

**THE TWENTY-SIXTH DAY**

---

CARSON CITY (Friday), March 1, 2019

Senate called to order at 11:06 a.m.

President Marshall presiding.

Roll called.

All present except Senator Spearman, who was excused.

Prayer by the Chaplain, Reverend JJ Tuttle.

Eternal God, we give You thanks for giving us another day. On this day, we ask Your blessing on the men and women, residents all, whose votes have populated this people's Senate. Each Member of this Senate has been given the sacred duty of representing each of them. We ask Your blessing, as well, on the Members of this Senate whose responsibilities lie also beyond the local interests of their constituents while honoring them. Give each Member the wisdom to represent both local and statewide interests, a responsibility calling for the wisdom of Solomon. Grant them, if You will, a double portion of such wisdom.

Bless us this day and every day, and may all that is done within the people's House be for Your greater honor and glory.

AMEN.

Pledge of Allegiance to the Flag.

By previous order of the Senate, the reading of the Journal is dispensed with, and the President and Secretary are authorized to make the necessary corrections and additions.

*To the Honorable the Senate:*

I have the honor to inform your honorable body that the Assembly on this day adopted Assembly Concurrent Resolution No. 5.

CAROL AIELLO-SALA

*Assistant Chief Clerk of the Assembly*

#### MOTIONS, RESOLUTIONS AND NOTICES

Assembly Concurrent Resolution No. 5.

Senator Atkinson moved the adoption of the resolution.

Remarks by Senators Atkinson and Settlemeyer.

SENATOR ATKINSON:

Today commemorates that our great State was the first to ratify the 15th Amendment of the *United States Constitution* 150 years ago. In 1868, four years after our State had joined the Union, William M. Stewart, United States Senator from our State, recognized a problem. Only some states allowed the newly-freed, African-American men to vote. He prepared an amendment to declare "the right of citizens of the United States to vote shall not be denied or abridged by the United States or by any State on account of race, color or previous condition of servitude." Senator Stewart passionately argued and advocated the amendment to the Constitution was necessary to guarantee each man the right to protect his own liberty. On February 25th, the United States House, and on February 26th, the United States Senate approved the language of the 15th Amendment be added upon ratification of the State. At the time it was ratified, Article 2 of the *Nevada Constitution* restricted voting to every white male citizen. The word "white" would not be removed for another decade.

As the Nevada Legislature was in Session in 1869, Senator Stewart wanted the State of Nevada to become the first state to ratify the amendment. On March 1, 1869, the fourth Legislative Session passed a joint resolution to ratify the 15th Amendment. By the end of the week, six other states ratified the resolution. By the end of the month, five more had ratified it. On February 3, 1870, the amendment received enough ratifications to be added to the Constitution.

I would like to thank the leaders of both Houses who signed this resolution. We are often spoken of as being last as a state, but we were first in this. We can be proud of that. I would like to thank the Body for helping me recognize this historic moment in our history. I am proud to say 150 years ago we were the first. I would like to recognize the Speaker of the Assembly who brought this to my attention. We felt it was appropriate to recognize this event. We would have liked to have done this at the end of February. It is now the beginning of March, and it is never too late as this is the actual date on which it occurred. I hope you will support me in approving Assembly Concurrent Resolution No. 5.

SENATOR SETTELMAYER:

I rise in support of Assembly Concurrent Resolution No. 5. I am grateful the Senator from District 4 reached out to me with the concept of signing on to this resolution. It was my privilege to do so. It is phenomenal we were the first on the best list rather than being at the end. It is also fascinating to do the research that sadly shows some states have still not ratified this amendment. Others, such as Tennessee, ratified it as recently as 1997. I rise in support of this resolution.

Resolution adopted.

Resolution ordered transmitted to the Assembly.

GUESTS EXTENDED PRIVILEGE OF SENATE FLOOR

On request of Senator Cannizzaro, the privilege of the floor of the Senate Chamber for this day was extended to Malcom Gordon, Devin Howard, Max Rees, Allie Ryerson and Kayla Salehian.

Senator Atkinson moved that the Senate adjourn until Monday, March 4, 2019, at 11:00 a.m.

Motion carried.

Senate adjourned at 11:53 a.m.

Approved:

KATE MARSHALL  
*President of the Senate*

Attest: CLAIRE J. CLIFT  
*Secretary of the Senate*
