The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 371.

AN ACT relating to governmental administration; revising provisions governing the disclosure of information relating to complaints filed with the Nevada Equal Rights Commission within the Department of Employment, Training and Rehabilitation; revising provisions governing the protections against reprisal or retaliatory action provided for a state or local governmental officer or employee who discloses certain governmental action; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

The Nevada Equal Rights Commission is created under existing law within the Department of Employment, Training and Rehabilitation. (NRS 233.030) Among other duties, the Commission accepts, processes and resolves complaints alleging unlawful discriminatory practices in employment, housing and public accommodations. (NRS 233.157, 233.165, 233.170) With certain exceptions, existing law makes any information gathered by the Commission in the course of its investigation of an alleged unlawful discriminatory practice confidential. Existing law authorizes the disclosure of such information to any governmental entity as appropriate or necessary to carry out its duties. (NRS 233.190) **Section 1** of this bill: (1) limits access to information related to a complaint filed with the Commission to such staff of the Commission as are necessary to carry out the duties of the Commission relating to the complaint; and (2) prohibits such staff from disclosing the information to other officers and employees of the Department of Employment, Training and Rehabilitation unless the disclosure is necessary to carry out the duties of the Commission relating to the complaint.

Existing law encourages state and local governmental officers and employees to disclose action taken by a state or local governmental officer or employee in the performance of his or her official duties which is: (1) a violation of a state law or local ordinance; (2) an abuse of authority; (3) of substantial and specific danger to the public health or safety; or (4) a gross waste of public money. Existing law protects the rights of a state or local governmental officer or employee who makes such a disclosure, commonly known as a whistleblower. (NRS 281.611-281.671) **Section 2** of this bill makes the placement of false information in the personnel file of a state or local governmental officer or employee who discloses improper governmental action a form of reprisal or retaliatory action.

Existing law prohibits a state or local governmental officer or employee from using or attempting to use his or her official authority or influence to intimidate, threaten, coerce, command or influence another state or local governmental officer or employee in an effort to interfere with or prevent the disclosure of information concerning improper governmental action. (NRS 281.631) Section 2.5 of this bill clarifies that this prohibition includes using or attempting to use official authority or influence to intimidate, threaten, coerce, command or influence another state or local governmental officer or employee to take reprisal or retaliatory action. Section 2.5 also requires a state or local governmental officer or employee

to use his or her official authority or influence to remedy any reprisal or retaliatory action of which the officer or employee becomes aware.

Existing law authorizes a local government to enact by ordinance procedures that provide greater protection to local governmental officers and employees against reprisal and retaliation for the disclosure of improper governmental action than the protections provided in existing law. (NRS 281.635) **Section 3** of this bill: (1) makes it mandatory for a local government to enact procedures that provide at least the same amount of protection against reprisal and retaliation as is provided in existing law; and (2) authorizes such procedures to provide greater protection than the protection provided in existing law.

Existing law authorizes a hearing officer who hears an appeal relating to a reprisal or retaliatory action against a state or local governmental officer or employee for disclosing improper government action to issue an order directing the proper person to desist and refrain from engaging in an action determined to be a reprisal or retaliatory action. (NRS 281.641, 281.645) **Sections 4 and 5** of this bill **authorize the filing of an appeal with a hearing officer for violations of the provisions relating to use of official authority or influence. Sections 4 and 5** additionally authorize such a hearing officer to ~~impose an appropriate civil penalty against~~ **order the termination of the employment of** the proper person ~~, which must be paid by that person and not his or her public employer.~~

Existing law requires certain persons to annually make available to each state or local governmental officer or employee a written summary of the provisions of existing law concerning reprisal or retaliatory action against a state or local governmental officer or employee who discloses improper governmental action. (NRS 281.661) **Section 6** of this bill requires this written summary to be: (1) developed by the Division of Human Resource Management of the Department of Administration and clearly explain the relevant provisions in existing law, including any action that a hearing officer is authorized to take if the hearing officer determines that reprisal or retaliatory action was taken; and (2) provided within 30 days after the commencement of employment, in addition to being provided annually. **Section 6** also authorizes, in lieu of the written summary, the viewing of a video recording developed by the Division of Human Resource Management that clearly explains the relevant provisions in existing law. **Section 6** requires the Division and the administrative head of a local government to obtain written confirmation that employees received the summary or viewed the video as required.

Legislative Counsel's Digest:

~~Under existing law, a city incorporated pursuant to general law may be divided into a certain number of wards based on the population of the city, with each ward represented on the governing body of the city by a council member. If a city is not divided into wards, all members of a city council are elected by and represent the city at large. (NRS 266.095, 266.215, 266.220)~~

~~Under the existing charters of Boulder City, Caliente, Carlin, Elko, Mesquite, Wells and Yerington, the cities are not divided into wards and candidates for Council Member must be voted on by the registered voters of the City at large in both a primary and a general election. (Charter of Boulder City §§ 4, 96; Caliente City Charter § 2.010; Carlin City Charter §§ 2.010, 5.020; Elko City Charter § 2.010; Mesquite City Charter §§ 2.010, 5.010; Wells City Charter §§ 2.010, 5.020; Yerington City Charter § 2.010)~~

~~Under the existing charters of Carson City and the City of Henderson, the cities are divided into wards, but the candidates for Supervisor and Council Member, respectively, are voted on by the registered voters of the City at large. (Carson City Charter §§ 1.060, 2.010, 5.010, 5.020; Henderson City Charter §§ 1.040, 2.010, 5.010, 5.020)~~

~~Under the existing charters of Las Vegas, North Las Vegas and Sparks, the cities are divided into wards and the candidates for Council Member are voted upon only by the registered voters of the ward that the candidate seeks to represent. (Las Vegas City Charter §§ 1.130, 2.020, 5.010, 5.020; North Las Vegas City Charter §§ 1.045, 2.010, 5.010, 5.020; Sparks City Charter §§ 1.040, 1.060, 5.010, 5.020)~~

~~In 2017, the Charter of the City of Reno was amended to increase the number of wards in the City of Reno from five to six and replace the Council Member who represents the city at large with a Council Member to represent the newly created sixth ward, effective January 1, 2024. (Assembly Bill No. 36, chapter 584 Statutes of Nevada 2017, p. 4195; Reno City Charter §§ 1.050, 2.010, 5.010, 5.020)~~

~~This bill requires each city incorporated pursuant to general law or charter to be divided into wards where each ward is represented on the governing body of the city by a member who is elected only by the registered voters of the ward. Effective January 1, 2023, and with limited exception: (1) each city must be divided into wards such that there is an odd number of voting members on the governing body, including the city mayor, if applicable; (2) each city may not have more than eight wards if the Mayor is a voting member of the governing body or nine wards if the Mayor is not a voting member of the governing body, unless the voters of the city approve having more than eight or nine wards, respectively; (3) each ward must be, as nearly as practicable, of equal population; and (4) the population of each ward must be less than the average population of assembly districts in the State as determined at the time of the most recent apportionment of assembly districts. This bill also requires, with limited exception, that the number and boundaries of existing wards be changed when the population of any ward is more than the average population of assembly districts in the State as determined at the time of the most recent apportionment of assembly districts.~~

~~Under existing law, a vacancy on the governing body of a city may be filled by appointment or by special election. (NRS 268.325) Section 9 of this bill requires such a vacancy to be filled at a special election if appointing a member to fill the vacancy would result in a majority of the governing body to have been appointed to the office.]~~

Under the existing Charter of the City of Henderson, the City is divided into four wards, but the candidates for the office of Council Member are voted on by the registered voters of the City at large. (Henderson City Charter §§ 1.040, 2.010, 5.010, 5.020) In addition, under the existing Charter of the City of Henderson, the City holds primary and general city elections in odd-numbered years, but the City may by ordinance provide for its elections to be held in even-numbered years on the statewide election cycle. (Henderson City Charter §§ 5.010, 5.020) Finally, under the Nevada Constitution, the Legislature may amend the existing Charter of the City of Henderson to require the City's elections to be held in even-numbered years on the statewide election cycle. (Nev. Const. Art. 4, § 27, Art. 8, § 1)

Section 5 of the bill requires the City Council to place a question on the ballot at: (1) the general city election held in June 2021; or (2) if no general city election will be held in June 2021 because the City will be holding its elections in even-numbered years on the statewide election cycle, the general election held in November 2022. The ballot question will ask the

registered voters of the City whether the Charter of the City should be amended to require that the candidates for members of the City Council of the City of Henderson be voted upon only by the registered voters of the ward that the candidate seeks to represent. If the voters of the City approve the ballot question: (1) sections 1-4 of this bill become effective; and (2) candidates for the office of Council Member of the City must be voted upon at subsequent elections only by the registered voters of the ward that the candidate seeks to represent. Assembly Bill No. 289.

Bill read second time.

The following amendment was proposed by the Committee on Education:

Amendment No. 337.

AN ACT relating to education; revising provisions relating to the retention of certain pupils enrolled in grade 3 ~~to~~ **to require the provision of certain services and instruction**; revising provisions relating to plans to improve the literacy of pupils; revising provisions relating to teachers who teach in a public elementary school; revising provisions relating to reports concerning pupil performance in the subject area of reading; revising provisions relating to notices concerning pupils who exhibit a deficiency in the subject area of reading; requiring certain interventions and services for pupils who exhibit a deficiency in the subject area of reading and the parent or legal guardian of such a pupil; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law to become effective on July 1, 2019, provides that, unless a pupil receives a good-cause exemption, a pupil enrolled in grade 3 must be retained in grade 3 rather than promoted to grade 4 if the pupil does not obtain the score prescribed by the State Board of Education on the criterion-referenced examination in reading. (NRS 388A.487, 392.760) **Section 7** of this bill ~~to~~ **removes this requirement and instead provides that a pupil must be retained in grade 3 provided intervention services and intensive instruction** if the pupil does not obtain the score prescribed by the State Board on the criterion-referenced examination in reading and his or her parent or legal guardian provides informed written consent, in consultation with the teacher of the pupil and the principal of the school. ~~to~~ **and (2) includes additional good-cause exemptions.**

Existing law requires the board of trustees of each school district or the governing body of a charter school to prepare a plan to improve the literacy of pupils enrolled in kindergarten and grades 1, 2 and 3. (NRS 388.157) **Section 1** of this bill instead requires this plan to address pupils enrolled in all grades of an elementary school.

Existing law requires that a plan to improve the literacy of pupils include a program to provide intensive instruction to pupils who have been identified as deficient in the subject area of reading to ensure that those pupils achieve adequate proficiency in that subject area. (NRS 388.157) **Section 1** provides that in order to achieve adequate proficiency in reading, a pupil must perform at a level ~~considered~~ **determined** by ~~the school district or charter school~~ **a**

statewide assessment to be within ~~the average range~~ the level established by the State Board for a pupil enrolled in the same grade in which the pupil is enrolled.

Under existing law, the principal of a public elementary school, including, without limitation, a charter school, is required to designate a licensed teacher employed by the school who has demonstrated leadership abilities to serve as a learning strategist to train and assist teachers in providing intensive instruction to pupils who have been identified as deficient in the subject area of reading. (NRS 388.159) **Section 2** of this bill instead requires the principal to designate a licensed teacher to serve as a literacy specialist and prescribes the qualifications and duties of the literacy specialist. Existing law authorizes a school district or charter school to provide additional compensation to: (1) a licensed teacher designated as a learning strategist or to a teacher who teaches kindergarten; or (2) a licensed teacher who teaches grade 1, 2, 3 or 4 whose overall performance is determined to be highly effective. (NRS 388.159) **Section 2** ~~expands~~ revises the list of licensed teachers who are eligible for additional compensation ~~to~~ to include any teacher who teaches in an elementary school whose overall performance is determined to be highly effective, who provides instruction in reading.

Existing law, which becomes effective on July 1, 2019, requires the board of trustees of each school district and the governing body of a charter school to prepare a report concerning the number and percentage of pupils who are retained in grade 3 for deficiency in reading. (NRS 388A.487, 392.775) **Sections 3 and 10** of this bill additionally require the board of trustees of each school district and the governing body of a charter school to include in a report certain information concerning pupils who received educational programs or services in the subject area of reading.

Section 6 of this bill requires that the plan to assess the proficiency of a pupil who is deficient in the subject area of reading be established by a licensed teacher. **Section 6** also removes the requirement that a school assess the proficiency of a pupil who is receiving services to correct a deficiency in the subject area of reading at the beginning of the school year and instead requires the school ~~frequently to~~ regularly assess the ~~progress~~ growth of the pupil in any areas of deficiency in the subject area of reading.

Existing law requires the principal of a school to offer the parent or legal guardian of a pupil who is retained in grade 3 certain additional instructional options. (NRS 392.770) **Section 9** of this bill ~~additionally~~ instead requires the principal of a school to offer these options to the parent or legal guardian of a pupil who exhibits a deficiency in the subject area of reading.

Existing law requires the Department of Education to distribute money that is appropriated to the Other State Education Programs Account through a competitive grants program. (Section 15 of chapter 334, Statutes of Nevada 2015, p. 1867) **Section 11** of this bill revises the program to: (1) distribute the money through a noncompetitive grants program ~~to~~ using a weighted formula; and (2) authorize schools that receive a grant of money to use the

money for literacy programs, additional staff or both, to support school-based efforts to ensure that all pupils are proficient in reading by the end of elementary school. **Section 11 also prohibits schools that receive a grant of money from using the money to supplant other budgets of the school.**

Section 11.3 of this bill prohibits a presettlement funding provider from entering into a presettlement funding transaction with a consumer if the annual percentage rate charged is more than 40 percent . [- and (2) provides that a presettlement funding contract entered into in violation of section 15 is void.] Section 11.3 also sets forth the method in which interest is required to be calculated.

Section 11.6 of this bill prohibits a presettlement funding provider from: (1) paying certain commissions for the referral of a consumer; (2) referring a consumer to engage certain professionals; (3) entering into a presettlement funding transaction with a consumer who has previously entered into such a transaction concerning the same legal action; (4) influencing decisions with respect to the underlying legal action; (5) determining the amount to be repaid as a percentage of the recovery of the legal claim of the consumer; or (6) taking certain actions that result in charging an interest rate that exceeds an annual percentage rate of 40 percent. Remarks by Assemblyman Yeager.

Amendment adopted.

Bill ordered reprinted, engrossed and to third reading.

Assembly Bill No. 310.

Bill read second time.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 560.

AN ACT relating to prescriptions; requiring a prescription to be given to a pharmacy by electronic transmission in certain circumstances; providing

certain exemptions; authorizing professional discipline **and administrative penalties** against a practitioner who violates that requirement; ~~providing a penalty;~~ **authorizing a written prescription to be given indirectly;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law prescribes the manner in which a prescription must be given. (NRS 639.2353) **Section 7** of this bill requires a prescription **for a controlled substance** to be given to a pharmacy by electronic transmission, except in certain cases including: (1) prescriptions issued by a veterinarian; (2) certain situations where an electronic prescription is not practical or feasible or is prohibited by federal law; (3) when a prescription is not issued to a specific person; and (4) pursuant to a waiver granted by the State Board of Pharmacy under exceptional circumstances. ~~Sections ~~1-6~~ 1-7~~ of this bill authorize professional discipline to be taken against a practitioner who fails to comply with the requirements of **section 7**. ~~Additionally, because any violation of the provisions of the chapter is a misdemeanor, violation of those requirements would also be a misdemeanor. (NRS 639.310)~~ **Section 7 additionally authorizes the imposition of administrative penalties against such a practitioner, and sections 7 and 9.5 of this bill provide that such a practitioner is subject only to those administrative penalties or professional discipline and is not subject to criminal penalties. Sections ~~8-12~~ 8-11** of this bill make conforming changes. **Section 8 also generally authorizes a written prescription to be given indirectly when an electronic prescription is not required.**

Legislative Counsel's Digest:

~~Existing law authorizes certain persons who: (1) are discharged from probation; (2) are convicted of certain offenses, after waiting a specified number of years depending on the offense; (3) successfully complete certain reentry programs; or (4) are convicted of possession of a controlled substance not for purpose of sale, to petition the court for the sealing of certain records of criminal history. (NRS 176A.850, 179.245, 179.259, 453.3365) Sections 1, 5, 7, 8 and 13 of this bill remove the requirement for such a person to file a petition and instead provide that the records are sealed automatically.~~

~~Existing law provides that under certain circumstances and upon the filing of a petition for the sealing of records of criminal history, there is a rebuttable presumption that the records should be sealed if the applicant satisfies the statutory requirements. (NRS 179.2445) Section 22 of this bill repeals: (1) the rebuttable presumption in favor of sealing records of criminal history, as such records will be sealed automatically pursuant to sections 1, 5, 7, 8 and 13; and (2) certain other provisions relating to the sealing of such records.~~

~~Section 2 of this bill requires: (1) a prosecuting attorney having jurisdiction to notify the court that the charges are declined for prosecution if an indictment has not been found or an information or complaint filed within 90 days after an arrest for certain misdemeanor offenses; (2) a prosecuting attorney having jurisdiction to notify the court if the prosecuting attorney determines that the person arrested is not the perpetrator of the offense; and (3) the court to order the sealing of all records of criminal history upon receipt of such notice. Sections 3, 4 and 9-12 of this bill make conforming changes.~~

~~Existing law authorizes a person who was arrested for alleged criminal conduct but the charges were dismissed, the prosecuting attorney declined prosecution or the person was acquitted, or a person whose conviction was set aside, to petition the court in which the charges were dismissed, declined, the acquittal was entered or the conviction was set aside for the sealing of all records relating to the arrest and the proceedings leading to the dismissal, declination, acquittal or the setting aside of the conviction. (NRS 179.255) Section 6 of this bill instead requires the prosecuting attorney to petition the court and requires the court to grant such a petition.~~

~~Existing law provides that, with certain exceptions, the criminal history of an applicant or other qualified person under consideration for employment with certain public employers may only be considered after the earlier of: (1) the final interview conducted in person; or (2) a conditional offer of employment. Existing law also sets forth specific factors that are required to be considered by certain public employers before the criminal history of an applicant may be used as the basis for rescinding a conditional offer of employment or rejection of the applicant. (NRS 245.046, 268.402, 269.0802, 284.281, 284.283) Existing law makes it an unlawful employment practice if certain public employers fail to follow such procedure and authorizes a person~~

injured by such a practice to file a complaint with the Nevada Equal Rights Commission. (NRS 613.330, 613.405) Sections 14 and 20 of this bill establish similar provisions governing the consideration of the criminal history of an applicant by a private employer. Sections 15, 19 and 21 of this bill make conforming changes.]

Section 2 of this bill authorizes a person who was wrongfully arrested to submit to a court an application to expunge all records relating to the arrest, including any photographs, fingerprints or biological evidence, and sets forth the information that such an application must contain. Section 2 provides that after a court receives such an application, the court is required to verify with the law enforcement agency that arrested the person or the prosecuting attorney that the person was wrongfully arrested and, upon receiving such verification, is required to issue an order to expunge all records relating to the arrest which are in the custody of any agency of criminal justice or any public or private agency, company, official or other custodian of records in this State. Section 2 also requires any such agency, company, official or custodian of records to whom an order to expunge records is directed to expunge all records relating to the arrest of the person not later than 30 days after the court issues the order. Section 2 additionally provides that a person who submits an application to expunge records must not be charged any fee to submit the application.

WHEREAS, A RAND Corporation study published in the *American Journal of Public Health* in January 2013 concluded that the frequent alcohol testing required by 24/7 sobriety and drug monitoring programs, combined with swift, certain and modest sanctions for violations, can reduce problem drinking and improve public health outcomes; and

WHEREAS, The RAND Corporation analysis provides strong evidence that 24/7 sobriety and drug monitoring programs, when applied to offenders who repeatedly drive under the influence of intoxicating liquor or a prohibited substance, are successful in reducing arrests for such a crime; and

WHEREAS, As a result of the success of 24/7 sobriety and drug monitoring programs, such a program is an authorized program for which impaired driving countermeasure incentive grant funding is available under federal law; now, therefore,

Assembly Bill No. 317.

Bill read second time.

The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 418.

AN ACT relating to health care; ~~authorizing the State Board of Health to require the licensing of certain facilities; requiring the Division of Public and Behavioral Health of the Department of Health and Human Services to consider certain factors before issuing a new license; requiring certain facilities to obtain approval before offering new medical services; prohibiting a hospital from operating facilities located a certain distance from the hospital;]~~ **requiring an off-campus location of a hospital to obtain a distinct national provider identifier;** revising provisions governing approval to operate a center for the treatment of trauma ; ~~and the operation of such a center;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Existing law authorizes the State Board of Health to adopt regulations requiring the licensing of facilities that provide medical care or treatment but are not required by law to be licensed. (NRS 449.0303) Section 1 of this bill additionally authorizes the Board to require the licensing of any facility that performs any procedure that involved breaking the skin of a person. Section 6 of this bill makes a conforming change.~~

~~Existing law requires a facility that is licensed by the Division of Public and Behavioral Health of the Department of Health and Human Services to receive approval to amend the license before providing certain services at the facility. Such approval must be based on a determination by the Division that there is~~

~~an adequate need in the community for the services in the community in which the facility is located. (NRS 449.087) Sections 2-4 of this bill require: (1) the Division to make a similar determination before issuing a new license; and (2) a facility to receive such approval any time the facility offers a new medical service. Section 5 of this bill prohibits a hospital from operating a facility that provides emergency medical services which is located further than 30 miles from the hospital.]~~

Existing federal regulations require each provider of health care, including a hospital, to obtain a national provider identifier from the National Provider System. (45 C.F.R. § 162.410) Section 1.2 of this bill requires each off-campus location of a hospital to obtain a national provider identifier that is distinct from the national provider identifier used by the main location and any other off-campus locations of the hospital. Sections 1.4-6.5 and 8.5 of this bill make conforming changes.

Existing law requires ~~[(1)]~~ a person to obtain the approval of the Administrator of the Division **of Public and Behavioral Health of the Department of Health and Human Services and, if the hospital is located in a county whose population is 700,000 or more, the district board of health,** before operating a center for the treatment of trauma. ~~[(1) and (2) establishes requirements concerning the operation of a center for the treatment of trauma.]~~ (NRS 450B.236, 450B.237) ~~[Section 7 of this bill additionally prohibits an entity from operating a center for the treatment of trauma without the approval of the Administrator. Section 8 of this bill requires the State Board of Health to adopt criteria for designating a center as a Level I, II, III or IV center for the treatment of trauma based on the level of care that the center is capable of providing. Section 8 requires the Administrator, upon granting approval to operate a center for the treatment of trauma, to designate the center as a Level I, II, III or IV center for the treatment of trauma. Section 7 prohibits the operator of a center for the treatment of trauma from representing that the center provides care for trauma at Level I, II, III or IV or charging patients for such care unless the center has been designated by the Administrator as capable of providing care at the applicable level. Section 8 additionally: (1) requires a hospital to charge a patient for the level of trauma care that the patient actually receives; and (2) prohibits a hospital from charging an activation fee for trauma care provided at a Level III or IV.]~~ **Section 8 of this bill requires a proposal to establish a center for the treatment of trauma to be approved by the Administrator before the district board of health may approve the proposal. Section 8 also prescribes criteria for such approval related to ensuring that the proposed center will not negatively impact existing capacity to treat trauma in the county.**

The following amendment was proposed by the Committee on Growth and Infrastructure:

Amendment No. 395.

AN ACT relating to commercial motor vehicles; revising provisions relating to additional fees for the registration of certain commercial motor vehicles based on the weight of the vehicle; **revising provisions governing the permitting of certain commercial motor vehicles based on the length of the vehicle;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires, for every motortruck, truck-tractor or bus, the payment of an additional fee for registration that is based on the weight of the vehicle. At the top of the fee schedule, such a vehicle which weighs not less than 26,001 pounds and not more than 80,000 pounds must pay a fee of \$17 for each 1,000 pounds, with a maximum fee of \$1,360. (NRS 482.482) ~~[This]~~ **Section 1 of this** bill adds an additional tier of vehicle weights, to the extent authorized by federal law, from 80,001 pounds to ~~[131,550]~~ **129,000** pounds. Such a vehicle must pay a fee of \$1,360, plus \$20 for each 1,000 pounds over 80,000 pounds, with a maximum fee of ~~[\$2,391]~~ **\$2,340. A vehicle may be registered at a weight over 129,000 pounds to the extent federal law authorizes additional weight allowances for certain alternative fuel sources and idle reduction technology.**

Under existing law, certain permits to operate certain longer combinations of vehicles are issued by the Department of Transportation. Such permits are transferable. (NRS 706.531) Section 2 of this bill provides that for a vehicle registered in excess of 80,000 pounds no separate permit is required, and that once the vehicle is registered to operate in excess of 80,000 pounds, such a vehicle is deemed permitted to operate at any legal reducible combination. A separate permit is still required for a reducible combination that is less than 80,000 pounds but exceeding 70 feet in length.

If the amount owed on the registration fee or governmental services tax on the vehicle to which registration is transferred is less than the credit on the total registration fee or governmental services tax paid on all vehicles from which a person transfers ownership or interest, the person may apply the unused portion of the credit to the registration of any other vehicle owned by the person. Any unused portion of such a credit expires on the date the registration of the vehicle from which the person transferred the registration was due to expire.

Such a credit may be applied by the person to the registration of any other vehicle owned by the person. Any unused portion of

the credit expires on the date the registration of the vehicle from which the person obtained a refund was due to expire.

Amendment No. 423.

SUMMARY — ~~[Revises provisions governing]~~ **Temporarily requires the reporting of certain information relating to requests for public records, and by certain governmental entities.** (BDR ~~[9-16]~~) **S-16**

AN ACT relating to public records; ~~[revising provisions governing the inspection, copying or receipt of a copy of public records; abrogating any common law exemption or exception to providing such access to]~~ **requiring the person responsible for responding to public records requests for certain governmental entities to report for a temporary period certain information relating to requests for public records; requiring the Director of the Legislative Counsel Bureau to compile and provide that information to the Legislature and, upon request, a member of the public;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, all public books and records of a governmental entity are required to be open at all times during office hours for inspection and

copying or receipt of a copy unless the records are otherwise declared by law to be confidential. (NRS 239.010) ~~Section 2 of this bill specifies that “by law” means only by specific statute or regulation.~~

~~The Nevada Supreme Court has established a balancing test for a governmental entity to apply to determine whether to disclose a book or record when the law is silent with respect to the confidentiality of the book or record. Under this balancing test, the governmental entity is required to determine whether the private or governmental interest served by withholding the book or record clearly outweighs the right of the public to inspect or copy the book or record. (Donrey v. Bradshaw, 106 Nev. 630 (1990); DR Partners v. Board of County Comm’rs, 116 Nev. 616 (2000); Reno Newspapers, Inc. v. Haley, 126 Nev. Adv. Op. 23, 234 P.3d 922 (2010); Reno Newspapers, Inc. v. Gibbons, 127 Nev. Adv. Op. 79, 266 P.3d 623 (2011)) The legislative declaration for the provisions in existing law governing public records requires that those provisions be construed liberally to foster democratic principles by providing the public with access to inspect and copy public books and records and that any exemption or exception or balancing of interests which limits or restricts such access be construed narrowly. (NRS 239.001) Section 1 of this bill provides that the only exemptions or exceptions to providing access to inspect, copy or receive of a copy of public books and records are those provided by statute or regulation. Section 1 also abrogates any common law exemption or exception to providing such access, including, without limitation, any balancing of interests.~~ **This bill requires the person responsible for responding to a request to inspect, copy or receive a copy of a public book or record for certain governmental entities in the counties of Clark, Douglas, Elko, Washoe and Carson City and the cities of Elko, Henderson, Las Vegas, Reno and Sparks to compile certain information relating to each request for a public record received by the governmental entity for a period of 120 days beginning on January 15, 2020. Additionally, this bill requires each such entity to submit the information to the Director of the Legislative Counsel Bureau in an electronic format prescribed by the Director. Finally, this bill requires the Director to compile the information received from each governmental entity and: (1) provide the report to a member of the public upon request; (2) post notice of the availability of the report on an Internet website maintained by the Legislative Counsel Bureau; and (3) transmit the report to the Legislative Commission and to the next regular session of the Legislature.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN

Section 1. ~~NRS 239.001 is hereby amended to read as follows:~~

~~239.001~~ **I.** ~~The Legislature hereby finds and declares that:~~
~~[1.] (a) The purpose of this chapter is to foster democratic principles by providing members of the public with access to inspect and copy public books and records to the extent permitted by law;~~

~~[5.] (e) If a public book or record is declared by law to be open to the public, such a declaration does not imply, and must not be construed to mean, that a public book or record is confidential if it is not declared by law to be open to the public and is not otherwise declared by law to be confidential.~~

~~2. ***In interpreting and applying the provisions of this chapter, the only exemptions or exceptions limiting or restricting access to inspect, copy or receive a copy of public books and records are those provided by statute or regulation. SUMMARY — ~~Enacts~~ **Revises provisions governing** the Southern Nevada Enterprise Community ~~Economic Development Act~~ **Board.** (BDR ~~18-865~~) **18-865**

AN ACT relating to tax credits; ~~enacting~~ **revising provisions governing the duties of** the Southern Nevada Enterprise Community ~~Economic Development Act~~; ~~creating the Southern Nevada Enterprise Community Advisory Council; providing for the issuance of transferable tax credits to a project that satisfies certain requirements~~ **Board; requiring the Executive Director of the Office of Economic Development to meet with the Board to discuss and collaborate on topics** related to the economic development of the Southern Nevada Enterprise Community and ~~certain other requirements; authorizing the governing body of a city or county to grant abatements of certain permitting and licensing fees imposed or charged by the city or county; removing authorization for the issuance of certain transferrable tax credits for certain qualified projects;~~ **its surrounding areas;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law designates certain areas in the urban core of the Las Vegas Valley as the Southern Nevada Enterprise Community. (Chapter 407, Statutes of Nevada 2007, pp. 1781-86) Existing law authorizes the Office of Economic Development to ~~approve applications for the issuance of transferable tax credits submitted by the lead participant engaged in certain qualified projects that make a new capital investment in this State of at least \$1 billion and meet certain other requirements. (NRS 360.889) Sections 19, 23 and 25 of this bill eliminate the authority for the Office to issue such transferrable tax credits. Sections 1-17 of this bill authorize the Office to instead approve applications for the issuance of transferable tax credits submitted by a business engaged in certain emerging industries which proposes to locate or expand in the geographic boundaries of the Community. Section 11 of this bill authorizes such a business to apply to the Office for such tax credits. Section 12 of this bill requires the Office to approve such an application if, in addition to certain other requirements: (1) the project would promote the economic development of this State and aid the implementation of the State Plan for Economic Development; (2) the business will assist in the development of the workforce residing in the Community; and (3) at least 50 percent of the employees engaged in the construction of the project and 50 percent of the employees employed at the project are residents of Nevada. Section 12 further provides that any action by the Office concerning an application must be taken at a public meeting.~~

~~Upon approval of an application, section 13 of this bill requires the Office to issue to a qualified business a certificate of eligibility for transferable tax~~

AN ACT relating to governmental administration; prohibiting the foreclosure of real property or a lien against a unit in a common-interest community owned by a federal worker, **tribal worker**, state worker or household member of such a worker during a government shutdown in certain circumstances; providing certain protections to a tenant who is a federal worker, **tribal worker**, state worker or household member of such a worker during a government shutdown; prohibiting a person from repossessing the vehicle of a federal worker, **tribal worker**, state worker or household member of such a worker during a government shutdown; authorizing the provision of assistance in paying for natural gas and electricity to a federal worker, **tribal worker**, state worker or household member of such a worker during a government shutdown; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

The Federal Employees Civil Relief Act, which is pending before Congress, proposes to provide relief to federal employees and employees of contractors during a lapse in appropriations for any federal agency or department by suspending the enforcement of certain civil liabilities of such employees during the lapse. (S. 72, 116th Cong. (2019)) This bill generally enacts similar provisions in state law intended to provide certain protections to federal workers, **tribal workers**, state workers and household members of such workers during a lapse in appropriations at the state or federal level ~~††~~ **or for the tribal government.** This bill defines the following terms: (1) “federal worker” to mean an employee of a federal agency or an employee of a contractor who has entered into a contract with a federal agency; (2) **“tribal worker” to mean an employee of a federally recognized Nevada Indian tribe that receives at least a majority of its funding from the Federal Government or an employee of a contractor who has entered into a contract with such a tribe;** (3) “state worker” to mean an employee of a state

agency or an employee of a contractor who has entered into a contract with a state agency; and ~~(3)~~ **(4)** “shutdown” to mean any period in which there is a lapse in appropriations for a federal or state agency **or tribal government** that continues through any unpaid payday for a federal worker, **tribal worker** or state worker employed by that agency, ~~or~~ **or government.**

Section 6 of this bill provides that if a mortgagor or grantor of a deed of trust under a residential mortgage loan is a federal worker, **tribal worker**, state worker or, in certain circumstances, a household member **or landlord** of such a worker, a person is prohibited from conducting a foreclosure sale during the period commencing on the date that a shutdown begins and ending on the date that is 90 days after the date on which the shutdown ends. **Section 6** also provides that in any civil action for a foreclosure sale that is filed during that period against a federal worker, **tribal worker** or state worker or, if applicable, a household member **or landlord** of such a worker, the court is authorized or required, depending on the circumstances, to stay the proceedings in the action for a certain period or issue an order that conserves the interests of the parties unless the court determines that the ability of the federal worker, **tribal worker**, state worker or household member **or landlord** of such a worker to comply with the terms of the obligation secured by the residential mortgage loan is not materially affected by the shutdown. **Section 6** further provides that any such protection against foreclosure only applies to a residential mortgage loan that was secured before the shutdown. ~~Finally, section~~ **Section 6** provides that any person who knowingly conducts a foreclosure sale in violation of the provisions of **section 6** is guilty of a misdemeanor and is liable for actual damages, reasonable attorney’s fees and costs incurred by the injured party. This protection against foreclosure provided by **section 6** is similar to that provided in existing law to a servicemember on active duty or deployment. (NRS 40.439) ~~Section 12 of this bill makes a conforming change.~~ **Existing law requires that a servicemember receive notice of such protections before a notice of default and election to sell is recorded for a trustee’s sale or before the commencement of a civil action for a foreclosure sale. (NRS 107.500) Section 12 of this bill extends this requirement to provide notice of the similar protections to a federal worker, tribal worker or state worker or household member or landlord of such a worker in relation to a shutdown.**

Section 13 of this bill applies the applicable provisions set forth in **section 6** to the foreclosure of a lien of a unit-owners’ association against a unit in a common-interest community and provides that if a unit’s owner or his or her successor in interest is a federal worker, **tribal worker** or state worker or, in certain circumstances, a household member **or landlord** of such a worker, an association is generally prohibited from initiating the foreclosure of a lien by sale during any period between the commencement of a shutdown and 90 days after the end of a shutdown. **Section 13** also requires a unit-owners’ association to: (1) inform each unit’s owner or his or her successor in interest that if the person is a federal worker, **tribal worker**, state worker or household member

or landlord of such a worker, he or she may be entitled to certain protections pursuant to **section 13**; and (2) give the person the opportunity to provide any information required to enable the association to verify whether the person is entitled to the protections set forth in **section 13**. **Section 13** also requires that before an association takes certain action relating to the foreclosure of a lien by sale, the association must, if such information is provided, verify whether a unit's owner or his or her successor in interest is entitled to the protections set forth in **section 13** or, if such information is not provided, make a good faith effort to verify whether a unit's owner or his or her successor in interest is entitled to such protections. This protection against foreclosure provided by **section 13** is similar to that provided to a servicemember on active duty or deployment. (NRS 116.311625)

Existing law prescribes criteria for unlawful detainer by a tenant of real property, a recreational vehicle or a mobile home. (NRS 40.251, 40.2512) **Section 7** of this bill: (1) authorizes a tenant who is a federal worker, **tribal worker**, state worker or household member of such a worker to request to be allowed to continue in possession of real property or a dwelling unit during a shutdown and for a period of not more than 30 days after the shutdown; and (2) requires a landlord who receives such a request to allow the tenant to remain in possession of the property or unit during that period. **Section 8** of this bill provides that a tenant who provides to a landlord proof that he or she is a federal worker, **tribal worker**, state worker or household member of such a worker during a shutdown is not guilty of unlawful detainer.

Existing law provides for a summary eviction procedure when the tenant of any dwelling, apartment, mobile home, recreational vehicle or commercial premises defaults in the payment of rent. (NRS 40.253) **Section 9** of this bill provides that the summary eviction procedure does not apply to a tenant who provides proof to the landlord that he or she is a federal worker, **tribal worker**, state worker or household member of such a worker during a shutdown.

Existing law prescribes basic obligations of a tenant, which include requiring a tenant to comply with the terms of a rental agreement. (NRS 118A.310) **Section 20** of this bill makes any term of a rental agreement requiring the payment of rent at a specified time unenforceable against a tenant who is a federal worker, **tribal worker**, state worker or household member of such a worker during a shutdown. **Section 20** also requires a landlord to accept payment of rent for the period in which a federal or state agency **or tribal government** was experiencing a shutdown for a period not to exceed 30 days after the end of the shutdown. **Section 21** of this bill prohibits a landlord from taking certain retaliatory action against a tenant who pays rent in the period prescribed in **section 20**.

Section 18.7 of this bill authorizes a landlord to petition the court for relief from the protections for federal workers, tribal workers, state workers and certain household members of such workers prescribed in sections 6 and 20 if: (1) a shutdown continues for a period of 30 days or more; and (2) the requirements prescribed by sections 6 and 20 impose an

undue hardship on the landlord. Section 18.7 provides that if the court grants relief from these provisions: (1) the parties may modify the terms of the rental agreement; or (2) the landlord may terminate the rental agreement and commence eviction proceedings. Sections 7-9, 20 and 21 make conforming changes.

Sections 26 and 27 of this bill prohibit a landlord of a manufactured home park from charging any late fee for a late rental payment by a federal worker, **tribal worker**, state worker or household member of such a worker during a shutdown. Section 28 of this bill prohibits a landlord of a manufactured home park from terminating a rental agreement for failure of the tenant to pay rent if the tenant provides proof to the landlord that he or she is a federal worker, **tribal worker**, state worker or household member of such a worker during a shutdown. Section 29 of this bill prohibits a landlord from taking certain retaliatory action against a tenant who provides such proof.

Section 30 of this bill prohibits a person from repossessing the vehicle of a federal worker, **tribal worker**, state worker or household member of such a worker **who provides proof that he or she is such a person** during a shutdown or for a period of 30 days immediately after the end of a shutdown. Section 30 provides that any person who knowingly repossesses a vehicle in violation of the provisions of section 30 is guilty of a misdemeanor and is liable for actual damages, reasonable attorney's fees and costs incurred by the injured party. **Existing law requires that certain notice be provided before a vehicle repossessed pursuant to a security agreement may be sold. (NRS 482.516) Section 30.5 of this bill requires that information about the protections provided by section 30 be included in that notice.**

Existing law authorizes the Division of Welfare and Supportive Services of the Department of Health and Human Services to use money in the Fund for Energy Assistance and Conservation to assist eligible households in paying for natural gas and electricity. (NRS 702.260) Section 31 of this bill makes households that include at least one federal worker, **tribal worker** or state worker eligible for such assistance during a shutdown.

The notice may be served at any time after the rent becomes due.

2. ~~File~~ Except as otherwise provided in section 18.7 of this act, the provisions of subsection 1 do not apply to a person who provides to the landlord proof that he or she is a federal worker, tribal worker, state worker or household member of such a worker during a shutdown.

Sec. 9. NRS 40.253 is hereby amended to read as follows:

40.253 1. Except as otherwise provided in subsection 10, in addition to the remedy provided in NRS 40.2512 and 40.290 to 40.420, inclusive, when the tenant of any dwelling, apartment, mobile home, recreational vehicle or commercial premises with periodic rent reserved by the month or any shorter period is in default in payment of the rent, the landlord or the landlord's agent, unless otherwise agreed in writing, may serve or have served a notice in writing, requiring in the alternative the payment of the rent or the surrender of the premises:

(a) At or before noon of the fifth full day following the day of service; or

(b) If the landlord chooses not to proceed in the manner set forth in paragraph (a) and the rent is reserved by a period of 1 week or less and the tenancy has not continued for more than 45 days, at or before noon of the fourth full day following the day of service.

➔ As used in this subsection, "day of service" means the day the landlord or the landlord's agent personally delivers the notice to the tenant. If personal service was not so delivered, the "day of service" means the day the notice is delivered, after posting and mailing pursuant to subsection 2, to the sheriff or constable for service if the request for service is made before noon. If the request for service by the sheriff or constable is made after noon, the "day of service" shall be deemed to be the day next following the day that the request is made for service by the sheriff or constable.

2. A landlord or the landlord's agent who serves a notice to a tenant pursuant to paragraph (b) of subsection 1 shall attempt to deliver the notice in person in the manner set forth in paragraph (a) of subsection 1 of NRS 40.280. If the notice cannot be delivered in person, the landlord or the landlord's agent:

(a) Shall post a copy of the notice in a conspicuous place on the premises and mail the notice by overnight mail; and

(b) After the notice has been posted and mailed, may deliver the notice to the sheriff or constable for service in the manner set forth in subsection 1 of NRS 40.280. The sheriff or constable shall not accept the notice for service unless it is accompanied by written evidence, signed by the tenant when the tenant took possession of the premises, that the landlord or the landlord's agent informed the tenant of the provisions of this section which set forth the lawful procedures for eviction from a short-term tenancy. Upon acceptance, the sheriff or constable shall serve the notice within 48 hours after the request for service was made by the landlord or the landlord's agent.

3. A notice served pursuant to subsection 1 or 2 must:

- (a) Identify the court that has jurisdiction over the matter; and
- (b) Advise the tenant:

(1) Of the tenant's right to contest the matter by filing, within the time specified in subsection 1 for the payment of the rent or surrender of the premises, an affidavit with the court that has jurisdiction over the matter stating that the tenant has tendered payment or is not in default in the payment of the rent;

(2) That if the court determines that the tenant is guilty of an unlawful detainer, the court may issue a summary order for removal of the tenant or an order providing for the nonadmittance of the tenant, directing the sheriff or constable of the county to remove the tenant within 24 hours after receipt of the order; and

(3) That, pursuant to NRS 118A.390, a tenant may seek relief if a landlord unlawfully removes the tenant from the premises or excludes the tenant by blocking or attempting to block the tenant's entry upon the premises or willfully interrupts or causes or permits the interruption of an essential service required by the rental agreement or chapter 118A of NRS.

4. If the tenant files such an affidavit at or before the time stated in the notice, the landlord or the landlord's agent, after receipt of a file-stamped copy of the affidavit which was filed, shall not provide for the nonadmittance of the tenant to the premises by locking or otherwise.

5. Upon noncompliance with the notice:

(a) The landlord or the landlord's agent may apply by affidavit of complaint for eviction to the justice court of the township in which the dwelling, apartment, mobile home, recreational vehicle or commercial premises are located or to the district court of the county in which the dwelling, apartment, mobile home, recreational vehicle or commercial premises are located, whichever has jurisdiction over the matter. The court may thereupon issue an order directing the sheriff or constable of the county to remove the tenant within 24 hours after receipt of the order. The affidavit must state or contain:

- (1) The date the tenancy commenced.
- (2) The amount of periodic rent reserved.
- (3) The amounts of any cleaning, security or rent deposits paid in advance, in excess of the first month's rent, by the tenant.
- (4) The date the rental payments became delinquent.

(5) The length of time the tenant has remained in possession without paying rent.

(6) The amount of rent claimed due and delinquent.

(7) A statement that the written notice was served on the tenant in accordance with NRS 40.280.

(8) A copy of the written notice served on the tenant.

(9) A copy of the signed written rental agreement, if any.

(b) Except when the tenant has timely filed the affidavit described in subsection 3 and a file-stamped copy of it has been received by the landlord or the landlord's agent, and except when the landlord is prohibited pursuant to NRS 118A.480, the landlord or the landlord's agent may, in a peaceable manner, provide for the nonadmittance of the tenant to the premises by locking or otherwise.

6. Upon the filing by the tenant of the affidavit permitted in subsection 3, regardless of the information contained in the affidavit, and the filing by the landlord of the affidavit permitted by subsection 5, the justice court or the district court shall hold a hearing, after service of notice of the hearing upon the parties, to determine the truthfulness and sufficiency of any affidavit or notice provided for in this section. If the court determines that there is no legal defense as to the alleged unlawful detainer and the tenant is guilty of an unlawful detainer, the court may issue a summary order for removal of the tenant or an order providing for the nonadmittance of the tenant. If the court determines that there is a legal defense as to the alleged unlawful detainer, the court shall refuse to grant either party any relief, and, except as otherwise provided in this subsection, shall require that any further proceedings be conducted pursuant to NRS 40.290 to 40.420, inclusive. The issuance of a summary order for removal of the tenant does not preclude an action by the tenant for any damages or other relief to which the tenant may be entitled. If the alleged unlawful detainer was based upon subsection 5 of NRS 40.2514, the refusal by the court to grant relief does not preclude the landlord thereafter from pursuing an action for unlawful detainer in accordance with NRS 40.251.

7. The tenant may, upon payment of the appropriate fees relating to the filing and service of a motion, file a motion with the court, on a form provided by the clerk of the court, to dispute the amount of the costs, if any, claimed by the landlord pursuant to NRS 118A.460 or 118C.230 for the inventory, moving and storage of personal property left on the premises. The motion must be filed within 20 days after the summary order for removal of the tenant or the abandonment of the premises by the tenant, or within 20 days after:

(a) The tenant has vacated or been removed from the premises; and

(b) A copy of those charges has been requested by or provided to the tenant, whichever is later.

8. Upon the filing of a motion pursuant to subsection 7, the court shall schedule a hearing on the motion. The hearing must be held within 10 days after the filing of the motion. The court shall affix the date of the hearing to

the motion and order a copy served upon the landlord by the sheriff, constable or other process server. At the hearing, the court may:

(a) Determine the costs, if any, claimed by the landlord pursuant to NRS 118A.460 or 118C.230 and any accumulating daily costs; and

(b) Order the release of the tenant's property upon the payment of the charges determined to be due or if no charges are determined to be due.

9. A landlord shall not refuse to accept rent from a tenant that is submitted after the landlord or the landlord's agent has served or had served a notice pursuant to subsection 1 if the refusal is based on the fact that the tenant has not paid collection fees, attorney's fees or other costs other than rent, a reasonable charge for late payments of rent or dishonored checks, or a security. As used in this subsection, "security" has the meaning ascribed to it in NRS 118A.240.

10. ~~This~~ **Except as otherwise provided in section 18.7 of this act, this section does not apply to the**:

(a) **The** tenant of a mobile home lot in a mobile home park or to the tenant of a recreational vehicle lot in an area of a mobile home park in this State other than an area designated as a recreational vehicle lot pursuant to the provisions of subsection 8 of NRS 40.215.

(b) **A tenant who provides proof to the landlord that he or she is a federal worker, tribal worker, state worker or household member of such a worker during a shutdown.**

(b) Charge or receive:

(1) Any entrance or exit fee for assuming or leaving occupancy of a manufactured home lot.

(2) Any transfer or selling fee or commission as a condition to permitting a tenant to sell his or her manufactured home or recreational vehicle within the

manufactured home park, even if the manufactured home or recreational vehicle is to remain within the park, unless the landlord is licensed as a dealer of manufactured homes pursuant to NRS 489.311 and has acted as the tenant's agent in the sale pursuant to a written contract.

(3) Any fee for the tenant's spouse or children.

(4) Any fee for pets kept by a tenant in the park. If special facilities or services are provided, the landlord may also charge a fee reasonably related to the cost of maintenance of the facility or service and the number of pets kept in the facility.

(5) Any additional service fee unless the landlord provides an additional service which is needed to protect the health and welfare of the tenants, and written notice advising each tenant of the additional fee is sent to the tenant 90 days in advance of the first payment to be made, and written notice of the additional fee is given to prospective tenants on or before commencement of their tenancy. A tenant may only be required to pay the additional service fee for the duration of the additional service.

(6) Any fee for a late monthly rental payment within 4 days after the date the rental payment is due or which exceeds \$5 for each day, excluding Saturdays, Sundays and legal holidays, which the payment is overdue, beginning on the day after the payment was due. ~~+(8)~~ (9) Any fee, surcharge or rent increase to recover from his or her tenants any amount that exceeds the amount of the cost for a governmentally mandated service or tax that was paid by the landlord.

2. Except for the provisions of subparagraphs (3), (4), (6) and ~~+(8)~~ (9) of paragraph (b) of subsection 1, the provisions of this section do not apply to a corporate cooperative park.

Sec. 27. NRS 118B.150 is hereby amended to read as follows:

118B.150 1. Except as otherwise provided in subsections 2 and 3, the landlord or his or her agent or employee shall not:

(a) Increase rent or additional charges unless:

(1) The rent charged after the increase is the same rent charged for manufactured homes of the same size or lots of the same size or of a similar location within the park, including, without limitation, manufactured homes and lots which are held pursuant to a long-term lease, except that a discount may be selectively given to persons who:

(I) Are handicapped;

(II) Are 55 years of age or older;

(III) Are long-term tenants of the park if the landlord has specified in the rental agreement or lease the period of tenancy required to qualify for such a discount;

(IV) Pay their rent in a timely manner; or

(V) Pay their rent by check, money order or electronic means;

(2) Any increase in additional charges for special services is the same amount for each tenant using the special service; and

(3) Written notice advising a tenant of the increase is received by the tenant 90 days before the first payment to be increased and written notice of the increase is given to prospective tenants before commencement of their tenancy. In addition to the notice provided to a tenant pursuant to this subparagraph, if the landlord or his or her agent or employee knows or reasonably should know that the tenant receives assistance from the Account, the landlord or his or her agent or employee shall provide to the Administrator written notice of the increase 90 days before the first payment to be increased.

(b) Require a tenant to pay for an improvement to the common area of a manufactured home park unless the landlord is required to make the improvement pursuant to an ordinance of a local government.

(c) Require a tenant to pay for a capital improvement to the manufactured home park unless the tenant has notice of the requirement at the time the tenant enters into the rental agreement. A tenant may not be required to pay for a capital improvement after the tenant enters into the rental agreement unless the tenant consents to it in writing or is given 60 days' notice of the requirement in writing. The landlord may not establish such a requirement unless a meeting of the tenants is held to discuss the proposal and the landlord provides each tenant with notice of the proposal and the date, time and place of the meeting not less than 60 days before the meeting. The notice must include a copy of the proposal. A notice in a periodic publication of the park does not constitute notice for the purposes of this paragraph.

(d) Require a tenant to pay the rent by check or money order.

(e) Require a tenant who pays the rent in cash to apply any change to which the tenant is entitled to the next periodic payment that is due. The landlord or his or her agent or employee shall have an adequate amount of money available to provide change to such a tenant.

(f) Prohibit or require fees or deposits for any meetings held in the park's community or recreational facility by the tenants or occupants of any manufactured home or recreational vehicle in the park to discuss the park's affairs, or any political meeting sponsored by a tenant, if the meetings are held at reasonable hours and when the facility is not otherwise in use, or prohibit the distribution of notices of those meetings.

(g) Interrupt, with the intent to terminate occupancy, any utility service furnished the tenant except for nonpayment of utility charges when due. Any landlord who violates this paragraph is liable to the tenant for actual damages.

(h) Prohibit a tenant from having guests, but the landlord may require the tenant to register the guest within 48 hours after his or her arrival, Sundays and

legal holidays excluded, and if the park is a secured park, a guest may be required to register upon entering and leaving.

(i) Charge a fee for a guest who does not stay with the tenant for more than a total of 60 days in a calendar year. The tenant of a manufactured home lot who is living alone may allow one other person to live in his or her home without paying an additional charge or fee, unless such a living arrangement constitutes a violation of chapter 315 of NRS. No agreement between a tenant and his or her guest alters or varies the terms of the rental contract between the tenant and the landlord, and the guest is subject to the rules and regulations of the landlord.

(j) Prohibit a tenant from erecting a fence on the tenant's lot if the fence complies with any standards for fences established by the landlord, including limitations established for the location and height of fences, the materials used for fences and the manner in which fences are to be constructed.

(k) Prohibit any tenant from soliciting membership in any association which is formed by the tenants who live in the park. As used in this paragraph, "solicit" means to make an oral or written request for membership or the payment of dues or to distribute, circulate or post a notice for payment of those dues.

(l) Prohibit a public officer, candidate for public office or the representative of a public officer or candidate for public office from walking through the park to talk with the tenants or distribute political material.

(m) If a tenant has voluntarily assumed responsibility to trim the trees on his or her lot, require the tenant to trim any particular tree located on the lot or dispose of the trimmings unless a danger or hazard exists.

by the Commission is legally sufficient for removal in certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the Governor and other state and certain judicial officers may be impeached for misdemeanor or malfeasance in office. (Nev. Const. Art. 7, § 2) The Assembly of the Nevada Legislature has the sole power to impeach, and all impeachments are tried by the Senate. (Nev. Const. Art. 7, § 1) Existing law authorizes the removal of certain public officers for willful or corrupt misconduct in office. (NRS 283.300) Existing law establishes the Nevada Equal Rights Commission. (NRS 233.010-233.210) The Commission is authorized to investigate and conduct hearings regarding any unlawful employment practice by an employer. (NRS 233.150) Under existing law, an unlawful employment practice includes discrimination by an employer against a person because of his or her race, color, religion, sex, sexual orientation, gender identity or expression, age, disability or national origin. An unlawful employment practice based on sex includes a prohibition on engaging in acts that constitute sexual harassment. (NRS 613.330; *Switzer v. Rivera*, 174 F. Supp. 2d 1097 (D. Nev. 2001)) If the Administrator of the Commission determines that an unlawful employment practice has occurred, the Administrator is required to attempt to mediate between or reconcile the parties. If such attempts fail, the Commission is authorized to hold a public hearing on the matter and take certain actions if the Commission finds an unlawful employment practice has occurred. (NRS 233.170)

Section 1 of this bill authorizes the Commission to submit a recommendation of impeachment to the Assembly of the Nevada Legislature only if the Commission determines in a public hearing that an elected official has committed an unlawful employment practice regarding ~~sexual harassment~~ **discrimination in employment** and that ~~such sexual harassment~~ **the discriminatory practice** is ~~sufficiently~~ **significantly** severe **and pervasive such** that impeachment is appropriate. **Section 1** similarly authorizes the Commission to present an accusation of ~~sexual harassment~~ **an unlawful employment practice in employment regarding discrimination** against a district, county, township or municipal officer to the grand jury of a county only if ~~such sexual harassment~~ **the discriminatory practice** is ~~sufficiently~~ **significantly** severe **and pervasive such** that removal is appropriate. **Section 1** requires that any damages assessed against an elected official or district, county, township or municipal officer be paid in his or her personal capacity. **Section 2** of this bill provides that an accusation of ~~sexual harassment~~ **an unlawful employment practice regarding discrimination** made against a district, county, township or municipal officer made by the Commission pursuant to **section 1** is legally sufficient for removal in certain circumstances.

The following amendment was proposed by the Committee on Judiciary:
Amendment No. 383.

AN ACT relating to vehicles; establishing civil penalties for certain traffic and related violations; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that a violation of any provision of existing law relating to driver's licenses, any traffic law or ordinance, any provision of existing law governing motorcycles or any provision of existing law relating to off-highway vehicles is guilty of a misdemeanor, unless a different penalty is prescribed for the violation by a specific statute. (NRS 483.530, 483.620, 484A.900, 486.381, 490.520) **Sections 14, 22, 40, 71 and 72** of this bill provide that a violation of any provision of these existing laws is a civil infraction unless a criminal penalty is prescribed for the violation by a specific statute. **Sections 5, 16-21, 41, 44, 49, 69 and 72** of this bill maintain the designation of certain traffic and related offenses as misdemeanors. **Sections 51-54 of this bill revise the penalties for speeding.** **Sections 15, 45-48, 50, 52, 57, 59-61, 64, 65 and 67** of this bill specifically designate certain traffic and related violations as civil infractions. **Sections 1-4, 6-8, 10, 13, 38, 39, 42, 43, 55, 58, 62, 63, 66, 68 and 70** of this bill make conforming changes.

Sections 9, 11 and 12 of this bill provide that, for the purposes of a person's driving record, the commission of a traffic or related violation that is a civil infraction pursuant to this bill is treated the same as a conviction for a traffic or related violation under existing law.

Sections 23-36 of this bill enact procedures for the imposition of a civil penalty against a person who violates a provision of law that is punishable as a civil infraction pursuant to this bill.

Section 24 of this bill requires each traffic enforcement agency in this State to provide a form notice of the civil infraction that a peace officer may issue to a person who has allegedly committed the civil infraction. **Section 26** of this bill authorizes a peace officer who has reasonable cause to believe that a person has violated a provision of law punishable as a civil infraction pursuant to this bill to halt and detain the person as is reasonably necessary to investigate the alleged violation and serve a notice of civil infraction for the alleged violation, and **section 28** of this bill requires a peace officer who has stopped a driver for such an alleged violation to demand proof of the insurance required to be maintained by existing law. **Section 27** of this bill specifies the information that is required to be provided in the notice of civil infraction issued to the person who allegedly committed the civil infraction. **Sections 25 and 29** of this bill provide that when the peace officer manually or electronically files the original or a copy of the notice of civil infraction with a court having jurisdiction over the alleged violation or with its traffic violations bureau, the notice is a complaint for the purposes of initiating a civil case.

Section 30 of this bill requires a person to respond to a notice of civil infraction not later than 90 judicial days after it has been issued by not contesting the notice and paying all monetary penalties and assessments specified in the notice, requesting a hearing to contest whether the person committed the violation set forth in the notice or requesting a hearing to explain mitigating circumstances surrounding the violation. **Under section 30, if a person does not respond to a notice of civil infraction within 90 judicial days after it has been issued, the court is required to notify the person of the consequences of the failure to respond. If the person does not respond to the notice of civil infraction within 30 judicial days after receipt of the notice of the failure to respond, the court is required to find that the person committed the civil infraction and assess a monetary penalty and administrative assessments against the person.**

Sections 31 and 32 of this bill, respectively, establish procedures for a hearing at which a person contests whether he or she committed the violation and a hearing to explain mitigating circumstances surrounding the violation. **Section 33** of this bill makes the Nevada Rules of Civil Procedure inapplicable to these hearings. **Section 34** of this bill: (1) establishes a maximum civil penalty of ~~12501~~ **\$500** for a violation of law punishable as a civil infraction pursuant to this bill and provides that any such civil penalty collected by a justice court for a violation of a law of this State must be deposited into the State Permanent School Fund; (2) requires the court to order the person who committed the civil infraction to pay an administrative assessment in the same amount that the person would have been required to pay if the violation were a criminal offense; (3) authorizes a court to waive or reduce civil penalties and administrative assessments imposed for a civil infraction or enter into a

payment plan under certain circumstances; and (4) authorizes a court to order a person to attend a course of traffic safety approved by the Department of Motor Vehicles under certain circumstances. **Section 35** of this bill authorizes the court to order a person who has committed a violation of law punishable as a civil infraction pursuant to this bill to perform community service under certain circumstances. **Section 36** of this bill authorizes a court to take certain actions to collect a civil penalty or any administrative assessment or fee associated with the civil penalty.

Sections 73 and 74 of this bill grant to justice court and municipal courts jurisdiction to hear and dispose of violations of law that are punishable as civil infractions pursuant to this bill. **Section 72.5 authorizes certain justice courts to appoint referees to take testimony and recommend orders and judgments to the justice of the peace in cases involving a violation of law that is punishable as a civil infraction pursuant to this bill.**

Sections 77-79 of this bill enact provisions to govern the hearing and disposition of civil infractions committed by juveniles.

Section 80 of this bill provides that the amendatory provisions of this bill apply retroactively to any person who has committed an offense for which this bill establishes a civil penalty unless the person was convicted of the offense before ~~October 1, 2019.~~ **January 1, 2021.** **Section 80** further requires: (1) each court in this State to cancel each outstanding bench warrant issued by the court for a person who failed to appear in the court in response to a citation issued for an offense for which this bill establishes a civil penalty; and (2) the Central Repository for Nevada Records of Criminal History to remove from each database or compilation of records of criminal history maintained by the Central Repository all records of bench warrants issued for a person who failed to appear in court in response to a citation for an offense for which this bill establishes a civil penalty.

Sec. 80. 1. The Legislature hereby finds and declares that:

(a) In *Lapinski v. State*, 84 Nev. 611, 613 (1968), the Nevada Supreme Court held that “the power to define crimes and penalties lies exclusively in the legislature.”

(b) The Nevada Supreme Court has further held in *Tellis v. State*, 84 Nev. 587 (1968), *Sparkman v. State*, 95 Nev. 76 (1979), and *State v. Dist. Ct. (Pullin)*, 124 Nev. 564 (2008), that the penalty for a crime is determined by the law in effect at the time the offender committed the crime and not the law in effect at the time the offender is sentenced unless the Legislature has expressed its clear intent that a statute ameliorating the penalty apply retroactively.

(c) The imposition of criminal penalties for certain minor traffic and related offenses is overly burdensome because it threatens persons with criminal penalties, including imprisonment in county jail, for failure to pay fines, assessments and fees imposed in connection with relatively minor offenses.

(d) For those reasons, the Legislature is exercising its exclusive power to define the acts which subject a person to criminal penalties by making certain minor traffic and related offenses no longer subject to criminal penalties and, instead, imposing civil penalties for those offenses.

(e) It is unfair and unequal to impose criminal penalties, including imprisonment in county jail, on a person who is alleged to have committed a minor traffic or related offense but who has not been convicted of that offense before ~~the effective date of this act~~ **January 1, 2021**, while a person who commits the same act **on or** after ~~the effective date of this act~~ **January 1, 2021**, is subject to civil penalties rather than criminal penalties.

(f) To ensure the fair and equal treatment of persons who are alleged to have committed a minor traffic or related offense but who have not been convicted of that offense before ~~the effective date of this act~~ **January 1, 2021**, and persons who commit such an offense **on or** after ~~the effective date of this act~~ **January 1, 2021**, the Legislature hereby expresses its intent that the penalties set forth in this act be applied retroactively to any person who has not been convicted of an offense before ~~the effective date of this act~~ **January 1, 2021**.

2. Except as otherwise provided in this section, the provisions of this act apply to a violation of any provision of law that pursuant to a provision of this act is punishable as a civil infraction pursuant to sections 24 to 36, inclusive,

of this act if the violation occurred before, on or after ~~October 1, 2019,~~ **January 1, 2021**. The provisions of this act do not apply to any violation of law for which a person was convicted before ~~October 1, 2019,~~ **January 1, 2021**.

3. Each court in this State shall cancel each outstanding bench warrant issued for a person who failed to appear in court in response to a traffic citation issued before ~~October 1, 2019,~~ **January 1, 2021**, for a violation of law that pursuant to the provisions of this act is punishable as a civil infraction pursuant to sections 24 to 36, inclusive, of this act.

4. The Central Repository for Nevada Records of Criminal History shall remove from each database or compilation of records of criminal history maintained by the Central Repository all records of bench warrants issued for a person who failed to appear in court in response to a traffic citation issued before ~~October 1, 2019,~~ **January 1, 2021**, for a violation of law that pursuant to the provisions of this act is punishable as a civil infraction pursuant to sections 24 to 36, inclusive, of this act.

Sec. 81. This act becomes effective upon passage and approval for the purpose of adopting regulations and performing any other administrative tasks that are necessary to carry out the provision of this act and on ~~October 1, 2019,~~ **January 1, 2021**, for all other purposes.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 367.

AN ACT relating to local governments; providing that certain actions taken by a governing body of a local government are void if the actions are taken before the governing body considers ~~to business,~~ **the impact ~~(statement,) on business; revising the definition of "local government"; revising the meeting at which a governing body is required to consider a business impact statement;~~** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires a governing body of a local government to determine whether a proposed rule is likely to impose a direct and significant economic burden upon a business or directly restrict the formation, operation or expansion of a business. Section 1 of this bill provides that if a governing body fails to ~~consider the business impact statement~~ **comply with such requirements to consider the potential impact on business** before taking action to adopt a proposed rule, the action taken by the governing body is void. **Sections 1.3 and 1.7 of this bill make conforming changes.**

Section 1.5 of this bill revises the definition of “local government” to include a health district. Section 1.9 of this bill requires a local government to consider the business impact statement at a public meeting held at least 10 calendar days before a meeting to adopt a proposed rule.

Section 2 of this bill authorizes a business to file a petition objecting to a rule on the grounds that the governing body of a local government failed **to comply with the requirements** to consider the **impact on** business ~~impact statement~~ before adopting the rule. **Section 2** also requires the governing body to take action to readopt the rule after the governing body considers the business impact statement.

Assembly Bill No. 420.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 310.

AN ACT relating to criminal procedure; establishing a uniform procedure for the criminal forfeiture of property used or obtained in certain crimes; providing for the distribution of forfeited property and proceeds from the sale of such property; requiring the reporting of certain information relating to the forfeiture of property; revising provisions authorizing the forfeiture of property; repealing certain provisions governing the seizure, forfeiture and disposition of property and proceeds; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for the seizure, forfeiture and disposition of certain property and proceeds attributable to the commission of certain crimes. (NRS 179.1156-179.121) Existing law separately provides for the seizure, forfeiture and disposition of property and proceeds attributable to any technological crime which is punishable as a felony. (NRS 179.1211-179.1235) Finally, existing law provides for the seizure, forfeiture and disposition of property and proceeds attributable to racketeering crimes. (NRS 207.350-207.520) **Section**

52 of this bill repeals the existing statutory scheme for the seizure, forfeiture and disposition of property and proceeds.

Sections 2-28 of this bill enact a new statutory scheme, under the jurisdiction of the courts presiding over criminal proceedings, governing the seizure, forfeiture and disposition of property and proceeds attributable to certain crimes. Section 9 of this bill provides that property is subject to forfeiture only if the underlying crime provides for such forfeiture, and there is: (1) proof of a criminal conviction; (2) a plea agreement; ~~for~~ (3) an agreement by the parties ~~to~~ ; **(4) clear and convincing evidence the defendant would have been convicted, if the defendant died before a conviction; or (5) a defendant who absconds.** Section 9 also requires the State to establish that seized property is forfeitable by clear and convincing evidence. Sections 13 and 14 of this bill provide for the seizure of property for which forfeiture is sought by a court order, or without a court order if: (1) the seizure is pursuant to a lawful arrest; (2) the property has been the subject of a prior judgment in the favor of the State; or (3) there is probable cause to believe that a delay would result in the removal or destruction of the property.

Sections 18, 19 and 20 of this bill authorize a person to: (1) file a petition for the remission or mitigation of a forfeiture; and (2) seek a pretrial hearing to determine the validity of the seizure. Section 25 of this bill provides that the property of an innocent owner may not be forfeited and sets forth a process for determining whether a person is an innocent owner. Section 26 of this bill provides that any forfeited currency or property auction proceeds must only: (1) be used to pay all outstanding recorded liens on the property; (2) be used to pay reasonable expenses, ~~except~~ **including itemized and reasonable** personnel costs; ~~and~~ (3) **be used to pay any restitution; and (4)** be deposited, if any funds remain, in the State Permanent School Fund.

Existing law requires: (1) each law enforcement agency to report certain information about each individual seizure and forfeiture completed by the agency during the preceding year; and (2) the Office of the Attorney General to post on its Internet website the reports submitted by law enforcement agencies and an aggregate report of all forfeitures in this State. (NRS 179.1205) Section 30 of this bill requires each law enforcement agency to report certain additional details in the annual report relating to the seizure, forfeiture and disposition of property. Section 30 also requires the Office of the Attorney General to post the reports on its Internet website in a format that provides for easy use and analysis of the information by other agencies and persons, such as an electronic spreadsheet. Sections 29-50 of this bill revise existing law authorizing the forfeiture of property attributable to certain crimes to incorporate references to the new procedures for forfeiture pursuant to sections 2-28.

AN ACT relating to convicted persons; revising provisions governing the ~~restoration of the~~ right to vote for convicted persons, ~~who have been discharged from probation or parole or released from prison;~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the restoration of certain civil rights, including the right to vote, for persons who have been convicted of certain felonies and discharged from probation or parole or released from prison. Existing law restores the right to vote immediately upon such persons as of the date of their discharge from probation or parole or release from prison, except for persons who have previously been convicted of certain offenses. If the person was convicted of: (1) a category A felony under certain circumstances; (2) a category B felony that resulted in substantial bodily harm to the victim under certain circumstances; or (3) a felony two or more times under certain circumstances, existing law authorizes that person, after his or her discharge from probation or parole or release from prison, to petition a court to restore his or her civil rights, including the right to vote. Existing law requires a county clerk to cancel a person's ~~preregistration~~ **registration** to vote if the person was convicted of a felony unless the person: (1) was convicted of a felony in this State and his or her right to vote has been restored; or (2) was convicted of a felony in another state and his or her right to vote has been restored under the laws of that state. (NRS 293.540) **Section 5** of this bill ~~requires~~ **removes the requirement that** the county clerk ~~to~~ cancel the ~~preregistration~~ **registration** of ~~such~~ a person who ~~was convicted of a felony in another state unless that person has been discharged from probation or parole or released from prison.~~ **has been convicted of a felony**

and is not currently serving a term of imprisonment, thereby maintaining the right to vote of such a person.

Existing law also authorizes an elector who was previously convicted of a crime and whose preregistration to vote has been cancelled by the county clerk to reregister to vote if the elector's: (1) conviction has been overturned; or (2) civil rights have been restored pursuant to the laws of the state in which the person was convicted. (NRS 293.543) **Section 6** of this bill authorizes such an elector who was convicted of a felony ~~[in another state]~~ to reregister to vote if the elector is not ~~[on probation or parole or]~~ incarcerated.

~~[Existing law authorizes the prior conviction of a person who has been discharged from probation to be used for purposes of impeaching the credibility of that person under certain circumstances. Legislative Counsel's Digest:

Existing law provides that a county or city may authorize, by ordinance, the justices or judges of the justice or municipal courts within its jurisdiction to impose for a period of not longer than 50 years an administrative assessment for the provision of court facilities. (NRS 176.0611) Section 1 of this bill removes the 50-year limitation on the imposition of such an administrative assessment.

Existing law authorizes a state or local entity that is responsible for collecting a delinquent fine, administrative assessment, fee or restitution owed by a defendant to contract with a licensed collection agency to collect the delinquent amount. (NRS 176.064) Section 1.3 of this bill provides that a state or local entity may take such action if the defendant has been found guilty of the offense for which the fine, administrative assessment, fee or restitution was imposed.

Existing law provides that if a person other than an indigent person is delinquent in the payment of an administrative assessment, fine or forfeiture, the court may order the person to be imprisoned for a period of 1 day for each \$75 of the amount owed. (NRS 176.065, 176.075) Sections ~~1.1~~ 1.7 and 2 of this bill increase the amount of credit received for each day of imprisonment to \$150 and establish the circumstances in which a person is considered to be indigent. Section 1.7 also authorizes the imprisonment of an indigent person if he or she was provided with the opportunity to perform community service to satisfy the entire amount owed and failed to perform such community service.

Existing law authorizes a court to order a convicted person to perform supervised community service in certain circumstances. (NRS 176.087) **Section 3 of this bill provides that for each hour of community service performed by a person, the court is required to provide a credit of ~~not less than~~ \$10 or the amount of the state minimum wage if health insurance is not offered, whichever is greater,** toward the payment of any fine that was

imposed against the person for the commission of the offense for which community service was ordered.

~~Section 4 of this bill creates a new misdemeanor class called a petty misdemeanor and provides that: (1) the punishment therefor is a fine of not more than \$1,000; and (2) in lieu of all or part of such a fine, a person may be sentenced to perform a fixed period of community service. Section 3 provides that the period of community service fixed by the court for a petty misdemeanor must not exceed 100 hours. Sections 11, 27, 29, 31 and 33-41 of this bill reduce the punishment for various specified traffic offenses from a misdemeanor to a petty misdemeanor. Sections 10 and 32 of this bill make conforming changes.~~

Section 5.1 of this bill establishes the intent of the Legislature to provide that the incarceration of a person for failing to appear in court or failing to pay any administrative assessment, fine or court fee imposed for the commission of a traffic violation should generally be disfavored unless failing to incarcerate such a person would substantially jeopardize public safety.

Section 5.3 of this bill establishes a presumption that a person arrested for the commission of certain traffic violations should be released on his or her own recognizance.

Section 5.5 of this bill provides that certain convictions for a traffic violation are not criminal convictions for the purpose of applying for employment, a professional license or any educational opportunities.

Section 5.7 of this bill requires that a grace period of not less than 30 calendar days must be provided to a person who has failed to appear in court or failed to pay any administrative assessment, fine or court fee imposed for certain traffic violations before a warrant can be issued for such a failure to appear or failure to pay. Section 5.8 of this bill prohibits a warrant from being issued for such a failure to pay unless the person has been provided with the opportunity to perform community service to satisfy the entire amount owed and has failed to perform such community service.

Sections 1.3 and 5.9 of this bill require collection fees imposed for certain delinquent amounts owed by a defendant and certain fees assessed by a court to be assessed on a per case basis and not on a per charge basis.

Section 6 of this bill provides that if a court imposes upon a person an administrative assessment, fine or court fee for a violation of any provision of chapters 484A to 484E, inclusive, of NRS, and the court allows any such administrative assessment, fine or court fee to be paid in installments, the payments must be applied first to the unpaid balance of an administrative assessment, then to the unpaid balance of a fine and finally to the unpaid balance of a court fee. Section 7 of this bill provides that if a traffic citation issued to a person contains more than one offense charged, or if a person has been issued more than one traffic citation that is outstanding, any payment made by the person must be applied to one offense or one citation, as

applicable, in ~~the~~ **chronological order set forth beginning with the citation that was issued first and in accordance with section 6**, until all administrative assessments, fines and court fees due for the offense or citation are paid in full. **Section 7** provides that payments must continue to be applied in such a manner until all administrative assessments, fines and court fees due for all offenses charged or all outstanding traffic citations are paid in full.

Section 8 of this bill establishes provisions relating to fees which courts authorize a defendant to pay in lieu of requiring the defendant to complete a course of traffic safety for the purpose of reducing the demerit points accumulated by the defendant and sets forth the purposes for which such money must be used. ~~by a court.~~

Existing law prohibits a local authority from enacting certain ordinances relating to traffic offenses. (NRS 484A.400) **Section 9** of this bill provides that if a person commits any offense for which a local authority is prohibited from enacting an ordinance, any fine paid or forfeiture of bail by the person must be paid into the State Treasury for credit to the State Permanent School Fund.

Existing law prohibits a person from driving or operating a vehicle at a rate of speed that exceeds the posted speed limit or is otherwise improper under the circumstances. (NRS 484B.600) **Section 28** of this bill **additionally prohibits a person from driving or operating a vehicle at a rate of speed that results in the injury of another person or of any property. Section 28** generally provides that if a person is issued a traffic citation for speeding, **the court has the discretion to reduce** the violation ~~must be reduced~~ from a moving traffic violation to a violation that is not a moving traffic violation. **Section 28 establishes a presumption in favor of reducing the violation** if the person pays the entire amount of the fine due before the date on which the person is **first** required to ~~appear in court.~~ **make an appearance relating to the citation, but also provides that such a presumption can be overcome if the person's driving record demonstrates a pattern of moving traffic violations. Section 28** also requires that any fine imposed **for speeding, other than speeding that results in the injury of another person or of any property,** must not exceed ~~\$10,~~ **\$20** for each mile per hour a person travels above the posted speed limit or the proper rate of speed at which the person should be traveling, as applicable.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 176.0611 is hereby amended to read as follows:

176.0611 1. A county or a city, upon recommendation of the appropriate court, may, by ordinance, authorize the justices or judges of the justice or municipal courts within its jurisdiction to impose, ~~for not longer than 50 years,~~ in addition to the administrative assessments imposed pursuant to NRS 176.059, 176.0613 and 176.0623, an administrative assessment for the provision of court facilities.

2. Except as otherwise provided in subsection 3, in any jurisdiction in which an administrative assessment for the provision of court facilities has been authorized, when a defendant pleads guilty or guilty but mentally ill or is found guilty or guilty but mentally ill of a misdemeanor, including the violation of any municipal ordinance, the justice or judge shall include in the sentence the sum of \$10 as an administrative assessment for the provision of court facilities and render a judgment against the defendant for the assessment. If the justice or judge sentences the defendant to perform community service in lieu of a fine, the justice or judge shall include in the sentence the administrative assessment required pursuant to this subsection.

3. The provisions of subsection 2 do not apply to:

The money collected for such an administrative assessment must be stated separately on the court's docket and must be included in the amount posted for bail. If bail is forfeited, the administrative assessment included in the amount posted for bail pursuant to this subsection must be disbursed in the manner set forth in subsection 6 or 7. If a fine is determined to be uncollectible, the defendant is not entitled to a refund of the fine or administrative assessment the defendant has paid and the justice or judge shall not recalculate the administrative assessment.

5. If the justice or judge permits the fine and administrative assessment for the provision of court facilities to be paid in installments, the payments must be applied in the following order:

the city treasurer on or before the fifth day of each month for the preceding month. The city treasurer shall deposit the money received in a special revenue fund. The city may use the money in the special revenue fund only to:

(c) Renovate or remodel existing facilities for the municipal courts.

(d) Acquire furniture, fixtures and equipment necessitated by the construction or acquisition of additional facilities or the renovation of an existing facility for the municipal courts or a regional justice center that includes the municipal courts. This paragraph does not authorize the expenditure of money from the fund for furniture, fixtures or equipment for judicial chambers.

↪ Any money remaining in the special revenue fund after 5 fiscal years must be deposited in the municipal general fund for the continued maintenance of court facilities if it has not been committed for expenditure pursuant to a plan for the construction or acquisition of court facilities or improvements to court facilities. The city treasurer shall provide, upon request by a municipal court, monthly reports of the revenue credited to and expenditures made from the special revenue fund.

7. The money collected for administrative assessments for the provision of court facilities in justice courts must be paid by the clerk of the court to the county treasurer on or before the fifth day of each month for the preceding month. (e) Acquire advanced technology for use in the additional or renovated facilities.

(f) Pay debt service on any bonds issued pursuant to subsection 3 of NRS 350.020 for the acquisition of land or facilities or the construction or renovation of facilities for the justice courts or a regional justice center that includes the justice courts.

↪ Any money remaining in the special revenue fund after 5 fiscal years must be deposited in the county general fund for the continued maintenance of court facilities if it has not been committed for expenditure pursuant to a plan for the construction or acquisition of court facilities or improvements to court facilities. The county treasurer shall provide, upon request by a justice court, monthly reports of the revenue credited to and expenditures made from the special revenue fund.

8. Sec. 1.3. NRS 176.064 is hereby amended to read as follows:

176.064 1. If a fine, administrative assessment, fee or restitution is imposed upon a defendant pursuant to this chapter, whether or not the fine, administrative assessment, fee or restitution is in addition to any other punishment, and the fine, administrative assessment, fee or restitution or any part of it remains unpaid after the time established by the court for its payment, the defendant is liable for a collection fee, to be imposed by the court at the time it finds that the fine, administrative assessment, fee or restitution is delinquent, of:

(a) Not more than \$100, if the amount of the delinquency is less than \$2,000.

(b) Not more than \$500, if the amount of the delinquency is \$2,000 or greater, but is less than \$5,000.

(c) Ten percent of the amount of the delinquency, if the amount of the delinquency is \$5,000 or greater.

(b) Request that the court take appropriate action pursuant to subsection 3.

the collection fee imposed pursuant to subsection 1, in accordance with the provisions of the contract.

3. The court may, on its own motion or at the request of a state or local entity that is responsible for collecting the delinquent fine, administrative assessment, fee or restitution, take any or all of the following actions, in the following order of priority if practicable:

At the time the court issues an order suspending the driver's license of a defendant pursuant to this paragraph, the court shall require the defendant to surrender to the court all driver's licenses then held by the defendant. The court shall, within 5 days after issuing the order, forward to the Department of Motor Vehicles the licenses, together with a copy of the order. At the time the court issues an order pursuant to this paragraph delaying the ability of a defendant to apply for a driver's license, the court shall, within 5 days after issuing the order, forward to the Department of Motor Vehicles a copy of the order. The Department of Motor Vehicles shall report a suspension pursuant to this paragraph to an insurance company or its agent inquiring about the defendant's driving record, but such a suspension must not be considered for the purpose of rating or underwriting.

5. Any collection fee imposed pursuant to subsection 1 must be assessed on a per case basis and not on a per charge basis. Bill read second time.

The following amendment was proposed by the Committee on Taxation:

Amendment No. 408.

AN ACT relating to economic development; revising the Nevada New Markets Jobs Act; revising provisions governing investments in, or loans to, qualified active low-income community businesses by certain qualified community development entities; **authorizing an additional amount of investments to be made in qualified community development entities in exchange for certain tax credits**; revising provisions governing the recapture of tax credits issued in exchange for an investment in a qualified community development entity; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law enacts the Nevada New Markets Jobs Act. (Chapter 231A of NRS) Under existing law, ~~for certain business entities,~~ **insurance companies** are entitled to receive a credit against ~~the insurance premium tax,~~ **certain taxes** imposed on insurance companies in exchange for making an investment in a qualified community development entity. (NRS 231A.200) A qualified community development entity in which such an investment is made is required to use 85 percent of the investment to make capital or equity investments in, or loans to, qualified active low-income community businesses, which are defined as businesses that satisfy certain criteria related to conducting business in a low-income community. (NRS 231A.110, 231A.130, 231A.140, 231A.250; 26 U.S.C. § 45D) **Section 2.5 of this bill: (1) authorizes an additional amount of investments in qualified community development entities which may be made in exchange for a credit against certain taxes imposed on insurance companies; and (2) increases from \$5**

million to \$8 million the maximum amount of the investment in a single qualified development entity for which tax credits may be received. Section 2.3 of this bill prohibits these tax credits from being used for any tax due for a period beginning before July 1, 2021.

Existing regulations prohibit a qualified active low-income community business from accepting investments from more than one qualified community development entity unless the qualified active low-income community business first obtains the approval of the Department of Business and Industry. (NAC 231A.050) **Section 1** of this bill authorizes a qualified community development entity to make a capital or equity investment in, or a loan to, a qualified active low-income community business jointly with one or more other qualified community development entities. **Section 1** also authorizes a qualified community development entity to make a capital or equity investment in, or a loan to, a qualified active low-income community business using money attributable to investments made in the qualified community development entity for which the entity received tax credits under existing state ~~for~~ and federal law.

Under existing law, for the purpose of determining whether a qualified community development entity is making a capital or equity investment in, or a loan to, a qualified active low-income community business, a business which is receiving certain abatements from taxation is not eligible to be considered a qualified active low-income community business. (NRS 231A.170) **Section 2** of this bill authorizes a business receiving such an abatement from taxation to be considered a qualified active low-income community business if the business waives the abatement and provides written notice of that waiver to the Office of Economic Development not later than the due date of the first payment of any tax that would be abated pursuant to the abatement from taxation.

Section 2.7 of this bill requires a qualified community development entity that has made an investment in or a loan to a qualified active low-income community business to allow the business to apply to refinance the investment or loan if at least 4 years has passed since the investment or loan was made and the investment or loan has not previously been refinanced.

Existing law requires the Department of Business and Industry to recapture a tax credit provided under the Act from the business entity claiming the tax credit under certain circumstances, including, without limitation, if the qualified community development entity in which the business entity invested: (1) fails to make capital or equity investments in, or loans to, qualified active low-income community businesses in an amount equal to at least 85 percent of the money received by the qualified community development entity from the business entity's investment; or (2) uses the cash proceeds of the investment to make a capital or equity investment in, or loan to, one qualified active low-income community business in an amount that exceeds 25 percent of those cash proceeds. (NRS 231A.250) Existing regulations define "cash

proceeds” for the purposes of these provisions as the amount paid by the business entity to the qualified community development entity for the investment in the qualified community development entity. (NAC 231A.070) **Section 3** of this bill incorporates that definition into statute.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 231A of NRS is hereby amended by adding thereto a new section to read:

1. A qualified community development entity may make a qualified low-income community investment jointly with one or more other qualified community development entities.

2. A qualified community development entity may make a qualified low-income community investment using money attributable to:

(a) The purchase price of a qualified equity investment;

(b) The amount paid to a qualified community development entity for a qualified equity investment, as defined in 26 U.S.C. § 45D(b), by an entity that receives a tax credit pursuant to 26 U.S.C. § 45D; or

(c) Any combination of the amounts described in paragraphs (a) and (b).

Sec. 2. NRS 231A.170 is hereby amended to read as follows:

231A.170 1. For the purpose of NRS 231A.110, a qualified active low-income community business is limited to those businesses meeting the Small Business Administration size eligibility standards established in 13 C.F.R. §§ 121.101 to 201, inclusive, at the time the qualified low-income community investment is made. A business must be considered a qualified active low-income community business for the duration of the qualified community development entity’s investment in, or loan to, the business if the entity reasonably expects, at the time it makes the investment or loan, that the business will continue to satisfy the requirements for being a qualified active low-income community business, other than the Small Business Administration size standards, throughout the entire period of the investment or loan.

2. Except as otherwise provided in this subsection, the businesses limited by this section do not include any business that derives or projects to derive 15 percent or more of its annual revenue from the rental or sale of real estate. This exclusion does not apply to a business that is controlled by, or under common control with, another business if the second business:

(a) Does not derive or project to derive 15 percent or more of its annual revenue from the rental or sale of real estate; and

(b) Is the primary tenant of the real estate leased from the first business.

3. ~~The~~ **Except as otherwise provided in subsection 4, the** following businesses are not qualified active low-income community businesses:

(b) An entity that has liability for insurance premium tax on a premium tax report filed pursuant to NRS 680B.030.

(c) A business engaged in banking or lending.

(d) A massage parlor.

(e) A bath house.

(f) A tanning salon.

(g) A country club.

(h) A business operating under a nonrestricted license for gaming issued pursuant to NRS 463.170.

(i) A liquor store.

(j) A golf course.

4. A business that has received an abatement from taxation pursuant to NRS 274.310, 274.320, 274.330, 360.750, 360.753 or 360.754 is a qualified active low-income community business if the business elects to waive the abatement and provides written notice of the waiver of the abatement to the Office of Economic Development not later than the due date of the first payment of any tax which would be abated if the abatement became effective. If the business provides the written notice to the Office of Economic Development:

(a) Within the period required by this subsection:

(1) Any agreement entered into by the business and the Office of Economic Development pursuant to NRS 274.310, 274.320, 274.330, 360.750, 360.753 or 360.754 is void; and;

(2) The Office of Economic Development must forward a copy of the written notice to the Department and each governmental entity or official to whom a copy of the certificate of eligibility for the abatement was forwarded.

(b) After the period required by this subsection has expired, the Office of Economic Development must provide written notice to the Department and the business that the abatement has not been waived and the business is not a qualified active low-income community business.

Sec. 2.3. NRS 231A.200 is hereby amended to read as follows:

231A.200 An entity that makes a qualified equity investment earns a vested right to credit against the entity's liability for insurance premium tax on a premium tax report filed pursuant to NRS 680B.030 that may be used as follows:

1. ~~On~~ **Except as otherwise provided in this subsection, on** each credit allowance date of the qualified equity investment, the entity, or the subsequent holder of the qualified equity investment, is entitled to use a portion of the credit during the taxable year that includes the credit allowance date. **If an entity makes a qualified equity investment on or after July 1, 2019, the entity may not use any portion of the credit against the entity's liability for insurance premium tax for any period beginning before July 1, 2021.**

2. The credit amount is equal to the applicable percentage for the credit allowance date multiplied by the purchase price paid to the issuer of the qualified equity investment.

3. Except as otherwise provided in subsection 4, the amount of the credit claimed by an entity must not exceed the amount of the entity's liability for insurance premium tax for the tax year for which the credit is claimed.

4. If the insurance premium tax is eliminated or reduced below the level that was in effect on the first credit allowance date, the entity is entitled to a credit against any other taxes paid to the Department of Taxation in an amount equal to the difference between the amount the entity would have been able to claim against its insurance premium tax liability had the tax not been eliminated or reduced and the amount the entity was actually able to claim, if any.

↪ Any amount of tax credit that the entity is prohibited from claiming in a taxable year as a result of subsection 3 or 4 may be carried forward for use in any subsequent taxable year.

Sec. 2.5. NRS 231A.230 is hereby amended to read as follows:

231A.230 1. A qualified community development entity that seeks to have an equity investment or long-term debt security designated as a qualified equity investment and eligible for tax credits under this chapter must apply to the Department for that designation. An application submitted by a qualified community development entity must include the following:

(a) Evidence of the applicant's certification as a qualified community development entity.

(b) A copy of an allocation agreement executed by the applicant, or its controlling entity, and the Community Development Financial Institutions Fund of the United States Department of the Treasury which includes the State of Nevada in the service area set forth in the allocation agreement.

(c) A certificate executed by an executive officer of the applicant:

(1) Attesting that the allocation agreement remains in effect and has not been revoked or cancelled by the Community Development Financial Institutions Fund; and

(2) Setting forth the cumulative amount of allocations awarded to the applicant by the Community Development Financial Institutions Fund.

(d) A description of the proposed amount, structure and purchaser of the qualified equity investment.

(e) If known at the time of application, identifying information for any entity that will use the tax credits earned as a result of the issuance of the qualified equity investment.

(f) Examples of the types of qualified active low-income businesses in which the applicant, its controlling entity or the affiliates of its controlling entity have invested under the federal New Markets Tax Credit Program. An applicant is not required to identify the qualified active low-income community businesses in which it will invest when submitting an application.

(g) A nonrefundable application fee of \$5,000. This fee must be paid to the Department and is required for each application submitted.

(h) The refundable performance fee required by subsection 1 of NRS 231A.270.

2. Within 30 days after receipt of a completed application containing the information set forth in subsection 1, including the payment of the application fee and the refundable performance fee, the Department shall grant or deny the application in full or in part. If the Department denies any part of the application, it shall inform the qualified community development entity of the grounds for the denial. If the qualified community development entity provides any additional information required by the Department or otherwise completes its application within 15 days after the date of the notice of denial, the application must be considered complete as of the original date of submission. If the qualified community development entity fails to provide the information or complete its application within the 15-day period, the application remains denied and must be resubmitted in full with a new date of submission.

3. If the application is complete, the Department shall certify the proposed equity investment or long-term debt security as a qualified equity investment that is eligible for tax credits under this chapter, subject to the limitations contained in subsection 5. The Department shall provide written notice of the certification to the qualified community development entity. The notice must include the names of those entities who will earn the credits and their respective credit amounts. If the names of the entities that are eligible to use the credits change as the result of a transfer of a qualified equity investment or an allocation pursuant to NRS 231A.210, the qualified community development entity shall notify the Department of the change.

4. The Department shall certify qualified equity investments in the order applications are received by the Department. Applications received on the same day shall be deemed to have been received simultaneously. For applications that are complete and received on the same day, the Department shall certify, consistent with remaining qualified equity investment capacity, the qualified equity investments in proportionate percentages based upon the ratio that the amount of qualified equity investment requested in an application bears to the total amount of qualified equity investments requested in all applications received on the same day.

5. The Department:

(a) Shall certify \$200,000,000 in qualified equity investments ~~for~~ **before July 1, 2019, and \$200,000,000 in qualified equity investments on or after July 1, 2019;**

(b) Shall not certify any single qualified equity investment of less than ~~[\$5,000,000;]~~ **\$8,000,000;** and

(c) Shall not certify more than a total of \$50,000,000 in qualified equity investments to any single applicant, including all affiliates and partners of the applicant which are qualified community development entities.

➔ If a pending request cannot be fully certified because of these limits, the Department shall certify the portion that may be certified unless the qualified community development entity elects to withdraw its request rather than receive partial certification.

6. An approved applicant may transfer all or a portion of its certified qualified equity investment authority to its controlling entity or any affiliate or partner of the controlling entity which is also a qualified community development entity, if the applicant provided the information required in the application with respect to the transferee and the applicant notifies the Department of the transfer within 30 days after the transfer.

7. Within 30 days after the applicant receives notice of certification, the qualified community development entity or any transferee pursuant to subsection 6 shall issue the qualified equity investment and receive cash in the amount certified by the Department. The qualified community development entity or transferee under subsection 6 must provide the Department with evidence of the receipt of the cash investment within 10 business days after receipt. If the qualified community development entity or any transferee under subsection 6 does not receive the cash investment and issue the qualified equity investment within 30 days after receipt of the notice of certification, the certification lapses and the entity may not issue the qualified equity investment without reapplying to the Department for certification. Lapsed certifications revert back to the Department and must be reissued, first, pro rata to other applicants whose qualified equity investment allocations were reduced pursuant to subsection 4 and, thereafter, in accordance with requirements for submitting the application.

Sec. 2.7. NRS 231A.240 is hereby amended to read as follows:

231A.240 1. A qualified community development entity which issues qualified equity investments under this chapter shall make qualified low-income community investments in businesses located in severely distressed census tracts, on a combined basis with all of its affiliated qualified community development entities that have issued qualified equity investments under this chapter, in an amount equal to at least 30 percent of the purchase price of all qualified equity investments issued by such entities.

2. The Director may reduce the requirement in subsection 1 to 20 percent if the qualified community development entity uses its commercially reasonable best efforts to satisfy the requirements of subsection 1 and fails to do so within 9 months after its initial credit allowance date.

3. **A qualified community development entity which makes a qualified low-income community investment must allow the business in which the qualified low-income community investment is made to apply to refinance the qualified low-income investment if at least 4 years has passed since the qualified community development entity made the qualified low-income investment and the qualified low-income investment has not previously been refinanced.**

4. As used in this section, “severely distressed census tract” means a census tract that, in the immediately preceding census, had:

(a) More than 30 percent of households with a household income below the federally designated level signifying poverty;

(b) A median household income of less than 60 percent of the median household income in this State; or

(c) A rate of unemployment that was equal to or greater than 150 percent of the national average.

Sec. 3. NRS 231A.250 is hereby amended to read as follows:

231A.250 Except as otherwise provided in NRS 231A.260, the Department shall recapture, from the entity that claimed the credit on a return, the tax credit allowed under this chapter if:

1. Any amount of a federal tax credit available with respect to a qualified equity investment that is eligible for a credit under this chapter is recaptured under section 45D of the Internal Revenue Code of 1986, 26 U.S.C. § 45D. In such a case, the Department's recapture must be proportionate to the federal recapture with respect to the qualified equity investment.

2. The issuer redeems or makes principal repayment with respect to a qualified equity investment before the seventh anniversary of the issuance of the qualified equity investment. In such a case, the Department's recapture must be proportionate to the amount of the redemption or repayment with respect to the qualified equity investment.

3. The issuer fails to invest an amount equal to 85 percent of the purchase price of the qualified equity investment in qualified low-income community investments in this State within 12 months after the issuance of the qualified equity investment and maintain at least an 85-percent level of investment in qualified low-income community investments in the State until the last credit allowance date for the qualified equity investment. For the purposes of this chapter, an investment shall be deemed held by an issuer even if the investment has been sold or repaid if the issuer reinvests an amount equal to the capital returned to or recovered by the issuer from the original investment, exclusive of any profits realized, in another qualified low-income community investment within 12 months after the receipt of such capital. An issuer is not required to reinvest capital returned from qualified low-income community investments after the earlier of:

(a) The sixth anniversary of the issuance of the qualified equity investment, the proceeds of which were used to make the qualified low-income community investment; or

(b) The date by which a qualified community development entity has made qualified low-income community investments with the proceeds of the qualified equity investment on a cumulative basis equal to at least 150 percent of those proceeds, in which case the qualified low-income community investment must be considered held by the issuer through the seventh anniversary of the qualified equity investment's issuance.

4. At any time before the final credit allowance date of a qualified equity investment, the issuer uses the cash proceeds of the qualified equity investment to make qualified low-income community investments in any one qualified active low-income community business, including affiliated qualified active low-income community businesses, exclusive of reinvestments of capital

returned or repaid with respect to earlier investments in the qualified active low-income community business and its affiliates, in excess of 25 percent of those cash proceeds.

↪ *As used in this section, “cash proceeds” or “proceeds” means the amount paid to the issuer of a qualified equity investment for the qualified equity investment.*

Sec. 4. This act becomes effective on July 1, 2019.

Remarks by Assemblywoman Neal.

Amendment adopted.

Bill ordered reprinted, engrossed and to third reading.

Assembly Bill No. 448.

Bill read second time.

The following amendment was proposed by the Committee on Legislative Operations and Elections:

Amendment No. 463.

AN ACT relating to the Legislature; **revising provisions governing the procedure to fill a vacancy in the office of a Legislator**; setting forth certain residency requirements for a person appointed to fill a vacancy in the office of a Legislator; **providing penalties**; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Under existing law, a candidate seeking election to the office of a Legislator must actually, as opposed to constructively, reside in the legislative district for at least 30 days immediately preceding the deadline for the close of the filing period to become a candidate. (NRS 293.1755) Additionally, existing law requires the legislative candidate to be an actual, as opposed to constructive, citizen resident of this State for 1 year immediately preceding his or her election. (NRS 218A.200)

Existing law ~~provides that~~ also requires the legislative candidate to file a declaration or acceptance of candidacy and a declaration of residency in which the legislative candidate swears or affirms under penalty of perjury that he or she meets the residency requirements and other qualifications for the legislative office. Finally, existing law provides that a legislative candidate who knowingly and willfully files a declaration or acceptance of candidacy or declaration of residency that contains a false statement is guilty of a gross misdemeanor. (NRS 293.177, 293.181)

This bill enacts similar provisions with regard to persons who file applications to fill a vacancy in a legislative office. Under the Nevada Constitution and existing statutes, if a vacancy occurs in the office of a Legislator during a regular or special session or when no election at which officers are to be elected will take place before the next regular or special session, the appropriate board or boards of county commissioners are required to fill the vacancy by appointment. (Nev. Const. Art. 4, § 12; NRS

218A.260) Section 2 of this bill requires the appropriate board or boards of county commissioners charged with filling the vacancy to establish: (1) a process by which persons may file applications to fill the vacancy; and (2) a deadline for the close of filing of applications to fill the vacancy. Section 3 of this bill requires persons filing such applications to also file declarations of eligibility in which they swear or affirm under penalty of perjury that they meet the residency requirements and other qualifications to fill the vacancy. Section 3 further provides that any person who knowingly and willfully files a declaration of eligibility that contains a false statement is guilty of a gross misdemeanor.

Finally, the Nevada Constitution and existing statutes provide that when filling a vacancy in a legislative office, the appropriate board or boards of county commissioners must appoint a person who : (1) is a duly qualified elector in the legislative district; (2) has been an actual, as opposed to constructive, citizen resident of this State for 1 year next preceding the person's appointment; (3) has attained the age of 21 years at the time of the person's appointment; (4) is a member of the same political party as the former Legislator ; and ~~who~~ (5) actually, as opposed to constructively, resides in the legislative district. (Nev. Const. Art. 4, §§ 5, 12; NRS 218A.200, 218A.260) ~~[This bill requires]~~ Sections 4 and 5 of this bill clarify that the person appointed to fill ~~for~~ the vacancy must meet all these qualifications for the legislative office and must also: (1) have timely filed an application and declaration of eligibility under sections 2 and 3; and (2) have actually, as opposed to constructively, resided in the legislative district for at least 30 days immediately preceding the ~~[date]~~ deadline established ~~[by the board of county commissioners]~~ under section 2 for the close of filing of applications to fill the vacancy.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 218A of NRS is hereby amended by adding thereto the provisions set forth as sections 2 and 3 of this act.

Sec. 2. 1. If a vacancy in the office of a Legislator must be filled pursuant to NRS 218A.260 and the former Legislator was elected or appointed from a district wholly within one county, the board of county commissioners of the county in which the district is located shall establish:

(a) A process by which persons may file applications with the board to fill the vacancy; and

(b) A specific date for the close of filing of applications to fill the vacancy.

2. If a vacancy in the office of a Legislator must be filled pursuant to NRS 218A.260 and the former Legislator was elected or appointed from a district comprising more than one county:

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 491.

AN ACT relating to chiropractic; revising provisions relating to membership of the Chiropractic Physicians' Board of Nevada; revising provisions governing the application for a license to practice chiropractic; revising the time period in which a qualified applicant for a license to practice chiropractic may practice while waiting to take the Board's examination; **revising provisions relating to temporary licenses to practice chiropractic;** authorizing the Board to adopt certain regulations concerning the renewal of certain licenses and certificates; **revising provisions relating to reinstating a license to practice chiropractic;** revising provisions governing disciplinary action by the Board; repealing the definition of gross malpractice; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law creates the Chiropractic Physicians' Board of Nevada, consisting of seven members, and prohibits three or more persons who are resident graduates of the same school or college of chiropractic from serving on the Board at the same time. (NRS 634.020) **Section 1** of this bill removes this prohibition.

Existing law requires an applicant for a license to practice chiropractic, not less than 60 days before the date of the licensing examination, to: (1) file an application for examination with the Secretary of the Board; (2) submit certain evidence relating to his or her qualifications for licensure; and (3) pay the examination application fee. (NRS 634.080, 634.090, 634.100) **Sections 2-4** of this bill eliminate the requirement for such actions to be completed 60 days in advance.

Section 2 of this bill ~~{also prohibits}~~ **additionally authorizes** an applicant ~~{from taking}~~ **to take** the licensing examination ~~{until}~~ **any time after** the ~~{Board}~~ **Executive Director of the Board** determines that his or her

application is complete. **Section 3 of this bill additionally requires an applicant to submit evidence that the applicant has successfully: (1) completed certain parts of the examination administered by the National Board of Chiropractic Examiners; or (2) completed certain exit examinations from certain colleges of chiropractic.**

Existing law authorizes an applicant for a license to practice chiropractic who has certain qualifications to perform chiropractic under the direct supervision of a chiropractor while the applicant is waiting to take the Board's examination. Existing law prohibits an applicant from practicing in such a manner for longer than 2 years. (NRS 634.105) **Section 5** of this bill prohibits an applicant from practicing in such a manner for longer than 90 days.

Existing law requires an applicant for a temporary license to practice chiropractic to file an application for a temporary license with the Secretary of the Board. (NRS 634.115) Section 5.5 of this bill requires an applicant to file such an application with the Executive Director of the Board.

Existing law requires a license to practice chiropractic or a certificate as a chiropractor's assistant to be renewed biennially. Existing law requires a chiropractor and a chiropractor's assistant to submit satisfactory proof to the Board that he or she attended a certain number of hours of continuing education. (NRS 634.130) **Section 6** of this bill authorizes the Board to adopt regulations that provide for random audits of chiropractors and chiropractor's assistants to ensure compliance with these continuing education requirements. Existing law authorizes the Board to waive the renewal fee for a chiropractor or a chiropractor's assistant if the chiropractor or chiropractor's assistant was in active military service at the time the renewal fee was due. (NRS 634.130) **Section 6** authorizes the Board to adopt regulations that provide for the prorating or waiving of a renewal fee if such prorating or waiving is based on the date on which: (1) the license to practice chiropractic or certificate to practice as a chiropractor's assistant was issued by the Board; and (2) such a license or certificate must be renewed. ~~[Section 7 of this bill makes a conforming change.]~~

Existing law authorizes a person who held a license that has expired to apply to the Board to have the license reinstated to active status. Existing law requires such an applicant for reinstatement of his or her license to score 75 percent or higher on an examination prescribed by the Board on the provisions relating to the practice of chiropractic. (NRS 634.131) Section 7 requires such an applicant to score: (1) for certain written, closed-book examinations, 75 percent or higher; or (2) for certain written, open-book examinations or online examinations, 90 percent or higher.

Existing law prescribes the grounds for initiating disciplinary action, including conviction of a felony relating to the practice of chiropractic. (NRS 634.140) **Section 8** of this bill revises the grounds by including conviction for any crime and adding incompetence or negligence in the practice of chiropractic as a ground for disciplinary action.

Existing law provides that a person charged with a ground for disciplinary action is entitled to a hearing before the Board. Existing law further provides that if the Board finds the person guilty as charged in a complaint, the Board may order specified disciplinary actions. (NRS 634.190) **Section 9** of this bill revises provisions governing the Board's finding to whether the person ~~violated~~ **committed** one or more of the ~~grounds~~ **charges** made in the complaint. **Section 9** also provides that the Board's order of disciplinary action may contain such terms, provisions or conditions as the Board deems proper to remedy or address the facts and circumstances of the case.

Existing law provides immunity from civil action for the Board or any person or other organization which initiates or assists in any lawful investigation or proceeding concerning the discipline of a chiropractor for gross malpractice, repeated malpractice or unprofessional conduct. (NRS 634.216) Existing law provides that unprofessional conduct includes malpractice. (NRS 634.018) **Section 10** of this bill amends this provision to remove: (1) gross malpractice, the definition of which is repealed by **section 11** of this bill; and (2) repeated malpractice, which is no longer specified as an independent ground for disciplinary action.

Legislative Counsel's Digest:

Existing law requires a person who is an applicant to become a marriage officiant and who is not otherwise qualified to solemnize a marriage to complete a course for marriage officiants established by a county clerk and pay a certain fee for completing the course. Additionally, existing law requires the county clerk to deposit the fee paid by an applicant for completing such a course in the county treasury to be used for establishing and maintaining a course for marriage officiants. (NRS 122.064) **Section 2** of this bill expands the requirement to take a training course, **if the county clerk has established such a training course**, and pay a fee to any applicant for a certificate of permission to perform marriages or specific marriages. Additionally, **section 2** requires the county clerk to deposit the fees collected from applicants who complete such a course in an account to be used to acquire technology or to improve technology used in the office of the county clerk. (NRS 19.016) **Section 1** of this bill makes a conforming change.

Existing law prohibits any person, while on county property, from soliciting or otherwise influencing, another person to be married by a marriage commissioner or justice of the peace or at a commercial wedding chapel. (NRS 122.215) **Section 3** of this bill provides for the imposition of a civil penalty of not more than \$500 for each violation. **Section 3** also authorizes a board of county commissioners to enact an ordinance delegating to a hearing officer the authority to determine such violations and levy civil penalties for those violations.

Existing law authorizes the imposition of a civil penalty against any person who knowingly performs a marriage which he or she is not lawfully authorized to perform. (NRS 122.260) **Section 4** of this bill removes the element of knowledge, thereby making a person subject to such a civil penalty regardless of his or her knowledge regarding whether he or she has legal authority to perform the marriage.

Under existing law, in addition to other fees, each county clerk is authorized to charge an additional fee not to exceed \$5 for filing and recording a bond of a notary public, per name. (NRS 19.013) The proceeds from this additional fee are required to be accounted for separately in the county general fund and used only to acquire technology for or to improve technology used in the office of the county clerk. (NRS 19.016) **Section 5** of this bill authorizes each county clerk to also charge such a fee for filing and recording or issuing a: (1) declaration of candidacy or acceptance of candidacy for a public office; (2) certificate of assumed or fictitious name or renewal thereof; (3) certificate of termination of business or of ownership in a business under the assumed or fictitious name; (4) certificate of permission to perform marriages or a specific marriage; and (5) certified copy or certified abstract of a marriage certificate. **Section 5** requires that the additional fees so collected be used only to acquire technology for or to improve technology used in the office of the county clerk.

Assembly Bill No. 485.

Bill read second time.

The following amendment was proposed by the Committee on Growth and Infrastructure:

Amendment No. 397.

AN ACT relating to electric foot scooters; enacting certain provisions relating to the operation of electric foot scooters; authorizing certain local authorities to regulate scooter-share programs whereby electric foot scooters are made available for hire; authorizing such local authorities to impose a fee for such scooter-share programs; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, persons riding bicycles and electric bicycles are provided with certain protections and subject to certain duties and responsibilities when operating on the highways of this State. (NRS 484B.760-484B.783) **Sections 35-44** of this bill add to those provisions "electric foot scooters," which are defined in **sections 1, 15 and 23** of this bill as a vehicle with handlebars and an electric motor that is designed to be ridden in an upright position and propelled by its electric motor or by propulsion provided by the rider. Such a vehicle: (1) must not weigh more than 100 pounds without a rider; and (2) must have a maximum speed of not more than 20 miles per hour when powered solely by its electric motor.

Section 9 of this bill exempts electric foot scooters from the requirements for a motor vehicle to be registered with the Department of Motor Vehicles, and **sections 10-13** of this bill exempt the rider of an electric foot scooter from the requirement for a driver's license. **Section 23** of this bill ~~requires~~ **provides that** the rider of an electric foot scooter ~~to be at least 16 years of age,~~ **has the same rights and duties as the rider of a bicycle or electric bicycle, and that an electric foot scooter is subject to all the provisions of**

law applicable to bicycles and electric bicycles except those provisions which by their nature can have no application.

Section 16 of this bill authorizes local authorities in this State to adopt ordinances regulating the time, place and manner of operation of electric foot scooters. **Section 16** also authorizes those local authorities to adopt ordinances to allow and regulate the operation of a scooter-share program for electric foot scooters by a scooter-share operator. Such ordinances may, without limitation: (1) impose a reasonable fee on a scooter-share operator; (2) subject the scooter-share programs and scooter-share operators to various obligations, requirements and restrictions; and (3) require the local authority to undertake certain obligations and duties. Certain data provided to the local authorities is confidential, as proprietary or a trade secret, and **section 48** of this bill makes a conforming change to the public records provision in existing law. (NRS 239.010) **Section 16 also prohibits a scooter-share operator from allowing a person who is under 16 years of age to operate a shared scooter, and requires the operator to maintain certain insurance coverages.**

The remaining sections of this bill make various conforming changes and add electric foot scooters to various provisions concerning bicycles and electric bicycles.

The lights, arrows and combinations thereof indicate and apply to drivers of vehicles and pedestrians as provided in this section.

2. When the signal is circular green alone:

(a) Vehicular traffic facing the signal may proceed straight through or turn right or left unless another device at the place prohibits either or both such turns. Such vehicular traffic, including vehicles turning right or left, must yield the right-of-way to other vehicles and to pedestrians lawfully within the intersection or an adjacent crosswalk at the time the signal is exhibited.

(b) Pedestrians facing such a signal may proceed across the highway within any marked or unmarked crosswalk, unless directed otherwise by another device as provided in NRS 484B.283.

3. Where the signal is circular green with a green turn arrow:

(a) Vehicular traffic facing the signal may proceed to make the movement indicated by the green turn arrow or such other movement as is permitted by the circular green signal, but the traffic must yield the right-of-way to pedestrians lawfully within an adjacent crosswalk and to other traffic lawfully using the intersection at the time the signal is exhibited. Drivers turning in the direction of the arrow when displayed with the circular green are thereby advised that so long as a turn arrow is illuminated, oncoming or opposing traffic simultaneously faces a steady red signal.

(b) Pedestrians facing such a signal may proceed across the highway within any marked or unmarked crosswalk, unless directed otherwise by another device as provided in NRS 484B.283.

4. Where the signal is a green turn arrow alone:

(a) Vehicular traffic facing the signal may proceed only in the direction indicated by the arrow signal so long as the arrow is illuminated, but the traffic must yield the right-of-way to pedestrians lawfully within the adjacent crosswalk and to other traffic lawfully using the intersection.

(b) Pedestrians facing such a signal shall not enter the highway until permitted to proceed by another device as provided in NRS 484B.283.

5. Where the signal is a green straight-through arrow alone:

(a) Vehicular traffic facing the signal may proceed straight through, but must not turn right or left. Such vehicular traffic must yield the right-of-way to other vehicles and to pedestrians lawfully within the intersection or an adjacent crosswalk at the time the signal is exhibited.

(b) Pedestrians facing such a signal may proceed across the highway within the appropriate marked or unmarked crosswalk, unless directed otherwise by another device as provided in NRS 484B.283.

6. Where the signal is a steady yellow signal alone:

(a) Vehicular traffic facing the signal is thereby warned that the related green movement is being terminated or that a steady red indication will be exhibited immediately thereafter, and such vehicular traffic must not enter the intersection when the red signal is exhibited.

(b) Pedestrians facing such a signal, unless otherwise directed by another device as provided in NRS 484B.283, are thereby advised that there is insufficient time to cross the highway.

7. Where the signal is a flashing yellow turn arrow, displayed alone or in combination with another signal:

(a) Vehicular traffic facing the signal is permitted to cautiously enter the intersection only to make the movement indicated by the arrow signal, or other such movement as is permitted by other signal indications displayed at the same time. Such vehicular traffic must yield the right-of-way to pedestrians lawfully within the intersection or an adjacent crosswalk and yield the right-of-way to other traffic lawfully within the intersection.

(b) Pedestrians facing such a signal, unless otherwise directed by another device as provided in NRS 484B.283, are thereby advised that there may be insufficient time to cross the highway, but may proceed across the highway within the appropriate marked or unmarked crosswalk.

8. Where the signal is a steady red signal alone:

(a) Vehicular traffic facing the signal must stop before entering the crosswalk on the nearest side of the intersection where the sign or pavement marking indicates where the stop must be made, or in the absence of any such crosswalk, sign or marking, then before entering the intersection, and, except as otherwise provided in paragraphs (c) and (d), must remain stopped or standing until the green signal is shown.

(b) Pedestrians facing such a signal shall not enter the highway, unless permitted to proceed by another device as provided in NRS 484B.283.

(c) After complying with the requirement to stop, vehicular traffic facing such a signal and situated on the extreme right of the highway may proceed into the intersection for a right turn only when the intersecting highway is two-directional or one-way to the right, or vehicular traffic facing such a signal and situated on the extreme left of a one-way highway may proceed into the intersection for a left turn only when the intersecting highway is one-way to the left, but must yield the right-of-way to pedestrians and other traffic proceeding as directed by the signal at the intersection.

(d) After complying with the requirement to stop, a person driving a motorcycle, moped or trimobile or riding a bicycle, ~~or~~ an electric bicycle *or an electric foot scooter* may proceed straight through or turn right or left if:

(1) The person waits for two complete cycles of the lights or lighted arrows of the applicable official traffic-control device and the signal does not change because of a malfunction or because the signal failed to detect the presence of the motorcycle, moped, trimobile, bicycle, ~~or~~ electric bicycle ~~or~~ *or electric foot scooter*;

(2) No other device at the place prohibits either or both such turns, if applicable; and

(3) The person yields the right-of-way to pedestrians and other traffic proceeding as directed by the signal at the intersection.

(e) Vehicular traffic facing the signal may not proceed on or through any private or public property to enter the intersecting street where traffic is not facing a red signal to avoid the red signal.

9. Where the signal is a steady red with a green turn arrow:

(a) Except as otherwise provided in paragraph (b), vehicular traffic facing the signal may enter the intersection only to make the movement indicated by

the green turn arrow, but must yield the right-of-way to pedestrians lawfully within an adjacent crosswalk and to other traffic lawfully using the intersection. Drivers turning in the direction of the arrow are thereby advised that so long as the turn arrow is illuminated, oncoming or opposing traffic simultaneously faces a steady red signal.

(b) A person driving a motorcycle, moped or trimobile or riding a bicycle, ~~for~~ an electric bicycle **or an electric foot scooter** facing the signal may proceed straight through or turn in the direction opposite that indicated by the green turn arrow if:

(1) The person stops before entering the crosswalk on the nearest side of the intersection where the sign or pavement marking indicates where the stop must be made or, in the absence of any such crosswalk, sign or marking, before entering the intersection;

(2) The person waits for two complete cycles of the lights or lighted arrows of the applicable official traffic-control device and the signal does not change because of a malfunction or because the signal failed to detect the presence of the motorcycle, moped, trimobile, bicycle, ~~for~~ electric bicycle ~~for~~ **or electric foot scooter**;

(3) No other device at the place prohibits the turn, if applicable; and

(4) The person yields the right-of-way to pedestrians lawfully within an adjacent crosswalk and to other traffic lawfully using the intersection.

(c) Pedestrians facing such a signal shall not enter the highway, unless permitted to proceed by another device as provided in NRS 484B.283.

10. If a person violates paragraph (d) of subsection 8 or paragraph (b) of subsection 9 and that violation results in an injury to another person, the violation creates a rebuttable presumption of all facts necessary to impose civil liability for the injury.

11. If a signal is erected and maintained at a place other than an intersection, the provisions of this section are applicable except as to those provisions which by their nature can have no application. Any stop required must be made at a sign or pavement marking indicating where the stop must be made, but in the absence of any such device the stop must be made at the signal.

12. Whenever signals are placed over the individual lanes of a highway, the signals indicate, and apply to drivers of vehicles, as follows:

(a) A downward-pointing green arrow means that a driver facing the signal may drive in any lane over which the green signal is shown.

(b) A red "X" symbol means a driver facing the signal must not enter or drive in any lane over which the red signal is shown.

13. A local authority shall not adopt an ordinance or regulation or take any other action that prohibits vehicular traffic from crossing an intersection when:

(a) The red signal is exhibited; and

(b) The vehicular traffic in question had already completely entered the intersection before the red signal was exhibited. For the purposes of this paragraph, a vehicle shall be considered to have "completely entered" an

intersection when all portions of the vehicle have crossed the limit line or other point of demarcation behind which vehicular traffic must stop when a red signal is displayed.

14. A person who violates any provision of this section may be subject to the additional penalty set forth in NRS 484B.135.

Sec. 30. NRS 484B.350 is hereby amended to read as follows:

484B.350 1. The driver of a vehicle:

(a) Shall stop in obedience to the direction or traffic-control signal of a school crossing guard; and

(b) Shall not proceed until the highway is clear of all persons, including, without limitation, the school crossing guard.

2. A person who violates subsection 1 is guilty of a misdemeanor.

3. If, while violating subsection 1, the driver of a motor vehicle is the proximate cause of a collision with a pedestrian or a person riding a bicycle ~~or~~ **or an electric foot scooter**, the driver is subject to the additional penalty set forth in subsection 4 of NRS 484B.653.

4. As used in this section, “school crossing guard” means a volunteer or paid employee of a local authority, local law enforcement agency or school district whose duties include assisting pupils to cross a highway.

Sec. 31. NRS 484B.363 is hereby amended to read as follows:

484B.363 1. A person shall not drive a motor vehicle at a speed in excess of 15 miles per hour in an area designated as a school zone except:

(a) On a day on which school is not in session;

(b) During the period from a half hour after school is no longer in operation to a half hour before school is next in operation;

(c) If the zone is designated by an operational speed limit beacon, during the hours when the pupils of the school are in class and the yellow lights of the speed limit beacon are not flashing in the manner which indicates that the speed limit is in effect; or

(d) If the zone is not designated by an operational speed limit beacon, during the times when the sign designating the school zone indicates that the speed limit is not in effect.

2. A person shall not drive a motor vehicle at a speed in excess of 25 miles per hour in an area designated as a school crossing zone except:

(a) On a day on which school is not in session;

(b) During the period from a half hour after school is no longer in operation to a half hour before school is next in operation;

(c) If the zone is designated by an operational speed limit beacon, during the hours when the pupils of the school are in class and the yellow lights of the speed limit beacon are not flashing in the manner which indicates that the speed limit is in effect; or

(d) If the zone is not designated by an operational speed limit beacon, during the times when the sign designating the school zone indicates that the speed limit is not in effect.

3. The driver of a vehicle shall not make a U-turn in an area designated as a school zone or school crossing zone except:

- (a) When there are no children present;
- (b) On a day on which school is not in session;
- (c) During the period from a half hour after school is no longer in operation to a half hour before school is next in operation;
- (d) If the zone is designated by an operational speed limit beacon, during the hours when the pupils of the school are in class and the yellow lights of the speed limit beacon are not flashing in the manner which indicates that the speed limit is in effect; or
- (e) If the zone is not designated by an operational speed limit beacon, during the times when the sign designating the school zone or school crossing zone indicates that the speed limit is not in effect.

4. The driver of a vehicle shall not overtake and pass another vehicle traveling in the same direction in an area designated as a school zone or school crossing zone except:

- (a) On a day on which the school is not in session;
- (b) During the period from a half hour after school is no longer in operation to a half hour before school is next in operation;
- (c) If the zone is designated by an operational speed limit beacon, during the hours when the pupils of the school are in class and the yellow lights of the speed limit beacon are not flashing in the manner which indicates that the speed limit is in effect; or
- (d) If the zone is not designated by an operational speed limit beacon, during the times when the sign designating the school zone or school crossing zone indicates that the speed limit is not in effect.

5. The governing body of a local government or the Department of Transportation shall designate school zones and school crossing zones. An area must not be designated as a school zone if imposing a speed limit of 15 miles per hour would be unsafe because of higher speed limits in adjoining areas.

6. Each such governing body and the Department of Transportation shall provide signs to mark the beginning and end of each school zone and school crossing zone which it respectively designates. Each sign marking the beginning of such a zone must include a designation of the hours when the speed limit is in effect or that the speed limit is in effect when children are present.

7. With respect to each school zone and school crossing zone in a school district, the superintendent of the school district or his or her designee, in conjunction with the Department of Transportation and the governing body of the local government that designated the school zone or school crossing zone and after consulting with the principal of the school and the agency that is responsible for enforcing the speed limit in the zone, shall determine the times when the speed limit is in effect.

8. If, while violating any provision of subsections 1 to 4, inclusive, the driver of a motor vehicle is the proximate cause of a collision with a pedestrian or a person riding a bicycle ~~or~~ **or an electric foot scooter**, the driver is subject to the additional penalty set forth in subsection 4 of NRS 484B.653.

9. As used in this section, “speed limit beacon” means a device which is used in conjunction with a sign and equipped with two or more yellow lights that flash alternately to indicate when the speed limit in a school zone or school crossing zone is in effect.

Sec. 32. NRS 484B.450 is hereby amended to read as follows:

484B.450 1. A person shall not stop, stand or park a vehicle, except when necessary to avoid conflict with other traffic or in compliance with law or the directions of a police officer or official traffic-control device, in any of the following places:

3. **A person may park a bicycle, an electric bicycle or an electric foot scooter on a sidewalk provided that the bicycle, electric bicycle or electric foot scooter does not impede the normal and reasonable movement of pedestrians on the sidewalk.**

4. A person shall not move a vehicle not owned by the person into any prohibited area or away from a curb to a distance which is unlawful.

~~4.1~~ 5. A local authority may place official traffic-control devices prohibiting or restricting the stopping, standing or parking of vehicles on any highway where in its opinion stopping, standing or parking is dangerous to those using the highway or where the vehicles which are stopping, standing or parking would unduly interfere with the free movement of traffic. It is unlawful for any person to stop, stand or park any vehicle in violation of the restrictions stated on those devices.

Sec. 33. NRS 484B.600 is hereby amended to read as follows:

Amendment No. 565.

AN ACT relating to electric foot scooters; enacting certain provisions relating to the operation of electric foot scooters; authorizing certain local authorities to regulate scooter-share programs whereby electric foot scooters are made available for hire; authorizing such local authorities to impose a fee for such scooter-share programs; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, persons riding bicycles and electric bicycles are provided with certain protections and subject to certain duties and responsibilities when operating on the highways of this State. (NRS 484B.760-484B.783) **Sections 35-44** of this bill add to those provisions "electric foot scooters," which are defined in **sections 1, 15 and 23** of this bill as a vehicle with handlebars and an electric motor that is designed to be ridden in an upright position and propelled by its electric motor or by propulsion provided by the rider. Such a vehicle: (1) must not weigh more than 100 pounds without a rider; and (2) must have a maximum speed of not more than 20 miles per hour when powered solely by its electric motor.

Section 9 of this bill exempts electric foot scooters from the requirements for a motor vehicle to be registered with the Department of Motor Vehicles, and **sections 10-13** of this bill exempt the rider of an electric foot scooter from the requirement for a driver's license. **Section 23** of this bill requires the rider of an electric foot scooter to be at least 16 years of age.

Section 16 of this bill authorizes local authorities in this State to adopt ordinances regulating the time, place and manner of operation of electric foot scooters. **Section 16** also authorizes those local authorities to adopt ordinances to allow and regulate the operation of a scooter-share program by a scooter-share operator. Such ordinances may, without limitation: (1) impose a reasonable fee on a scooter-share operator; (2) subject the scooter-share programs and scooter-share operators to various obligations, requirements and restrictions; and (3) require the local authority to undertake certain obligations and duties. Certain data provided to the local authorities is confidential, as proprietary or a trade secret, and **section 48** of this bill makes a conforming change to the public records provision in existing law. (NRS 239.010) **Section 16 also prohibits a scooter-share operator or a scooter-share customer from allowing a person who is under 16 years of age to operate a shared scooter. A violation is punishable by the imposition of a civil penalty of \$250.**

The remaining sections of this bill make various conforming changes and add electric foot scooters to various provisions concerning bicycles and electric bicycles.

Sec. 29. NRS 484B.307 is hereby amended to read as follows:

484B.307 1. Whenever traffic is controlled by official traffic-control devices exhibiting different colored lights, or colored lighted arrows, successively one at a time or in combination as declared in the manual and specifications adopted by the Department of Transportation, only the colors green, yellow and red may be used, except for special pedestrian-control devices carrying a word legend as provided in NRS 484B.283. The lights, arrows and combinations thereof indicate and apply to drivers of vehicles and pedestrians as provided in this section.

2. When the signal is circular green alone:

(a) Vehicular traffic facing the signal may proceed straight through or turn right or left unless another device at the place prohibits either or both such turns. Such vehicular traffic, including vehicles turning right or left, must yield the right-of-way to other vehicles and to pedestrians lawfully within the intersection or an adjacent crosswalk at the time the signal is exhibited.

(b) Pedestrians facing such a signal may proceed across the highway within any marked or unmarked crosswalk, unless directed otherwise by another device as provided in NRS 484B.283.

3. Where the signal is circular green with a green turn arrow:

(a) Vehicular traffic facing the signal may proceed to make the movement indicated by the green turn arrow or such other movement as is permitted by the circular green signal, but the traffic must yield the right-of-way to pedestrians lawfully within an adjacent crosswalk and to other traffic lawfully using the intersection at the time the signal is exhibited. Drivers turning in the direction of the arrow when displayed with the circular green are thereby advised that so long as a turn arrow is illuminated, oncoming or opposing traffic simultaneously faces a steady red signal.

(b) Pedestrians facing such a signal may proceed across the highway within any marked or unmarked crosswalk, unless directed otherwise by another device as provided in NRS 484B.283.

4. Where the signal is a green turn arrow alone:

(a) Vehicular traffic facing the signal may proceed only in the direction indicated by the arrow signal so long as the arrow is illuminated, but the traffic must yield the right-of-way to pedestrians lawfully within the adjacent crosswalk and to other traffic lawfully using the intersection.

(b) Pedestrians facing such a signal shall not enter the highway until permitted to proceed by another device as provided in NRS 484B.283.

5. Where the signal is a green straight-through arrow alone:

(a) Vehicular traffic facing the signal may proceed straight through, but must not turn right or left. Such vehicular traffic must yield the right-of-way to other vehicles and to pedestrians lawfully within the intersection or an adjacent crosswalk at the time the signal is exhibited.

(b) Pedestrians facing such a signal may proceed across the highway within the appropriate marked or unmarked crosswalk, unless directed otherwise by another device as provided in NRS 484B.283.

6. Where the signal is a steady yellow signal alone:

(a) Vehicular traffic facing the signal is thereby warned that the related green movement is being terminated or that a steady red indication will be exhibited immediately thereafter, and such vehicular traffic must not enter the intersection when the red signal is exhibited.

(b) Pedestrians facing such a signal, unless otherwise directed by another device as provided in NRS 484B.283, are thereby advised that there is insufficient time to cross the highway.

7. Where the signal is a flashing yellow turn arrow, displayed alone or in combination with another signal:

(a) Vehicular traffic facing the signal is permitted to cautiously enter the intersection only to make the movement indicated by the arrow signal, or other such movement as is permitted by other signal indications displayed at the same time. Such vehicular traffic must yield the right-of-way to pedestrians lawfully within the intersection or an adjacent crosswalk and yield the right-of-way to other traffic lawfully within the intersection.

(b) Pedestrians facing such a signal, unless otherwise directed by another device as provided in NRS 484B.283, are thereby advised that there may be insufficient time to cross the highway, but may proceed across the highway within the appropriate marked or unmarked crosswalk.

8. Where the signal is a steady red signal alone:

(a) Vehicular traffic facing the signal must stop before entering the crosswalk on the nearest side of the intersection where the sign or pavement marking indicates where the stop must be made, or in the absence of any such crosswalk, sign or marking, then before entering the intersection, and, except as otherwise provided in paragraphs (c) and (d), must remain stopped or standing until the green signal is shown.

(b) Pedestrians facing such a signal shall not enter the highway, unless permitted to proceed by another device as provided in NRS 484B.283.

(c) After complying with the requirement to stop, vehicular traffic facing such a signal and situated on the extreme right of the highway may proceed into the intersection for a right turn only when the intersecting highway is two-directional or one-way to the right, or vehicular traffic facing such a signal and situated on the extreme left of a one-way highway may proceed into the intersection for a left turn only when the intersecting highway is one-way to the left, but must yield the right-of-way to pedestrians and other traffic proceeding as directed by the signal at the intersection.

(d) After complying with the requirement to stop, a person driving a motorcycle, moped or trimobile or riding a bicycle, ~~or~~ an electric bicycle *or an electric foot scooter* may proceed straight through or turn right or left if:

(1) The person waits for two complete cycles of the lights or lighted arrows of the applicable official traffic-control device and the signal does not change because of a malfunction or because the signal failed to detect the presence of the motorcycle, moped, trimobile, bicycle, ~~or~~ electric bicycle ~~or~~ *or electric foot scooter*;

(2) No other device at the place prohibits either or both such turns, if applicable; and

(3) The person yields the right-of-way to pedestrians and other traffic proceeding as directed by the signal at the intersection.

(e) Vehicular traffic facing the signal may not proceed on or through any private or public property to enter the intersecting street where traffic is not facing a red signal to avoid the red signal.

9. Where the signal is a steady red with a green turn arrow:

(a) Except as otherwise provided in paragraph (b), vehicular traffic facing the signal may enter the intersection only to make the movement indicated by

the green turn arrow, but must yield the right-of-way to pedestrians lawfully within an adjacent crosswalk and to other traffic lawfully using the intersection. Drivers turning in the direction of the arrow are thereby advised that so long as the turn arrow is illuminated, oncoming or opposing traffic simultaneously faces a steady red signal.

(b) A person driving a motorcycle, moped or trimobile or riding a bicycle, ~~for~~ an electric bicycle **or an electric foot scooter** facing the signal may proceed straight through or turn in the direction opposite that indicated by the green turn arrow if:

(1) The person stops before entering the crosswalk on the nearest side of the intersection where the sign or pavement marking indicates where the stop must be made or, in the absence of any such crosswalk, sign or marking, before entering the intersection;

(2) The person waits for two complete cycles of the lights or lighted arrows of the applicable official traffic-control device and the signal does not change because of a malfunction or because the signal failed to detect the presence of the motorcycle, moped, trimobile, bicycle, ~~for~~ electric bicycle ~~for~~ **or electric foot scooter;**

(3) No other device at the place prohibits the turn, if applicable; and

(4) The person yields the right-of-way to pedestrians lawfully within an adjacent crosswalk and to other traffic lawfully using the intersection.

(c) Pedestrians facing such a signal shall not enter the highway, unless permitted to proceed by another device as provided in NRS 484B.283.

10. If a person violates paragraph (d) of subsection 8 or paragraph (b) of subsection 9 and that violation results in an injury to another person, the violation creates a rebuttable presumption of all facts necessary to impose civil liability for the injury.

11. If a signal is erected and maintained at a place other than an intersection, the provisions of this section are applicable except as to those provisions which by their nature can have no application. Any stop required must be made at a sign or pavement marking indicating where the stop must be made, but in the absence of any such device the stop must be made at the signal.

12. Whenever signals are placed over the individual lanes of a highway, the signals indicate, and apply to drivers of vehicles, as follows:

(a) A downward-pointing green arrow means that a driver facing the signal may drive in any lane over which the green signal is shown.

(b) A red "X" symbol means a driver facing the signal must not enter or drive in any lane over which the red signal is shown.

13. A local authority shall not adopt an ordinance or regulation or take any other action that prohibits vehicular traffic from crossing an intersection when:

(a) The red signal is exhibited; and

(b) The vehicular traffic in question had already completely entered the intersection before the red signal was exhibited. For the purposes of this paragraph, a vehicle shall be considered to have "completely entered" an

intersection when all portions of the vehicle have crossed the limit line or other point of demarcation behind which vehicular traffic must stop when a red signal is displayed.

14. A person who violates any provision of this section may be subject to the additional penalty set forth in NRS 484B.135.

Sec. 30. NRS 484B.350 is hereby amended to read as follows:

484B.350 1. The driver of a vehicle:

(a) Shall stop in obedience to the direction or traffic-control signal of a school crossing guard; and

(b) Shall not proceed until the highway is clear of all persons, including, without limitation, the school crossing guard.

2. A person who violates subsection 1 is guilty of a misdemeanor.

3. If, while violating subsection 1, the driver of a motor vehicle is the proximate cause of a collision with a pedestrian or a person riding a bicycle ~~or~~ **or an electric foot scooter**, the driver is subject to the additional penalty set forth in subsection 4 of NRS 484B.653.

4. As used in this section, “school crossing guard” means a volunteer or paid employee of a local authority, local law enforcement agency or school district whose duties include assisting pupils to cross a highway.

Sec. 31. NRS 484B.363 is hereby amended to read as follows:

484B.363 1. A person shall not drive a motor vehicle at a speed in excess of 15 miles per hour in an area designated as a school zone except:

(a) On a day on which school is not in session;

(b) During the period from a half hour after school is no longer in operation to a half hour before school is next in operation;

(c) If the zone is designated by an operational speed limit beacon, during the hours when the pupils of the school are in class and the yellow lights of the speed limit beacon are not flashing in the manner which indicates that the speed limit is in effect; or

(d) If the zone is not designated by an operational speed limit beacon, during the times when the sign designating the school zone indicates that the speed limit is not in effect.

2. A person shall not drive a motor vehicle at a speed in excess of 25 miles per hour in an area designated as a school crossing zone except:

(a) On a day on which school is not in session;

(b) During the period from a half hour after school is no longer in operation to a half hour before school is next in operation;

(c) If the zone is designated by an operational speed limit beacon, during the hours when the pupils of the school are in class and the yellow lights of the speed limit beacon are not flashing in the manner which indicates that the speed limit is in effect; or

(d) If the zone is not designated by an operational speed limit beacon, during the times when the sign designating the school zone indicates that the speed limit is not in effect.

3. The driver of a vehicle shall not make a U-turn in an area designated as a school zone or school crossing zone except:

- (a) When there are no children present;
- (b) On a day on which school is not in session;
- (c) During the period from a half hour after school is no longer in operation to a half hour before school is next in operation;
- (d) If the zone is designated by an operational speed limit beacon, during the hours when the pupils of the school are in class and the yellow lights of the speed limit beacon are not flashing in the manner which indicates that the speed limit is in effect; or
- (e) If the zone is not designated by an operational speed limit beacon, during the times when the sign designating the school zone or school crossing zone indicates that the speed limit is not in effect.

4. The driver of a vehicle shall not overtake and pass another vehicle traveling in the same direction in an area designated as a school zone or school crossing zone except:

- (a) On a day on which the school is not in session;
- (b) During the period from a half hour after school is no longer in operation to a half hour before school is next in operation;
- (c) If the zone is designated by an operational speed limit beacon, during the hours when the pupils of the school are in class and the yellow lights of the speed limit beacon are not flashing in the manner which indicates that the speed limit is in effect; or
- (d) If the zone is not designated by an operational speed limit beacon, during the times when the sign designating the school zone or school crossing zone indicates that the speed limit is not in effect.

5. The governing body of a local government or the Department of Transportation shall designate school zones and school crossing zones. An area must not be designated as a school zone if imposing a speed limit of 15 miles per hour would be unsafe because of higher speed limits in adjoining areas.

6. Each such governing body and the Department of Transportation shall provide signs to mark the beginning and end of each school zone and school crossing zone which it respectively designates. Each sign marking the beginning of such a zone must include a designation of the hours when the speed limit is in effect or that the speed limit is in effect when children are present.

7. With respect to each school zone and school crossing zone in a school district, the superintendent of the school district or his or her designee, in conjunction with the Department of Transportation and the governing body of the local government that designated the school zone or school crossing zone and after consulting with the principal of the school and the agency that is responsible for enforcing the speed limit in the zone, shall determine the times when the speed limit is in effect.

8. If, while violating any provision of subsections 1 to 4, inclusive, the driver of a motor vehicle is the proximate cause of a collision with a pedestrian or a person riding a bicycle ~~or~~ **or an electric foot scooter**, the driver is subject to the additional penalty set forth in subsection 4 of NRS 484B.653.

9. As used in this section, “speed limit beacon” means a device which is used in conjunction with a sign and equipped with two or more yellow lights that flash alternately to indicate when the speed limit in a school zone or school crossing zone is in effect.

Sec. 32. NRS 484B.450 is hereby amended to read as follows:

484B.450 1. A person shall not stop, stand or park a vehicle, except when necessary to avoid conflict with other traffic or in compliance with law or the directions of a police officer or official traffic-control device, in any of the following places:

- (f) Within 20 feet of a crosswalk;
- (g) Within 30 feet upon the approach to any official traffic-control signal located at the side of a highway;
- (h) Between a safety zone and the adjacent curb or within 30 feet of points on the curb immediately opposite the ends of a safety zone;

3. **A person may park a bicycle, an electric bicycle or an electric foot scooter on a sidewalk provided that the bicycle, electric bicycle or electric foot scooter does not impede the normal and reasonable movement of pedestrians on the sidewalk.**

4. A person shall not move a vehicle not owned by the person into any prohibited area or away from a curb to a distance which is unlawful.

~~4.1~~ 5. A local authority may place official traffic-control devices prohibiting or restricting the stopping, standing or parking of vehicles on any highway where in its opinion stopping, standing or parking is dangerous to those using the highway or where the vehicles which are stopping, standing or parking would unduly interfere with the free movement of traffic. It is unlawful for any person to stop, stand or park any vehicle in violation of the restrictions stated on those devices.

Sec. 33. NRS 484B.600 is hereby amended to read as follows:

484B.600 1. It is unlawful for any person to drive or operate a vehicle of any kind or character at:

Amendment No. 459.

ASSEMBLY JOINT RESOLUTION—Proposing to amend the Nevada Constitution to revise provisions governing the selection of justices and judges.

Legislative Counsel’s Digest:

Under the Nevada Constitution, the justices of the Supreme Court and the judges of the court of appeals and district courts are popularly elected. (Nev. Const. Art. 6, §§ 3, 3A, 5) When a vacancy occurs before the expiration of any term of such a judicial office, the Governor appoints a justice or judge from among nominees selected by the Commission on Judicial Selection. (Nev. Const. Art. 6, § 20) This resolution proposes to amend the Nevada Constitution to provide for the initial appointment by the Governor of the Chief Justice, associate justices and judges, from nominees recommended by the Commission on Judicial Selection and for a justice or judge to automatically succeed himself or herself to a new term only if such succession is recommended by a commission on judicial performance after it has reviewed the justice’s or judge’s performance.

In addition, this resolution proposes to amend the Nevada Constitution to create the permanent Commission on Judicial Performance, provide for the creation of temporary commissions on judicial performance and require the commissions to perform those reviews. The review of each justice or judge must consist of a review of the record of the justice or judge and at least one interview of the justice or judge. At the conclusion of this review, the commission must prepare and release to the public a report containing information about the review and a recommendation on the question of whether the justice or judge should succeed himself or herself.

If this resolution is passed by the 2019 Legislature, it must also be passed by the next Legislature and then approved and ratified by the voters in an election before the proposed amendments to the Nevada Constitution become effective.

Resolved by the Assembly and Senate of the State of Nevada, Jointly, That a new section, designated Section 22, be added to Article 6 of the Nevada Constitution to read as follows:

Sec. 22. 1. There is created a permanent Commission on Judicial Performance of seventeen members composed of:

(a) The Chief Justice or an associate justice designated by the Chief Justice;

(b) Eight members of the State Bar of Nevada, a public corporation created by statute, appointed by its Board of Governors; and

(c) Eight persons, not members of the legal profession, of whom:

(1) Two are appointed by the Governor or his or her designee;

(2) Three are appointed by the Speaker of the Assembly or his or her designee; and

(3) Three are appointed by the ~~President pro tempore~~ Majority Leader of the Senate or his or her designee.

2. Each judge of the district court must be reviewed by a temporary commission on judicial performance, composed of:

(a) The permanent Commission on Judicial Performance;

(b) Two additional members of the State Bar of Nevada resident in the judicial district of the judge being reviewed, appointed by the Board of Governors of the State Bar of Nevada; and

(c) Two residents of the judicial district of the judge being reviewed, not members of the legal profession, appointed by the Governor.

3. If at any time the State Bar of Nevada ceases to exist as a public corporation or ceases to include all attorneys admitted to practice before the courts of this State, the Legislature shall provide by law, or if it fails to do so the Supreme Court shall provide by rule, for the appointment of attorneys at law to the positions designated in this Section to be occupied by members of the State Bar of Nevada.

4. The term of office of each appointive member of the permanent Commission, except the first members, is 8 years. Each appointing authority shall, as nearly as may be, appoint half of the members first appointed for a term of 4 years. If a vacancy occurs, the appointing authority shall fill the vacancy for the unexpired term.

5. The additional members of a temporary commission must be appointed when a review is required, and their terms expire when the review has been completed.

6. An appointing authority shall not appoint to the permanent Commission more than half of the body from residents of the same county.

7. No member of the permanent Commission may be a member of a commission on judicial selection or the Commission on Judicial Discipline. A member of the permanent Commission may not hold any other elective office.

8. When the permanent Commission reviews a justice of the Supreme Court, the Chief Justice or associate justice designated to be a member of the Commission is disqualified and the other members of the permanent Commission shall select a judge of the district court or court

of appeals to take the place of the disqualified member of the Commission for the sole purpose of reviewing the justice of the Supreme Court.

And, be it further

Resolved, That a new section, designated Section 23, be added to Article 6 of the Nevada Constitution to read as follows:

Sec. 23. 1. The Chief Justice and associate justices of the Supreme Court, the judges of the court of appeals, and the judges of the district courts shall be appointed by the Governor, pursuant to Section 20 of this Article, for a term of 6 years each, and the persons so appointed shall enter upon the discharge of the duties of their respective offices upon taking the oath of office prescribed by this Constitution.

2. Commencing with a term of office that expires on or after December 31, 2025, each justice of the Supreme Court, judge of the court of appeals, or judge of the district court who desires to continue service must, on or before July 1 next preceding the expiration of that justice's or judge's term of office, declare their intent to continue service by succeeding themselves with a new term.

3. Commencing with all terms of office for each such justice and judge beginning on January 1, 2026, the term of office upon succession pursuant to this Section shall be 6 years.

4. Commencing with all terms of office for each such justice and judge beginning on January 1, 2026, no judge or justice may serve for more than four terms of 6 years in the same judicial office, provided that service in the same judicial office before the effective date of this Section shall not count towards the four-term limitation on service.

5. All justices and judges must be periodically reviewed by a Commission on Judicial Performance. The review must consist of an examination of the record of the justice or judge and at least one interview of the justice or judge at which the Commission discusses with the justice or judge any areas of performance in which the performance review suggests improvement might be warranted.

6. The Commission on Judicial Performance shall consider, without limitation, a justice's or judge's:

- (a) Knowledge of the law;*
- (b) Oral and written communication skills;*
- (c) Ability to perform the duties of the position;*
- (d) Legal experience;*
- (e) Judicial temperament;*
- (f) Professional reputation;*
- (g) Work ethic;*
- (h) Commitment to access to justice for all; and*
- (i) Other such areas as directed by the Legislature through law or the Court through rulemaking.*

↪ *The Commission shall not consider the justice's or judge's political affiliation or any consideration prohibited by law.*

7. *At the conclusion of the review closest to the expiration of the justice's or judge's term of office, the members of the Commission must vote on the question of whether the Commission recommends that the justice or judge succeed himself or herself.*

8. *Not later than 6 weeks after the completion of the review by the Commission on Judicial Performance, the Commission shall prepare and release to the public a report that provides a summary of the findings of the Commission, the recommendation of the Commission on the question of whether the justice or judge should succeed himself or herself, the rationale for the recommendation and the result of the vote by which the Commission made the recommendation. The vote of an individual member of the Commission must not be disclosed to the public.*

9. *If the justice or judge receives the recommendations of 13 or more members of the Commission, that judge or justice shall automatically succeed himself or herself to a new term of office.*

10. *If the justice or judge receives the recommendation of at least 9, but fewer than 13 members of the Commission, shall not automatically succeed to a new term of office, that office shall be open for appointment through the Commission on Judicial Selection pursuant to Section 20 of this Article, but the justice or judge is eligible to seek reappointment to the next term through the Commission.*

11. *If fewer than 9 members of the Commission on Judicial Performance recommend that a justice or judge succeed himself or herself to a new term of office, that justice or judge shall be ineligible to seek reappointment to the next term through the Commission on Judicial Selection under Section 20 of this Article, but is not barred from seeking appointment in the future.*

12. *If a justice or judge does not declare an intent to succeed to a new term, a vacancy is created at the expiration of the term which must be filled by appointment pursuant to section 20 of this Article.*

13. *Notwithstanding a vacancy, an incumbent whose term has expired may hold over in office until the incumbent, or a new appointee, is confirmed and takes the oath of office for the next term, but in no event shall an incumbent whose term has expired hold over in office for more than 90 days after the expiration of the term.*

14. *In all instances, the term of a new or reappointed justice or judge shall begin after the occurrence of the vacancy and on the date the oath of office is taken, thus qualifying the individual to serve, but the appointment shall be forfeited if such oath is not taken within 30 days of confirmation.*

And, be it further

Resolved, That Section 3A of Article 6 of the Nevada Constitution be amended to read as follows:

Sec. 3A. 1. The court of appeals consists of three judges or such greater number as the Legislature may provide by law. If the number of judges is so increased, the Supreme Court must provide by rule for the assignment of each appeal to a panel of three judges for decision.

2. ~~After the initial terms, each judge of the court of appeals must be elected by the qualified electors of this State at the general election for a term of 6 years beginning on the first Monday of January next after the election. The initial three judges of the court of appeals must be appointed by the Governor from among three nominees selected for each individual seat by the permanent Commission on Judicial Selection described in subsection 3 of section 20 of this Article. After the expiration of 30 days from the date on which the permanent Commission on Judicial Selection has delivered to the Governor its list of nominees for the initial judges, if the Governor has not made the appointments required by this Section, the Governor shall make no other appointment to any public office until the Governor has appointed a judge from the list submitted. The term of the initial judges is 2 years beginning on the first Monday of January next after the effective date of this Section, and an initial judge may succeed himself. If there is an increase in the number of judges, each additional judge must be elected by the qualified electors of this State at the first general election following the increase for a term of 6 years beginning on the first Monday of January next after the election.~~

~~3.~~ The Chief Justice of the Supreme Court shall appoint one of the judges of the court of appeals to be chief judge. The chief judge serves a term of 4 years. ~~except that the term of the initial chief judge is 2 years.~~ The chief judge may succeed himself. The chief judge may resign the position of chief judge without resigning from the court of appeals.

~~4.~~ 3. The Supreme Court shall provide by rule for the assignment of one or more judges of the court of appeals to devote a part of their time to serve as supplemental district judges, where needed.

And, be it further

Resolved, That Section 5 of Article 6 of the Nevada Constitution be amended to read as follows:

Sec. 5. The State is hereby divided into nine judicial districts of which the County of Storey shall constitute the First; The County of Ormsby the Second; the County of Lyon the Third; The County of Washoe the Fourth; The Counties of Nye and Churchill the Fifth; The County of Humboldt the Sixth; The County of Lander the Seventh; The County of Douglas the Eighth; and the County of Esmeralda the Ninth. The County of Roop shall be attached to the County of Washoe for judicial purposes until otherwise provided by law. The Legislature may, however, provide by law for an alteration in the boundaries or divisions

of the districts herein prescribed, and also for increasing or diminishing the number of the judicial districts and judges therein. But no such change shall take effect, except in case of a vacancy, or the expiration of the term of an incumbent of the ~~office. At the first general election under this Constitution there shall be elected in each of the respective districts (except as in this Section hereafter otherwise provided) one district judge, who shall hold office from and including the first Monday of December A.D., eighteen hundred and sixty four and until the first Monday of January in the year eighteen hundred and sixty seven. MESSAGES FROM THE SENATE

SENATE CHAMBER, Carson City, April 22, 2019

To the Honorable the Assembly:

I have the honor to inform your honorable body that the Senate on this day adopted Senate Concurrent Resolution No. 7.

SHERRY RODRIGUEZ
Assistant Secretary of the Senate

MOTIONS, RESOLUTIONS AND NOTICES

Senate Concurrent Resolution No. 7.

Assemblyman Wheeler moved the adoption of the resolution.

ASSEMBLYMAN WHEELER:

I am honored today to present a proclamation for my friends from Taiwan and ask them to stand as I share a little about their visit to Nevada. I have with me Joseph Ma, the Director General, and Jessie Chin from the Taipei Economic and Cultural Office in San Francisco. Jessie was instrumental in setting up our visit to Taiwan and was diligent in her efforts to ensure we were all well-educated on all of the incredible things that are happening in Taiwan.

I would like to share a little history of our incredible and long-standing relationship for those who are new to our body. In an effort to protect significant United States security and commercial interests, in 1979, Taiwan and the U.S. formed a geopolitical and economic link that has bonded us as strong allies that share powerful commitments to the values of democracy, the rule of law, and free markets. This was particularly important to Nevada, because a sister statehood was established with Taiwan on October 24, 1985, to officially recognize the strengthening and fruitful partnership which was bolstered by a longstanding friendship based on trade and cultural exchange.

We continued to strengthen our sister statehood in 1991 in the form of two state seals to solidify our enduring bonds, and in 2016 with driving privileges being extended, and again today with a proclamation I am proud to present to my guests.

Jesse and Joseph, thank you for being here today and for all of your efforts to maintain a very strong professional and personal bond between our countries and our beautiful state.

Motion carried.

Resolution adopted and ordered transmitted to the Senate.

Assemblywoman Benitez-Thompson moved that Assembly Bills Nos. 62, 86, 216, and 406 be taken from the Chief Clerk's desk and placed at the top of the General File.

SECOND READING AND AMENDMENT

Assembly Bill No. 27.

Bill read second time.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 505.

AN ACT relating to contractors; **revising provisions governing cease and desist orders issued by the State Contractors' Board for acting as a contractor or submitting a bid on a job in this State without a license as a contractor; prescribing certain actions that the Board is required or authorized to take after issuance of such a cease and desist order;** authorizing a person who is issued a cease and desist order by the ~~State Contractors'~~ Board to contest the order within a certain period; setting forth the circumstances under which the order shall be deemed a final order of the Board; authorizing the Board to extend the time to contest the order for good cause shown; **providing a penalty;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, if the State Contractors' Board has reason to believe that a person has committed certain violations, the Board is required to issue, or authorize the issuance of, a written administrative citation to the person. If the citation includes any corrective action that must be taken, the citation must specifically describe that action. A person to whom the Board issues a citation may contest the citation within 15 business days after the citation is served upon the person. If a person does not contest a citation within that period, or if the Board does not extend that period, the citation shall be deemed a final order of the Board and not subject to review by any court or agency. (NRS 624.341, 624.345) Existing law also ~~authorizes~~ **requires** the Board to issue a cease and desist order to a person for ~~certain violations committed by the person.~~ **acting as a contractor or submitting a bid on a job in this State without a license as a contractor.** (NRS 624.212) **Section 1 of this bill revises provisions governing such cease and desist orders and sets forth the actions that the Board is required or authorized to take after issuing such an order. Such actions may include, without limitation: (1) confirming that a violation of the cease and desist order has occurred; (2) imposing written administrative citations and administrative fines; (3) requiring the person against whom a cease and desist order is issued to take certain actions to remedy the violation; and (4) vacating or clarifying the terms of a cease and desist order. Section 1.5 of this bill** amends the provisions of existing law which authorize a person to contest a written citation issued by the Board to include any cease and desist order issued by the Board.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 624.212 is hereby amended to read as follows:

624.212 1. The Executive Officer, on behalf of the Board, shall issue an order to cease and desist to any person:

- (a) Acting as a contractor, including, without limitation, commencing work as a contractor; or
- (b) Submitting a bid on a job situated in this State,

↪ without ~~[an active]~~ a valid license ~~[of the proper classification]~~ issued pursuant to this chapter. The order must be served personally or by certified mail and is effective upon receipt.

2. ~~If it appears that any person has engaged in acts or practices which constitute a violation of this chapter or the violation of an order issued pursuant to subsection 1, the Board may request the Attorney General, the district attorney of the county in which the alleged violation occurred or the district attorney of any other county in which that person maintains a place of business or resides to apply on behalf of the Board to the district court for an injunction restraining the person from acting in violation of this chapter. Upon a proper showing, a temporary restraining order, a preliminary injunction or a permanent injunction may be granted. The Board as plaintiff in the action is not required to prove any irreparable injury.~~

~~3. In seeking injunctive relief against any person for an alleged violation of NRS 624.700, it is sufficient to allege that the person did, upon a certain day and in a certain county of this State:~~

~~(a) Act as a contractor, including, without limitation, commence work as a contractor; or~~

~~(b) Submit a bid on a job situated in this State;~~

~~↪ without having an active license of the proper classification issued pursuant to this chapter, without alleging any further or more particular facts concerning the matter.~~

~~4. The issuance of a restraining order or an injunction does not relieve the person against whom the restraining order or injunction is issued from criminal prosecution for practicing without a license.~~

~~5.] After confirming that the cease and desist order has been received by the person to whom it was issued, the Board shall return to the job site or take any other action required to confirm that the terms of the cease and desist order have been complied with. The person to whom the cease and desist order was issued may, while in the course of stopping work on the job, take any necessary action within 48 hours after receiving the cease and desist order to protect the public, the project, any other contractors, laborers and equipment on the site and to limit the loss of any perishable goods.~~

~~3. If the Board determines that any term of a cease and desist order has not been complied with and no exception applies:~~

~~(a) The person to whom the cease and desist order was issued shall be deemed noncompliant with the cease and desist order and the person may not complete the project, except for taking any necessary action to protect the public, the project, any other contractors, laborers and equipment and to limit the loss of any perishable goods.~~

~~(b) Except as otherwise provided in paragraph (c), for a first violation, the Board shall issue a written administrative citation pursuant to NRS 624.341, which may include any reasonable investigatory fees and costs, conditioned upon the submission by the person of a bona fide application for the issuance~~

of a license pursuant to this chapter within a reasonable period established by the Board.

(c) For a second or subsequent violation, or for any first violation for which the reasonable value of the unlicensed work exceeds \$50,000, the Board shall:

(1) Report the violation of the cease and desist order to the appropriate district attorney for possible criminal prosecution pursuant to NRS 624.700; and

(2) Provide any reasonable assistance in the prosecution.

(d) The Board may apply for an injunctive relief pursuant to the Nevada Rules of Civil Procedure to enjoin the person to whom the cease and desist order was issued from continuing to violate the cease and desist order in any county in which the person may be found. If such an action is filed, irreparable injury is presumed and the likelihood of success on the merits may be established by a showing that, on the date the cease and desist order was issued, the person did not hold a valid license issued pursuant to this chapter and had bid for or undertaken work for which such a license is required.

4. If the Board determines that the person to whom the cease and desist order was issued has complied with the order, the Board:

(a) Shall issue an administrative citation pursuant to NRS 624.341 and impose an administrative fine against the person in accordance with NRS 624.710, in addition to any reasonable investigatory fees and costs; and

(b) May require the person to submit a bona fide application for the issuance of a license pursuant to this chapter within a reasonable period established by the Board.

5. When assessing an administrative fine pursuant to this section, the Board may:

(a) Require the person to whom the cease and desist order was issued to remedy any loss or damage caused by the unlicensed activity for which the order was issued, including, without limitation, the disgorgement of any amount of money collected from the owner of the project that was not for material delivered to the job site and that has not been damaged or altered by the person;

(b) Reduce or stay any administrative fine imposed pursuant to subsection 4 pending completion by the person of a program of training or an examination required by the Board; or

(c) Reduce or stay any administrative fine imposed pursuant to subsection 4 if the person obtains a valid license issued pursuant to this chapter.

6. When imposing an administrative fine pursuant to this section, the Board shall impose the maximum administrative fine established pursuant to this chapter for the unlicensed activity if more than one of the following circumstances exist:

(a) The person has previously committed the same or a similar violation as the violation for which the administrative fine is imposed;

- (b) The unlicensed activity involves more than one trade or craft;
- (c) The unlicensed activity resulted in harm to any person or property;
- (d) The unlicensed activity involved an elderly person or a person with a diagnosed physical or mental disability; or
- (e) The unlicensed activity was for a project having a contract value in excess of \$50,000.

7. Within 15 business days after receiving a cease and desist order, the person against whom the order was issued may petition the Board in writing to lift or alter the order. The petition may assert:

- (a) As an absolute defense:
 - (1) Licensure of the person pursuant to chapter 624 of NRS;
 - (2) Any applicable exception to licensure set forth in NRS 624.031; or
 - (3) Misidentification of the person.
- (b) As a partial defense:
 - (1) Overbreadth of any term of the cease and desist order;
 - (2) Vagueness or ambiguity of any term of the cease and desist order;
 - (3) Consideration of any necessary action taken by the person to protect the public, the project, any other contractors, laborers and any equipment on the job site and to limit any loss of perishable goods; or
 - (4) Any other defect in the terms of the cease and desist order.

8. After considering any assertion made in a petition pursuant to:

- (a) Paragraph (a) of subsection 7, the Board shall, if facts are established to the satisfaction of the Board to support the absolute defense asserted in the petition, vacate the cease and desist order or any portion thereof.
- (b) Paragraph (b) of subsection 7, the Board shall, if facts are established to the satisfaction of the Board to support the partial defense asserted in the petition, reasonably clarify any terms of the cease and desist order requested by the petitioner.

9. When considering an application for the issuance of a license pursuant to this chapter, the Board may consider:

- (a) Any cease and desist order issued against the applicant;
- (b) Compliance by the applicant with any cease and desist order issued against him or her;
- (c) Any criminal conviction of the applicant for failure to comply with any cease and desist order; or
- (d) The payment by the applicant of any criminal or administrative fine and any administrative fee or cost imposed against the applicant.

10. If the court finds that a person ~~willfully~~ violated an order issued pursuant to subsection 1 ~~1.5~~ without an established absolute defense set forth in paragraph (a) of subsection 7, it shall impose a fine of not less than \$250 nor more than \$1,000 for each violation of the order.

~~Section 1.1~~ Sec. 1.5. NRS 624.345 is hereby amended to read as follows:

624.345 1. A person who is issued a written citation pursuant to NRS 624.341 or an order to cease and desist pursuant to NRS 624.212 may contest

(b) The time allowed to take any corrective action ordered;

(c) The amount of any administrative fine ordered;

(d) The amount of any order to reimburse the Board for the expenses incurred to investigate the person; and

(e) Whether any corrective action described in the citation *or order* is reasonable.

3. If a person does not contest a citation issued pursuant to NRS 624.341 *or an order to cease and desist issued pursuant to NRS 624.212* within 15 business days after the date on which the citation *or order* is served on the person, or on or before such later date as specified by the Board pursuant to subsection 4, the citation *or order* shall be deemed a final order of the Board and not subject to review by any court or agency.

4. The Board may, for good cause shown, extend the time to contest a citation issued pursuant to NRS 624.341 ~~+~~ *or an order to cease and desist issued pursuant to NRS 624.212*.

5. For the purposes of this section ~~+~~ ~~a~~:

(a) *An order to cease and desist must be served in accordance with NRS 624.212.*

Amendment No. 392.

SUMMARY—Revises provisions related to ~~+~~ ~~domestic violence~~; **criminal justice**. (BDR 3-425)

AN ACT relating to ~~+~~ ~~domestic violence~~; **criminal justice**; revising the definition of domestic violence; ~~+~~ ~~providing a legislative declaration concerning stalking~~; increasing certain penalties relating to battery which constitutes domestic violence; imposing ~~+~~ ~~an administrative assessment~~; **a fee**

on certain unlawful acts that constitute domestic violence; requiring such ~~administrative assessments~~ fees to be deposited into the Account for Programs Related to Domestic Violence; revising the definition of stalking; increasing certain penalties related to stalking; **revising provisions relating to the crime of facilitating sex trafficking; revising provisions relating to the crime of assault; revising provisions relating to the crime of battery; adding additional persons to the list of persons who are prohibited from having on their possession or under their custody or control any firearm;** revising the duties and quorum requirements of the Committee on Domestic Violence; **revising provisions relating to the Office of Advocate for Missing or Exploited Children;** providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law sets forth certain unlawful acts that constitute domestic violence when committed against certain persons. (NRS 33.018) **Section 1** of this bill revises the unlawful acts that constitute domestic violence to include coercion, burglary, home invasion and pandering. **Section 1 also provides that such acts if committed by siblings against each other, unless those siblings are in a custodial or guardianship relationship, or such acts if committed by cousins against each other, unless those cousins are in a custodial or guardianship relationship, do not constitute domestic violence. Section 22 of this bill makes a conforming change.**

~~Existing law prohibits certain conduct which is defined as the crime of stalking. (NRS 200.575) Section 9 of this bill provides a legislative declaration concerning certain findings regarding stalking.~~

~~Existing law provides that during the penalty hearing of a defendant who has been found guilty or guilty but mentally ill of murder of the first degree, the State generally may introduce evidence of certain additional aggravating circumstances. The jury may only impose a sentence of death if it finds at least one aggravating circumstance and finds that no mitigating circumstances exist which are sufficient to outweigh any aggravating circumstance that is found. (NRS 175.552, 175.554) Existing law sets forth the circumstances by which murder of the first degree may be aggravated. (NRS 200.033) Section 10 of this bill adds an additional circumstance where the murder involved an act that constitutes domestic violence, the victim was pregnant at the time of the murder and the defendant knew or should have known that the victim was pregnant.~~

Existing law authorizes a court to order the videotaping of a deposition under certain circumstances. (NRS 174.227) Existing law also authorizes, under certain circumstances, the use of such a videotaped deposition instead of the deponent's testimony at trial. (NRS 174.228) Section 2 of this bill authorizes the court to order the videotaping of a deposition of a victim of facilitating sex trafficking. Section 3 of this bill makes a conforming change to allow such a videotaped deposition to be used instead of the deponent's testimony at trial.

When a person is convicted of battery that constitutes domestic violence, existing law requires the court to order the person to pay an administrative assessment of \$35 to be deposited in the Account for Programs Related to Domestic Violence. (NRS 200.485) ~~{Sections 12 14, 17, 19 and 23 35}~~ **Section 3.5** of this bill ~~{require}~~ **requires** the court to order ~~{such an administrative assessment}~~ **a \$35 fee to be paid and deposited into the Account for Programs Related to Domestic Violence** if a person is convicted of certain unlawful acts that constitute domestic violence ~~. It including, sexual assault, false imprisonment, assault, stalking, pandering, burglary, home invasion, coercion, trespassing and certain provisions related to arson and larceny and unlawful acts related to injuring or killing an animal.~~ **Section 3.5 requires the court to enter a finding of fact that a person has committed an act that constitutes domestic violence in such a person's judgment of conviction. Section 3.5 also requires the court to order such a person to attend such counseling sessions relating to the treatment of persons who commit domestic violence under certain circumstances.** **Section 40** of this bill requires such ~~{administrative assessments}~~ **fees** to be deposited with the State Controller for credit to the Account.

Under existing law, a person convicted of a battery which constitutes domestic violence, for the first offense, is guilty of a misdemeanor and shall be punished by: (1) imprisonment in a city or county jail or detention center for not less than 2 days, but not more than 6 months; (2) community service; and (3) a fine of not less than \$200 and not more than \$1,000. Existing law authorizes a court to impose the term of imprisonment intermittently, except that each period of confinement cannot last less than 4 consecutive hours and cannot be served when the person is required to be at his or her place of employment. (NRS 200.485) **Section 15** of this bill ~~{increases the fine to \$400 and}~~ requires the court to impose intermittent confinement of not less than ~~{2}~~ **12** consecutive ~~{days regardless of whether the person is required to be at his or her place of employment}~~ **hours** for the first offense of such an act.

Additionally, under existing law, a person convicted for his or her second offense of battery which constitutes domestic violence is guilty of a misdemeanor and is required to be imprisoned in a city or county jail or detention facility for not less than 10 days and not more than 6 months and pay a fine of **not less than \$500, or more than \$1,000.** (NRS 200.485) **Section 15** increases the minimum term of imprisonment to ~~{30}~~ **20** days ~~. and increases the fine to \$750.~~

Under existing law, a person convicted for his or her third or any subsequent offense of battery which constitutes domestic violence is guilty of a category C felony. (NRS 200.485) **Section 15** increases the penalty for such an act to a category B felony.

~~{Under existing law, a person convicted of battery which constitutes domestic violence where the battery was committed by strangulation is guilty of a category C felony and a fine of not more than \$15,000, if authorized by the court. Existing law provides that any person who has previously been convicted of a battery which constitutes domestic violence that is punishable as a felony or a conviction for a similar felony of another state and who commits a battery that constitutes domestic violence is guilty of a category B felony. (NRS 200.485) Section 15 instead provides that a person who has previously been convicted of any felony that constitutes domestic violence or a similar offense in another state and who commits a battery which constitutes domestic violence is guilty of a category B felony.

Section 15 also provides a penalty for a battery which constitutes domestic violence where the act was committed against a victim who was pregnant at the time of such a battery. Under section 15, a person who commits such a battery: (1) for the first ~~for second~~ offense is guilty of a gross misdemeanor; and (2) for the ~~third~~ second or any subsequent offense is guilty of a category B felony and authorizes the court to impose a minimum fine of not less than \$1,000 and not more than ~~\$15,000. Section 15 also provides that if a person is convicted of a battery which constitutes domestic violence, where such a battery causes substantial bodily harm to the victim, the person: (1) is guilty of a category B felony; and (2) the court is authorized to impose a fine of \$1,000 to \$15,000. ~~[Section 15 further requires a court to consider the presence of a child during the commission of a battery that constitutes domestic violence as an aggravating factor in determining the sentence of such a person.]~~

Existing law provides that a person is guilty of: (1) a category D felony if the person commits an assault upon an officer; and (2) a category B felony if the person commits an assault upon an officer with the use of a deadly weapon or the present ability to use a deadly weapon. (NRS 200.471) Existing law also provides that a person is guilty of: (1) a category B felony if the person commits a battery upon an officer which causes substantial bodily harm or is committed by strangulation; and (2) a gross misdemeanor if the person commits a battery upon an officer and the person knew or should have known that the victim was an officer. (NRS 200.481) Sections 14 and 14.5 of this bill revise the definition of "officer" for such purposes to include a prosecuting attorney of an agency or political subdivision of the United States or of this State.

Existing law provides that a person who, without lawful authority, willfully or maliciously engages in conduct that would cause a reasonable person to feel terrorized, frightened, intimidated, harassed or fearful for the immediate safety of a family or household member, and the conduct actually causes the victim to feel such emotions, is guilty of the crime of stalking. Existing law makes

such a crime punishable as a misdemeanor for the first offense, and as a gross misdemeanor for any subsequent offense. (NRS 200.575) **Section 17** of this bill revises the definition of stalking to: (1) provide that the course of conduct must be directed at the victim; and (2) clarify that the conduct would cause the victim to be fearful of his or her immediate safety. **Section 17** also increases the penalty for a third or any subsequent offense of stalking to a category C felony and authorizes a court to impose a fine of not more than \$5,000. **Section 17 also provides that if the crime of stalking is committed against a victim who is under the age of 16 and the person is 5 or more years older than the victim: (1) for the first offense, the person is guilty of a gross misdemeanor; (2) for the second offense, the person is guilty of a category C felony and may be further punished by a fine of not more than \$5,000; and (3) for a third or any subsequent offense, the person is guilty of a category B felony and may be further punished by a fine of not more than \$5,000.**

Existing law authorizes a court to impose an additional fine of \$500,000 on certain persons who are convicted of sex trafficking or living from earnings of a prostitute. (NRS 201.352) Section 21 of this bill similarly authorizes a court to impose an additional fine of \$500,000 on a person convicted of facilitating sex trafficking.

Existing law prohibits certain persons from owning or having in their possession or under their custody or control any firearm. A person who violates such a provision is guilty of a category B felony. (NRS 202.360) Section 22 of this bill adds to the list of such persons, a person who has been convicted in this State of a misdemeanor that constitutes domestic violence or a violation of the law of any other jurisdiction which prohibits the same or similar conduct.

Existing law provides for the compensation of certain victims of crime. (NRS 217.010-217.270) Section 38 and 39 of this bill expand the definition of “victim” to include victims of the crime of facilitating sex trafficking so that such persons may be compensated under certain circumstances.

Existing law requires the Attorney General to appoint a Committee on Domestic Violence whose duties include, among other things: (1) increasing awareness of domestic violence within the State; and (2) reviewing certain programs related to the treatment of persons who commit domestic violence and making recommendations concerning those programs to the Division of Public and Behavioral Health of the Department of Health and Human Services. Existing law also requires a quorum of six members of the Committee for voting purposes. (NRS 228.470) **Section 41** of this bill: (1) eliminates the duty to review and make recommendations concerning such treatment programs; (2) requires a quorum of six members for all purposes; and (3) authorizes the Committee to adopt regulations necessary to carry out its duties.

Under existing law, the duties of the Office of Advocate for Missing or Exploited Children of the Office of the Attorney General include

investigating and prosecuting any alleged crime involving the exploitation of children. (NRS 432.157) Section 42 of this bill expands the Office's duties to include investigating and prosecuting the crime of facilitating sex trafficking involving children.

(NRS 241.037) Section 9 of this bill tolls the statutes of limitations for filing these actions if the Attorney General issues a finding that a violation of the Open Meeting Law occurred before the expiration of the statutes of limitations.~~

Legislative Counsel's Digest:

Senate Bill No. 377 of the 2017 Legislative Session created the Nevada Right to Counsel Commission consisting of 13 voting members appointed by the Governor, the Legislature and the Nevada Supreme Court. The Chief Justice of the Supreme Court or his or her designee was to serve as an ex officio nonvoting member of the Commission. The Commission was charged with conducting a study during the 2017-2019 interim concerning issues relating to the provision of legal representation of indigent persons in criminal cases in this State. (Chapter 460, Statutes of Nevada 2017, p. 2940) The Commission is set to expire on July 1, 2019. In its place, **section 6** of this bill creates ~~the~~ the Board on Indigent Defense Services ~~with~~ and designates the manner in which members must be appointed. ~~[in the same manner as the Commission, except that: (1) no member may be a Legislator or other state officer or employee; and (2) the Governor may appoint up to two additional nonvoting members.]~~ Members of the Board serve without compensation, except for per diem allowance and travel expenses. **Section 7** of this bill provides for the organization of the Board, whose voting members will serve for terms of ~~2~~ 3 years and may be reappointed. Voting members may be removed by the

Governor for incompetence, neglect of duty and certain acts. **Section 8** of this bill sets forth the duties of the Board, which include overseeing the Executive Director of the Office of Indigent Defense Services, which is created in **section 9** of this bill within the Office of the Governor. The Executive Director of the Office serves at the pleasure of the Board. The Board is required to review information concerning indigent defense services in the State and establish: (1) minimum standards for the delivery of indigent defense services; and (2) procedures for receiving and resolving complaints concerning the provision of indigent defense services. The Board is further required to establish standards for providing indigent defense services, which include continuing education requirements for attorneys who provide indigent defense services, uniform tracking of information by such attorneys and guidelines for maximum caseloads of such attorneys. **Section 8** further requires the Board to work with the Dean of the William S. Boyd School of Law of the University of Nevada, Las Vegas, to determine incentives to recommend offering law students and attorneys to encourage them to provide indigent defense services, especially in rural areas of the State.

Section 10 of this bill establishes the duties of the Executive Director of the Office of Indigent Defense Services, which include overseeing the functions of the Office, serving as Secretary of the Board, reporting to the Board regarding the work of the Office, developing the budget for the Office and preparing an annual report for submission to the Nevada Supreme Court, the Legislature and the Governor.

Section 11 of this bill requires the Executive Director to select two deputy directors. **Section 12** of this bill makes one deputy director responsible for overseeing the provision of indigent defense services in certain smaller counties. This includes having oversight of the State Public Defender, who is moved from the Department of Health and Human Services to the Office of Indigent Defense Services in **sections 17-19, 21 and 24-26** of this bill. In addition, **section 12** charges this deputy director with determining whether attorneys are eligible to provide indigent defense services in accordance with the requirements established by the Board. This deputy director will also develop and provide continuing legal education programs for attorneys who provide indigent defense services and identify and encourage best practices for delivering effective indigent defense services.
