death.

Existing law provides for the enforcement of a no-contest clause in a will or trust. (NRS 137.005, 163.00195) **Sections 14 and 23** of this bill provide, with certain exceptions, that a no-contest clause in a will or trust must be enforced by a court according to the terms expressly stated in the no-contest clause. **Sections 14 and 23** expand the number of exceptions to enforcing a no-contest clause in a will or trust.

Existing law authorizes a court, by temporary order, to: (1) restrain a personal representative or a trustee from performing certain acts; or (2) enter any other order to secure proper performance of the duties of the office. Any temporary order entered by a court must be set for hearing within 10 days after entry of the temporary order and notice must be given to the personal representative or trustee. (NRS 143.165, 163.115) **Sections 15 and 22** of this bill authorize a court to enter an ex parte order: (1) restraining a personal representative or a trustee from performing certain acts; or (2) enter any other order to secure proper performance of the duties of the office that is effective until further order of the court. **Sections 15 and 22** authorize a court to impose a fine on an interested person or a beneficiary who obtains an ex parte order without probable cause and further authorize the court to terminate an ex parte order in certain circumstances. **Sections 25 and 27-31** of this bill make conforming changes.

After the filing of the inventory of an estate, existing law: (1) authorizes a court to set apart for the use of the surviving spouse, minor child or minor children of the decedent all of the personal property which is exempt by law from execution; and (2) requires a court to set apart the homestead. Such property set apart by a court is not subject to administration of the estate. (NRS 146.020) **Section 16** of this bill removes the provision that such setting apart must happen after the filing of the inventory of the estate. If, after setting apart the property, the remaining assets of the estate do not exceed \$100,000 and may be set aside without administration, **section 16** requires the court to follow the procedure used to set aside the remaining assets of the estate without administration. If, after setting apart the property, the remaining assets of the estate exceed \$100,000 and may not be set aside without administration, **section 16** requires the court to administer the remaining assets of the estate as if the remaining assets of the estate are the only assets of the estate.

During the 2017 Legislative Session, the Nevada Legislature adopted the Uniform Powers of Appointment Act. (Chapter 162B of NRS) **Sections 17-21** of this bill revise certain provisions of the Act.

Existing law provides that, unless the terms of the instrument creating a power of appointment manifest a contrary intent, the creation, revocation or amendment of the power and the exercise, release or disclaimer of the power is governed by the law of the donor's or powerholder's domicile at the relevant time. (NRS 162B.105) **Section 17** of this bill provides that, unless the terms of the instrument creating a power of appointment manifest a contrary intent, the creation, revocation or amendment of the power and the exercise, release or disclaimer of the power is ~~governed by:~~ **valid if permitted under any of:** (1) the governing law adopted by the instrument; or (2) the law of the donor's or powerholder's domicile at the relevant time.

Existing law provides that a power of appointment is created only if the instrument creating the power: (1) is valid under applicable law; and (2) except in certain situations, transfers the appointive property. (NRS 162B.200) **Section 18** of this bill removes the requirement that the instrument creating the power must transfer the appointive property.

Existing law authorizes a powerholder of a nongeneral power, unless the terms of the instrument creating a power of appointment manifest a contrary intent, to create a general power in a permissible appointee. (NRS 162B.320) **Section 19** of this bill authorizes a powerholder of a nongeneral power, unless the terms of the instrument creating a power of appointment manifest a contrary intent, to create a general power or a nongeneral power in a permissible appointee.

Existing law authorizes a powerholder to revoke or amend an exercise of a power of appointment only in certain situations. (NRS 162B.365) **Section 20** of this bill authorizes a powerholder to revoke or amend an exercise of a power appointment unless expressly prohibited by the instrument.

Existing law provides that appointive property subject to a general power of appointment created by a person other than the powerholder is subject to a claim of certain creditors. (NRS 162B.510) **Section 21** of this bill provides that such ~~appointive~~ property **subject to a general power of appointment** is not subject to a claim of any creditor, unless the ~~property~~ **power of appointment** was ~~exercisable~~ **actually exercised** in favor of the decedent or the decedent's estate.

Existing law provides that a trust is irrevocable by the settlor except to the extent that a right to amend or a right to revoke the trust is expressly reserved by the settlor. (NRS 163.004) **Section 24** of this bill provides that, in addition to situations where a settlor reserves a right of revocation, one or more other persons may amend or revoke a trust if such a right is granted to such persons under the terms of the trust instrument.

Existing law authorizes a beneficiary or cotrustee to maintain a proceeding if a trustee commits or threatens to commit a breach of trust. (NRS 163.115) **Section 26** of this bill authorizes a settlor, cotrustee or beneficiary of a trust or

a court, on its own initiative, to request a court to remove a trustee in certain circumstances. **Section 26** further authorizes the court to order that a settlor, cotrustee or beneficiary of a trust who institutes a proceeding against a trustee without good faith and not based on probable cause pay all or any part of the costs of the proceeding, including reasonable attorney's fees.

Existing law sets forth the circumstances under which a trustee may appoint property of one trust to a second trust. Existing law prohibits a trustee from appointing property of the original trust to a second trust in certain circumstances, including where property held for the benefit of one or more beneficiaries under both the original and second trust has a lower value than the value of the property held for the benefit of such beneficiaries under only the original trust. (NRS 163.556) **Section 32** of this bill removes this prohibition.

Existing law authorizes a trust to refer to a written statement or list to dispose of items of tangible personal property not otherwise disposed of by the trust. Existing law prohibits such a statement or list from disposing of money, evidences of indebtedness, documents of title, securities and property used in a trade or business. (NRS 163.590) **Section 33** of this bill authorizes such a statement or list to dispose of items of trust property not otherwise specifically disposed of by the trust. **Section 33** further provides that such a statement or list may be used to dispose of all items of trust property, regardless of whether the trust property is real or personal property or tangible or intangible property. **Section 33** authorizes the trust instrument to limit the use of such statement or list to: (1) only dispose of tangible personal property; or (2) prevent the statement or list from being used to dispose of certain types of property.

Senate Bill No. 484 of the 78th Legislative Session replaced the term "excluded fiduciary" with "directed fiduciary." (Chapter 524, Statutes of Nevada 2015, p. 3518) Existing law still defines "excluded fiduciary" although this term has been replaced. (NRS 163.5539) **Section 47** of this bill repeals the definition for "excluded fiduciary." **Section 46** of this bill makes a conforming change.

Existing law sets forth various requirements for the expenses and compensation of a trustee of a testamentary trust. (NRS 153.070) **Section 34** of this bill adds similar requirements for the expenses and compensation of a trustee of a nontestamentary trust.

Existing law authorizes the trustee of a nontestamentary trust, after the death of the settlor of the trust, to publish a notice and mail a copy of the notice to known or readily ascertainable creditors. Such a notice must comply with the format provided in existing law. (NRS 164.025) **Section 35** of this bill creates an additional format for such a notice for a claim against a settlor.

Existing law authorizes virtual representation in the administration of trusts. Under existing law, certain persons may be represented by another person who has a substantially similar interest with respect to the question or dispute. (NRS 164.038) **Section 36** of this bill authorizes a powerholder of a power of

appointment to represent and bind a person who is a permissible appointee or a taker in default of appointment.

Existing law sets forth that the laws of this State govern the validity and construction of a trust in certain situations. Existing law further prohibits a trust instrument or designation from extending the duration of the trust beyond the rule against perpetuities that is otherwise applicable to the trust at the time of its creation. (NRS 164.045) **Section 37** of this bill removes this prohibition.

Existing law provides that a provision in a will or trust instrument requiring the arbitration of certain disputes between or among certain parties is enforceable. (NRS 164.930) Existing law requires an agreement, including an agreement requiring a person to submit to arbitration of any dispute arising between the parties to the agreement, to include a provision indicating that the person has affirmatively agreed to the arbitration requirement. (NRS 597.995) **Section 38** of this bill clarifies that this affirmative agreement to arbitration requirement does not apply to an arbitration provision in a will or trust. **Section 45** of this bill makes a conforming change.

Existing law authorizes the terms of a trust instrument to expand, restrict, eliminate or otherwise vary the rights and interests of beneficiaries in certain manners that are not illegal or against public policy. (NRS 165.160) **Section 47** of this bill repeals this existing law.

~~Existing law sets forth the restraints on alienation for a spendthrift trust (NRS 166.120) Section 43 of this bill provides that such restraints on alienation are a restriction on the transfer of a beneficial interest of the transferor in the trust that is enforceable under applicable nonbankruptcy law under federal bankruptcy law.~~

~~Existing law prohibits a person from bringing an action with respect to a transfer of property to a spendthrift trust unless such an action is brought within a certain period of time. (NRS 166.170) Section 44 of this bill prohibits a person from bringing an action with respect to the validity of a trust or to its qualification as a spendthrift trust unless the action is commenced within 2 years after the trust is created.~~

PROCEDURE FOR CLAIMING EXEMPT PROPERTY

If you believe that the money or property taken from you is exempt or necessary for the support of you or your family, you must file with the clerk of the court on a form provided by the clerk an executed claim of exemption. A copy of the claim of exemption must be served upon the sheriff, the garnishee and the judgment creditor within 10 days after the notice of execution or garnishment is served on you by mail pursuant to NRS 21.076 which identifies the specific property that is being levied on. The property must be released by the garnishee or the sheriff within 9 judicial days after you serve the claim of exemption upon the sheriff, garnishee and judgment creditor, unless the sheriff or garnishee receives a copy of an objection to the claim of exemption and a notice for a hearing to determine the issue of exemption. If this happens, a hearing will be held to determine whether the property or money is exempt. The objection to the claim of exemption and notice for the hearing to determine the issue of exemption must be filed within 8 judicial days after the claim of exemption is served on the judgment creditor by mail or in person and served on the judgment debtor, the sheriff and any garnishee not less than 5 judicial days before the date set for the hearing. Such proof may include, without limitation, a letter from the government, an

annual statement from a pension fund, receipts for payment, copies of checks, records from financial institutions or any other document which demonstrates that the money in your account is exempt.

IF YOU DO NOT FILE THE EXECUTED CLAIM OF EXEMPTION WITHIN THE TIME SPECIFIED, YOUR PROPERTY MAY BE SOLD AND THE MONEY GIVEN TO THE JUDGMENT CREDITOR, EVEN IF THE PROPERTY OR MONEY IS EXEMPT.

If you received this notice with a notice of a hearing for attachment and you believe that the money or property which would be taken from you by a writ of attachment is exempt or necessary for the support of you or your family, you are entitled to describe to the court at the hearing why you believe your property is exempt. You may also file a motion with the court for a discharge of the writ of attachment. You may make that motion any time before trial. A hearing will be held on that motion.

IF YOU DO NOT FILE THE MOTION BEFORE THE TRIAL, YOUR PROPERTY MAY BE SOLD AND THE MONEY GIVEN TO THE PLAINTIFF, EVEN IF THE PROPERTY OR MONEY IS EXEMPT OR NECESSARY FOR THE SUPPORT OF YOU OR YOUR FAMILY.

Sec. 6. NRS 111.779 is hereby amended to read as follows:

111.779 1. Except as otherwise provided in NRS 21.090 and other applicable law, a transferee of a nonprobate transfer is liable to the probate estate of the decedent for allowed claims against that decedent's probate estate to the extent the estate is insufficient to satisfy those claims.

2. The liability of a nonprobate transferee may not exceed the value of nonprobate transfers received or controlled by that transferee.

3. Nonprobate transferees are liable for the insufficiency described in subsection 1 in the following order of priority:

(a) A transferee specified in the decedent's will or any other governing instrument as being liable for such an insufficiency, in the order of priority provided in the will or other governing instrument;

(b) The trustee of a trust serving as the principal nonprobate instrument in the decedent's estate plan as shown by its designation as devisee of the decedent's residuary estate or by other facts or circumstances, to the extent of the value of the nonprobate transfer received or controlled; and

(c) Other nonprobate transferees, in proportion to the values received.

4. Unless otherwise provided by the trust instrument, interests of beneficiaries in all trusts incurring liabilities under this section abate as necessary to satisfy the liability, as if all the trust instruments were a single will and the interests were devised under it.

5. If a nonprobate transferee is a spouse or a minor child, the nonprobate transferee may petition the court to be excluded from the liability imposed by this section as if the nonprobate property received by the spouse or minor child were part of the decedent's estate. Such a petition may be made pursuant to the applicable provisions of chapter 146 of NRS, including, without limitation, the provisions of NRS 146.010 ~~and~~ ~~NRS~~ ~~and~~ 146.020 ~~without regard to the filing of an inventory~~ and subsection 2 of NRS 146.070.

6. A provision made in one instrument may direct the apportionment of the liability among the nonprobate transferees taking under that or any other governing instrument. If a provision in one instrument conflicts with a provision in another, the later one prevails.

7. Upon due notice to a nonprobate transferee, the liability imposed by this section is enforceable in probate proceedings in this State, whether or not the transferee is located in this State.

8. If a probate proceeding is pending at the time of filing and it has been determined by a final order issued by the probate court that there are insufficient assets to pay a valid creditor, a proceeding under this section may be commenced by one of the following persons:

(a) The personal representative of the decedent's estate. A personal representative who declines in good faith to commence a proceeding incurs no personal liability for declining.

(b) A creditor of the estate, if the personal representative has declined or refused to commence an action within 30 days after receiving a written demand by a creditor. Such demand must identify the nonprobate transfers known to the creditor. If the creditor is unaware of any nonprobate transfers, in the probate proceeding, the creditor may, pursuant to NRS 155.170, obtain discovery, perpetuate testimony or conduct examinations in any manner authorized by law or by the Nevada Rules of Civil Procedure to ascertain whether any nonprobate transfers exist. If the creditor is unable to identify any nonprobate transfers within a reasonable time after conducting discovery, the creditor may not proceed under this section. If a creditor commences an action under this section:

(1) The creditor must proceed at the expense of the creditor and not of the estate.

(2) If a creditor successfully establishes an entitlement to payment under this section and collects nonprobate transfers, the court must order the reimbursement of the costs reasonably incurred by the creditor, including attorney's fees, from the transferee from whom the payment is to be made, subject to the limitations of subsection 2, or from the estate as a cost of administration, or partially from each, as the court deems just.

9. If a probate proceeding is not pending, a proceeding under this section may be commenced as a civil action by a creditor at the expense of the creditor.

10. If a proceeding is commenced pursuant to this section, it must be commenced:

(a) If a probate proceeding is pending in which notice to creditors has been given at the time of filing a proceeding under this section:

(2) As to a creditor:

(I) Whose claim was rejected by the personal representative, partially allowed by the personal representative and rejected by the creditor pursuant to NRS 147.160, or deemed rejected by the personal representative pursuant to NRS 147.110;

(II) Who adjudicated the creditor's claims in the proper court or by a summary adjudication; and

(III) Who obtained a favorable final judgment on its claim from the proper court,

↳ within 60 days after the probate court enters an order confirming the amount of payment of the approved claim that is final and no longer subject to reconsideration or appeal or within 1 year after the decedent's death, whichever is later.

(b) If an action had been commenced against the decedent before the decedent's death, the creditor receives a judgment against the decedent's estate and the creditor has filed a proper and timely creditor's claim against the estate, within 60 days after the probate court enters an order confirming the amount of payment of the adjudicated claim that is final and no longer subject to reconsideration or appeal or within 1 year after the decedent's death, whichever is later.

(c) As to the recovery of benefits paid for Medicaid, within 3 years after the decedent's death.

(d) As to all other creditors, within 1 year after the decedent's death.

11. Unless a written notice asserting that a decedent's probate estate is nonexistent or insufficient to pay allowed claims and statutory allowances has been received from the decedent's personal representative, the following rules apply:

(a) Payment or delivery of assets by a financial institution, registrar or other obligor to a nonprobate transferee in accordance with the terms of the governing instrument controlling the transfer releases the obligor from all claims for amounts paid or assets delivered.

(b) A trustee receiving or controlling a nonprobate transfer is released from liability under this section with respect to any assets distributed to the trust's beneficiaries. Each beneficiary to the extent of the distribution received becomes liable for the amount of the trustee's liability attributable to assets received by the beneficiary.

12. Except as otherwise provided in subsection 13, notwithstanding any provision of this section to the contrary:

(a) A creditor has no claim against:

(1) Property transferred pursuant to a power of appointment exercised by a decedent unless ~~it~~ **the power of appointment** was ~~exercisable~~ **actually exercised** in favor of the decedent or the decedent's estate.

(V) A trust forming part of a qualified tuition program pursuant to chapter 353B of NRS, any applicable regulations adopted pursuant to chapter 353B of NRS and section 529 of the Internal Revenue Code, 26 U.S.C. § 529, unless the money is deposited after the entry of a judgment against the purchaser or account owner or the money will not be used by any beneficiary to attend a college or university.

(3) Property transferred pursuant to a beneficiary designation by a decedent which transfers money, benefits or privileges that accrue in any manner out of life insurance.

(4) Proceeds of any wages of the decedent which were exempt from execution during the decedent's lifetime pursuant to paragraph (g) of subsection 1 of NRS 21.090.

(5) A trust, a beneficial interest of the decedent under a trust or amount payable from a trust if the trust was created by someone other than the decedent, except to enforce a valid assignment of the decedent's beneficial interest under a trust that is not a spendthrift trust.

(6) An irrevocable trust or amounts payable from a trust if the trust was properly created as a valid spendthrift trust under chapter 166 of NRS, except with respect to property transferred to the trust by the decedent to the extent permitted under subsections 1, 2 and 3 ~~(2, 3 and 4)~~ of NRS 166.170.

13. Nothing in this section exempts any real or personal property from any statute of this State that authorizes the recovery of money owed to the Department of Health and Human Services as a result of the payment of benefits from Medicaid.

14. As used in this section, “devise” has the meaning ascribed to it in NRS 132.095.

Sec. 7. NRS 115.050 is hereby amended to read as follows:

2. If it appears, upon the report, to the satisfaction of the judge that the property can be thus divided, the judge shall order the excess to be sold under execution. If it appears that the property cannot be thus divided, and the amount of equity held by the claimant in the property exceeds the exemption allowed by this chapter, the judge shall order the entire property to be sold, and out of the proceeds the sum of \$550,000 to be paid to the defendant in execution, and the excess to be applied to the satisfaction on the execution. No bid under \$550,000 may be received by the officer making the sale.

3. When the execution is against a spouse, the judge may direct the \$550,000 to be deposited in court, to be paid out only upon the joint receipt of both spouses, and the deposit possesses all the protection against legal process and voluntary disposition by either spouse as did the original homestead.

4. *If the sum of \$550,000 is paid to the defendant in execution pursuant to subsection 2 or to a spouse pursuant to subsection 3, such sum of \$550,000 possesses all the protection against legal process and voluntary disposition by the defendant or spouse as did the original homestead.*

Sec. 8. NRS 123.125 is hereby amended to read as follows:

123.125 1. ~~▲ [Except as otherwise provided in subsection 3 or in a]~~ trust instrument ~~may provide that [for other instrument that is in writing and signed by both spouses,]~~ community property or separate property transferred into ~~[a revocable or]~~ an irrevocable trust of which both spouses are ~~current~~ ~~permissible]~~ **distribution** beneficiaries, **as defined in NRS 163.415**, remains community property or separate property, as applicable, during the marriage. Any community property or separate property, including, without limitation, any income, appreciation and proceeds thereof, that is distributed or withdrawn from a trust instrument containing such a provision remains community property or separate property, as applicable.

2. ~~[Subject to the provisions of this subsection, a spouse may transfer his or her interest in community property into a separate trust by deed, conveyance, assignment or other instrument that is in writing and signed by both spouses. Until the death of the other spouse, a spouse or a trustee of a~~

~~trust containing the interest in community property of the spouse shall not encumber, pledge, transfer or otherwise distribute the interest in community property of the spouse without the written consent of the other spouse.~~

~~3.1~~ *A spouse or other party in a case must establish by clear and convincing evidence the transmutation of community property or separate property that is transferred into a trust from, as applicable:*

- (b) Separate property to community property.*

~~4.1~~ 3. The provisions of this section do not affect the character of community property or separate property that is transferred into a trust in any manner other than as described in this section.

Sec. 9. ~~NRS 125.150 is hereby amended to read as follows:~~

~~125.150 Except as otherwise provided in NRS 125.155 and 125.165, and unless the action is contrary to a premarital agreement between the parties which is enforceable pursuant to chapter 123A of NRS:~~

~~1. In granting a divorce, the court:~~

~~(a) May award such alimony to either spouse, in a specified principal sum or as specified periodic payments, as appears just and equitable; and~~

~~(b) Shall, to the extent practicable, make an equal disposition of the community property of the parties, including, without limitation, any community property transferred into a *revocable* or an irrevocable trust pursuant to NRS 123.125 over which the court acquires jurisdiction pursuant to NRS 164.010, except that the court may make an unequal disposition of the community property in such proportions as it deems just if the court finds a compelling reason to do so and sets forth in writing the reasons for making the unequal disposition.~~

~~2. Except as otherwise provided in this subsection, in granting a divorce, the court shall dispose of any property held in joint tenancy in the manner set forth in subsection 1 for the disposition of community property. If a party has made a contribution of separate property to the acquisition or improvement of property held in joint tenancy, the court may provide for the reimbursement of that party for his or her contribution. The amount of reimbursement must not exceed the amount of the contribution of separate property that can be traced to the acquisition or improvement of property held in joint tenancy, without interest or any adjustment because of an increase in the value of the property held in joint tenancy. The amount of reimbursement must not exceed the value, at the time of the disposition, of the property held in joint tenancy for which the contribution of separate property was made. In determining whether to provide for the reimbursement, in whole or in part, of a party who has contributed separate property, the court shall consider:~~

~~(a) The intention of the parties in placing the property in joint tenancy;~~

~~As used in this subsection, “contribution” includes, without limitation, a down payment, a payment for the acquisition or improvement of property, and a payment reducing the principal of a loan used to finance the purchase or improvement of property. The term does not include a payment of interest on a loan used to finance the purchase or improvement of property, or a payment made for maintenance, insurance or taxes on property.~~

~~3. A party may file a postjudgment motion in any action for divorce, annulment or separate maintenance to obtain adjudication of any community property or liability omitted from the decree or judgment as the result of fraud or mistake. A motion pursuant to this subsection must be filed within 3 years after the discovery by the aggrieved party of the facts constituting the fraud or mistake. The court has continuing jurisdiction to hear such a motion and shall equally divide the omitted community property or liability between the parties unless the court finds that:~~

~~(a) The community property or liability was included in a prior equal disposition of the community property of the parties or in an unequal disposition of the community property of the parties which was made pursuant to written findings of a compelling reason for making that unequal disposition;~~

~~or~~

~~If a motion pursuant to this subsection results in a judgment dividing a defined benefit pension plan, the judgment may not be enforced against an installment payment made by the plan more than 6 years after the installment payment.~~

~~4. Except as otherwise provided in NRS 125.141, whether or not application for suit money has been made under the provisions of NRS 125.040, the court may award a reasonable attorney’s fee to either party to an action for divorce.~~

~~5. In granting a divorce, the court may also set apart such portion of the separate property of either spouse for the other spouse’s support or the separate property of either spouse for the support of their children as is deemed just and equitable.~~

~~6. In the event of the death of either party or the subsequent remarriage of the spouse to whom specified periodic payments were to be made, all the payments required by the decree must cease, unless it was otherwise ordered by the court.~~

~~7. If the court adjudicates the property rights of the parties, or an agreement by the parties settling their property rights has been approved by the court, whether or not the court has retained jurisdiction to modify them, the adjudication of property rights, and the agreements settling property rights, may nevertheless at any time thereafter be modified by the court upon written stipulation signed and acknowledged by the parties to the action, and in accordance with the terms thereof.~~

~~8. If a decree of divorce, or an agreement between the parties which was ratified, adopted or approved in a decree of divorce, provides for specified periodic payments of alimony, the decree or agreement is not subject to modification by the court as to accrued payments. Payments pursuant to a decree entered on or after July 1, 1975, which have not accrued at the time a motion for modification is filed may be modified upon a showing of changed circumstances, whether or not the court has expressly retained jurisdiction for the modification. In addition to any other factors the court considers relevant in determining whether to modify the order, the court shall consider whether the income of the spouse who is ordered to pay alimony, as indicated on the spouse's federal income tax return for the preceding calendar year, has been reduced to such a level that the spouse is financially unable to pay the amount of alimony the spouse has been ordered to pay.~~

~~9. In addition to any other factors the court considers relevant in determining whether to award alimony and the amount of such an award, the court shall consider:~~

- ~~(a) The financial condition of each spouse;~~
- ~~(b) The nature and value of the respective property of each spouse;~~
- ~~(c) The contribution of each spouse to any property held by the spouses pursuant to NRS 123.030;~~
- ~~(d) The duration of the marriage;~~
- ~~(e) The income, earning capacity, age and health of each spouse;~~
- ~~(f) The standard of living during the marriage;~~
- ~~(g) The career before the marriage of the spouse who would receive the alimony;~~
- ~~(h) The existence of specialized education or training or the level of marketable skills attained by each spouse during the marriage;~~
- ~~(i) The contribution of either spouse as homemaker;~~
- ~~(j) The award of property granted by the court in the divorce, other than child support and alimony, to the spouse who would receive the alimony; and~~
- ~~(k) The physical and mental condition of each party as it relates to the financial condition, health and ability to work of that spouse.~~

~~10. In granting a divorce, the court shall consider the need to grant alimony to a spouse for the purpose of obtaining training or education relating to a job, career or profession. In addition to any other factors the court considers relevant in determining whether such alimony should be granted, the court shall consider:~~

- ~~(a) Whether the spouse who would pay such alimony has obtained greater job skills or education during the marriage; and~~
- ~~(b) Whether the spouse who would receive such alimony provided financial support while the other spouse obtained job skills or education.~~

~~11. If the court determines that alimony should be awarded pursuant to the provisions of subsection 10:~~

~~— (a) The court, in its order, shall provide for the time within which the spouse who is the recipient of the alimony must commence the training or education relating to a job, career or profession.~~

~~— (b) The spouse who is ordered to pay the alimony may, upon changed circumstances, file a motion to modify the order.~~

~~— (c) The spouse who is the recipient of the alimony may be granted, in addition to any other alimony granted by the court, money to provide for:~~

~~— (1) Testing of the recipient's skills relating to a job, career or profession;~~

~~— (2) Evaluation of the recipient's abilities and goals relating to a job, career or profession;~~

~~— (3) Guidance for the recipient in establishing a specific plan for training or education relating to a job, career or profession;~~

~~— (4) Subsidization of an employer's costs incurred in training the recipient;~~

~~— (5) Assisting the recipient to search for a job; or~~

~~— (6) Payment of the costs of tuition, books and fees for:~~

~~— (I) The equivalent of a high school diploma;~~

~~— (II) College courses which are directly applicable to the recipient's goals for his or her career; or~~

~~— (III) Courses of training in skills desirable for employment.~~

~~— 12. For the purposes of this section, a change of 20 percent or more in the gross monthly income of a spouse who is ordered to pay alimony shall be deemed to constitute changed circumstances requiring a review for modification of the payments of alimony. As used in this subsection, "gross monthly income" has the meaning ascribed to it in NRS 125B.070. **(Deleted by amendment.)**~~

Sec. 13. NRS 136.240 is hereby amended to read as follows:

136.240 1. The petition for the probate of a lost or destroyed will must include a copy of the will, or if no copy is available state, or be accompanied by a written statement of, the testamentary words, or the substance thereof.

2. If offered for probate, a lost or destroyed will must be proved in the same manner as other wills are proved under this chapter.

3. In addition, no will may be proved as a lost or destroyed will unless its provisions are clearly and distinctly proved by two or more credible witnesses and it is:

(a) Proved to have been in legal existence at the death of the person whose will it is claimed to be and has not otherwise been revoked or destroyed without the knowledge, consent or ratification of such person; or

(b) Shown to have been fraudulently destroyed in the lifetime of that person.

4. The testimony of each witness must be reduced to writing, signed by the witness and filed, and is admissible in evidence in any contest of the will if the witness has died or permanently moved from the State.

5. Notwithstanding any provision of this section to the contrary:

(a) The production of a person's lost or destroyed will, whose primary beneficiary is a nontestamentary trust established by the person and in existence at his or her death, creates a rebuttable presumption that the will had not been revoked.

(b) ~~¶¶~~ *The production of a copy of a person's lost or destroyed will, whose provisions are clearly and distinctly proved by two or more credible witnesses, creates a rebuttable presumption that the will had not been revoked.*

(c) *A person may overcome the presumption set forth in paragraph (a) or (b) only by proving by a preponderance of the evidence that the person whose will it is claimed to be destroyed the will with the intent to revoke the will before his or her death. In the absence of such evidence:*

(1) *The lost or destroyed will must be admitted to probate; and*

(2) *The court shall accept a copy of such a will as sufficient proof of the terms thereof without requiring further evidence.*

(d) *For a lost or destroyed will to which the presumption set forth in paragraph (a) or (b) does not apply, if the proponent of a lost or destroyed will makes a prima facie showing that it was more likely than not left unrevoked by the person whose will it is claimed to be before his or her death, then the will must be admitted to probate in absence of an objection. If such prima facie showing has been made, the court shall accept a copy of such a will as sufficient proof of the terms thereof without requiring further evidence in the absence of any objection.*

6. If the will is established, its provisions must be set forth specifically in the order admitting it to probate, or a copy of the will must be attached to the order.

Sec. 14. NRS 137.005 is hereby amended to read as follows:

137.005 1. 3. Except as otherwise provided in ~~subsections 3 and~~ **subsection 4**, a devisee's share may be reduced or eliminated under a no-contest clause based upon conduct that is set forth by the testator in the will, including, without limitation, any testamentary trust established in the will. Such conduct may include, without limitation:

- (a) Conduct other than formal court action; and
- (b) Conduct which is unrelated to the will itself, including, without limitation:
 - (1) The commencement of civil litigation against the testator's probate estate or family members;
 - (2) Interference with the administration of a trust or a business entity;
 - (3) Efforts to frustrate the intent of the testator's power of attorney; and
 - (4) Efforts to frustrate the designation of beneficiaries related to a nonprobate transfer by the testator.

~~(b) The court determines by clear and convincing evidence that the conduct of the devisee was:~~

- ~~(2) Caused by the lack of sufficient mental capacity to knowingly engage in the conduct.~~

(c) A devisee or any other interested person enters into an agreement to settle a dispute or resolve any other matter relating to the will.

(d) A devisee institutes legal action seeking to invalidate a will if the legal action is instituted and maintained in good faith and based on probable cause. For the purposes of this paragraph, legal action is based on probable cause where, based upon the facts and circumstances available to the devisee who commences such legal action, a reasonable person, properly informed and advised, would conclude that the will is invalid.

5. As to any testamentary trust, the testator is the settlor. Unless the will expressly provides otherwise, a no-contest clause in a will applies to a testamentary trust created under that will and the provisions of NRS 163.00195 apply to that trust.

6. *Where a devisee takes action, asserts a cause of action or asserts a request for relief and such action or assertion violates a no-contest clause in a will, this section must not prevent the enforcement of the no-contest clause unless the action, cause of action or request for relief claims one of the exceptions to enforcement set forth in subsection 4.*

7. *Except as otherwise provided in subsection 4, subject to the discretion of the personal representative, as applicable:*

(a) A personal representative may suspend distributions to a devisee to the extent that, under a no-contest provision, the conduct of the devisee may cause the reduction or elimination of the interest of the devisee in the trust.

(b) Until a court determines whether the interest of the devisee in the will has been reduced or eliminated, a personal representative may:

(1) Resume distributions that were suspended pursuant to paragraph (a) at any time; or

(2) Continue to suspend those distributions.

(c) To the extent that a devisee has received distributions prior to engaging in conduct that potentially would have caused the reduction or elimination of the interest of the devisee in the will under a no-contest clause, a personal representative may seek reimbursement from the devisee or may offset those distributions.

8. *A no-contest clause in a will applies to a codicil even if the no-contest clause was not expressly incorporated in the codicil.*

9. As used in this section, “no-contest clause” means one or more provisions in a will that express a directive to reduce or eliminate the share allocated to a devisee or to reduce or eliminate the distributions to be made to a devisee if the devisee takes action to frustrate or defeat the testator’s intent as expressed in the will. *The term does not include:*

(a) Provisions in a will that shift or apportion attorney’s fees and costs incurred by the estate against the share allocated to a devisee who has asserted an unsuccessful claim, defense or objection;

(b) Provisions in a will that permit a personal representative to delay distributions to a devisee;

(c) Provisions in a will that require the arbitration of disputes involving the will; or

(d) A forum selection clause in the will.

Notwithstanding any provision to the contrary in the trust, a beneficiary's share must not be reduced or eliminated under a no-contest clause in a trust because the beneficiary institutes legal action seeking to invalidate a trust, any document referenced in or affected by the trust, or any~~

~~other trust related instrument if the legal action is instituted and maintained in good faith and based on probable cause that would have led a reasonable person, properly informed and advised, to conclude that the trust, any document referenced in or affected by the trust, or other trust related instrument is invalid.~~

~~5. Unless the trust expressly provides otherwise, a no-contest clause must not be applied to a settlor who is also a beneficiary of the trust.~~

~~6. (b) The court determines by clear and convincing evidence that the conduct of the beneficiary was:~~

~~(1) A product of coercion or undue influence; or~~

~~(2) Caused by the lack of sufficient mental capacity to knowingly engage in the conduct.~~

~~(c) A beneficiary acts as a trustee or a protector of the trust to exercise a power set forth in the trust, including, without limitation:~~

~~(1) Reforming, modifying or decanting the trust;~~

~~(2) Removing or replacing a trustee;~~

~~(3) Making or withholding distributions from the trust; or~~

~~(4) Exercising any other discretionary power.~~

~~(d) A beneficiary or any other interested person enters into an agreement to settle a dispute or resolve any other matter relating to the trust.~~

~~(e) A beneficiary institutes legal action seeking to invalidate a trust, the transfer of property into a trust, any document referenced in or affected by the trust, or any other trust-related instrument if the legal action is instituted and maintained in good faith and based on probable cause. For the purposes of this paragraph, legal action is based on probable cause where, based upon the facts and circumstances available to the beneficiary who commences such legal action, a reasonable person, properly informed and advised, would conclude that the trust, the transfer of property into the trust, any document referenced in or affected by the trust or any other trust-related instrument is invalid.~~

~~(f) Unless the trust expressly provides otherwise, a settlor is also a beneficiary of the trust.~~

~~5. Where a beneficiary takes action, asserts a cause of action or asserts a request for relief and such action or assertion violates a no-contest clause in a trust, this section must not prevent the enforcement of the no-contest clause unless the action, cause of action or request for relief claims one of the exceptions to enforcement set forth in subsection 4.~~

~~6. Except as otherwise provided in subsection 4, subject to the discretion of the trustee:~~

~~(a) A trustee may suspend distributions to a beneficiary to the extent that, under a no-contest provision, the conduct of the beneficiary may cause the reduction or elimination of the interest of the beneficiary in the trust.~~

~~(b) Until a court determines whether the interest of the beneficiary in the trust has been reduced or eliminated, a trustee may:~~

(1) Resume distributions that were suspended pursuant to paragraph (a) at any time; or

(2) Continue to suspend those distributions.

(c) To the extent that a beneficiary has received distributions before engaging in conduct that potentially would have caused the reduction or elimination of the interest of the beneficiary in the trust under a no-contest clause, a trustee may seek reimbursement from the beneficiary or may offset those distributions.

7. A no-contest clause applies to an amendment to the trust or trust-related document even if the no-contest clause was not expressly incorporated in such an amendment.

8. As used in this section:

(a) “No-contest clause” means one or more provisions in a trust that express a directive to reduce or eliminate the share allocated to a beneficiary or to reduce or eliminate the distributions to be made to a beneficiary if the beneficiary takes action to frustrate or defeat the settlor’s intent as expressed in the trust or in a trust-related instrument. ***The term does not include:***

(1) Provisions in a trust that shift or apportion attorney’s fees and costs incurred by the trust against the share allocated to a beneficiary who has asserted an unsuccessful claim, defense or objection;

(2) Provisions in a trust that permit a trustee to delay distributions to a beneficiary;

(3) Provisions in a trust that require the arbitration of disputes involving the trust;

(4) A forum selection clause in the trust; or

(5) Provisions in a trust that make a devise conditional or specify conditions or actions pursuant to NRS 163.558.

(b) “Trust” means the original trust instrument and each amendment made pursuant to the terms of the original trust instrument.

(c) “Trust-related instrument” means any document purporting to transfer property to or from the trust or any document made pursuant to the terms of the trust purporting to direct the distribution of trust assets or to affect the management of trust assets, including, without limitation, documents that attempt to exercise a power of appointment.

Sec. 24. NRS 163.004 is hereby amended to read as follows:

163.004 1. Except as otherwise provided by law, the terms of a trust instrument may expand, restrict, eliminate or otherwise vary the rights and interests of beneficiaries in any manner that is not illegal or against public policy, including, without limitation:

(a) The right to be informed of the beneficiary’s interest for a period of time;

(b) The grounds for the removal of a fiduciary;

(c) The circumstances, if any, in which the fiduciary must diversify investments;

(d) A fiduciary’s powers, duties, standards of care, rights of indemnification and liability to persons whose interests arise from the trust instrument; and

(e) The provisions of general applicability to trusts and trust administration.

2. A trust is irrevocable ~~by the settlor or a third party~~ except to the extent that a right to amend the trust or a right to revoke the trust is expressly reserved by the settlor ~~or is granted to one or more other persons under the terms of the trust instrument. Notwithstanding the provisions of this subsection, such a settlor or other person may not use~~ the following powers ~~to revoke a trust~~ **do not make a trust revocable:**

- (a) *Power of appointment;*
- (b) *Power to add or remove beneficiaries;*
- (c) *Power to appoint, remove or replace the trustee; or*
- (d) *Power to make administrative amendments.*

3. Nothing in this section shall be construed to:

- (a) Authorize the exculpation or indemnification of a fiduciary for the fiduciary's own willful misconduct or gross negligence; or
- (b) Preclude a court of competent jurisdiction from removing a fiduciary because of the fiduciary's willful misconduct or gross negligence.

4. The rule that statutes in derogation of the common law are to be strictly construed has no application to this section. This section must be liberally construed to give maximum effect to the principle of freedom of disposition and to the enforceability of trust instruments.

Sec. 25. NRS 163.020 is hereby amended to read as follows:

1. "Affiliate" means any person directly or indirectly controlling or controlled by another person, or any person under direct or indirect common control with another person. It includes any person with whom a trustee has an express or implied agreement regarding the purchase of trust investments by each from the other, directly or indirectly, except a broker or stock exchange.

2. "Relative" means a spouse, ancestor, descendant, brother or sister.

3. "Trust" means an express trust only.

163.115 1. *A settlor, cotrustee or beneficiary of the trust may request the court to remove a trustee, or a trustee may be removed by the court on its own motion pursuant to subsection 2.*

2. *The court may remove a trustee if:*

- (a) *The trustee commits or threatens to commit a breach of trust;*
- (b) *Lack of cooperation between cotrustees substantially impairs the administration of the trust; or*
- (c) *Because of unfitness, unwillingness or persistent failure of the trustee to administer the trust effectively, the court determines that removal of the trustee best serves the interests of the settlor or beneficiaries.*

3. If a trustee commits or threatens to commit a breach of trust, a beneficiary or cotrustee of the trust may maintain a proceeding for any of the following purposes that is appropriate:

- (a) To compel the trustee to perform his or her duties.
- (b) To enjoin the trustee from committing the breach of trust.
- (c) To compel the trustee to redress the breach of trust by payment of money or otherwise.
- (d) To appoint a receiver or temporary trustee to take possession of the trust property and administer the trust.

Notwithstanding any other provision of law governing temporary injunctions, if it appears to the court that the trustee otherwise may take some action that would jeopardize unreasonably the interest of the petitioner, another beneficiary or the trust, the court may enter the temporary order. A person with whom the trustee may transact business may be made a party to the temporary order.~~

~~3.— Any temporary order entered pursuant to subsection 2 must be set for hearing within 10 days after entry of the temporary order, unless the parties otherwise agree, or on a date the court otherwise determines is in the best interests of the trust. Notice of entry of the temporary order must be given by the petitioner to the trustee and the attorney of record of the trustee, if any, to any other party named as a party in the temporary order and as otherwise directed by the court.~~

4. *If the court determines that a proceeding instituted pursuant to subsection 1 by a settlor, cotrustee or beneficiary of the trust against a trustee was not instituted in good faith and based on probable cause, the court may order that the settlor, cotrustee or beneficiary who is maintaining the proceeding against a trustee pay all or part of the costs of the proceeding, including, without limitation, reasonable attorney's fees. The provisions of this subsection do not preclude any other remedy available.*

5. The ~~provision~~ *provisions* of ~~remedies in this section does~~ *subsections 2 and 3 do* not preclude resort to any other appropriate *ground or* remedy provided by statute or common law.

2. Except as otherwise provided in subsections 1 and 3, a trustee may be relieved of liability for breach of trust by provisions of the trust instrument.

3. A provision of the trust instrument is not effective to relieve a trustee of liability:

(a) For breach of trust committed intentionally, with gross negligence, in bad faith, or with reckless indifference to the interest of a beneficiary; or

(b) For any profit that the trustee derives from a breach of trust.

Sec. 28. NRS 163.170 is hereby amended to read as follows:

163.170 A beneficiary of a trust affected by NRS 163.010 to 163.200, inclusive, **and section 22 of this act** may, if of full legal capacity and acting upon full information, by written instrument delivered to the trustee, relieve the trustee as to that beneficiary from any or all of the duties, restrictions and liabilities which would otherwise be imposed on the trustee by NRS 163.010 to 163.200, inclusive, **and section 22 of this act**, except as to the duties, restrictions and liabilities imposed by NRS 163.030, 163.040 and 163.050. The beneficiary may release the trustee from liability to him or her for past violations of any of the provisions of NRS 163.010 to 163.200, inclusive ~~1-1~~, **and section 22 of this act**.

Sec. 29. NRS 163.180 is hereby amended to read as follows:

163.180 A court may, for cause shown and upon notice to the beneficiaries, relieve a trustee from any or all of the duties and restrictions which would otherwise be placed upon the trustee by NRS 163.010 to 163.200, inclusive, **and section 22 of this act**, or wholly or partly excuse a trustee who has acted honestly and reasonably from liability for violation of the provisions of NRS 163.010 to 163.200, inclusive ~~1-1~~, **and section 22 of this act**.

Sec. 30. NRS 163.190 is hereby amended to read as follows:

163.190 If a trustee violates any of the provisions of NRS 163.010 to 163.200, inclusive, **and section 22 of this act**, the trustee may be removed and denied compensation in whole or in part, and any beneficiary, cotrustee or successor trustee may treat the violation as a breach of trust.

Sec. 31. NRS 163.200 is hereby amended to read as follows:

163.200 NRS 163.010 to 163.200, inclusive, **and section 22 of this act** must be so interpreted and construed as to effectuate their general purpose to make uniform the law of those states which enact them.

Sec. 32. NRS 163.556 is hereby amended to read as follows:

163.556 1. Except as otherwise provided in this section, unless the terms of a testamentary instrument or irrevocable trust provide otherwise, a trustee with discretion or authority to distribute trust income or principal to or for a beneficiary of the trust may exercise such discretion or authority by appointing the property subject to such discretion or authority in favor of a second trust as provided in this section.

2. The second trust to which a trustee appoints property of the ~~first~~ **original** trust may only have as beneficiaries one or more of the beneficiaries of the original trust:

(a) To or for whom a distribution of income or principal may be made from the original trust;

(b) To or for whom a distribution of income or principal may be made in the future from the original trust at a time or upon the happening of an event specified under the ~~first~~ **original** trust; or

(c) Both paragraphs (a) and (b).

↪ For purposes of this subsection, a permissible appointee of a power of appointment exercised by a beneficiary of the second trust is not considered a beneficiary of the second trust.

3. A trustee may not appoint property of the original trust to a second trust if:

(a) Appointing the property will reduce any income interest of any income beneficiary of the original trust if the original trust is:

(1) A trust for which a marital deduction has been taken for federal or state income, gift or estate tax purposes;

(2) A trust for which a charitable deduction has been taken for federal or state income, gift or estate tax purposes; or

(3) A grantor-retained annuity trust or unitrust under 26 C.F.R. § 25.2702-3(b) and (c).

↪ As used in this paragraph, “unitrust” has the meaning ascribed to it in NRS 164.700.

(b) The property to be appointed is subject to a power of withdrawal which is held by a beneficiary of the original trust and may be executed at the time of the proposed appointment, unless after the exercise of such appointment, the beneficiary of the original trust’s power of withdrawal is unchanged with respect to the trust property.

(c) Property specifically allocated for one beneficiary of the original trust is no longer allocated for that beneficiary under either or both trusts, unless the beneficiary consents in writing.

~~(d) Property held for the benefit of one or more beneficiaries under both the original and the second trust has a lower value than the value of the property held for the benefit of the same beneficiaries under only the original trust, unless:~~

~~—(1) The benefit provided is limited to a specific amount or periodic payments of a specific amount; and~~

~~—(2) The value of the property held in either or both trusts for the benefit of one or more beneficiaries is actuarially adequate to provide the benefit.~~

~~—(e) A contribution made to the original trust qualified for a gift tax exclusion as described in section 2503(b) of the Internal Revenue Code, 26 U.S.C. § 2503(b), by reason of the application of section 2503(c) of the Internal Revenue Code, 26 U.S.C. § 2503(c), unless the second trust provides that the beneficiary's remainder interest must vest not later than the date upon which such interest would have vested under the terms of the original trust.~~

4. A trustee who is a beneficiary of the original trust may not exercise the authority to appoint property of the original trust to a second trust if:

(a) Under the terms of the original trust or pursuant to law governing the administration of the original trust:

(1) The trustee does not have discretion to make distributions to himself or herself;

(2) The trustee's discretion to make distributions to himself or herself is limited by an ascertainable standard, and under the terms of the second trust, the trustee's discretion to make distributions to himself or herself is not limited by the same ascertainable standard; or

(3) The trustee's discretion to make distributions to himself or herself can only be exercised with the consent of a cotrustee or a person holding an adverse interest and under the terms of the second trust the trustee's discretion to make distributions to himself or herself is not limited by an ascertainable standard and may be exercised without consent; or

(b) Under the terms of the original trust or pursuant to law governing the administration of the original trust, the trustee of the original trust does not have discretion to make distributions that will discharge the trustee's legal support obligations but under the second trust the trustee's discretion is not limited.

5. Notwithstanding the provisions of subsection 1, a trustee who may be removed by the beneficiary or beneficiaries of the original trust and replaced with a trustee that is related to or subordinate, as described in section 672 of the Internal Revenue Code, 26 U.S.C. § 672(c), to a beneficiary, may not exercise the authority to appoint property of the original trust to a second trust to the extent that the exercise of the authority by such trustee would have the effect of increasing the distributions that can be made from the second trust to such beneficiary or group of beneficiaries that held the power to remove the

trustee of the original trust and replace such trustee with a related or subordinate person, unless the distributions that may be made from the second trust to such beneficiary or group of beneficiaries described in paragraph (a) of subsection 4 are limited by an ascertainable standard.

6. The provisions of subsections 4 and 5 do not prohibit a trustee who is not a beneficiary of the original trust or who may not be removed by the beneficiary or beneficiaries and replaced with a trustee that is related to or subordinate to a beneficiary from exercising the authority to appoint property of the original trust to a second trust pursuant to the provisions of subsection 1.

7. Before appointing property pursuant to subsection 1, a trustee may give notice of a proposed action pursuant to NRS 164.725 or may petition a court for approval pursuant to NRS 153.031, 164.015 or 164.725. Any notice of a proposed action or a petition for a court's approval must include the trustee's opinion of how the appointment of property will affect the trustee's compensation and the administration of other trust expenses.

8. The trust instrument of the second trust may:

(a) Grant a general or limited power of appointment to one or more of the beneficiaries of the second trust who are beneficiaries of the original trust.

(b) Provide that, at a time or occurrence of an event specified in the trust instrument, the remaining trust assets in the second trust must be held for the beneficiaries of the original trust upon terms and conditions that are substantially identical to the terms and conditions of the original trust.

9. The power to appoint the property of the original trust pursuant to subsection 1 must be exercised by a writing, signed by the trustee and filed with the records of the trust.

10. The exercise of the power to invade principal of the original trust pursuant to subsection 1 is considered the exercise of a power of appointment, other than power to appoint the property to the trustee, the trustee's creditors, the trustee's estate or the creditors of the trustee's estate and the provisions of NRS 111.1031 apply to such power of appointment.

11. The provisions of this section do not abridge the right of any trustee who has the power to appoint property which arises under any other law.

12. The provisions of this section do not impose upon a trustee a duty to exercise the power to appoint property pursuant to subsection 1.

13. The power to appoint property to another trust pursuant to subsection 1 is not a power to amend the trust and a trustee is not prohibited from appointing property to another trust pursuant to subsection 1 if the original trust is irrevocable or provides that it may not be amended.

14. A trustee's power to appoint property to another trust pursuant to subsection 1 is not limited by the existence of a spendthrift provision in the original trust.

15. A trustee exercising any power granted pursuant to this section may designate himself or herself or any other person permitted to act as a trustee as the trustee of the second trust.

16. The trustee of a second trust, resulting from the exercise of the power to appoint property to another trust pursuant to subsection 1, may also exercise the powers granted pursuant to this section with respect to the second trust.

17. This section applies to a trust that is governed by, sitused in or administered under the laws of this State, whether the trust is initially governed by, sitused in or administered under the laws of this State pursuant to the terms of the trust instrument or whether the governing law, situs or administration of the trust is moved to this State from another state or foreign jurisdiction.

18. The power to appoint to a second trust pursuant to this section may be exercised to appoint to a second trust that is a special needs trust, pooled trust or third-party trust.

19. As used in this section:

(a) “Ascertainable standard” means a standard relating to a person’s health, education, support or maintenance within the meaning of section 2041(b)(1)(A) or 2514(c)(1) of the Internal Revenue Code, 26 U.S.C. § 2041(b)(1)(A) or 2514(c)(1), and any regulations of the United States Treasury promulgated thereunder.

(b) “Pooled trust” means a trust described in 42 U.S.C. § 1396p(d)(4)(C) that meets the requirements for such a trust under any law or regulation of this State relating to the treatment of trusts for purposes of eligibility for Medicaid or other needs-based public assistance.

(c) “Second trust” means an irrevocable trust that receives trust income or principal appointed by the trustee of the original trust, and may be established by any person, including, without limitation, a new trust created by the trustee, acting in that capacity, of the original trust. If the trustee of the original trust establishes the second trust, then for purposes of creating the new second trust, the requirement of NRS 163.008 that the instrument be signed by the settlor shall be deemed to be satisfied by the signature of the trustee of the ~~second~~ original trust. The second trust may be a trust created under ~~the same~~ :

Amendment No. 393.

SUMMARY—Makes various changes relating to **motor vehicles**. ~~{vehicle registration services}~~ (BDR 43-938)

AN ACT relating to motor vehicles; ~~requiring the Department of Motor Vehicles to license certain persons as authorized third parties to provide registration, titling and other services; setting forth the fees and other requirements for licensure as an authorized third party; setting forth the services an authorized third party may perform; setting forth the fees an authorized third party may collect for providing such services;~~ requiring the

Department of **Motor Vehicles** to **make certain efforts to** provide employees who are fluent in certain languages at offices of the Department in certain circumstances; ~~requiring the Department to use consistent terms relating to motor vehicles on certain forms provided by the Department;~~ revising provisions related to towing certain vehicles from a residential complex; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under federal law, certain voting materials must be provided in a language other than English in certain political subdivisions if more than 5 percent of the citizens of voting age in the subdivision are members of a single language minority and are limited-English proficient. (52 U.S.C. § 10503) **Section 1** of this bill requires the Department of Motor Vehicles, in any office of the Department located in a county where federal law requires voting materials in a language other than English, to **make every effort to** provide at least one employee who is fluent in the language of the relevant single language minority.

~~Section 10 of this bill authorizes the Department to license a person as an authorized third party to conduct certain registration and titling services if the person meets certain requirements, including, without limitation, the provision of fingerprints and passing a criminal background check. Section 9 of this bill sets forth the services that an authorized third party may provide to its customers, which are: (1) providing applications for certain motor vehicle and off-highway vehicle registration and titling services; (2) accepting those applications; (3) issuing certificates of registration, certificates of title, license plates and decals; (4) issuing a permit authorizing the travel on the highways of this State of an unregistered vehicle in certain circumstances; (5) notarizing certain documents; (6) submitting change of address information; and (7) accepting license plates that are required to be surrendered to the Department. Section 9 also authorizes an authorized third party to charge its customers a convenience fee for its services, and sets forth the portion of each statutory fee for services that may be retained by the authorized third party. Section 9 further requires an authorized third party to remit all fees due to the Department and collected by the authorized third party not less than daily. Section 8 of this bill requires the Department to provide an authorized third party: (1) access to those portions of the Department database or other technology systems required for an authorized third party to provide the authorized services; (2) training in the provision of such services; (3) access to bulk appointments at offices of the Department; (4) the ability to purchase bulk amounts of certain forms, license plates and decals from the Department; and (5) notice of any relevant new regulations, policies or procedures and any amendments to same. Section 12 of this bill requires that an authorized third party must provide the Department with a bond, and section 13 of this bill sets forth the grounds on which the Department may refuse to issue or renew the license of an authorized third party, or suspend or revoke such a license. Section 14 of this bill requires that all employees of an authorized third party be fingerprinted for a~~

~~background check and trained by the Department before performing any of the authorized services of the authorized third party. Section 15 of this bill sets forth the records that an authorized third party must maintain and make available for inspection by the Department. Sections 2 7 and 16 74 of this bill make conforming changes.~~

~~Existing law requires that certain motor vehicles be tested for emissions in certain counties in this State. (NRS 445B.770 445B.815) As part of the emissions testing program, the Department collects fees for each set of forms purchased for use to certify emission control compliance. (NRS 445B.830) Section 75 of this bill requires the Department to ensure that such forms must use the same terms regarding the make, model and features of a vehicle as any other forms of the Department that are used for vehicle inspections.]~~

Existing law imposes certain requirements on the towing of a vehicle from a residential complex when the tow is at the request of a person other than the owner of the vehicle. (NRS 706.4477) **Section 76** of this bill newly requires a tow operator who has been requested by the owner of the real property where the residential complex is located, or an authorized agent of the owner, to tow a vehicle from the residential complex based on an expired registration of the vehicle to independently verify the registration status of the vehicle before towing the vehicle. A tow operator who fails to comply with that requirement is responsible for the cost of the towing and storage of the vehicle.

~~[Finally, section 77 of this bill requires the Legislative Auditor to conduct an audit of the Department which measures the accuracy and average time of completion of transactions involving the various services that an authorized third party may conduct pursuant to section 9. The Legislative Auditor is required to present a final written report to the Audit Subcommittee of the Legislative Commission not later than July 1, 2020.]~~

The following amendment was proposed by the Committee on Education:

Amendment No. 338.

~~{CONTAINS UNFUNDED MANDATE (§§ 1, 4)~~

~~(NOT REQUESTED BY AFFECTED LOCAL GOVERNMENT)}~~

AN ACT relating to education; ~~providing for the establishment of uniform maximum ratios of pupils to certain school employees in public schools; requiring each public school to achieve those ratios within a prescribed time; requiring a school district to provide additional compensation to a teacher who teaches a class that exceeds those ratios; revising provisions concerning variances;~~ requiring a request for a variance from maximum pupil-teacher ratios in elementary schools, ~~+~~ to include a plan to reduce class sizes; requiring the State Board of Education to adopt maximum ratios of pupils to certain school employees; requiring the board of trustees of a school district to annually publish certain information concerning class size; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Existing law requires the State Board of Education to establish by regulation the maximum pupil teacher ratio for each school district in this State. If a school district maintains one or more classes whose pupil teacher ratio exceeds the applicable maximum, existing law authorizes the Superintendent of Public Instruction to withhold a part or all of the apportionment of money due to the district. (NRS 387.1234) Existing law also requires the State Board to develop nonbinding recommendations for the ratio of pupils per licensed teacher in the public schools of this State. The nonbinding recommendations are required to: (1) be based on evidence based national standards; and (2) take into account the unique needs of certain pupils, including pupils who are English learners. (NRS 388.890) Section 1 of this bill requires the State Board to establish uniform maximum pupil teacher ratios, pupil counselor ratios and pupil librarian ratios that must be achieved without exception by the beginning of the 2028-2029 school year. Section 1 requires those uniform maximum ratios to be developed based on the same criteria as the nonbinding recommendations. Section 1 additionally requires each school to make proportional reductions in the pupil teacher, pupil counselor and pupil librarian ratios at the school toward those uniform maximum ratios every 2 years. In addition to the existing financial penalties that the Superintendent of Public Instruction is authorized to impose against a school district that maintains a class that exceeds the applicable maximum, section 1 requires a district to provide additional compensation to a teacher who is required to teach such a class. Section 2 of this bill removes language that will become obsolete at the beginning of the 2028-2029 school year. Section 10 of this bill repeals the requirement to develop nonbinding recommendations for pupils per licensed teacher.]~~

Existing law: (1) prescribes maximum ratios of pupils per class in kindergarten through third grade; and (2) authorizes a school district to request a variance from those maximum prescribed ratios from the State Board of Education. (NRS 388.700) **Section 4** of this bill requires each such request to include a plan of actions that the school district will take to reduce the ratio of pupils per class. ~~[Section 4 also requires the State Board to adopt regulations prescribing the maximum percentage of classrooms in an elementary school that are authorized to exceed the maximum ratios of pupils per class prescribed in existing law. Section 4 prohibits the State Board from granting a request for a variance if: (1) approving the variance will result in the school exceeding that maximum percentage; or (2) the State Board determines that the plan of actions submitted as part of the request for the variance is not likely to reduce the number of pupils per class at the school below the maximum ratios prescribed in existing law. Section 4 additionally requires the biennial report concerning variances submitted by the State Board to the Legislature to include certain information concerning rejected variances. Section 3 of this bill requires the board of trustees of each school district to annually report the average number of pupils per licensed teacher in each class in the district to~~

the Department of Education. Section 3 also requires the Department to compile that information into a report and submit the report to the Legislature. Sections 6 and 7 of this bill make conforming changes.]

Existing law requires the State Board to develop nonbinding recommendations for the ratio of pupils per licensed teacher in the public schools of this State. The nonbinding recommendations are required to be based on evidence-based national standards; and take into account the unique needs of certain pupils, including pupils who are English learners. (NRS 388.890) Section 5.5 of this bill additionally requires the State Board to develop nonbinding recommendations for the ratio of pupils per counselor or licensed social worker in the public schools of this State. Section 5.5 also requires the board of trustees of each school district to annually post on an Internet website maintained by the school district the ratio of pupils per licensed teacher that has been approved for each class in the district.

Section 1. Chapter 482 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 and 3 of this act.

Sec. 2. 1. The Legislature hereby finds and declares that:

(a) The State faces major financial challenges to adequately fund the construction and maintenance of the highways of this State as revenues from taxes imposed on fuel, at both the state and federal level, long used to fund construction and maintenance of the highways of this State and many other states, have declined primarily because of the improved efficiency of the motor vehicles operated on the highways of this State.

SECOND READING AND AMENDMENT

Assembly Bill No. 19.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 296.

AN ACT relating to orders for protection; revising provisions relating to service of process of ~~certain~~ temporary and extended orders for protection ~~for~~ **against domestic violence**; increasing the duration that certain temporary and extended orders for protection remain effective; increasing the penalty for certain violations of temporary and extended orders for protection against domestic violence; renaming the Repository for Information Concerning Orders for Protection Against Domestic Violence to the Repository for Information Concerning Orders for Protection; requiring the Repository for Information Concerning Orders for Protection to include certain information and other records relating to **orders for protection against a person alleged to have committed the crime of sexual assault**, orders for protection against stalking, aggravated stalking or harassment and orders for protection against domestic violence; ~~authorizing courts to admit character evidence of the past sexual conduct of a petitioner in hearings on petitions for orders for protection against stalking, aggravated stalking or harassment for certain purposes; revising certain provisions relating to evidence;~~ providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law sets forth certain unlawful acts that constitute domestic violence when committed against certain persons and authorizes a court to issue a temporary or extended order for protection against domestic violence. (NRS 33.018, 33.020, 33.030) Existing law also defines certain unlawful acts that constitute stalking, aggravated stalking or harassment when committed against certain persons and authorizes a court to issue a temporary or extended

order for protection against stalking, aggravated stalking or harassment. (NRS 200.571, 200.575, 200.591) **Finally, existing law defines the crime of sexual assault and authorizes a court to issue a temporary or extended order for protection against a person alleged to have committed the crime of sexual assault. (NRS 200.366, 200.378)**

Existing law requires a law enforcement agency to personally serve the adverse party with a temporary order for protection against domestic violence. (NRS 33.060) ~~Existing law also requires that a temporary or extended order for protection against stalking, aggravated stalking or harassment be personally served on the person to whom it is directed. (NRS 200.591) Sections 1 and 12 of this bill require service of process of temporary orders for protection against domestic violence and orders for protection against stalking, aggravated stalking or harassment, respectively, to take priority over other types of service, unless otherwise required by law.~~

~~Existing law also provides that, under certain circumstances, temporary orders for protection against domestic violence and temporary orders for protection against stalking, aggravated stalking or harassment expire after 30 days. (NRS 33.080, 200.594) Sections 2 and 13 of this bill provide that such temporary orders for protection against domestic violence and orders for protection against stalking, aggravated stalking or harassment, respectively, expire after 45 days.~~ **Section 1.3 of this bill revises the service of process requirements for temporary and extended orders for protection against domestic violence. Section 1.3 requires a law enforcement agency to attempt to serve an adverse party personally with a temporary order. If the law enforcement agency is unable to personally serve the temporary order on the adverse party, section 1.3 requires the law enforcement agency to leave a notice at the adverse party's residence stating that the adverse party may respond to the notice within 24 hours. Section 1.3 provides that if personal service of the temporary order is unsuccessful three times, the applicant for the temporary order may petition the court to order the law enforcement agency to serve the adverse party at his or her place of employment. If service at the place of employment is unsuccessful, section 1.3 authorizes the applicant to petition the court to order the law enforcement agency to serve the adverse party by an alternative service method pursuant to the Nevada Rules of Civil Procedure.**

Existing law authorizes a person to serve a copy of an application of an extended order for protection against domestic violence and notice of the hearing thereof on the adverse party: (1) pursuant to the Nevada Rules of Civil Procedure; or (2) at the adverse party's place of employment under certain circumstances. Existing law provides that if the adverse party is served at his or her place of employment, the copy of the application and notice of the hearing must be served with a copy of the temporary order for protection against domestic violence. (NRS 33.060, 33.065) Section 1.7

of this bill removes the requirement to serve the copy of the temporary order at the adverse party's place of employment.

Section 1.3 provides that if a temporary and extended order for protection against domestic violence are filed at the same time or the extended order for protection is filed before law enforcement has been able to successfully serve the temporary order, then the extended order will be served with the temporary order in the manner set forth in section 1.3.

Existing law requires temporary and extended orders for protection against domestic violence to contain certain information. (NRS 33.030) Section 1 of this bill requires a temporary or extended order for protection against domestic violence to include a notice to the adverse party that responding to a communication by the protected party may constitute a violation of the order.

Existing law also provides that an extended order for protection against domestic violence and an extended order for protection against stalking, aggravated stalking or harassment expire after not more than 1 year. (NRS 33.080, 200.594) **Sections 2 and 13** of this bill provide that such extended orders for protection expire after not more than ~~1.5~~ **2** years. **Sections 2 and 13** require the court to enter a finding of fact providing the basis for the imposition of an extended order for a period of greater than 1 year. **Sections 2 and 13** also authorize the protected party or the adverse party at any time while an extended order is effective to move a court to modify or dissolve an extended order because of changed circumstances of the parties.

Under existing law, a person is guilty of a misdemeanor for intentionally violating a temporary or extended order for protection against domestic violence. (NRS 33.100) **Section 4** of this bill provides that a person who intentionally violates such an extended order and who has never previously violated an order is guilty of a misdemeanor. **Section 4** increases the penalty for intentionally violating such an extended order to: (1) a gross misdemeanor if the person has ~~not~~ previously violated such an order ~~1~~ **one time**; or (2) a category D felony if the person has previously violated such an order ~~1~~ **two or more times**. **Section 6** ~~and 7~~ of this bill ~~make~~ **makes** conforming changes.

Existing law requires the Repository for Information Concerning Orders for Protection Against Domestic Violence to contain records within the Central Repository for Nevada Records of Criminal History of temporary and extended orders for protection against domestic violence and certain other information. (NRS 179A.350) **Section 8** of this bill changes the name of the Repository for Information Concerning Orders for Protection Against Domestic Violence to the Repository for Information Concerning Orders for Protection. **Section 8** also requires the Repository for Information Concerning Orders for Protection to maintain records within the Central Repository of all temporary and extended orders for protection against stalking, aggravated

stalking or harassment. ~~Section 10~~ **and all temporary and extended orders for protection against a person alleged to have committed the crime of sexual assault. Sections 10.3 and 10.7** of this bill ~~requires~~ **require** certain persons to transmit such orders to the Central Repository for transfer to the Repository for Information Concerning Orders for Protection.

~~Existing law authorizes a court to admit evidence of character in certain limited situations and provides that such evidence is admissible by testimony as to the reputation or in the form of an opinion. (NRS 48.045, 48.055) Section 11 of this bill prohibits the introduction of testimony as to the reputation or an opinion related to the past sexual conduct of a petitioner for an order for protection against stalking, aggravated stalking or harassment. Section 11 further provides that specific instances of the past sexual conduct of the petitioner may be admissible under limited circumstances.~~

The rejection or approval of an application must be endorsed on a copy of the original application, and a record must be made of the endorsement in the records of the State Engineer. The copy of the application so endorsed must be

returned to the applicant. Except as otherwise provided in subsection 11, if the application is approved, the applicant may, on receipt thereof, proceed with the construction of the necessary works and take all steps required to apply the water to beneficial use and to perfect the proposed appropriation. If the application is rejected, the applicant may take no steps toward the prosecution of the proposed work or the diversion and use of the public water while the rejection continues in force.

9. If a person is the successor in interest of an owner of a water right or an owner of real property upon which a domestic well is located and if the former owner of the water right or real property on which a domestic well is located had previously filed a written protest against the granting of an application, the successor in interest must be allowed to pursue that protest in the same manner as if the successor in interest were the former owner whose interest he or she succeeded. If the successor in interest wishes to pursue the protest, the successor in interest must notify the State Engineer in a timely manner on a form provided by the State Engineer.

10. The provisions of subsections 1 to 9, inclusive, do not apply to an application for an environmental permit or a temporary permit issued pursuant to NRS 533.436 or 533.504.

11. The provisions of subsection 8 do not authorize the recipient of an approved application to use any state land administered by the Division of State Lands of the State Department of Conservation and Natural Resources without the appropriate authorization for that use from the State Land Registrar.

12. As used in this section, "domestic well" has the meaning ascribed to it in NRS 534.350.

Sec. 3. NRS 533.371 is hereby amended to read as follows:

533.371 The State Engineer shall reject the application and refuse to issue a permit to appropriate water for a specified period if the State Engineer determines that:

1. The application is incomplete;
2. The prescribed fees have not been paid;
3. The proposed use is not temporary;
4. There is no water available from the proposed source of supply without exceeding the perennial yield or safe yield of that source;
5. ~~The~~ **Except as otherwise provided in section 1 of this act, the** proposed use conflicts with existing rights; or
6. The proposed use threatens to prove detrimental to the public interest.

Sec. 4. NRS 533.450 is hereby amended to read as follows:

533.450 1. Except as otherwise provided in NRS 533.353, any person feeling aggrieved by any order or decision of the State Engineer, acting in person or through the assistants of the State Engineer or the water commissioner, affecting the person's interests, when the order or decision relates to the administration of determined rights or is made pursuant to NRS 533.270 to 533.445, inclusive, **and section 1 of this act**, or NRS 533.481,

534.193, 535.200 or 536.200, may have the same reviewed by a proceeding for that purpose, insofar as may be in the nature of an appeal, which must be initiated in the proper court of the county in which the matters affected or a portion thereof are situated, but on stream systems where a decree of court has been entered, the action must be initiated in the court that entered the decree. The order or decision of the State Engineer remains in full force and effect unless proceedings to review the same are commenced in the proper court within 30 days after the rendition of the order or decision in question and notice thereof is given to the State Engineer as provided in subsection 3.

2. The proceedings in every case must be heard by the court, and must be informal and summary, but full opportunity to be heard must be had before judgment is pronounced.

3. No such proceedings may be entertained unless notice thereof, containing a statement of the substance of the order or decision complained of, and of the manner in which the same injuriously affects the petitioner's interests, has been served upon the State Engineer, personally or by registered or certified mail, at the Office of the State Engineer at the State Capital within 30 days following the rendition of the order or decision in question. A similar notice must also be served personally or by registered or certified mail upon the person who may have been affected by the order or decision.

4. Where evidence has been filed with, or testimony taken before, the State Engineer, a transcribed copy thereof, or of any specific part of the same, duly certified as a true and correct transcript in the manner provided by law, must be received in evidence with the same effect as if the reporter were present and testified to the facts so certified. A copy of the transcript must be furnished on demand, at actual cost, to any person affected by the order or decision, and to all other persons on payment of a reasonable amount therefor, to be fixed by the State Engineer.

5. An order or decision of the State Engineer must not be stayed unless the petitioner files a written motion for a stay with the court and serves the motion personally or by registered or certified mail upon the State Engineer, the applicant or other real party in interest and each party of record within 10 days after the petitioner files the petition for judicial review. Any party may oppose the motion and the petitioner may reply to any such opposition. In determining whether to grant or deny the motion for a stay, the court shall consider:

(a) Whether any nonmoving party to the proceeding may incur any harm or hardship if the stay is granted;

(b) Whether the petitioner may incur any irreparable harm if the stay is denied;

(c) The likelihood of success of the petitioner on the merits; and

(d) Any potential harm to the members of the public if the stay is granted.

6. Except as otherwise provided in this subsection, the petitioner must file a bond in an amount determined by the court, with sureties satisfactory to the court and conditioned in the manner specified by the court. The bond must be filed within 5 days after the court determines the amount of the bond pursuant

to this subsection. If the petitioner fails to file the bond within that period, the stay is automatically denied. A bond must not be required for a public agency of this State or a political subdivision of this State.

7. Costs must be paid as in civil cases brought in the district court, except by the State Engineer or the State.

8. The practice in civil cases applies to the informal and summary character of such proceedings, as provided in this section.

9. Appeals may be taken to the appellate court of competent jurisdiction pursuant to the rules fixed by the Supreme Court pursuant to Section 4 of Article 6 of the Nevada Constitution from the judgment of the district court in the same manner as in other civil cases.

10. The decision of the State Engineer is prima facie correct, and the burden of proof is upon the party attacking the same.

11. Whenever it appears to the State Engineer that any litigation, whether now pending or hereafter brought, may adversely affect the rights of the public in water, the State Engineer shall request the Attorney General to appear and protect the interests of the State.

Sec. 5. NRS 533.475 is hereby amended to read as follows:

533.475 The State Engineer and the assistants of the State Engineer shall have power to arrest any person violating any of the provisions of NRS 533.005 to 533.470, inclusive, **and section 1 of this act** and to turn that person over to the sheriff or other competent police officer within the county. Immediately on delivering any such person so arrested into the custody of the sheriff, the State Engineer or assistant making such arrest shall immediately, in writing, and upon oath, make a complaint before the justice of the peace against the person so arrested.

Sec. 6. NRS 533.480 is hereby amended to read as follows:

533.480 Any person violating any of the provisions of NRS 533.005 to 533.475, inclusive, **and section 1 of this act** shall be guilty of a misdemeanor.

Sec. 7. NRS 533.515 is hereby amended to read as follows:

533.515 1. No permit for the appropriation of water or application to change the point of diversion, manner of use or place of use under an existing water right may be denied because of the fact that the point of diversion described in the application for the permit, or any portion of the works in the application described and to be constructed for the purpose of storing, conserving, diverting or distributing the water are situated in any other state; but in all such cases where the place of intended use, or the lands, or part of the lands identified as the place of use, are situated within this state, the permit must be issued as in other cases, pursuant to the provisions of NRS 533.324 to 533.450, inclusive, **and section 1 of this act**, and chapter 534 of NRS.

2. The permit must not purport to authorize the doing or refraining from any act or thing, in connection with the system of appropriation, not properly within the scope of the jurisdiction of this state and the State Engineer to grant.

Sec. 8. NRS 533.520 is hereby amended to read as follows:

533.520 1. Any person who files an application for a permit to appropriate water from above or beneath the surface of the ground for use outside this State, or to change the point of diversion under an existing water right which has a place of use outside of this State, or to change the place of use of water from a location in this State to a location outside this State under an existing right, must file an application with the State Engineer for a permit to do so pursuant to provisions of NRS 533.324 to 533.450, inclusive, **and section 1 of this act**, and chapter 534 of NRS.

2. The State Engineer may approve such an application if the State Engineer determines that the applicant's use of the water outside this State complies with the requirements of NRS 533.324 to 533.450, inclusive, **and section 1 of this act** and those provisions of chapter 534 of NRS pertaining to the appropriation of water. In making the determination, the State Engineer shall consider:

- (a) The supply of water available in this State;
- (b) The current and reasonably anticipated demands for water in this State;
- (c) The current or reasonably anticipated shortages of water in this State;
- (d) Whether the water that is the subject of the application could feasibly be used to alleviate current or reasonably anticipated shortages of water in this State;
- (e) The supply and sources of water available to the applicant in the state in which the applicant intends to use the water;
- (f) The demands placed on the applicant's supply of water in the state in which he or she intends to use the water; and
- (g) Whether the request in the application is reasonable, taking into consideration the factors set forth in paragraphs (a) to (f), inclusive.

3. The State Engineer may, as a condition to the approval of such an application, require the applicant to file a certificate from the appropriate official in the state in which the water is to be used, indicating to the satisfaction of the State Engineer that the intended use of the water would be beneficial and that the appropriation is feasible.

4. A person who is granted a permit pursuant to this section shall comply with the laws and regulations of this State governing the appropriation and use of water, as amended from time to time, and any change in the point of diversion, manner of use or place of use of water under a permit issued pursuant to this section is subject to the requirements of this section.

5. The State Engineer may, as a condition of the approval of any permit granted pursuant to this section, require that the use of water in another state be subject to the same regulations and restrictions that may be imposed upon the use of water in this State.

6. Upon submittal of an application under this section, the applicant and, if the applicant is a natural person, the personal representative of the person, are subject to the jurisdiction of the courts of this State and to service of process as provided in NRS 14.065.

Sec. 9. NRS 534.110 is hereby amended to read as follows:

534.110 1. The State Engineer shall administer this chapter and shall prescribe all necessary regulations within the terms of this chapter for its administration.

2. The State Engineer may:

(a) Require periodical statements of water elevations, water used, and acreage on which water was used from all holders of permits and claimants of vested rights.

(b) Upon his or her own initiation, conduct pumping tests to determine if overpumping is indicated, to determine the specific yield of the aquifers and to determine permeability characteristics.

3. The State Engineer shall determine whether there is unappropriated water in the area affected and may issue permits only if the determination is affirmative. The State Engineer may require each applicant to whom a permit is issued for a well:

(a) For municipal, quasi-municipal or industrial use; and

(b) Whose reasonably expected rate of diversion is one-half cubic foot per second or more,

↳ to report periodically to the State Engineer concerning the effect of that well on other previously existing wells that are located within 2,500 feet of the well.

4. It is a condition of each appropriation of groundwater acquired under this chapter that the right of the appropriator relates to a specific quantity of water and that the right must allow for a reasonable lowering of the static water level at the appropriator's point of diversion. In determining a reasonable lowering of the static water level in a particular area, the State Engineer shall consider the economics of pumping water for the general type of crops growing and may also consider the effect of using water on the economy of the area in general.

5. This section does not prevent the granting of permits to applicants later in time on the ground that the diversions under the proposed later appropriations may cause the water level to be lowered at the point of diversion of a prior appropriator, so long as any protectable interests in existing domestic wells as set forth in NRS 533.024 and the rights of holders of existing appropriations can be satisfied under such express conditions ~~or a proposal~~ monitoring, management and mitigation plan to avoid ~~or eliminate a~~ any potential conflict is ~~approved~~ required by the State Engineer pursuant to section 1 of this act. At the time a permit is granted for a well:

(a) For municipal, quasi-municipal or industrial use; and

(b) Whose reasonably expected rate of diversion is one-half cubic foot per second or more,

↳ the State Engineer shall include as a condition of the permit that pumping water pursuant to the permit may be limited or prohibited to prevent any unreasonable adverse effects on an existing domestic well located within 2,500

feet of the well, unless the holder of the permit and the owner of the domestic well have agreed to alternative measures that mitigate those adverse effects.

6. Except as otherwise provided in subsection 7, the State Engineer shall conduct investigations in any basin or portion thereof where it appears that the average annual replenishment to the groundwater supply may not be adequate for the needs of all permittees and all vested-right claimants, and if the findings of the State Engineer so indicate, the State Engineer may order that withdrawals, including, without limitation, withdrawals from domestic wells, be restricted to conform to priority rights.

7. The State Engineer:

(a) May designate as a critical management area any basin in which withdrawals of groundwater consistently exceed the perennial yield of the basin.

(b) Shall designate as a critical management area any basin in which withdrawals of groundwater consistently exceed the perennial yield of the basin upon receipt of a petition for such a designation which is signed by a majority of the holders of certificates or permits to appropriate water in the basin that are on file in the Office of the State Engineer.

➔ The designation of a basin as a critical management area pursuant to this subsection may be appealed pursuant to NRS 533.450. If a basin has been designated as a critical management area for at least 10 consecutive years, the State Engineer shall order that withdrawals, including, without limitation, withdrawals from domestic wells, be restricted in that basin to conform to priority rights, unless a groundwater management plan has been approved for the basin pursuant to NRS 534.037.

8. In any basin or portion thereof in the State designated by the State Engineer, the State Engineer may restrict drilling of wells in any portion thereof if the State Engineer determines that additional wells would cause an undue interference with existing wells. Any order or decision of the State Engineer so restricting drilling of such wells may be reviewed by the district court of the county pursuant to NRS 533.450.

Sec. 10. This act becomes effective upon passage and approval.

AN ACT relating to workforce development; authorizing certain nonprofit entities ~~and certain governmental agencies~~ to participate in certain programs of workforce recruitment, assessment and training; authorizing the training of existing employees of an employer as part of certain programs of workforce

recruitment, assessment and training; **revising provisions governing the application process for a provider of such a program or a business that wishes to participate in such a program; revising provisions governing certain funding which is available to defray the cost of such a program;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law ~~requires the Office of Economic Development to develop and implement one or more programs to provide customized workforce development services to persons that create and expand certain businesses in this State and relocate businesses to this State. (NRS 231.055) Existing law also authorizes a person who operates a business or will operate a business in this State to apply to the Office to participate in a program of workforce recruitment, assessment and training. (NRS 231.1467)~~ **authorizes a person who wishes to provide a program of workforce recruitment, assessment and training to apply to the Office of Economic Development for approval of the program. If a provider is approved to provide the program, the provider is authorized to apply for an allocation, grant or loan of money from the Office and businesses that operate or will operate in this State are authorized to apply to participate in the program. (NRS 231.1467) Section ~~2~~ 3.5 of this bill expands ~~eligibility~~ the businesses eligible to participate in such a program ~~to~~ by authorizing nonprofit organizations ~~and state and local governmental agencies.~~ that satisfy certain criteria to participate in a program of workforce recruitment, assessment and training. Section ~~3~~ 4.5 of this bill expands programs of workforce recruitment, assessment and training to include programs which provide training to existing employees of a participating ~~employer.~~ business.**

Existing law ~~requires an application for participation in~~ **establishes the process by which a provider of a program of workforce recruitment, assessment and training ~~to include a description of the number and types of jobs that the business expects will be created as a result of its participation in the program. (NRS 231.1467)~~ applies to the Office for approval of the program. (NRS 231.1467) Section 5 of this bill : (1) authorizes the Office of Economic Development to establish by regulation a preapplication process pursuant to which a provider of a proposed program is authorized to qualify to obtain the approval of the Office for the program; and (2) requires the application to include ~~a description of the number and types of jobs that the employer expects will be created or retained as a result of its participation in the program.~~ certain additional information that is required to be included in the application by existing regulations. (NAC 231.305) Section 5 further provides that to obtain the approval of the Office for the program, the program is required to provide a credential or an identifiable skill to persons who successfully complete the program and be a strategic partnership between the provider of the program and a business participating in the program. The partnership is authorized to include, without limitation, nonprofit organizations, secondary**

educational institutions, local workforce development boards, local governments and any other relevant party. Finally, section 5 removes the requirement for the Office to approve or disapprove each application for approval of a program of workforce recruitment, assessment and training within 60 days after receiving a complete application.

Existing law authorizes a provider of a program of workforce recruitment, assessment and training approved by the Office or the governing body of a local government within the jurisdiction of which the provider will provide the approved program to apply to the Office for an allocation, grant or loan of money to defray in whole or in part the cost of the program. Existing law requires the Office to give priority to programs of workforce recruitment, assessment and training that satisfy certain criteria. (NRS 231.1467) Section 5 adds to the criteria a program is required to satisfy to obtain priority for approval a requirement that: (1) the program provide to persons who successfully complete the program a credential or identifiable skill that would not otherwise be available to be obtained in this State; and (2) the program consist of a course of study or training that completes the training of workers within a period of not more than 12 months. Section 5 further authorizes the use of an allocation, grant or loan of money from the Office to pay the fees or tuition, or both, for persons who receive training in the program and to pay for equipment necessary to provide the training. Under section 5, any equipment purchased with money allocated, granted or loaned by the Office is the property of the Office and is required to be returned to the Office if the provider of the program does not successfully deliver the program for which the allocation, grant or loan of money was made.

Existing law authorizes a business that operates or will operate in this State to apply to the Office to participate in a program of workforce recruitment, assessment and training that has been approved by the Office. (NRS 231.1467) Section 5 requires an application submitted by such a business to include proof that the business is registered or commits to be registered in this State, is not excluded from being awarded contracts by the Federal Government because it has been debarred under federal law and the business has not conducted layoffs in the immediately preceding 12 months for the type of job for which the business will participate in the program. Section 5 further establishes the information that is required to be included in the application if the business is applying to participate in a program that provides training to existing employees of the business. Section 8.5 of this bill eliminates a program pursuant to which a business that operates or will operate in this State is authorized to apply for approval of a program of workforce training.

Sections 4 and 6-8 of this bill make conforming changes.

Bill read second time.

The following amendment was proposed by the Committee on Legislative Operations and Elections:

Amendment No. 599.

AN ACT relating to elections; revising provisions governing the dates for certain city elections; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the governing body of a city incorporated pursuant to general law to choose by ordinance whether to: (1) hold city elections on the statewide election cycle; or (2) hold a primary city election on the first Tuesday after the first Monday in April and hold a general city election on the second Tuesday after the first Monday in June of odd-numbered years. (NRS

293C.115, 293C.140, 293C.145, 293C.175) **Sections 4-7** of this bill require that cities hold elections on the statewide election cycle beginning in the year 2022. **Sections 3 ~~and 6-14~~, 6 and 7.3-14** of this bill amend various other dates relating to city elections, such as the date for filing declarations of candidacy, **to conform to the statewide election cycle.** **Section 51** of this bill provides that officials of affected cities who are elected in 2019 will hold office until the city elections are held in 2022, and that officials of such cities who are elected in 2021 will hold office until the city elections are held in 2024.

Certain cities that are created by charters hold general municipal elections in June of odd-numbered years (Boulder City, Caliente, Henderson, Las Vegas, North Las Vegas and Yerington). **Sections 17-50** of this bill amend the charter of each of those cities to require that the cities hold primary and general city elections on the same dates as the statewide primary and general elections. **Section 52** of this bill provides for the terms of office of officials of such cities who were elected in 2017 or who will be elected in 2019, and the terms of office of municipal judges who were elected to 6-year terms in 2015 or 2017 or who will be elected in 2019, to be extended by 1 year to allow for the transition to the statewide election cycle. **Section 52.5 of this bill requires Boulder City to transition to the statewide election cycle in accordance with the ordinance adopted by the City Council of Boulder City for such purpose effective November 1, 2018.**

Existing law requires, with limited exception, a candidate for any office to be voted for at the primary city election to file a declaration of candidacy with the city clerk not less than 60 days or more than 70 days before the date of the primary city election. (NRS 293C.175) Section 7 of this bill requires, effective upon passage and approval of this bill, a candidate for judicial office at a primary city election to instead file a declaration of candidacy with the city clerk not earlier than the first Monday in January of the year in which the general city election is to be held and not later than 5 p.m. on the second Friday after the first Monday in January, consistent with the filing period for all other judicial candidates.

Assembly Bill No. 73.

Bill read second time.

The following amendment was proposed by the Committee on Taxation:

Amendment No. 411.

SUMMARY—Provides for ~~additional sources of funding for services and affordable housing for persons who are homeless or indigent.~~ **the creation of a temporary working group in Clark County to address issues relating to homelessness.** (BDR ~~32-461~~) **S-461**)

AN ACT relating to ~~indigent~~ **homeless** persons; ~~imposing an additional tax on the transfer of real property in certain larger counties to provide funding for services and affordable housing for persons who are homeless or indigent in the county; authorizing the governing body of an incorporated city to impose an annual surcharge on users of the sewer service of the incorporated city to provide funding for support services and affordable housing for persons who are homeless or indigent in the incorporated city;~~ **providing for the creation of a temporary working group in Clark County to address issues relating to homelessness; requiring the working group to prepare and submit a report of its recommendations to address issues relating to homelessness;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~Existing law provides for the imposition of taxes on certain transfers of real property. (Chapter 375 of NRS) Section 1 of this bill imposes such a tax at the~~

rate of 25 cents for each \$500 of value in each county whose population is 700,000 or more (currently Clark County). Under section 1, the county and cities within the county are required to use the proceeds of the tax to provide services or affordable housing to persons who are homeless or indigent in the county. Sections 2, 3 and 5-7 of this bill provide that the tax imposed by section 1 is administered in the same manner as all other taxes imposed by existing law or transfers of real property and that the exemptions from those taxes also apply to a tax imposed pursuant to section 1.

~~Section 4 of this bill authorizes the governing body of an incorporated city to impose an annual surcharge on users of the sewer service of the incorporated city in an amount not to exceed \$25 multiplied by the “equivalent residential unit” calculated for the user by the incorporated city. Under section 4, the incorporated city is required to account separately for the proceeds of the surcharge and use those proceeds to provide services for persons who are homeless or indigent within the incorporated city. Section 4 defines “equivalent residential unit” to mean the average amount of wastewater discharged by a class of users of the city’s sewer service divided by the average amount of wastewater discharged by a single-family dwelling.~~

This bill requires the Board of County Commissioners of Clark County and the governing bodies of each city in Clark County to create a working group to: (1) consider methods to reduce homelessness in Clark County; and (2) identify sources of funding for programs created to reduce homelessness in Clark County. This bill requires the working group to prepare and submit a report to the Board and governing bodies on or before October 1, 2020, which sets forth: (1) recommendations on methods to reduce homelessness in Clark County; and (2) sources of funding to implement the recommendations made in the report. Additionally, this bill requires the Board and governing bodies to hold a public hearing on the report and set forth the reason for rejecting a recommendation in the report on the record at the public hearing.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. ~~Chapter 375 of NRS is hereby amended by adding thereto a new section to read as follows:~~

~~2. The amount of the tax must be computed on the basis of the value of the real property that is the subject of the transfer or land sale installment contract as declared pursuant to NRS 375.060.~~

~~3. The county recorder shall collect the tax in the manner provided in NRS 375.030, except that he or she shall transmit all the proceeds from the tax imposed pursuant to this section to the Local Government Tax Distribution Account created by NRS 360.660, for credit to the account of the county in which the tax is imposed.~~

~~4. The proceeds received by the county and each city pursuant to subsection 3 must be used by the county or city to provide services or affordable housing to homeless or indigent persons within the county or city, as applicable. (Deleted by amendment.)~~

If the additional amount of tax is not paid within 30 days after the date the buyer and seller are notified, the county recorder shall impose a penalty of 10 percent of the additional amount due in addition to interest at the rate of 1 percent per month, or portion thereof, of the additional amount due calculated from the date of the original recordation of the deed or land sale installment contract on which the additional amount is due through the date on which the additional amount due, penalty and interest are paid to the county recorder.~~

~~4. This section does not prohibit a buyer and seller from agreeing by contract or otherwise that one party or the other will be responsible for the payment of the tax due pursuant to this chapter, but such an agreement does not affect the ability of the county recorder to collect the tax and any penalties and interest from either the buyer or the seller. Legislative Counsel's Digest:

Existing law authorizes the State Public Charter School Authority or a school district or college or university within the Nevada System of Higher Education that is approved by the Department of Education to sponsor a charter school. (NRS 388A.220) ~~Existing law also establishes the statewide system of accountability for public schools, which requires: (1) the board of trustees of each school district and each sponsor of a charter school to report certain information concerning schools within the district or sponsored by the sponsor, as applicable, to the Department; and (2) the State Board of Education to prepare an annual report of accountability for the State that includes certain information concerning each school district, including each charter school located within the district. (NRS 385A.070-385A.520) Section 2 of this bill requires a charter school to provide to its sponsor any information necessary to prepare its annual report. Sections 3-16 of this bill require the annual report of accountability for the state to report information concerning charter schools according to the sponsor of the charter school rather than including those schools within the school district in which the charter school is located. Sections 17-19 of this bill make conforming changes. Sections 20 and 21 of this bill require the Authority, each college or university within the Nevada System of Higher Education that sponsors a charter school and each governing body of a charter school to adopt the program for the collection, maintenance and transfer of accountability data prescribed by the Superintendent. Section 22 of this bill requires a charter school to release the education record of a pupil to the sponsor of the charter school under certain~~

circumstances. Sections 23, 24 and 75 of this bill require the governing body of a charter school to adopt policies to teach English to pupils who are English learners and encourage effective involvement and engagement by parents and families. Sections 1 and 13 of this bill make conforming changes.

~~Section 27 of this bill authorizes the Authority to investigate a violation of law or regulations related to charter schools by any person affiliated with a charter school sponsored by the Authority. Sections 28 and 78 of this bill require certain organizations that operate or provide services relating to the operation or management of a charter school, including an achievement charter school, to comply with public records laws with regard to records of communications with the staff of a charter school or relating to the business, management or governance of a charter school. Sections 61, 66, 77 and 79 of this bill require employees of such an organization who interact directly with pupils, have access to data concerning pupils or supervise the staff of a charter school, including an achievement charter school, to: (1) receive background checks; and (2) be responsible for reporting the abuse or neglect of a child.~~

~~Sections 31, 33, 34, 37, 38, 41, 47, 56 and 58 of this bill replace the term "charter management organization" with the term "network of charter schools." Section 32 of this bill authorizes a nonprofit organization to act as an educational management organization, which is an entity that provides services relating to the operation and management of charter schools.~~

~~Existing law authorizes the governing body of a charter school, including an achievement charter school, to request that the board of trustees of a school district transfer a pupil with a disability for whom the charter school is unable to provide appropriate services. (NRS 388A.453) Sections 29, 60 and 67 of this bill: (1) authorize such a request to be made only after the charter school has enrolled the pupil and with the approval of the sponsor of the charter school; (2) authorize a governing body to appeal the denial of such a request to the Department; and (3) deem a pupil who is so transferred to be enrolled in the charter school until he or she is disenrolled from the charter school.~~

~~Sections 35, 36 and 80] **Existing law requires the Department to adopt regulations, including: (1) the process for the Department to conduct a comprehensive review of sponsors of charter schools every 3 years; and (2) the process for the Department to determine whether to continue or to revoke the authorization of a sponsor to sponsor charter schools. (NRS 388A.105) Existing regulations provide that in conducting a comprehensive review of each sponsor of a charter school to determine whether to continue or revoke the authorization of a sponsor to sponsor charter schools, the Department will: (1) review the annual reports required to be submitted; (2) determine whether the sponsor has complied with applicable state laws; and (3) determine whether the sponsor is authorized to sponsor charter schools. (NAC 388A.205) Section 25 of this bill: (1) codifies into statute these requirements from regulation; and (2) requires the Department to adopt regulations prescribing the criteria to be used in determining whether to continue or revoke the authorization**~~

of the sponsor to sponsor charter schools. Section 33.6 of this bill makes a conforming change.

Existing law creates the State Public Charter School Authority and prescribes the membership of the Authority. (NRS 388A.150, 388A.153) Section 34 of this bill revises the membership of the Authority to include two members appointed by the State Board of Education. Section 34.5 of this bill makes a conforming change, and section 80.73 of this bill provides for the appointment and initial terms of the new members. Existing law deems the State Public Charter School Authority a local educational agency for limited purposes. (NRS 388A.159) Section 35 of this bill ~~revise the circumstances under which~~ **deems the Authority ~~to be a charter school sponsored by the Authority or a college or university within the Nevada System of Higher Education is deemed~~ **to be a local educational agency** ~~for all purposes.~~ Section 39 of this bill ~~authorizes~~ **requires** the Authority to adopt any regulations ~~[necessary]~~ to carry out ~~its responsibilities under state and federal law.~~**

~~Existing law authorizes the Executive Director of the Authority to pursue any other business or occupation or hold any other office with the approval of the Authority. (NRS 388A.193) Section 40 of this bill instead requires the approval of the Governor for the Executive Director to engage in such activities. Sections 47, 49, 50, 52 and 54 of this bill authorize or require, depending on the circumstances, the sponsor of a charter school to deny a request to form a charter school, amend a written charter or charter contract or renew a charter contract under certain circumstances relating to the prior performance of an educational management organization with which the governing body contracts or proposes to contract. Sections 48, 53 and 55 of this bill make conforming changes. Section 47 also requires a prospective sponsor to inform an applicant to form a charter school dedicated to providing educational services to certain pupils of any federal funding that the charter school may be ineligible to receive because it does not provide educational services to all pupils. Section 51 of this bill provides that an applicant for the issuance, amendment or renewal of a charter contract or a person who seeks any other affirmative approval of a sponsor is not entitled to the issuance, amendment, renewal or approval. Sections 57 and 77 of this bill prohibit a charter school from requiring the parent, guardian or other family member of a pupil to donate money to or volunteer at the school.~~

~~Existing law requires a charter school to pay to its sponsor a yearly sponsorship fee in a prescribed amount. (NRS 388A.414) Section 59 of this bill instead requires a charter school sponsored by the State Public Charter School Authority to pay a sponsorship fee in an amount determined in accordance with the State Budget Act. (NRS 353.150-353.246)~~

~~Existing law establishes a procedure for responding to criminal cases involving unlicensed teachers and administrators who are employed by a charter school, other than an achievement charter school. (NRS 388A.5332-388A.5342) Sections 62-65 of this bill make this procedure applicable to~~

~~criminal cases involving unlicensed employees of an educational management organization or network of charter schools who directly interact with pupils, have access to data concerning pupils or supervise the staff of a charter school. Sections 68-74 of this bill require a charter school to take certain actions regarding the administration of examinations and assessments.]~~ provisions relating to charter schools.

Existing law governs the manner in which applications for enrollment are submitted to the governing body of a charter school and requires a charter school to enroll pupils under certain circumstances. Existing law also authorizes a charter school to transfer a pupil to an appropriate school if the charter school determines it is unable to provide an appropriate special education program and services to such a pupil. (NRS 388A.453) Section 60 of this bill requires a charter school to immediately enroll certain pupils. Additionally, section 60 removes the authorization for a charter school to transfer a pupil if the charter school determines it is unable to provide an appropriate special education program and services to a pupil, as section 35 requires the State Public Charter School Authority, as the local educational agency, to provide such a program and services.

Existing law requires each sponsor of a charter school to submit a written report to the Department on or before October 1 of each year. (NRS 388A.351) Section 59.5 of this bill revises that date to on or before February 15 of each year. Additionally, section 59.5 requires the report to: (1) be submitted on a form created by the Department; (2) be submitted to the State Board of Education on or before April 1 of each year; and (3) be reviewed by the State Board.

Assembly Bill No. 448 of the 2015 Legislative Session established the Achievement School District within the Department of Education, authorized the conversion of certain public schools to achievement charter schools and made various other changes relating to such schools. (Chapter 539, Statutes of Nevada 2015, p. 3775; NRS 388B.010-388B.450) Sections 1-24.9, 32-33.4, 47 and 80.1-80.65 of this bill repeal the statutory provisions added by that bill and make other conforming changes. Section 80.75 of this bill requires the State Public Charter School Authority to administer each existing contract to operate an achievement charter school, beginning on the effective date of this bill.

Section 80.75 requires the governing body of an achievement charter school to enter into a charter contract with the State Public Charter School Authority and operate under existing law governing charter schools by July 1, 2020. If an achievement charter school does not enter into such a charter contract, section 80.75 provides that the contract to operate the achievement charter school becomes void on that date, thereby requiring the achievement charter school to cease operations.

The following amendment was proposed by the Committee on Taxation:

Amendment No. 598.

AN ACT relating to taxation; creating an expedited procedure for the sale by a county of abandoned property on which delinquent certain taxes, assessments, penalties, interest and costs are owed; establishing the criteria to determine whether property is abandoned; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that if delinquent property taxes and any associated interest, penalties and costs are not paid by 5 p.m. on the first Monday in June, the county treasurer, as tax receiver of the county, is required to make out a certificate, which authorizes the county treasurer to hold each property described in the certificate for a period of 2 years, unless a property is redeemed by the payment of the taxes, interest, penalties and costs which are due. (NRS 361.570) If a property described in the certificate is not redeemed within the 2-year period, the county treasurer is authorized to sell or otherwise dispose of the property after following certain procedures, including, without limitation, providing certain notice to the owner of the property. (NRS 361.585, 361.595, 361.603-361.608) This bill authorizes a county treasurer to use an expedited procedure for the sale of abandoned property on which delinquent taxes and associated interest, penalties and costs are owed.

Section 1 of this bill establishes the procedure that the county treasurer, as tax receiver of the county, is required to use to determine whether a property is abandoned. Under **section 1**, if, after an investigation, the county treasurer determines that the property is abandoned, the county treasurer is required to notify the owner of the property of the determination and that the county treasurer is authorized to use an expedited procedure to sell the property if it is determined to be abandoned. If the owner does not respond to the notice, ~~if~~ **within a certain period, the county treasurer is required to determine** the property ~~is determined~~ to be abandoned, ~~and the county treasurer is authorized to use an expedited procedure to sell the property.~~ If the owner, **within a certain period**, objects to the determination that the property is abandoned, the county treasurer is required to issue a decision on whether to uphold the initial determination that the property is abandoned. If the property is determined to be abandoned, the person who conducted the investigation of the property is required to execute and deliver to the clerk of the board of county commissioners an affidavit setting forth the conditions and circumstances on the property supporting that determination. **Section 1** also sets forth the criteria to be used to determine whether property is abandoned.

Sections 2, 3 and 5 of this bill establish the expedited procedure for the sale of abandoned property. **Sections 2 and 3** provide that if property is determined to be abandoned pursuant to **section 1**, the certificate made out by the county treasurer, as tax receiver for the county, provides a 1-year redemption period rather than a 2-year redemption period. If the property that is determined to be abandoned pursuant to **section 1** is not redeemed within the redemption period, **section 5** requires the county treasurer to provide the owner of the property at

least ~~[30 days]~~ **45-days'** notice, rather than 90-days' notice, of the sale of the property.

Existing law provides that certain deeds conveying property on which property taxes and associated interest, penalties and costs are owed conclusively establish the facts authorizing the conveyance of the property and the regularity of the procedure for the conveyance, unless actual fraud has occurred. (NRS 361.590, 361.595) **Sections 4 and 5** of this bill provide that if a county treasurer uses an expedited procedure for the sale of property on which property taxes and associated interest, penalties and costs are owed, the deeds conveying the property conclusively establish that the property was abandoned, unless actual fraud has occurred.

Under existing law, certain taxes and assessments are required to be enforced in the same manner as property taxes. (NRS 244.3661, 541.240) **Sections 6 and 7** of this bill make a conforming change to authorize the expedited procedure to be used to enforce these taxes and assessments that are enforced in the same manner as property taxes.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 361 of NRS is hereby amended by adding thereto a new section to read as follows:

1. *The tax receiver of a county may elect to use an expedited procedure for the sale of a property on which delinquent taxes, penalties, interest and costs have not been paid if, after an investigation, the tax receiver:*

(b) *Complies with the requirements of this section.*

2. *If a tax receiver of a county has a reasonable belief that property on which delinquent taxes, penalties, interest and costs have not been paid is abandoned, the tax receiver or his or her designee may inspect the property to determine whether it is abandoned in accordance with the criteria set forth in subsection 6. The tax receiver or his or her designee and any employee of the tax receiver or his or her designee may enter the property, but may not enter any dwelling or structure, to perform an inspection pursuant to this subsection, and the tax receiver, his or her designee and any employee of the tax receiver or his or her designee who enters a property pursuant to this subsection is not liable for any civil damages as a result of any act or omission on the property, not amounting to gross negligence, or for trespass.*

3. *If, after an inspection pursuant to subsection 2, the tax receiver determines that the property is abandoned in accordance with the criteria set forth in subsection 6, the tax receiver shall serve a notice by certified and first-class mail to the owner or owners of the property providing that unless the owner or owners of the real property contact the tax receiver within 30 days after service of the notice, the property will be determined to be abandoned and the tax*

(h) The local police, fire or code enforcement authority has requested that the owner or any other interested or authorized party secure the property because the local authority has declared the property to be an imminent danger to the health, safety and welfare of the public;

(i) The property is open and unprotected and in reasonable danger of significant damage resulting from exposure to the elements or vandalism; or

(j) Other reasonable indicia of abandonment exist.

6. A county and its officers and employees are not liable for any damages resulting from failure to provide actual notice pursuant to this section if the county, officer or employee, in determining the names and addresses of persons with an interest in the property, relies upon a preliminary title search from a company authorized to provide title insurance in this State.

Sec. 3. NRS 361.570 is hereby amended to read as follows:

361.570 1. Pursuant to the notice given as provided in NRS 361.5648 and 361.565 and at the time stated in the notice, the tax receiver shall make out a certificate that describes each property on which delinquent taxes, penalties, interest and costs have not been paid. ~~The~~ ***Except as otherwise provided in this subsection, the*** certificate authorizes the county treasurer, as trustee for the State and county, to hold each property described in the certificate for the period of 2 years after the first Monday in June of the year the certificate is dated, unless sooner redeemed. ***For each property described in the certificate that has been determined to be abandoned pursuant to section 1 of this act, the certificate authorizes the county treasurer, as trustee for the State and county, to hold the property for the period of 1 year after the first Monday in June of the year the certificate is dated, unless sooner redeemed.***

2. The certificate must specify:

(a) The amount of delinquency on each property, including the amount and year of assessment;

(b) The taxes, and the penalties and costs added thereto, on each property, and that, except as otherwise provided in NRS 360.232 and 360.320, interest on the taxes will be added at the rate of 10 percent per annum, assessed monthly, from the date due until paid; and

(c) The name of the owner or taxpayer of each property, if known.

3. The certificate must state:

(a) ~~That~~ ***For each property described in the certificate that has not been determined to be abandoned pursuant to section 1 of this act, that each such***

property ~~described in the certificate~~ may be redeemed within 2 years after the date of the certificate;

(b) *For each property described in the certificate that has been determined to be abandoned pursuant to section 1 of this act, that each such property may be redeemed within 1 year after the date of the certificate;*

(c) That the title to each property not redeemed vests in the county for the benefit of the State and county; and

~~(c)~~ (d) That a tax lien may be assigned against the parcel pursuant to the provisions of NRS 361.7303 to 361.733, inclusive.

4. Until the expiration of the period of redemption, each property held pursuant to the certificate must be assessed annually to the county treasurer as trustee. Before the owner or his or her successor redeems the property, he or she must also pay the county treasurer holding the certificate any additional taxes, penalties and costs assessed and accrued against the property after the date of the certificate, together with interest on the taxes at the rate of 10 percent per annum, assessed monthly, from the date due until paid, unless otherwise provided in NRS 360.232 and 360.320.

5. A county treasurer shall take a certificate issued to him or her pursuant to this section. The county treasurer may cause the certificate to be recorded in the office of the county recorder against each property described in the certificate to provide constructive notice of the amount of delinquent taxes on each property respectively. The certificate reflects the amount of delinquent taxes, penalties, interest and costs due on the properties described in the certificate on the date on which the certificate was recorded, and the certificate need not be amended subsequently to indicate additional taxes, penalties, interest and costs assessed and accrued or the repayment of any of those delinquent amounts. The recording of the certificate does not affect the statutory lien for taxes provided in NRS 361.450.

Sec. 4. NRS 361.590 is hereby amended to read as follows:

361.590 1. If a property described in a certificate is not redeemed within the time allowed by law for its redemption, the tax receiver or his or her successor in office shall make to the county treasurer as trustee for the State and county a deed of the property, reciting in the deed substantially the matters contained in the certificate of sale or, in the case of a conveyance under NRS 361.604, the order of the board of county commissioners, and that no person has redeemed the property during the time allowed for its redemption.

2. The deed must be recorded in the office of the county recorder within 30 days after the date of expiration of the period of redemption.

3. All such deeds are, except as against actual fraud, conclusive evidence that:

- (a) The property was assessed as required by law.
- (b) The property was equalized as required by law.
- (c) The taxes were levied in accordance with law.
- (d) The taxes were not paid.

(e) At a proper time and place a certificate of delinquency was filed as prescribed by law, and by the proper officer.

(f) ***If, pursuant to section 1 of this act, the tax receiver has elected to use an expedited procedure for the sale of the property, the property was abandoned.***

(g) The property was not redeemed.

~~(g)~~ (h) The person who executed the deed was the proper officer.

4. Such deeds are, except as against actual fraud, conclusive evidence of the regularity of all other proceedings, from the assessment by the county assessor to the execution of the deed.

5. Except as otherwise provided by specific statute, the deed conveys to the county treasurer as trustee for the State and county the property described therein, free of all encumbrances, except any easements of record for public utility purposes, any lien for taxes or assessments by any irrigation or other district for irrigation or other district purposes, and any interest and penalties on the property, except when the land is owned by the United States or this State, in which case it is prima facie evidence of the right of possession accrued as of the date of the deed to the purchaser, but without prejudice to the lien for other taxes or assessments or the claim of any such district for interest or penalties.

6. No tax assessed upon any property, or sale therefor, may be held invalid by any court of this State on account of:

(a) Any irregularity in any assessment;

(b) Any assessment or tax roll not having been made or proceeding had within the time required by law; or

(c) Any other irregularity, informality, omission, mistake or want of any matter of form or substance in any proceedings which the Legislature might have dispensed with in the first place if it had seen fit so to do, and that does not affect the substantial property rights of persons whose property is taxed.

➔ All such proceedings in assessing and levying taxes, and in the sale and conveyance therefor, must be presumed by all the courts of this State to be legal until the contrary is shown affirmatively.

Sec. 5. NRS 361.595 is hereby amended to read as follows:

361.595 1. Any property held in trust by any county treasurer by virtue of any deed made pursuant to the provisions of this chapter may be sold and conveyed in the manner prescribed in this section and in NRS 361.603 or conveyed without sale as provided in NRS 361.604.

2. If the property is to be sold, the board of county commissioners may make an order, to be entered on the record of its proceedings, directing the county treasurer to sell the property particularly described therein, after giving notice of sale, for a total amount not less than the amount of the taxes, costs, penalties and interest legally chargeable against the property as stated in the order.

3. ~~Notice~~ ***Except as otherwise provided in subsection 4, notice*** of the sale must specify the day, time and place of the sale and be:

(a) Posted in at least three public places in the county, including one at the courthouse and one on the property, not less than 20 days before the day of sale or, in lieu of such a posting, by publication of the notice at least once a week for 4 consecutive weeks by four weekly insertions in some newspaper published within the county, the first publication being at least 22 days before the day of the sale, if the board of county commissioners so directs.

(b) Mailed by certified mail, return receipt requested, not less than 90 days before the day of the sale, to the owner of the parcel as shown on the tax roll and to any person or governmental entity that appears in the records of the county to have a lien or other interest in the property. If the receipt is returned unsigned, the county treasurer must make a reasonable attempt to locate and notify the owner or other person or governmental entity before the sale.

4. *If, pursuant to section 1 of this act, the tax receiver has elected to use an expedited procedure for the sale of the property and the requirements of section 1 of this act were met, notice of the sale must specify the day, time and place of the sale and be:*

(a) Posted in at least three public places in the county, including one at the courthouse and one on the property, not less than 20 days before the day of sale or, in lieu of such a posting, by publication of the notice at least once a week for 4 consecutive weeks by four weekly insertions in some newspaper published within the county, the first publication being at least 22 days before the day of the sale, if the board of county commissioners so directs.

(b) Mailed by certified mail, return receipt requested, not less than ~~30~~ 45 days before the day of the sale, to the owner of the parcel as shown on the tax roll and to any person or governmental entity that appears in the records of the county to have a lien or other interest in the property. If the receipt is returned unsigned, the county treasurer must make a reasonable attempt to locate and notify the owner or other person or governmental entity before the sale.

5. Except as otherwise provided in subsection ~~5.1~~ 6, the county treasurer shall make, execute and deliver to any purchaser, upon payment to the county treasurer, as trustee, of a consideration not less than that specified in the order, a quitclaim deed, discharged of any trust of the property mentioned in the order.

~~5.1~~ 6. If, not later than 5 p.m. on the third business day immediately preceding the day of the sale by the county treasurer, a municipality provides the county treasurer with an affidavit signed by the treasurer of the municipality stating that:

(a) The municipality sold the property or the property was stricken off to the municipality pursuant to NRS 271.560; and

(b) A certificate of sale for the property was issued to the purchaser pursuant to NRS 271.570 or to the municipality pursuant to NRS 271.560,
→ the county treasurer may not issue the quitclaim deed described in subsection ~~4.1~~ 5 unless the person who purchased the property from the county pays to the municipality any amount owed pursuant to the certificate of sale

issued pursuant to NRS 271.560 and 271.570 and the municipality provides an affidavit signed by the treasurer of the municipality stating that such amounts have been paid. If the purchaser does not pay the amount owed to the municipality within 20 days after the sale of the property by the county, the sale of the property by the county is void and the county treasurer may retain for administrative costs not more than 10 percent of the purchase amount paid by the purchaser.

~~¶6.†~~ 7. Before delivering a deed, the county treasurer shall record the deed at the expense of the purchaser.

~~¶7.†~~ 8. All deeds issued pursuant to this section, whether issued before, on or after July 1, 1955, are primary evidence:

(a) Of the regularity of all proceedings relating to the order of the board of county commissioners, the notice of sale and the sale of the property; ~~and~~

(b) ***That if, pursuant to section 1 of this act, the tax receiver has elected to use an expedited procedure for the sale of the property, the property is abandoned; and***

(c) That, if the real property was sold to pay taxes on personal property, the real property belonged to the person liable to pay the tax.

~~¶8.†~~ 9. No deed may be executed and delivered by the county treasurer until he or she files at the expense of the purchaser, with the clerk of the board of county commissioners, proper affidavits of posting and of publication of the notice of sale, as the case may be, together with his or her return of sale, verified, showing compliance with the order of the board of county commissioners, which constitutes primary evidence of the facts recited therein.

~~¶9.†~~ 10. If the deed when regularly issued is not recorded in the office of the county recorder, the deed, and all proceedings relating thereto, is void as against any subsequent purchaser in good faith and for a valuable consideration of the same property, or any portion thereof, when his or her own conveyance is first recorded.

~~¶10.†~~ 11. The board of county commissioners shall provide its clerk with a record book in which must be indexed the name of each purchaser, together with the date of sale, a description of the property sold, a reference to the book and page of the minutes of the board of county commissioners where the order of sale is recorded, and the file number of the affidavits and return.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 504.

AN ACT relating to industrial insurance; revising provisions governing the length of a program of vocational rehabilitation and job placement assistance; revising provisions governing the circumstances under which a program of

vocational rehabilitation may be extended; increasing the amount of lump sum payments in lieu of vocational rehabilitation services; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law: (1) requires a vocational rehabilitation counselor to develop a plan for a program of vocational rehabilitation, including job placement assistance, for each injured employee who is eligible for vocational rehabilitation services; (2) sets forth a maximum allowable duration of 6 months for the program and job placement assistance; and (3) prohibits the appeal of the determination of an insurer to authorize or deny a third program of vocational rehabilitation. (NRS 616C.555) **Section 1** of this bill: (1) ~~increases from 6 months to 24 months the maximum allowable length of job placement assistance for an injured employee who is physically capable of returning to work or who has existing marketable skills; (2) requires a planned length of 24 months~~ **revises the maximum allowable duration** for a program of vocational rehabilitation for an injured employee upon whose ability to work the treating physician or chiropractor has imposed permanent restrictions; and ~~(3)~~ **(2)** eliminates the prohibition on the appeal of the determination of an insurer to authorize or deny a third program of vocational rehabilitation.

Existing law: (1) sets forth the circumstances under which a program for vocational rehabilitation may be extended; (2) limits the total length of such a program, based on the percentage of permanent physical impairment of the injured employee; and (3) prohibits the appeal of the determination of an insurer to grant or deny an extension of a program. (NRS 616C.560) **Section 2** of this bill: (1) provides that a program for vocational rehabilitation may be extended by the insurer or by order of a hearing officer or appeals officer; (2) eliminates the limits on the total length of a program; and (3) eliminates the prohibition on the appeal of the determination of an insurer to grant or deny an extension of a program.

Existing law requires any payment of compensation in a lump sum in lieu of the provision of vocational rehabilitation services to be not less than 40 percent of the maximum rehabilitation maintenance due to the injured employee. (NRS 616C.595) **Section 3** of this bill increases that amount to ~~80~~ **55** percent of the maximum rehabilitation maintenance.

If the counselor determines in a written assessment requested pursuant to NRS 616C.550 that the injured employee does not have existing marketable skills, the plan must consist of a program which trains or educates the injured employee and provides job placement assistance. Except as otherwise provided in NRS 616C.560, ~~the plan must provide for the length of~~ such a program must not exceed:

6. A program of vocational rehabilitation must not commence before the treating physician or chiropractor, or an examining physician or chiropractor determines that the injured employee is capable of safely participating in the program.

7. If, based upon the opinion of a treating or an examining physician or chiropractor, the counselor determines that an injured employee is not eligible

for vocational rehabilitation services, the counselor shall provide a copy of the opinion to the injured employee, the injured employee's employer and the insurer.

An insurer shall authorize a second program for an injured employee upon good cause shown.

10. If a second program of vocational rehabilitation pursuant to subsection 9 is unsuccessful, an injured employee may submit a written request for the development of a third program of vocational rehabilitation which relates to the same injury. ~~↳ An insurer's determination to grant or deny an extension pursuant to paragraph (a) may not be appealed.~~

~~— 2. If an injured employee has incurred a permanent physical impairment of less than 11 percent:~~

An insurer's refusal to execute such an agreement may not be appealed.

2. If the insurer and the injured employee execute an agreement pursuant to subsection 1, the acceptance of the payment of compensation in a lump sum by the injured employee extinguishes the right of the injured employee to receive vocational rehabilitation services under the injured employee's claim. injured employee accepts payment of compensation in a lump sum pursuant to this section.

3. Before executing an agreement pursuant to subsection 1, an insurer shall:

(2) That the injured employee may rescind the agreement within 20 days after the injured employee signs it.

(3) That the 20-day period pursuant to subparagraph (2) may not be waived.

(4) That acceptance by the injured employee of payment of compensation in a lump sum in lieu of the provision of vocational rehabilitation services extinguishes the right of the injured employee to receive such services.

4. Except as otherwise provided in NRS 616C.580, any payment of compensation in a lump sum in lieu of the provision of vocational rehabilitation services must not be less than ~~40.80~~ 55 percent of the maximum amount of vocational rehabilitation maintenance due to the injured employee pursuant to NRS 616C.555.

5. No payment of compensation in a lump sum may be made pursuant to this section until the 20-day period provided for the rescission of the agreement has expired.

Sec. 4. The amendatory provisions of this act apply prospectively with regard to any claim pursuant to chapters 616A to 616D, inclusive, or 617 of NRS which is open **and for which the claimant has not executed a formal agreement for a plan which consists of a program of training or education pursuant to subsection 3 of NRS 616C.555** on ~~the effective date of this act,~~ **or before July 1, 2019.**

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 300.

AN ACT relating to child welfare; prohibiting discrimination against persons who are deaf, legally blind or otherwise physically disabled in certain proceedings relating to children; authorizing the Nevada Equal Rights Commission to investigate and resolve certain complaints alleging such discrimination; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law prohibits discrimination on the basis of disability in public accommodation, housing and employment. (NRS 118.100, 613.330, 651.070, 651.075) **Sections 1, 2, 4, 5 and 10-12** of this bill prohibit a court from discriminating against a person in a proceeding concerning child custody or visitation, adoption, guardianship or child protection solely because the person seeking custody or visitation, adoption, guardianship or child protection is deaf, is legally blind or has another physical disability. ~~[[However, sections 1, 2, 4, 5 and 12 also expressly authorize a court to decide against a person who is deaf, is legally blind or has another physical disability if it finds, based on evidence presented to the court, that the person's physical disability is likely to cause or contribute to or is causing or contributing to circumstances that are detrimental to the best interests of the child.]]~~

Section 3 of this bill similarly prohibits an agency which provides child welfare services or a child placing agency from determining that a prospective adoptive home is unsuitable for placement or detrimental to the interest of the child solely because the prospective adoptive parent or parents are deaf, are legally blind or have another physical disability. ~~[, but authorizes such an agency to make such a determination if it finds, based on its investigation, that the physical disability of the prospective adoptive parent or parents is likely to cause or contribute to circumstances that are detrimental to the best interests of the child if the child is placed in the home.]~~ **Section 3** also authorizes a prospective adoptive parent injured by a determination of an agency which provides child welfare services or a child placing agency which is contrary to these provisions to file a complaint with the Nevada Equal Rights Commission. **Sections 6-9** of this bill authorize the Commission to investigate and resolve such a complaint in the same manner as it investigates and resolves other complaints over which it has jurisdiction.

Existing law prohibits an agency which provides child welfare services from taking any action to remove a child from custody of the person responsible for the child's welfare if the agency determines there is no reasonable cause to believe the child is in need of protection. (NRS 432B.370) Existing law also authorizes a court that finds a child to be in need of protection to: (1) allow the child to remain in the custody of the parent or guardian of the child under such conditions as the court may prescribe; or (2) place the child in the custody of another person or certain agencies or institutions authorized to care for children. (NRS 432B.550) **Section 10** of this bill provides that a child is not in need of protection solely because a person responsible for the welfare of the child is deaf, is legally blind or has another physical disability.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 125C of NRS is hereby amended by adding thereto a new section to read as follows:

A court shall not deny custody or visitation rights to a person solely because the person is deaf, is blind or has another physical disability. ~~f, but may deny custody or visitation rights to such a person if it finds, based on evidence presented to the court, that the person's physical disability is likely to cause or contribute to circumstances that are detrimental to the best interests of the child if the person is awarded custody or visitation rights.~~ As used in this section, "blind" has the meaning ascribed to it in NRS 426.082.

Sec. 2. NRS 127.150 is hereby amended to read as follows:

127.150 1. If the court finds that the best interests of the child warrant the granting of the petition, an order or decree of adoption must be made and filed, ordering that henceforth the child is the child of the petitioners. When determining whether the best interests of the child warrant the granting of a petition that is filed by a foster parent, the court shall give strong consideration to the emotional bond between the child and the foster parent. A copy of the order or decree must be sent to the nearest office of the agency which provides child welfare services by the petitioners within 7 days after the order or decree is issued. In the decree the court may change the name of the child, if desired.

2. Except as otherwise provided in this subsection, an order or decree of adoption may not be made until after the child has lived for 6 months in the home of the petitioners. This subsection does not apply if one of the petitioners is the stepparent of the child or is related to the child within the third degree of consanguinity.

3. If the court is not satisfied that the proposed adoption is in the best interests of the child, the court shall deny the petition and may order the child returned to the custody of the person or agency legally vested with custody. *The court shall not deny a petition solely because the petitioner is deaf, is blind or has another physical disability. ~~f, but may deny a petition if it finds, based on evidence presented to the court, that the petitioner's physical disability is likely to cause or contribute to circumstances that are detrimental to the best interests of the child if the petition is granted.~~ As used in this subsection, "blind" has the meaning ascribed to it in NRS 426.082.*

4. After a petition for adoption has been granted, there is a presumption that remaining in the home of the adopting parent is in the child's best interest.

Sec. 3. NRS 127.2817 is hereby amended to read as follows:

127.2817 1. The Division, in consultation with each agency which provides child welfare services, shall adopt regulations setting forth the criteria to be used by an agency which provides child welfare services or a child-placing agency for determining whether a prospective adoptive home is suitable or unsuitable for the placement of a child for adoption.

2. Upon the completion of an investigation conducted by an agency which provides child welfare services or a child-placing agency pursuant to NRS 127.120 or 127.2805, the agency which provides child welfare services or child-placing agency shall inform the prospective adoptive parent or parents of the results of the investigation. If, pursuant to the investigation, a determination is made that a prospective adoptive home is unsuitable for placement or detrimental to the interest of the child, the agency which provides child welfare services or child-placing agency shall provide the prospective adoptive parent or parents with an opportunity to review and respond to the investigation with the agency which provides child welfare services or child-placing agency before the issuance of the results of the investigation. Except as otherwise provided in NRS 239.0115, the identity of those persons who are interviewed or submit information concerning the investigation must remain confidential.

3. *An agency which provides child welfare services or a child placing agency shall not determine that a prospective adoptive home is unsuitable for placement or detrimental to the interest of the child solely because the prospective adoptive parent or parents are deaf, are blind or have another physical disability, ~~but may determine that a prospective adoptive home is unsuitable for placement or detrimental to the interest of the child if it finds, based on its investigation, that the physical disability of the prospective adoptive parent or parents is likely to cause or contribute to circumstances that are detrimental to the best interests of the child if the child is placed in the home.~~* As used in this subsection, “blind” has the meaning ascribed to it in NRS 426.082.

4. *A prospective adoptive parent injured by a determination of an agency which provides child welfare services or a child placing agency that violates subsection 3 may file a complaint to that effect with the Nevada Equal Rights Commission.*

Sec. 4. NRS 159A.054 is hereby amended to read as follows:

159A.054 1. If the court finds that the proposed protected minor is not in need of a guardian, the court shall dismiss the petition.

2. If the court finds that appointment of a guardian is required, the court shall appoint a guardian of the proposed protected minor’s person, estate, or person and estate.

3. *The court shall not find that a proposed protected minor is in need of a guardian solely because the person currently responsible for the proposed protected minor is deaf, is blind or has another physical disability, ~~but may find that a proposed protected minor is in need of a guardian if it finds, based on evidence presented to the court, that the physical disability of the person currently responsible for the proposed protected minor is causing or contributing to circumstances that are detrimental to the best interests of the proposed protected minor.~~* As used in this subsection, “blind” has the meaning ascribed to it in NRS 426.082.

Sec. 5. NRS 159A.061 is hereby amended to read as follows:

159A.061 1. The parents of a proposed protected minor, or either parent, if qualified and suitable, are preferred over all others for appointment as guardian for the person or estate or person and estate of the proposed protected minor. The appointment of a parent as guardian for the person or estate of a proposed protected minor must not conflict with a valid order for custody of the proposed protected minor.

2. Except as otherwise provided in subsection 4, if a parent of a proposed protected minor files a petition seeking appointment as guardian for the proposed protected minor, the parent is presumed to be suitable to serve as guardian for the proposed protected minor.

3. In determining whether the parents of a proposed protected minor, or either parent, or any other person who seeks appointment as guardian for the proposed protected minor is qualified and suitable, the court shall consider, if applicable and without limitation:

(a) Which parent has physical custody of the proposed protected minor;

(b) The ability of the parents, parent or other person to provide for the basic needs of the proposed protected minor, including, without limitation, food, shelter, clothing and medical care, taking into consideration any special needs of the proposed protected minor;

(c) Whether the parents, parent or other person has engaged in the habitual use of alcohol or any controlled substance during the previous 6 months, except the use of marijuana in accordance with the provisions of chapter 453A of NRS;

(d) Whether the parents, parent or other person has been convicted of a crime of moral turpitude, a crime involving domestic violence or a crime involving the abuse, neglect, exploitation, isolation or abandonment of a child, his or her spouse, his or her parent or any other adult;

(e) Whether the parents, parent or other person has been convicted in this State or any other jurisdiction of a felony; and

(f) Whether the parents, parent or other person has engaged in one or more acts of domestic violence against the proposed protected minor, a parent of the proposed protected minor or any other person who resides with the proposed protected minor.

4. A parent of a proposed protected minor is presumed to be unsuitable to care for the proposed protected minor if:

(a) The parent is unable to provide for any or all of the basic needs of the proposed protected minor, including, without limitation:

(1) Food;

(2) Shelter;

(3) Clothing;

(4) Medical care; and

(5) Education;

(b) Because of action or inaction, the parent poses a significant safety risk of either physical or emotional danger to the proposed protected minor; or

(c) The proposed protected minor has not been in the care, custody and control of the parent for the 6 months immediately preceding the filing of the petition. The presumption created by this paragraph is a rebuttable presumption.

5. Subject to the preference set forth in subsection 1 and except as otherwise provided in subsection 7, the court shall appoint as guardian the qualified person who is most suitable and is willing to serve.

6. In determining which qualified person is most suitable, the court shall, in addition to considering any applicable factors set forth in subsections 2, 3 and 4, give consideration, among other factors, to:

(a) Any nomination of a guardian for the proposed protected minor contained in a will or other written instrument executed by a parent of the proposed protected minor.

(b) Any request made by the proposed protected minor, if he or she is 14 years of age or older, for the appointment of a person as guardian for the proposed protected minor.

(c) The relationship by blood or adoption of the proposed guardian to the proposed protected minor. In considering preferences of appointment, the court may consider relatives of the half blood equally with those of the whole blood. The court may consider relatives in the following order of preference:

- (1) Parent.
- (2) Adult sibling.
- (3) Grandparent.
- (4) Uncle or aunt.

(d) Any recommendation made by a master of the court or special master pursuant to NRS 159A.0615.

(e) Any recommendation made by:

(1) An agency which provides child welfare services, an agency which provides child protective services or a similar agency; or

(2) A guardian ad litem or court appointed special advocate who represents the proposed protected minor.

(f) Any request for the appointment of any other interested person that the court deems appropriate.

7. The court may award temporary guardianship pursuant to this section, supported by findings of suitability, pending a trial or evidentiary hearing if that appointment is supported by findings.

8. Notwithstanding the presumption set forth in subsection 4, in the event of competing petitions for the appointment of guardianship of a proposed protected minor, any finding of unsuitability of a parent of the proposed protected minor must be found by clear and convincing evidence after a hearing on the merits or an evidentiary hearing.

9. In determining whether to appoint a guardian of the person or estate of a proposed protected minor and who should be appointed, the court must always act in the best interests of the proposed protected minor.

10. *A court shall not refuse to appoint a person as a guardian of the person or estate of a proposed protected minor solely because the person is deaf, is blind or has another physical disability. ~~It may refuse to appoint a person as the guardian of the person or estate of a proposed protected minor if it finds, based on evidence presented to the court, that the person's physical disability is likely to cause or contribute to circumstances that are detrimental to the best interests of the proposed protected minor if the person is so appointed.~~ As used in this subsection, "blind" has the meaning ascribed to it in NRS 426.082.*

11. As used in this section, "agency which provides child welfare services" has the meaning ascribed to it in NRS 432B.030.

(b) Place the child in the temporary or permanent custody of a relative, a fictive kin or other person the court finds suitable to receive and care for the child with or without supervision, and with or without retaining jurisdiction of the case, upon such conditions as the court may prescribe; or

(c) Place the child in the temporary custody of a public agency or institution authorized to care for children, the local juvenile probation department, the local department of juvenile services or a private agency or institution licensed by the Department of Health and Human Services or a county whose population is 100,000 or more to care for such a child.

↪ In carrying out this subsection, the court may, in its sole discretion and in compliance with the requirements of chapter 159A of NRS, consider an application for the guardianship of the child. If the court grants such an application, it may retain jurisdiction of the case or transfer the case to another court of competent jurisdiction.

2. *The court shall not deny placement of a child in the temporary or permanent custody of a person pursuant to subsection 1 solely because the person is deaf, is blind or has another physical disability. ~~It but may refuse to place a child in the temporary or permanent custody of a person if it finds, based on evidence presented to the court, that the person's physical disability is likely to cause or contribute to circumstances that are detrimental to the best interests of the child if the child is placed in the custody of the person.~~* As used in this subsection, "blind" has the meaning ascribed to it in NRS 426.082.

3. If, pursuant to subsection 1, a child is placed other than with a parent:

(a) The parent retains the right to consent to adoption, to determine the child's religious affiliation and to reasonable visitation, unless restricted by the court. If the custodian of the child interferes with these rights, the parent may petition the court for enforcement of the rights of the parent.

(b) The court shall set forth good cause why the child was placed other than with a parent.

~~3-3~~ 4. If, pursuant to subsection 1, the child is to be placed with a relative or fictive kin, the court may consider, among other factors, whether the child has resided with a particular relative or fictive kin for 3 years or more before the incident which brought the child to the court's attention.

~~4-1~~ 5. Except as otherwise provided in this subsection, a copy of the report prepared for the court by the agency which provides child welfare services must be sent to the custodian and the parent or legal guardian. If the child was delivered to a provider of emergency services pursuant to NRS 432B.630:

(a) The parent who delivered the child to the provider shall be deemed to have waived his or her right to a copy of the report; and

(b) A copy of the report must be sent to the parent who did not deliver the child to the provider, if the location of such parent is known.

~~§ 6.~~ 6. In determining the placement of a child pursuant to this section, if the child is not permitted to remain in the custody of the parents of the child or guardian:

(a) It must be presumed to be in the best interests of the child to be placed together with the siblings of the child.

(b) Preference must be given to placing the child in the following order:

(1) With any person related within the fifth degree of consanguinity to the child or a fictive kin, and who is suitable and able to provide proper care and guidance for the child, regardless of whether the relative or fictive kin resides within this State.

(2) In a foster home that is licensed pursuant to chapter 424 of NRS.

~~§ 7.~~ 7. Any search for a relative with whom to place a child pursuant to this section must be completed within 1 year after the initial placement of the child outside of the home of the child. If a child is placed with any person who resides outside of this State, the placement must be in accordance with NRS 127.330.

~~§ 8.~~ 8. Within 60 days after the removal of a child from the home of the child, the court shall:

(a) Determine whether:

(1) The agency which provides child welfare services has made the reasonable efforts required by paragraph (a) of subsection 1 of NRS 432B.393; or

(2) No such efforts are required in the particular case; and

(b) Prepare an explicit statement of the facts upon which its determination is based.

~~§ 9.~~ 9. As used in this section, “fictive kin” means a person who is not related by blood to a child but who has a significant emotional and positive relationship with the child.

Sec. 13. This act becomes effective on July 1, 2019.

Assemblyman Yeager moved the adoption of the amendment.

Remarks by Assemblyman Yeager.

Amendment adopted.

The following amendment was proposed by Assemblywoman Cohen:

Amendment No. 595.

AN ACT relating to child welfare; prohibiting discrimination against persons who are deaf, legally blind or otherwise physically disabled in certain proceedings relating to children; ~~authorizing the Nevada Equal Rights Commission to investigate and resolve certain complaints alleging such discrimination;~~ and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law prohibits discrimination on the basis of disability in public accommodation, housing and employment. (NRS 118.100, 613.330, 651.070, 651.075) **Sections 1, 2, 4, 5 and 10-12** of this bill prohibit a court from discriminating against a person in a proceeding concerning child custody or

visitation, adoption, guardianship or child protection solely because the person seeking custody or visitation, adoption, guardianship or child protection is deaf, is legally blind or has another physical disability. However, **sections 1, 2, 4, 5 and 12** also expressly authorize a court to decide against a person who is deaf, is legally blind or has another physical disability if it finds, based on evidence presented to the court, that the person's physical disability is likely to cause or contribute to or is causing or contributing to circumstances that are detrimental to the best interests of the child.

Section 3 of this bill similarly prohibits an agency which provides child welfare services or a child placing agency from determining that a prospective adoptive home is unsuitable for placement or detrimental to the interest of the child solely because the prospective adoptive parent or parents are deaf, are legally blind or have another physical disability, but authorizes such an agency to make such a determination if it finds, based on its investigation, that the physical disability of the prospective adoptive parent or parents is likely to cause or contribute to circumstances that are detrimental to the best interests of the child if the child is placed in the home. ~~Section 3 also authorizes a prospective adoptive parent injured by a determination of an agency which provides child welfare services or a child placing agency which is contrary to these provisions to file a complaint with the Nevada Equal Rights Commission. Sections 6-9 of this bill authorize the Commission to investigate and resolve such a complaint in the same manner as it investigates and resolves other complaints over which it has jurisdiction.~~

Existing law prohibits an agency which provides child welfare services from taking any action to remove a child from custody of the person responsible for the child's welfare if the agency determines there is no reasonable cause to believe the child is in need of protection. (NRS 432B.370) Existing law also authorizes a court that finds a child to be in need of protection to: (1) allow the child to remain in the custody of the parent or guardian of the child under such conditions as the court may prescribe; or (2) place the child in the custody of another person or certain agencies or institutions authorized to care for children. (NRS 432B.550) **Section 10** of this bill provides that a child is not in need of protection solely because a person responsible for the welfare of the child is deaf, is legally blind or has another physical disability.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 125C of NRS is hereby amended by adding thereto a new section to read as follows:

A court shall not deny custody or visitation rights to a person solely because the person is deaf, is blind or has another physical disability, but may deny custody or visitation rights to such a person if it finds, based on evidence presented to the court, that the person's physical disability is likely to cause or contribute to circumstances that are detrimental to the best

interests of the child if the person is awarded custody or visitation rights. As used in this section, "blind" has the meaning ascribed to it in NRS 426.082.

Sec. 2. NRS 127.150 is hereby amended to read as follows:

127.150 1. If the court finds that the best interests of the child warrant the granting of the petition, an order or decree of adoption must be made and filed, ordering that henceforth the child is the child of the petitioners. When determining whether the best interests of the child warrant the granting of a petition that is filed by a foster parent, the court shall give strong consideration to the emotional bond between the child and the foster parent. A copy of the order or decree must be sent to the nearest office of the agency which provides child welfare services by the petitioners within 7 days after the order or decree is issued. In the decree the court may change the name of the child, if desired.

2. Except as otherwise provided in this subsection, an order or decree of adoption may not be made until after the child has lived for 6 months in the home of the petitioners. This subsection does not apply if one of the petitioners is the stepparent of the child or is related to the child within the third degree of consanguinity.

3. If the court is not satisfied that the proposed adoption is in the best interests of the child, the court shall deny the petition and may order the child returned to the custody of the person or agency legally vested with custody. *The court shall not deny a petition solely because the petitioner is deaf, is blind or has another physical disability, but may deny a petition if it finds, based on evidence presented to the court, that the petitioner's physical disability is likely to cause or contribute to circumstances that are detrimental to the best interests of the child if the petition is granted. As used in this subsection, "blind" has the meaning ascribed to it in NRS 426.082.*

4. After a petition for adoption has been granted, there is a presumption that remaining in the home of the adopting parent is in the child's best interest.

Sec. 3. NRS 127.2817 is hereby amended to read as follows:

127.2817 1. The Division, in consultation with each agency which provides child welfare services, shall adopt regulations setting forth the criteria to be used by an agency which provides child welfare services or a child-placing agency for determining whether a prospective adoptive home is suitable or unsuitable for the placement of a child for adoption.

2. Upon the completion of an investigation conducted by an agency which provides child welfare services or a child-placing agency pursuant to NRS 127.120 or 127.2805, the agency which provides child welfare services or child-placing agency shall inform the prospective adoptive parent or parents of the results of the investigation. If, pursuant to the investigation, a determination is made that a prospective adoptive home is unsuitable for placement or detrimental to the interest of the child, the agency which provides child welfare services or child-placing agency shall provide the prospective adoptive parent or parents with an opportunity to review and respond to the investigation with the agency which provides child welfare services or child-placing agency before the issuance of the results of the investigation. Except

as otherwise provided in NRS 239.0115, the identity of those persons who are interviewed or submit information concerning the investigation must remain confidential.

3. An agency which provides child welfare services or a child placing agency shall not determine that a prospective adoptive home is unsuitable for placement or detrimental to the interest of the child solely because the prospective adoptive parent or parents are deaf, are blind or have another physical disability, but may determine that a prospective adoptive home is unsuitable for placement or detrimental to the interest of the child if it finds, based on its investigation, that the physical disability of the prospective adoptive parent or parents is likely to cause or contribute to circumstances that are detrimental to the best interests of the child if the child is placed in the home. As used in this subsection, “blind” has the meaning ascribed to it in NRS 426.082.

~~[4. A prospective adoptive parent injured by a determination of an agency which provides child welfare services or a child placing agency that violates subsection 3 may file a complaint to that effect with the Nevada Equal Rights Commission.]~~

Sec. 4. NRS 159A.054 is hereby amended to read as follows:

159A.054 1. If the court finds that the proposed protected minor is not in need of a guardian, the court shall dismiss the petition.

2. If the court finds that appointment of a guardian is required, the court shall appoint a guardian of the proposed protected minor’s person, estate, or person and estate.

3. The court shall not find that a proposed protected minor is in need of a guardian solely because the person currently responsible for the proposed protected minor is deaf, is blind or has another physical disability, but may find that a proposed protected minor is in need of a guardian if it finds, based on evidence presented to the court, that the physical disability of the person currently responsible for the proposed protected minor is causing or contributing to circumstances that are detrimental to the best interests of the proposed protected minor. As used in this subsection, “blind” has the meaning ascribed to it in NRS 426.082.

Sec. 5. NRS 159A.061 is hereby amended to read as follows:

159A.061 1. The parents of a proposed protected minor, or either parent, if qualified and suitable, are preferred over all others for appointment as guardian for the person or estate or person and estate of the proposed protected minor. The appointment of a parent as guardian for the person or estate of a proposed protected minor must not conflict with a valid order for custody of the proposed protected minor.

2. Except as otherwise provided in subsection 4, if a parent of a proposed protected minor files a petition seeking appointment as guardian for the proposed protected minor, the parent is presumed to be suitable to serve as guardian for the proposed protected minor.

3. In determining whether the parents of a proposed protected minor, or either parent, or any other person who seeks appointment as guardian for the proposed protected minor is qualified and suitable, the court shall consider, if applicable and without limitation:

- (a) Which parent has physical custody of the proposed protected minor;
- (b) The ability of the parents, parent or other person to provide for the basic needs of the proposed protected minor, including, without limitation, food, shelter, clothing and medical care, taking into consideration any special needs of the proposed protected minor;
- (c) Whether the parents, parent or other person has engaged in the habitual use of alcohol or any controlled substance during the previous 6 months, except the use of marijuana in accordance with the provisions of chapter 453A of NRS;
- (d) Whether the parents, parent or other person has been convicted of a crime of moral turpitude, a crime involving domestic violence or a crime involving the abuse, neglect, exploitation, isolation or abandonment of a child, his or her spouse, his or her parent or any other adult;
- (e) Whether the parents, parent or other person has been convicted in this State or any other jurisdiction of a felony; and
- (f) Whether the parents, parent or other person has engaged in one or more acts of domestic violence against the proposed protected minor, a parent of the proposed protected minor or any other person who resides with the proposed protected minor.

4. A parent of a proposed protected minor is presumed to be unsuitable to care for the proposed protected minor if:

- (a) The parent is unable to provide for any or all of the basic needs of the proposed protected minor, including, without limitation:
 - (1) Food;
 - (2) Shelter;
 - (3) Clothing;
 - (4) Medical care; and
 - (5) Education;
- (b) Because of action or inaction, the parent poses a significant safety risk of either physical or emotional danger to the proposed protected minor; or
- (c) The proposed protected minor has not been in the care, custody and control of the parent for the 6 months immediately preceding the filing of the petition. The presumption created by this paragraph is a rebuttable presumption.

5. Subject to the preference set forth in subsection 1 and except as otherwise provided in subsection 7, the court shall appoint as guardian the qualified person who is most suitable and is willing to serve.

6. In determining which qualified person is most suitable, the court shall, in addition to considering any applicable factors set forth in subsections 2, 3 and 4, give consideration, among other factors, to:

(a) Any nomination of a guardian for the proposed protected minor contained in a will or other written instrument executed by a parent of the proposed protected minor.

(b) Any request made by the proposed protected minor, if he or she is 14 years of age or older, for the appointment of a person as guardian for the proposed protected minor.

(c) The relationship by blood or adoption of the proposed guardian to the proposed protected minor. In considering preferences of appointment, the court may consider relatives of the half blood equally with those of the whole blood. The court may consider relatives in the following order of preference:

- (1) Parent.
- (2) Adult sibling.
- (3) Grandparent.
- (4) Uncle or aunt.

(d) Any recommendation made by a master of the court or special master pursuant to NRS 159A.0615.

(e) Any recommendation made by:

(1) An agency which provides child welfare services, an agency which provides child protective services or a similar agency; or

(2) A guardian ad litem or court appointed special advocate who represents the proposed protected minor.

(f) Any request for the appointment of any other interested person that the court deems appropriate.

7. The court may award temporary guardianship pursuant to this section, supported by findings of suitability, pending a trial or evidentiary hearing if that appointment is supported by findings.

8. Notwithstanding the presumption set forth in subsection 4, in the event of competing petitions for the appointment of guardianship of a proposed protected minor, any finding of unsuitability of a parent of the proposed protected minor must be found by clear and convincing evidence after a hearing on the merits or an evidentiary hearing.

9. In determining whether to appoint a guardian of the person or estate of a proposed protected minor and who should be appointed, the court must always act in the best interests of the proposed protected minor.

10. *A court shall not refuse to appoint a person as a guardian of the person or estate of a proposed protected minor solely because the person is deaf, is blind or has another physical disability, but may refuse to appoint a person as the guardian of the person or estate of a proposed protected minor if it finds, based on evidence presented to the court, that the person's physical disability is likely to cause or contribute to circumstances that are detrimental to the best interests of the proposed protected minor if the person is so appointed. As used in this subsection, "blind" has the meaning ascribed to it in NRS 426.082.*

11. As used in this section, "agency which provides child welfare services" has the meaning ascribed to it in NRS 432B.030.

4. A child may be in need of protection if the child is identified as being affected by a fetal alcohol spectrum disorder or prenatal substance abuse or as having withdrawal symptoms resulting from prenatal drug exposure.

Sec. 11. NRS 432B.480 is hereby amended to read as follows:

432B.480 1. At each hearing conducted pursuant to NRS 432B.470:

(a) At the commencement of the hearing, the court shall advise the parties of their right to be represented by an attorney and of their right to present evidence.

(b) The court shall determine whether there is reasonable cause to believe that it would be:

- (1) Contrary to the welfare of the child for the child to reside at his or her home; or
- (2) In the best interests of the child to place the child outside of his or her home.

↪ The court shall prepare an explicit statement of the facts upon which each of its determinations is based. ***The court shall not make an affirmative finding regarding either subparagraph (1) or (2) solely because the person responsible for the welfare of the child is deaf, is blind, as defined in NRS 426.082, or has another physical disability.*** If the court makes an affirmative

finding regarding either subparagraph (1) or (2), the court shall issue an order keeping the child in protective custody pending a disposition by the court.

(c) The court shall determine whether the child has been placed in a home or facility that complies with the requirements of NRS 432B.3905. If the placement does not comply with the requirements of NRS 432B.3905, the court shall establish a plan with the agency which provides child welfare services for the prompt transfer of the child into a home or facility that complies with the requirements of NRS 432B.3905.

2. If the court issues an order keeping the child in protective custody pending a disposition by the court and it is in the best interests of the child, the court may:

(a) Place the child in the temporary custody of a grandparent, great-grandparent or other person related within the fifth degree of consanguinity to the child who the court finds has established a meaningful relationship with the child, with or without supervision upon such conditions as the court prescribes, regardless of whether the relative resides within this State; or

(b) Grant the grandparent, great-grandparent or other person related within the fifth degree of consanguinity to the child a reasonable right to visit the child while the child is in protective custody.

3. If the court finds that the best interests of the child do not require that the child remain in protective custody, the court shall order the immediate release of the child.

4. If a child is placed with any person who resides outside this State, the placement must be in accordance with NRS 127.330.

Sec. 12. NRS 432B.550 is hereby amended to read as follows:

432B.550 1. If the court finds that a child is in need of protection, it may, by its order, after receipt and review of the report from the agency which provides child welfare services:

➔ In carrying out this subsection, the court may, in its sole discretion and in compliance with the requirements of chapter 159A of NRS, consider an application for the guardianship of the child. If the court grants such an

application, it may retain jurisdiction of the case or transfer the case to another court of competent jurisdiction.

2. *The court shall not deny placement of a child in the temporary or permanent custody of a person pursuant to subsection 1 solely because the person is deaf, is blind or has another physical disability, but may refuse to place a child in the temporary or permanent custody of a person if it finds, based on evidence presented to the court, that the person's physical disability is likely to cause or contribute to circumstances that are detrimental to the best interests of the child if the child is placed in the custody of the person. As used in this subsection, "blind" has the meaning ascribed to it in NRS 426.082.*

3. If, pursuant to subsection 1, a child is placed other than with a parent:

(a) The parent retains the right to consent to adoption, to determine the child's religious affiliation and to reasonable visitation, unless restricted by the court. If the custodian of the child interferes with these rights, the parent may petition the court for enforcement of the rights of the parent.

(b) The court shall set forth good cause why the child was placed other than with a parent.

~~§ 4.~~ **4.** If, pursuant to subsection 1, the child is to be placed with a relative or fictive kin, the court may consider, among other factors, whether the child has resided with a particular relative or fictive kin for 3 years or more before the incident which brought the child to the court's attention.

SUMMARY—~~{Authorizing certain adopted children to enter into an agreement to receive services and payments from an agency which provides child welfare services.}~~ **Establishes a program to allow certain persons over 18 years of age to remain in foster care.** (BDR 38-453)

~~{CONTAINS UNFUNDED MANDATE (§ 3)}~~

~~{Not Requested by Affected Local Government}~~

AN ACT relating to child welfare; ~~{authorizing certain adopted children to enter into an agreement with the agency which provides child welfare services that entitles such children to certain services and payments; requiring the agency which provides child welfare services to develop a written plan to assist a child who enters into such an agreement in transitioning into independent living; authorizing the agency which provides child welfare services to request a credit report for a child who enters into such an agreement with the consent of the child.}~~ **establishing a program to allow certain persons over 18 years of age to remain in foster care;** and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law authorizes a child whom a court places with a person or entity other than a parent and who reaches 18 years of age to request the court to retain jurisdiction over the child until the child reaches the age of 21 years. If

a court retains jurisdiction over a child in such circumstances, the child is required to enter into an agreement with the agency which provides child welfare services. Such an agreement is required to provide that the child is entitled to: (1) continue receiving services from the agency which provides child welfare services; and (2) receive monetary payments directly or to have such payments provided to another entity in an amount not to exceed the rate of payment for foster care. (NRS 432B.594) Existing law additionally requires the agency which provides child welfare services to develop a written plan to assist the child in transitioning into independent living. (NRS 432B.595) ~~If a child determined to be a child in need of protection is adopted before the child reaches 18 years of age, section 3 of this bill authorizes the child to enter into a similar agreement, but with the agency which provides child welfare services rather than having a court assume jurisdiction over the child. Section 3 requires such an agreement to specify that, while the agreement is in effect, the child is: (1) entitled to receive services from the agency which provides child welfare services and to receive monetary payments directly or to have such payments provided to another entity; and (2) required to comply with a written plan developed by the agency which provides child welfare services to assist the child in transitioning into independent living. Section 7 of this bill requires the agency which provides child welfare services to develop such a written plan for the child. Section 3 provides that the agreement terminates upon a determination by the agency which provides child welfare services that the child is not in compliance or making a good faith attempt to comply with the written plan. Section 3 also provides for the termination of such an agreement if the child so requests or on the date the child reaches 21 years of age.~~

~~Section 2 of this bill authorizes the agency which provides child welfare services, with the consent of such a child, to request and examine a credit report of the child and provide assistance to the child if an inaccuracy is discovered. Sections 1, 4-6 and 8 of this bill make conforming changes.]~~

Existing federal law allows states to receive federal financial participation for foster care payments for persons who are between 18 and 21 years of age under certain circumstances. (42 U.S.C. §§ 670 et seq.) Section 3 of this bill requires the Department of Health and Human Services to take any action necessary to obtain such federal financial participation. If such federal financial participation is obtained, section 3 requires the Department to establish a program to allow such children to voluntarily remain in foster care. Section 9.5 of this bill requires the Division of Child and Family Services of the Department to: (1) establish a plan to implement the program; (2) take certain other actions to implement the program; and (3) submit a report to the Legislative Committee on Child Welfare and Juvenile Justice concerning the implementation of the program.

JOINT SPONSOR: SENATOR SCHEIBLE

AN ACT relating to common-interest communities; prohibiting common-interest communities from restricting the ownership of pets by a unit's owner under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the unit-owners' association of a common-interest community to adopt bylaws and authorizes an association to amend such bylaws and to adopt rules and regulations concerning the community. (NRS 116.3102) **Section 1** of this bill restricts an association from prohibiting a unit's owner from keeping at least one pet within his or her residence, subject to the association's reasonable ~~rules relating to the ownership of pets~~ **restrictions on pet ownership** in the common-interest community. **Section 1 provides that a restriction on the ownership of a dangerous or vicious dog will be presumed to be a reasonable restriction on pet ownership.** If an association adopts a ~~rule~~ **provision in the governing documents or amends a provision in the governing documents** restricting the number of pets kept by a unit's owner, ~~this bill~~ **section 1** requires the ~~rule~~ **provision** to apply prospectively, prohibiting the association from restricting a unit's owner from continuing to keep a pet that otherwise complied with the previous ~~rules of the association~~ **provisions of the governing documents. Section 1 provides that a prohibition on pet ownership may be contained in the original declaration of a common-interest community. 3. If an association adopts a new ~~rule restricting~~ provision or amends an existing provision of a governing document to restrict the number of pets kept by a unit's owner, the ~~rule~~ provision must not prohibit a unit's owner from continuing to keep his or her pet within such physical portion of the common-interest community as that owner has a right to occupy and use exclusively, if the pet otherwise conformed to the previous ~~rules of the association~~ provisions of the governing documents.

4. The original declaration may prohibit a unit's owner from keeping at least one pet within such physical portion of the common-interest community as that owner has a right to occupy and use exclusively. A declaration may not be amended to include such a prohibition.

(b) Any other right provided by law to a unit's owner concerning his or her right to keep a pet within such physical portion of the common-interest community as that owner has a right to occupy and use exclusively.

(3) Any other documents that govern the operation of the common-interest community or the association.

(b) "Pet" means any domesticated bird, cat, dog or aquatic animal kept within an aquarium or other animal as agreed upon by the association and the unit's owner.

116.1203 1. Except as otherwise provided in subsections 2 and 3, if a planned community contains no more than 12 units and is not subject to any

developmental rights, it is subject only to NRS 116.1106 and 116.1107 unless the declaration provides that this entire chapter is applicable.

2. The provisions of NRS 116.12065 and the definitions set forth in NRS 116.005 to 116.095, inclusive, to the extent that the definitions are necessary to construe any of those provisions, apply to a residential planned community containing more than 6 units.

AN ACT relating to construction; revising the requirements pursuant to which a contractor or subcontractor engaged on a public work may discharge his or her obligation to pay prevailing wages to workers; revising provisions relating to the determination of the prevailing wages by the Labor Commissioner and the duration of such rates on a public work; ~~decreasing the minimum threshold for the applicability of the prevailing wage requirements; eliminating the exemption for charter schools from the requirement to pay prevailing wages on their public works;] **prohibiting a public body from using a reverse auction when awarding a contract for public work;** clarifying the application of prevailing wage requirements to certain construction projects that are not public works; eliminating certain prohibitions relating to agreements with labor organizations concerning contracts with a public body for a public work or with an awardee of certain grants, tax abatements, tax credits or tax exemptions from a public body; and providing other matters properly relating thereto.~~

Legislative Counsel's Digest:

Existing law sets forth general provisions applicable to public works, including provisions requiring, with certain exceptions, the payment of prevailing wages for public works projects. (NRS 338.010-338.090) Under existing law, a contractor or subcontractor engaged on a public work is authorized to discharge his or her obligation to pay prevailing wages to workers in part by making certain contributions in the name of the worker. (NRS 338.035) **Section 5** of this bill sets forth the requirements pursuant to which a contractor or subcontractor engaged on a public work may discharge any part of his or her obligation to pay prevailing wages to a worker by providing bona fide fringe benefits in the name of the worker. Those requirements include, among other things, that the bona fide fringe benefits are paid equally for all hours worked in a calendar year by the worker for the contractor or subcontractor. **Section 1** of this bill defines "bona fide fringe benefits" to mean a benefit in the form of a contribution that is made not less frequently than monthly to an independent third party pursuant to a fund, plan or program: (1) which is established for the sole and exclusive benefit of a worker and his or her family and dependents; and (2) for which none of the assets will revert to, or otherwise be credited to, any contributing employer or sponsor of the fund, plan or program. **Sections 2 and 8** of this bill makes conforming changes.

Section 5 requires the Labor Commissioner, after providing notice and an opportunity for a hearing, to: (1) impose an administrative penalty against a contractor or subcontractor who discharges any part of his or her obligation to pay prevailing wages in an unauthorized manner; (2) require the contractor or subcontractor to make the affected worker whole by paying to the worker as wages any amounts disallowed as bona fide fringe benefits; (3) report the violation to the Attorney General; and (4) notify certain entities of the violation. **Section 5 provides that the amount of the penalty to be imposed against a contractor or subcontractor who discharges any part of his or her obligation to pay prevailing wages in an unauthorized manner must be based on the sliding scale adopted by regulation of the Labor Commissioner for certain other administrative penalties. Section 5 also authorizes the Labor Commissioner to recover the costs of the proceeding if a penalty is imposed against such a contractor or subcontractor.** Existing law provides that if an administrative penalty is imposed against a person for an offense concerning public works: (1) the person and any corporate officer of the person are prohibited from receiving a contract for a public work for specified periods depending on the number of offenses; and (2) the Labor Commissioner is required to notify the State Contractors' Board with regard to each contractor who is prohibited from being awarded such a contract. (NRS 338.010, 338.017) **Section 1** of this bill makes a violation of **section 5** an "offense" for that purpose. **Sections 2, 3, 6 and 9** of this bill make conforming changes.

Existing law requires the Labor Commissioner to determine the prevailing wage in a county for each craft or type of work. (NRS 338.030) Existing regulations prescribe the manner in which the Labor Commissioner must determine the prevailing wage for a recognized class of workers. Existing regulations additionally authorize the Labor Commissioner to adjust the prevailing rate of wages for a recognized class of workers in accordance with wage and benefit adjustments and classifications of workers in a collective bargaining agreement if the Labor Commissioner determines that the prevailing rate of wages for a recognized class of workers is a wage which has been collectively bargained. (NAC 338.010) If the Labor Commissioner determines that the prevailing rate of wages for a recognized class of workers is a wage which has been collectively bargained, **section 4** of this bill requires the Labor Commissioner to: (1) include in his or her determination of that prevailing wage any compensation in addition to the basic hourly wage or benefit for the craft or type of work required to be paid by the collective bargaining agreement; and (2) amend the determination of the prevailing wage for the craft or type of work in response to an increase in the wage prescribed in the collective bargaining agreement that occurs before the next annual determination of that prevailing wage by the Labor Commissioner.

Existing regulations require the prevailing rates of wages in effect at the time of the opening of bids of a contract to remain in effect for the duration of the project for which a contract has been awarded. (NAC 338.040) Existing regulations similarly address this requirement when the contract for the public work is entered into without opening bids. (NAC 338.065) **Section 4** codifies these requirements in statute, but limits the duration of the requirements to the 36 months immediately following the date on which the bids were opened or, if the contract was not awarded pursuant to a competitive bidding process, to the 36 months immediately following the date on which the contractor was selected or the contract was entered into. Additionally, **section 4** provides that if a contract for a public work is not completed or terminated within 36 months and the prevailing wages in effect on the last day of the 36-month period are lower than the prevailing wages paid during the 36-month period under the contract, the prevailing wages paid during that 36-month period must be paid for the immediately following 36 months.

~~[- School districts and the Nevada System of Higher Education are required under existing law to pay on their public works and certain other construction projects 90 percent of the prevailing wage rates that are otherwise required to be paid by other public bodies. (NRS 338.030) Section 4 of this bill eliminates this exception and therefore requires school districts and the Nevada System of Higher Education to pay the same prevailing wage rates on their public works and other construction projects as other public bodies are required to pay.~~

~~Under existing law, with certain exceptions, the prevailing wage in a county for each craft or type of work, as determined by the Labor Commissioner, is required to be paid on a project in the county involving new construction.~~

~~repair or reconstruction that is financed in whole or in part with public money and for which the estimated cost is \$250,000 or more. (NRS 338.010, 338.020-338.080) Section 7 of this bill decreases the minimum threshold for the applicability of the prevailing wage requirements from \$250,000 to \$100,000. Sections 3, 6 and 16 of this bill make conforming changes.~~

~~Under existing law, charter schools are exempt from the requirement to pay prevailing wage rates on their public works and certain other construction projects. (NRS 338.080) Section 7 eliminates this exemption and therefore requires charter schools to pay prevailing wage rates on their public works and other construction projects.~~

Existing law prescribes general procedures for awarding a contract for public work. (Chapter 338 of NRS) Section 8.5 of this bill prohibits a public body from using a reverse auction, in which a bidder may submit more than one bid if each subsequent response to online bidding is at a lower price, when awarding a contract for public work.

Existing law makes the prevailing wage requirements applicable to certain construction projects that are not public works. (NRS 244A.058, 244A.763, 268.568, 271.710, 271.800, 278C.240, 279.500, 318.140, 318.144, 332.390, 333A.120, 349.670, 349.956, 388A.635, 408.3886, 543.545, 701B.265, 701B.625; Reno-Tahoe Airport Authority Act § 9.5) **Sections 10-28** of this bill clarify that those prevailing wage requirements apply in the same manner as if the applicable public body had undertaken the project or awarded the contract.

Existing law, with certain exceptions, prohibits a public body from: (1) requiring or prohibiting a bidder, contractor or subcontractor from entering into or adhering to any agreement with one or more labor organizations in regard to a public work; or (2) discriminating against a bidder, contractor or subcontractor for entering or not entering into, or adhering or refusing to adhere to, any agreement with one or more labor organizations in regard to the public work. Existing law further prohibits a public body, with certain exceptions, from awarding a grant, tax abatement, tax credit or tax exemption that is conditioned upon a requirement that the awardee include in a contract for a project that is the subject of the grant, tax abatement, tax credit or tax exemption a term that: (1) requires or prohibits a bidder, contractor or subcontractor from entering into or adhering to any agreement with one or more labor organizations in regard to the project; or (2) discriminates against a bidder, contractor or subcontractor for entering or not entering into, or adhering or refusing to adhere to, any agreement with one or more labor organizations in regard to the project. (NRS 338.1405) **Section 31** of this bill eliminates these prohibitions.

Sec. 24. NRS 408.3886 is hereby amended to read as follows:

(b) Set forth the date by which final proposals must be submitted to the Department.

2. Except as otherwise provided in this subsection, in assigning the relative weight to each factor for selecting a design-build team pursuant to subsection 1, the Department shall assign, without limitation, a relative weight of 5 percent to the design-build team's possession of both a certificate of eligibility to receive a preference in bidding on public works by the prime contractor on the design-build team, if the design-build team submits a signed affidavit that meets the requirements of subsection 1 of NRS 338.0117, and a certificate of eligibility to receive a preference when competing for public works by all persons who hold a certificate of registration to practice architecture or a license as a professional engineer on the design-build team, and a relative weight of at least 30 percent for the proposed cost of design and construction

of the project. If any federal statute or regulation precludes the granting of federal assistance or reduces the amount of that assistance for a particular project because of the provisions of this subsection relating to a preference in bidding on public works or a preference when competing for public works, those provisions of this subsection do not apply insofar as their application would preclude or reduce federal assistance for that project.

3. In conjunction with preparing a request for best and final offers pursuant to this subsection, the Department may alter the scope of the project, revise the estimates of the costs of designing and constructing the project, and revise the selection factors and relative weights described in paragraph (a) of subsection 1. A request for best and final offers prepared pursuant to this subsection must set forth the date by which best and final offers must be submitted to the Department. After receiving the best and final offers, the Department shall:

- (a) Select the most cost-effective and responsive best and final offer, using the criteria set forth in the request for best and final offers; or
- (b) Reject all the best and final offers.

6. If the Department selects a final proposal pursuant to paragraph (a) of subsection 4 or selects a best and final offer pursuant to paragraph (a) of subsection 5, the Department shall hold a public meeting to:

(c) Make available to the public a summary setting forth the factors used by the Department to select the successful design-build team and the ranking of the design-build teams who submitted final proposals and, if applicable, best and final offers. The Department shall not release to a third party, or otherwise

make public, financial or proprietary information submitted by a design-build team.

(2) Fair and open competition in awarding contracts, grants, tax abatements, tax credits and tax exemptions.

(b) The best method for effectuating the intent of paragraph (a).

2. Except as otherwise provided in subsection 5 or 6, a public body, in any advertisement, solicitation, specification, contract or any other document related to a contract for a public work, shall not:

(a) Require or prohibit an eligible bidder, contractor or subcontractor from entering into or adhering to an agreement with one or more labor organizations

in regard to the public work or any construction project integrated into the public work.

(b) Discriminate against an eligible bidder, contractor or subcontractor for becoming or remaining or refusing to become or remain a signatory to, or for adhering or refusing to adhere to, an agreement with one or more labor organizations in regard to the public work or any construction project integrated into the public work.

3. Except as otherwise provided in subsection 5 or 6, a public body shall not award a grant, tax abatement, tax credit or tax exemption that is conditioned upon a requirement that the awardee include a term described in paragraph (a) or (b) of subsection 2 in a contract for any construction, improvement, maintenance or renovation to real property that is the subject of the grant, tax abatement, tax credit or tax exemption.

4. The provisions of subsections 2 and 3 do not:

Amendment No. 376.

SUMMARY—Revises provisions governing the ~~use and ownership~~ sale or lease of certain ~~governmental~~ real property ~~that is owned by the Department of Transportation~~. (BDR ~~20-953~~) 35-953)

AN ACT relating to real property; ~~authorizing a board of county commissioners, a governing body of a city and the State Land Registrar to offer to convey~~ revising certain provisions relating to the sale or lease of certain real property ~~to private property owners at no cost under certain circumstances;~~ owned by the Department of Transportation; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~Existing law sets forth certain requirements for the sale or lease of real property by counties, incorporated cities and the State Land Registrar. In accordance with these requirements, a board of county commissioners, a governing body of a city and the State Land Registrar is required, with limited exceptions, to obtain two independent appraisals of the fair market value of the real property and to sell or lease the real property upon sealed bids followed by oral offers. (NRS 244.2795, 244.281, 244.283, 268.059, 268.062, 321.007,~~

~~321.335) Sections 1, 4 and 8 of this bill exempt certain real property that a person has mistakenly occupied and maintained for 20 years or more from these requirements and, instead, authorizes a board of county commissioners, a governing body of a city or the State Land Registrar to convey such real property at no cost without satisfying the requirements for the sale or lease of real property. If the county, the city or the State transfers such property to a person, the property will be added to the property tax rolls and the person is then responsible for paying future property taxes assessed on the property. Sections 2, 3, 5-7, 9-11 of this bill make conforming changes.~~ **Under existing law, the Department of Transportation is authorized to acquire real property considered necessary for highway purposes. The Department or Board of Directors of the Department is further authorized to lease, relinquish or dispose of such real property under certain circumstances. (NRS 408.487, 408.507, 408.533) Section 12 of this bill requires the Department or Board, before relinquishing or disposing of property that the Department has determined is no longer necessary for highway purposes to a county, city or town, to offer the right of first refusal to any abutting property owner. Section 13 of this bill authorizes the Department to offer for lease to an abutting property owner any property which is not in current use by the Department. Section 12 requires the Department to require a county, city or town to honor any such lease before the Department may relinquish or dispose of real property to a county, city or town.**

- ~~2. Such a conveyance must not be in contravention of any condition in a gift or devise of real property to the county.~~
- ~~3. If any real property is conveyed pursuant to this section:~~

~~2. Whenever the State Land Registrar deems it to be in the best interests of the State of Nevada that any lands owned by the State and not used or set apart for public purposes be sold or leased, the State Land Registrar may, with the approval of the State Board of Examiners and the Interim Finance Committee, cause those lands to be sold or leased upon sealed bids, or oral offer after the opening of sealed bids for cash or pursuant to a contract of sale or lease, at a price not less than the highest appraised value for the lands plus the costs of appraisal and publication of notice of sale or lease.~~

~~3. Before offering any land for sale or lease, the State Land Registrar shall comply with the provisions of NRS 321.007.~~

~~4. After complying with the provisions of NRS 321.007, the State Land Registrar shall cause a notice of sale or lease to be published once a week for 4 consecutive weeks in a newspaper of general circulation published in the county where the land to be sold or leased is situated, and in such other newspapers as the State Land Registrar deems appropriate. If there is no newspaper published in the county where the land to be sold or leased is situated, the notice must be so published in a newspaper published in this State having a general circulation in the county where the land is situated.~~

~~6. At the time and place fixed in the notice published pursuant to subsection 4, all sealed bids which have been received must, in public session, be opened, examined and declared by the State Land Registrar. Of the proposals submitted which conform to all terms and conditions specified in the notice published pursuant to subsection 4 and which are made by responsible bidders, the bid which is the highest must be finally accepted, unless a higher oral offer is accepted or the State Land Registrar rejects all bids and offers. Before finally accepting any written bid, the State Land Registrar shall call for oral offers. If, upon the call for oral offers, any responsible person offers to buy or lease the land upon the terms and conditions specified in the notice, for a price exceeding by at least 5 percent the highest written bid, then the highest oral offer which is made by a responsible person must be finally accepted.~~

~~7. The State Land Registrar may reject any bid or oral offer to purchase or lease submitted pursuant to subsection 6, if the State Land Registrar deems the bid or offer to be:~~

The State Land Registrar may require any person requesting that state land be sold pursuant to the provisions of this section to deposit a sufficient amount of money to pay the costs to be incurred by the State Land Registrar in acting upon the application, including the costs of publication and the expenses of appraisal. This deposit must be refunded whenever the person making the deposit is not the successful bidder. The costs of acting upon the application, including the costs of publication and the expenses of appraisal, must be borne by the successful bidder.~~

~~11. If land that is offered for sale or lease pursuant to this section is not sold or leased at the initial offering of the contract for the sale or lease of the land, the State Land Registrar may offer the land for sale or lease a second time pursuant to this section. If there is a material change relating to the title, zoning or an ordinance governing the use of the land, the State Land Registrar must obtain a new appraisal of the land pursuant to the provisions of NRS 321.007 before offering the land for sale or lease a second time. If land that is offered for sale or lease pursuant to this section is not sold or leased at the second offering of the contract for the sale or lease of the land, the State Land Registrar may list the land for sale or lease at the appraised value with a licensed real estate broker, provided that the broker or a person related to the broker within the first degree of consanguinity or affinity does not have an interest in the land or an adjoining property. **(Deleted by amendment.)**~~

Sec. 12. Chapter 408 of NRS is hereby amended by adding thereto a new section to read as follows:

1. Before the Department or Board may relinquish or dispose of any real property owned by the Department pursuant to NRS 408.507 or 408.533 to a county, city or town, as applicable, the Department shall afford the right of first refusal to purchase the real property to any abutting property owner:

(a) At market value; or

(b) If the Director determines such a sale is feasible and in the best interest of the State, at less than market value.

2. If the Department intends to relinquish or dispose of any real property to a local government that is subject to a lease made pursuant to subsection 5 of NRS 408.507, the Department shall require the local government to honor the existing lease before relinquishing or disposing of such real property.

Sec. 13. NRS 408.507 is hereby amended to read as follows:

408.507 1. Real property held in fee or improvements on the property acquired by the Department in advance of the actual construction, reconstruction or improvement of highways or in order to avoid the payment of excessive damages, or held by the Department pending a determination in the future on its use or disposal may be leased or rented by the Department for fair market value in such manner and for such periods as are determined by the Director to be in the best interests of the State.

2. The Director may lease for fair market value space above and below the established grade line of the highway to state and public agencies and private persons in such manner and for such periods as the Director determines are in the best interest of the State, if:

(a) The full use and safety of the highway will not be impaired;

(b) Vehicular or pedestrian access to that space will not be required or permitted from the established grade line; and

(c) The free flow of traffic on the highway is not interfered with in any way.

3. All leases of an interest in real property entered into by the Department before April 1, 1985, are hereby ratified. All other leases entered into pursuant to subsection 2 must be approved by the Board subject to the provisions of subsection 4.

4. ~~[[~~ **Except as otherwise provided in subsection 5, if** the Department receives a proposal to negotiate a lease pursuant to subsection 2, it shall publish a notice in a newspaper of general circulation at least once a week for 2 weeks, stating that it has received the proposal and that it will receive other proposals for use of the space for 60 days after the completion of the publication. A copy of the notice must be mailed to each local governmental unit in the affected area. If the property is leased, it must be to the highest bidder for the space. The requirements for publication and notice do not apply if the proposal was received from an owner who controls the property on both sides of the highway.

5. **Unless otherwise prohibited by federal law, the Director may offer to lease for fair market value real property described in subsection 1 to an abutting property owner in such manner and for such periods as the Director determines are in the best interest of the State.**

6. All money received for leases and rentals must be deposited with the State Treasurer to be credited to the State Highway Fund.

Sec. 14. NRS 408.533 is hereby amended to read as follows:

408.533 1. Except as otherwise provided in NRS 37.270 ~~[[~~ **and section 12 of this act,** all real property, interests therein or improvements thereon and personal property acquired before, on or after April 1, 1957, in accordance with the provisions of NRS 408.487 and 408.489 must, after approval by the Board and if no longer needed for highway purposes, be disposed of by the Director in accordance with the provisions of subsection 2, except that:

(a) When the property was originally donated to the State, no charge may be made if it is returned to the original owner or to the holder of the reversionary right.

(b) When the property has been wholly or partially paid for by towns, cities or counties, disposal of the property and of money received therefor must be agreed upon by the governing bodies of the towns, cities and counties and the Department.

(c) When the title to the real property has been acquired in fee pursuant to NRS 408.487 and 408.489 and, in the opinion of the Board, a sale by means of a public auction or sealed bids is uneconomical or impractical because:

(1) There is no access to the property;

(2) The property has value or an increased value only to a single adjoining property owner; or

(3) Such a sale would work an undue hardship upon a property owner as a result of a severance of the property of that owner or a denial of access to a public highway,

↳ the Board may enter into a direct sale of the property with such an owner or any other person for its fair market value.

(d) When the property has been acquired and the property or any portion of the property is no longer needed for highway purposes, the Department shall give notice of its intention to dispose of the property by publication in a newspaper of general circulation in the county where the property is situated. The notice must include the Department's appraisal of the fair market value of the property. Any person from whom the property was purchased or the person's heir or grantee may purchase the property at its fair market value by direct sale from the Department within 60 days after the notice is published. If more than one person qualified to purchase the property by direct sale pursuant to this paragraph so requests, the person with the superior claim, as determined by the Department in its sole discretion, is entitled to purchase the property by direct sale. If a person who is entitled to purchase the property by direct sale pursuant to this paragraph reasonably believes that the Department's appraisal of the property is greater than the fair market value of the property, the person may file an objection to the appraisal with the Department. The Department shall set forth the procedure for filing an objection and the process under which a final determination will be made of the fair market value of the property for which an objection is filed. The Department shall sell the property in the manner provided in subsection 2 if:

(1) No person requests to purchase the property by direct sale within 60 days after the notice is published pursuant to this paragraph; or

(2) A person who files an objection pursuant to this paragraph fails, within 10 business days after receipt of a written notice of the final determination of the fair market value of the property, to notify the Department in writing that he or she wishes to purchase the property at the fair market value set forth in the notice.

(e) When the property is sought by another public agency for a reasonable public use, the Department may first offer the property to the public agency at its fair market value.

2. ~~All~~ Except as otherwise provided in section 12 of this act, all property, interests or improvements not included within the provisions of subsection 1 must first be offered for sale by the Department singly or in combination at public auction or by sealed bids. If the highest bid received is 90 percent or more of the Department's appraisal of the fair market value of the property, the property may be sold to the highest bidder. The notice and the terms of the sale must be published in a newspaper of general circulation in the county where the property is situated. The auctions and openings of bids must be conducted by the Department. If the property cannot be sold for 90 percent or more of its fair market value, the Department may enter into a

written listing agreement with a person licensed pursuant to chapter 645 of NRS to sell or lease the property for 90 percent or more of its fair market value.

3. It is conclusively presumed in favor of the Department and any purchaser for value that the Department acted within its lawful authority in acquiring and disposing of the property, and that the Director acted within his or her lawful authority in executing any conveyance vesting title in the purchaser. All such conveyances must be quitclaim in nature and the Department shall not warrant title, furnish title insurance or pay the tax on transfer of real property.

4. No person has a right of action against the Department or its employees for a violation of this section. This subsection does not prevent an action by the Attorney General on behalf of the State of Nevada or any aggrieved person.

5. All sums of money received by the Department for the sale of real and personal property must be deposited with the State Treasurer to be credited to the State Highway Fund, unless the Federal Highway Administration participated in acquisition of the property, in which case a pro rata share of the money obtained by disposal of the property must be paid to the Federal Highway Administration.

6. The Department may reserve and except easements, rights or interests from the conveyance of any real property disposed of in accordance with this section, ~~for~~ exchanged pursuant to subsection 5 of NRS 408.489, ~~for~~ **or sold pursuant to section 12 of this act.** The easements, rights or interests include, but are not limited to:

- (a) Abutter's rights of light, view or air.
- (b) Easements of access to and from abutting land.
- (c) Covenants prohibiting the use of signs, structures or devices advertising activities not conducted, services not rendered or goods not produced or available on the real property.

Amendment No. 557.

AN ACT relating to education; revising provisions ~~related to~~ **governing the reporting of certain information concerning the achievement of pupils who are English learners pursuant to the statewide system of accountability for public schools; requiring the principals of certain public schools that demonstrate low achievement for pupils who are English learners to develop a corrective action plan; authorizing a pupil who is an English learner to enroll in a public high school outside the zone of attendance in which the pupil resides under certain circumstances; requiring the adoption of a plan to ensure that** a policy of instruction to teach English to pupils who are English learners ~~to~~ **achieves certain objectives**; revising eligible teaching programs for which the Teach Nevada Scholarship Program awards scholarships; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the boards of trustees of school districts, the sponsors of charter schools and the State Board of Education to prepare and publicly disseminate annual reports of accountability for the quality of schools and the educational achievement of pupils. (NRS 385A.070) Existing law requires the State Board to: (1) prescribe criterion-referenced examinations to measure the achievement and proficiency of pupils; and (2) select a college and career readiness assessment for pupils who are enrolled in grade 11 in public high schools. (NRS 390.105, 390.610) Existing law requires the annual reports of accountability to include a comparison of the performance of pupils who are English learners and pupils who are proficient in the English language on the criterion-referenced examinations and the college and career readiness assessment. (NRS 385A.280, 385A.490) Sections 1 and 1.1 of this bill require such data to be reported separately according to subject area, the length of time that pupils who are English learners have been learning the English language and any identified trends in the performance of pupils in middle school, junior high school and high school who are English learners over the immediately preceding 3 years. Section 1 requires the board of trustees of each school district and the governing body of each charter school to publish and submit to the Department of Education and the Legislature a report of certain information concerning the achievement of pupils who are English learners on or before October 1 of each year. Sections 1.6 and 1.8 of this bill require the Department of Education to ensure the availability of authorized supports to pupils who are English learners on the criterion-referenced examinations and the college and career readiness assessment.

Section 1.2 of this bill requires the principals of certain schools that demonstrate low achievement for pupils who are English learners to establish a corrective action plan. Sections 1.2 and 1.3 of this bill authorize a pupil who is an English learner and attends a high school that has adopted a corrective action plan to enroll in a public school outside the zone of attendance in which the pupil resides if: (1) the pupil wishes to transfer because the school demonstrates low levels of achievement for pupils who are English learners or because of the adoption of the corrective action plan; and (2) the public school that the pupil wishes to attend has adequate capacity after enrolling all pupils who reside in the zone of attendance of the school and wish to attend the school.

Existing law requires each board of trustees of a school district to develop a policy of instruction to teach English to pupils who are English learners and sets forth the requirements for the policy. Such a policy is required to be designed to eliminate gaps in achievement between pupils who are English learners and pupils who are proficient in English. (NRS 388.407) Section 1.1 of this bill revises the requirements of such a policy by requiring each school district to adopt a protocol which includes providing transportation to a pupil

~~who is an English learner to another school if: (1) the public school in which the pupil is enrolled does not provide a program to teach English to pupils who are English learners; or (2) if certain persons determine such a program is not adequate.]~~ **1.4 of this bill requires the board of trustees of a school district to adopt a plan to ensure that the policy achieves those objectives.**

Under existing law, the Teach Nevada Scholarship Program provides scholarships to students pursuing a teaching degree at a university, college or other provider of an alternative licensure program that offers an eligible teaching program. Such eligible teaching programs include a program to: (1) make a student eligible to obtain a license to teach kindergarten, any grade from grades 1 through 12 or in the subject area of special education in this State; or (2) specialize in the subject area of early childhood education. (NRS 391A.580) **Section 2** of this bill revises such eligible programs by including a program which allows a student to obtain an endorsement to teach: (1) English as a second language; or (2) special education.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. 1. The Legislature hereby finds and declares that:

(a) Section 9 of Article 8 of the Nevada Constitution contains a provision commonly known as a “gift clause” which restricts the State under certain circumstances from donating or loaning the State’s money or credit to any company, association or corporation, except corporations formed for educational or charitable purposes.

(b) In *Employers Insurance Company of Nevada v. State Board of Examiners*, 117 Nev. 249, 258 (2001), the Nevada Supreme Court held that the State loans its credit in violation of Section 9 of Article 8 of the Nevada Constitution only when the State acts as a surety or guarantor for the debts of a company, corporation or association.

(c) In *Lawrence v. Clark County*, 127 Nev. 390, 405 (2011), the Nevada Supreme Court held that the State does not donate, loan or “gift” its money in violation of Section 9 of Article 8 of the Nevada Constitution when the State dispenses state funds for a public purpose and the State receives a valuable benefit or fair consideration in exchange for the dispensation of the state funds.

(d) In *McLaughlin v. Housing Authority of the City of Las Vegas*, 68 Nev. 84, 93 (1951), and *Lawrence v. Clark County*, 127 Nev. 390, 399 (2011), the Nevada Supreme Court held that when the Legislature authorizes a state agency to dispense state funds:

(1) The courts will carefully examine whether the Legislature made an informed and appropriate finding that dispensation of the state funds serves a public purpose and the State receives a valuable benefit or fair consideration in exchange for the dispensation;

(2) The courts will give great weight and due deference to the Legislature's finding, and the courts will uphold the Legislature's finding unless it clearly appears to be erroneous and without reasonable foundation; and

(3) The courts will closely examine whether the dispensing state agency reviews all facts, figures and necessary information when making the dispensation, and when the state agency has done so, it will not be second-guessed by the courts.

2. The Legislature hereby further finds and declares that:

(a) The state program developed and carried into effect pursuant to this act will not result in the State acting as a surety or guarantor of the debts of an air carrier receiving a grant of money.

(b) The purpose of this act is to develop and carry into effect a state program to encourage air carriers to resume, retain or enhance the provision of commercial air service to and from small hub airports, ~~and~~ nonhub airports **and large hub airports** that serve rural communities in this State.

(c) The provisions of this act are intended to serve an important public purpose and ensure that the State receives valuable benefits and fair consideration in exchange for each grant of money from the program because:

(1) The program requires the dispensing state agency to review all facts, figures and necessary information when making each grant of money from the program to determine whether the grant will provide economic benefit to the State;

(2) The provision of air transportation service to and from small hub airports and nonhub airports enables the citizens and businesses of this State to travel more efficiently, and at lower cost, to and from the rural communities in this State; and

(3) The dispensing state agency may not make a grant of money from the program unless the agency receives a commitment from the air carrier receiving the grant to commence or continue air service to a designated small hub airport ~~or~~, a nonhub airport ~~or~~ **or a large hub airport that services small hub airports and nonhub airports.**

The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 415.

ASSEMBLYMEN FRIERSON, MONROE-MORENO, THOMPSON, YEAGER, BENITEZ-THOMPSON; **BACKUS**, JAUREGUI AND SWANK

AN ACT relating to the care of children; authorizing the parent or guardian of a child to execute a power of attorney delegating to another person certain powers relating to the child; prohibiting a provider of foster care from providing overnight or regular and continuous care and supervision to a child who is the subject of such a power of attorney under certain circumstances; authorizing an agency which provides child welfare services to provide a referral to or information concerning certain community-based organizations to the parent or guardian of a child who is alleged to be a child in need of protection; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law defines the term "foster home" to mean a home that receives, nurtures, supervises and ensures routine educational services and medical, dental and mental health treatment for children. (NRS 424.014) Existing law

requires the Division of Child and Family Services of the Department of Health and Human Services to adopt regulations to establish requirements for the licensure of foster homes. (NRS 424.020) **Section 3** of this bill authorizes the parent or guardian of a child to execute a power of attorney to delegate to another person all power **of the parent or guardian** regarding health care, support, custody and property of the child, except for the power to consent to the marriage or adoption of the child, without having the child enter the child welfare system. **Section 3** authorizes such a delegation of power for: (1) a period during which the care and custody of the child is entrusted to a child care institution; (2) a period expiring 30 days after the parent or guardian returns from active duty in certain uniformed services; or (3) in all other cases, a period of not longer than 12 months. **Section 3** provides that a parent or guardian who executes such a power of attorney remains responsible for any act or omission of the person to whom power is delegated with respect to the affairs, property and person of the child. **Section 3** provides that a child who is the subject of such a power of attorney is not a foster child, and **section 2** of this bill provides that a person to whom power is delegated is not required to obtain a license as a foster family or to operate a foster home. **Section 1** of this bill prohibits a provider of foster care from providing overnight or regular and continuous care and supervision to a child who is the subject of such a power of attorney while also providing care to a child placed in the foster home by the agency which provides child welfare services or the order of a juvenile court.

Existing law requires a court to hold an adjudicatory hearing on a petition alleging that a child is in need of protection. (NRS 432B.530) **Section 4** of this bill authorizes the agency which provides child welfare services to: (1) upon a finding that the allegations in the petition have been established, refer the parent or guardian of the child to a community-based organization that provides respite care, voluntary guardianship or other support services for families in crisis; or (2) upon a finding that the allegations in the petition have not been established, provide the parent or guardian of the child with information concerning such an organization.

Assembly Bill No. 259.

Bill read second time.

The following amendment was proposed by the Committee on Legislative Operations and Elections:

Amendment No. 151.

AN ACT relating to elections; revising the circumstances under which candidates of major political parties appear on or are omitted from the ballot at primary elections; revising provisions governing primary elections for ~~certain judicial~~ candidates; ~~+~~ **for nonpartisan offices**; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, if a major political party has only one candidate for a particular office, the name of the candidate does not appear on the ballot at the primary election but appears on the ballot at the general election. If a major political party has two or more candidates for a particular office, there must be a primary election where the person who receives the highest number of votes is declared the nominee of that party for the office. (NRS 293.260) ~~(This)~~ **Section 1 of this** bill revises the circumstances under which candidates of a major political party either appear on the ballot at the primary election or are omitted from the ballot at the primary election and appear on the ballot at the general election when there are multiple candidates for the major political party.

First, **section 1 of** this bill provides that if two or more major political parties have candidates for a particular office and at least one of the major political parties has multiple candidates for the office, the candidates of the major political parties with multiple candidates for the office appear on the ballot at the primary election of their respective parties. The candidates who receive the highest number of votes at the primary election of their respective parties are declared the nominees of those parties and appear on the ballot at the general election with any other candidates for the office who are entitled by law to be placed on the ballot at the general election such as: (1) any candidate of a major political party that did not have a primary election because it had only one candidate for the office; (2) any candidate for the office nominated by a minor political party who has filed for the office; and (3) any independent candidate who has filed for the office.

Second, **section 1 of** this bill provides that if only one major political party has multiple candidates for a particular office and no other major political party has any candidates for the office but there is at least one candidate nominated by a minor political party who filed for the office or one independent candidate who has filed for the office, the candidates of the major political party must appear on the ballot at the primary election. The major political party candidate who receives the highest number of votes at the primary election is the nominee of that party and appears on the ballot at the general election along any other candidates for the office who are entitled by law to be placed on the ballot at the general election.

Third, **section 1 of** this bill provides that if only one major political party has multiple candidates for a particular office and no other major political party has any candidates for the office, and there are no candidates who were nominated by a minor political party or who filed for the office after being so nominated and no independent candidates filed for the office, the candidates of the major political party are subject to the following rules: (1) if there are not more than twice the number of candidates to be elected to that office, the candidates do not appear on the ballot at the primary election but do appear on the ballot at the general election; or (2) if there are more candidates than twice the number to be elected to that office, the candidates appear on the ballot at

the primary election, and the candidates who receive the highest number of votes at the primary election, not to exceed twice the number to be elected to that office at the general election, are declared the nominees for the office and appear on the ballot at the general election.

Under existing law, **the following elected offices are designated as nonpartisan offices: judicial offices, school offices, the office of county sheriff, the Board of Regents of the University of Nevada, city and town officers, the State Board of Education and members of boards of hospital trustees of public hospitals. (NRS 293.195) Existing law in the Nevada Constitution also provides that candidates for the following judicial offices must be elected by the qualified electors at the general election: judges of a district court, judges of the Court of Appeals and justices of the Supreme Court. (Nev. Const. Art. 6, §§ 3, 3A, 5)**

With regard to the election of candidates for any nonpartisan office, existing law provides that if there are more than twice the number of candidates at a primary election for the nonpartisan office, ~~for judge of a district court, judge of the Court of Appeals or justice of the Supreme Court,~~ the names of candidates appear on the ballot at the primary election. ~~##~~ **The candidates who receive the highest number of votes at the primary election, not to exceed twice the number to be elected, are declared the nominees for the nonpartisan office and the names of those candidates are placed on the ballot at the general election. However, existing law also includes an exception which provides that if** one of the candidates receives a majority of votes cast in the primary election for ~~such office, that~~ **: (1) the nonpartisan office of judge of a district court, judge of the Court of Appeals or justice of the Supreme Court, the** candidate is declared the only nominee for that office and only his or her name is placed on the ballot at the general election. ~~##~~ **; or (2) any other nonpartisan office, the candidate is declared elected to the office and his or her name is not placed on the ballot at the general election. (NRS 293.260) ~~This~~**

Section 1 of this bill removes ~~this provision~~ the exception from existing law so that those candidates who receive the highest number of votes at the primary election for ~~the~~ **any nonpartisan office, for judge of a district court, judge of the Court of Appeals or justice of the Supreme Court,** not to exceed twice the number to be elected, are declared **the** nominees for the office and appear on the ballot at the general election regardless of whether one candidate received a majority of votes cast in the primary election for that **nonpartisan** office. **Sections 2-24 of this bill make conforming changes to existing statutes and provisions of city charters that apply to municipal elections.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

If a candidate receives one or more votes at the primary election, the candidate must be declared elected to the office and his or her name must not be placed on the ballot for the general election. If a candidate does not receive one or more votes at the primary election, his or her name must be placed on the ballot for the general election. ~~and~~
