THIRD REPRINT

A.B. 129

ASSEMBLY BILL NO. 129—ASSEMBLYWOMEN MUNK;
BENITEZ-THOMPSON AND MONROE-MORENO

FEBRUARY 12, 2019

Referred to Committee on Health and Human Services

SUMMARY—Requires certain first responders to receive certain training concerning persons with developmental disabilities. (BDR 40-157)

FISCAL NOTE: Effect on Local Government: May have Fiscal Impact.
Effect on the State: Yes.

~

EXPLANATION – Matter in *bolded italics* is new; matter between brackets ~~omitted material~~ is material to be omitted.

AN ACT relating to emergency response; requiring certain first responders to receive training concerning identifying and interacting with persons with developmental disabilities; providing that receiving such training does not change the standard of care for which such first responders are responsible; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for the licensure of ambulance attendants and firefighters and the certification of emergency medical technicians, advanced emergency medical technicians, paramedics and peace officers. (NRS 289.550, 450B.160, 450B.180) **Sections 2, 4 and 11** of this bill require each applicant for such licensure or certification to complete training concerning persons with developmental disabilities before initial licensure or certification, as applicable. **Sections 1, 3, 5-10 and 12** of this bill make conforming changes. **Section 13** of this bill requires a person who, on October 1, 2019, is licensed as an ambulance attendant or firefighter or certified as an emergency medical technician, advanced emergency medical technician, paramedic or peace officer to submit proof on or before October 1, 2020, that he or she has completed the additional training concerning persons with developmental disabilities required by **section 2, 4 or 11**.

Section 10.5 of this bill provides that a person who is required to complete training concerning persons with developmental disabilities shall not be held to a higher standard of care and does not have a duty greater than had he or she not received the training with respect to the identification, diagnosis or treatment of a developmental disability.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 **Section 1.** NRS 450B.064 is hereby amended to read as
2 follows:

3 450B.064 “Emergency medical services registered nurse”
4 means a registered nurse who is issued a certificate to serve as an
5 attendant by the State Board of Nursing pursuant to subsection ~~8~~ 9
6 of NRS 450B.160.

7 **Sec. 2.** NRS 450B.160 is hereby amended to read as follows:

8 450B.160 1. The health authority may issue licenses to
9 attendants and to firefighters employed by or serving as volunteers
10 with a fire-fighting agency.

11 2. Each license must be evidenced by a card issued to the holder
12 of the license, is valid for a period not to exceed 2 years and is
13 renewable.

14 3. An applicant for a license must file with the health authority:

15 (a) A current, valid certificate evidencing the applicant’s
16 successful completion of a program of training as an emergency
17 medical technician, advanced emergency medical technician or
18 paramedic, if the applicant is applying for a license as an attendant,
19 or, if a volunteer attendant, at a level of skill determined by the board.

20 (b) A current valid certificate evidencing the applicant’s
21 successful completion of a program of training as an emergency
22 medical technician, advanced emergency medical technician or
23 paramedic, if the applicant is applying for a license as a firefighter
24 with a fire-fighting agency.

25 (c) A signed statement showing:

26 (1) The name and address of the applicant;

27 (2) The name and address of the employer of the applicant;

28 and

29 (3) A description of the applicant’s duties.

30 (d) *Proof that the applicant has completed the training required*
31 *by subsection 4.*

32 (e) Such other certificates for training and such other items as the
33 board may specify.

34 4. *In addition to the training required by subsection 3, each*
35 *applicant for a license must complete training concerning*
36 *identifying and interacting with persons with developmental*
37 *disabilities.*

38 5. The board shall adopt such regulations as it determines are
39 necessary for the issuance, suspension, revocation and renewal of
40 licenses.

1 ~~5~~ 6. Each operator of an ambulance or air ambulance and
2 each fire-fighting agency shall annually file with the health authority
3 a complete list of the licensed persons in its service.

4 ~~6~~ 7. Licensed physicians, registered nurses and licensed
5 physician assistants may serve as attendants without being licensed
6 under the provisions of this section. A registered nurse who performs
7 emergency care in an ambulance or air ambulance shall perform the
8 care in accordance with the regulations of the State Board of Nursing.
9 A licensed physician assistant who performs emergency care in an
10 ambulance or air ambulance shall perform the care in accordance with
11 the regulations of the Board of Medical Examiners.

12 ~~7~~ 8. Each licensed physician, registered nurse and licensed
13 physician assistant who serves as an attendant must have current
14 certification of completion of training in:

15 (a) Advanced life-support procedures for patients who require
16 cardiac care;

17 (b) Life-support procedures for pediatric patients who require
18 cardiac care; and

19 (c) Life-support procedures for patients with trauma that are
20 administered before the arrival of those patients at a hospital.

21 ↪ The certification must be issued by the Board of Medical
22 Examiners for a physician or licensed physician assistant or by the
23 State Board of Nursing for a registered nurse.

24 ~~8~~ 9. The Board of Medical Examiners and the State Board of
25 Nursing shall issue a certificate pursuant to subsection ~~7~~ 8 if the
26 licensed physician, licensed physician assistant or registered nurse
27 attends:

28 (a) A course offered by a national organization which is
29 nationally recognized for issuing such certification;

30 (b) Training conducted by the operator of an ambulance or air
31 ambulance; or

32 (c) Any other course or training,
33 ↪ approved by the Board of Medical Examiners or the State Board
34 of Nursing, whichever is issuing the certification.

35 **10. As used in this section, "developmental disability" has the**
36 **meaning ascribed to it in NRS 435.007.**

37 **Sec. 3.** NRS 450B.171 is hereby amended to read as follows:

38 450B.171 Except as otherwise provided in this chapter,
39 unlicensed relatives of a sick or injured patient and other persons may
40 ride in an ambulance if there are two attendants in the ambulance,
41 each of whom is licensed pursuant to this chapter or exempt from
42 licensing pursuant to subsection ~~6~~ 7 of NRS 450B.160.

43 **Sec. 4.** NRS 450B.180 is hereby amended to read as follows:

44 450B.180 1. Any person desiring certification as an
45 emergency medical technician, advanced emergency medical

1 technician or paramedic must apply to the health authority using
2 forms prescribed by the health authority.

3 2. The health authority, pursuant to regulations and procedures
4 adopted by the board, shall make a determination of the applicant's
5 qualifications to be certified as an emergency medical technician,
6 advanced emergency medical technician or paramedic and shall issue
7 the appropriate certificate to each qualified applicant.

8 3. A certificate is valid for a period not exceeding 2 years and
9 may be renewed if the holder of the certificate complies with the
10 provisions of this chapter and meets the qualifications set forth in the
11 regulations and standards established by the board pursuant to this
12 chapter. The regulations and standards established by the board must
13 provide for the completion of ~~fa~~:

14 (a) A course of instruction, within 2 years after initial ~~licensure,~~
15 *certification*, relating to the medical consequences of an act of
16 terrorism that involves the use of a weapon of mass destruction. The
17 course must provide at least 4 hours of instruction that includes
18 instruction in the following subjects:

19 ~~(a)~~ (1) An overview of acts of terrorism and weapons of mass
20 destruction;

21 ~~(b)~~ (2) Personal protective equipment required for acts of
22 terrorism;

23 ~~(c)~~ (3) Common symptoms and methods of treatment
24 associated with exposure to, or injuries caused by, chemical,
25 biological, radioactive and nuclear agents;

26 ~~(d)~~ (4) Syndromic surveillance and reporting procedures for
27 acts of terrorism that involve biological agents; and

28 ~~(e)~~ (5) An overview of the information available on, and the use
29 of, the Health Alert Network.

30 ➔ The board may thereafter determine whether to establish
31 regulations and standards requiring additional courses of instruction
32 relating to the medical consequences of an act of terrorism that
33 involves the use of a weapon of mass destruction.

34 (b) *Training before initial certification concerning identifying
35 and interacting with persons with developmental disabilities.
36 Training completed pursuant to this paragraph also satisfies the
37 requirement for such training prescribed by NRS 450B.160 or
38 section 11 of this act, if applicable.*

39 4. The health authority may suspend or revoke a certificate if it
40 finds that the holder of the certificate no longer meets the prescribed
41 qualifications. Unless the certificate is suspended by the district court
42 pursuant to NRS 425.540, the holder of the certificate may appeal the
43 suspension or revocation of his or her certificate pursuant to
44 regulations adopted by the board.

1 5. The board shall determine the procedures and techniques
2 which may be performed by an emergency medical technician,
3 advanced emergency medical technician or paramedic.

4 6. A certificate issued pursuant to this section is valid throughout
5 the State, whether issued by the Division or a district board of health.

6 7. The Division shall maintain a central registry of all
7 certificates issued pursuant to this section, whether issued by the
8 Division or a district board of health.

9 8. The board shall adopt such regulations as are necessary to
10 carry out the provisions of this section.

11 9. As used in this section:

12 (a) "Act of terrorism" has the meaning ascribed to it in
13 NRS 202.4415.

14 (b) "Biological agent" has the meaning ascribed to it in
15 NRS 202.442.

16 (c) "Chemical agent" has the meaning ascribed to it in
17 NRS 202.4425.

18 (d) *"Developmental disability" has the meaning ascribed to it in*
19 *NRS 435.007.*

20 (e) "Radioactive agent" has the meaning ascribed to it in
21 NRS 202.4437.

22 ~~(e)~~ (f) "Weapon of mass destruction" has the meaning ascribed
23 to it in NRS 202.4445.

24 **Sec. 5.** NRS 450B.1905 is hereby amended to read as follows:

25 450B.1905 1. A program of training for certification as an
26 emergency medical technician must be:

27 (a) Supervised by a physician and approved by the health
28 authority; or

29 (b) Presented by a national organization which is nationally
30 recognized for providing such training and approved by the board.

31 2. A program of training for certification as an emergency
32 medical technician must follow the curriculum or educational
33 standards prepared by the United States Department of
34 Transportation as a national standard for emergency medical
35 technicians.

36 3. The board may adopt regulations which prescribe other
37 requirements of training for certification as an emergency medical
38 technician.

39 4. An owner of an ambulance shall not offer emergency medical
40 care to a patient in urgent need of medical care or observation unless
41 the attendant has successfully completed a program of training for
42 certification as an emergency medical technician or is exempt,
43 pursuant to subsection ~~(e)~~ 7 of NRS 450B.160, from the requirement
44 to obtain that training.

1 5. The board may by regulation prescribe additional
2 requirements for receiving and maintaining certification as an
3 emergency medical technician. The curriculum or educational
4 standards for training must be:

5 (a) At the level of advanced first aid; or

6 (b) At least equivalent to any curriculum or educational standards
7 prepared by the Department of Transportation as a national standard
8 for emergency medical technicians.

9 **Sec. 6.** NRS 450B.191 is hereby amended to read as follows:

10 450B.191 1. A program of training for certification as an
11 advanced emergency medical technician must be supervised by a
12 licensed physician and approved by the health authority.

13 2. A program of training for certification as an advanced
14 emergency medical technician must include an approved curriculum
15 in intravenous therapy and the management of a passage for air to the
16 lungs. Only a certified emergency medical technician with experience
17 as established by the board is eligible for this training.

18 3. In order to maintain certification, each advanced emergency
19 medical technician must annually:

20 (a) Comply with the requirements established by the board for
21 continuing medical education; and

22 (b) Demonstrate his or her skills as required by regulation of the
23 board.

24 4. The board may by regulation prescribe the curriculum and
25 other requirements for training and maintaining certification as an
26 advanced emergency medical technician. The curriculum must be at
27 least equivalent to any curriculum or educational standards prepared
28 by the United States Department of Transportation as a national
29 standard for advanced emergency medical technicians.

30 5. A person shall not represent himself or herself to be an
31 advanced emergency medical technician unless the person has on file
32 with the health authority a currently valid certificate demonstrating
33 successful completion of the program of training required by this
34 section.

35 6. Except as authorized by subsection ~~6~~ 7 of NRS 450B.160,
36 an attendant or firefighter shall not perform, and the owner, operator,
37 director or chief officer of an ambulance or a fire-fighting agency
38 shall not offer, emergency care as an advanced emergency medical
39 technician without fulfilling the requirements established by the
40 board.

41 **Sec. 7.** NRS 450B.195 is hereby amended to read as follows:

42 450B.195 1. Only a certified emergency medical technician
43 with experience as established by the board is eligible for training as
44 a paramedic.

1 2. A program of training for certification as a paramedic must be
2 supervised by a licensed physician and approved by the health
3 authority.

4 3. To maintain certification, each paramedic must annually:

5 (a) Comply with the requirements established by the board for
6 continuing medical education; and

7 (b) Demonstrate his or her skills as required by regulation of the
8 board.

9 4. The board may by regulation prescribe the curriculum and
10 other requirements for training and maintaining certification as a
11 paramedic. The curriculum must be at least equivalent to any
12 curriculum or educational standards prepared by the United States
13 Department of Transportation as a national standard for paramedics.

14 5. A person shall not represent himself or herself to be a
15 paramedic unless the person has on file with the health authority a
16 currently valid certificate evidencing the person's successful
17 completion of the program of training required by this section.

18 6. Except as authorized by subsection ~~6~~ 7 of NRS 450B.160,
19 an attendant or firefighter shall not perform, and the owner, operator,
20 director or chief officer of an ambulance or a fire-fighting agency
21 shall not offer, emergency care as a paramedic without fulfilling the
22 requirements established by the board.

23 **Sec. 8.** NRS 450B.260 is hereby amended to read as follows:

24 450B.260 1. Except as otherwise provided in this section, the
25 public or private owner of an ambulance or air ambulance or a fire-
26 fighting agency which owns a vehicle used in providing medical care
27 to sick or injured persons at the scene of an emergency or while
28 transporting those persons to a medical facility shall not permit its
29 operation and use by any person not licensed under this chapter.

30 2. An ambulance carrying a sick or injured patient must be
31 occupied by a driver and an attendant, each of whom is licensed as an
32 attendant pursuant to this chapter or exempt from licensing pursuant
33 to subsection ~~6~~ 7 of NRS 450B.160, except as otherwise provided
34 in subsection 5 or in geographic areas which may be designated by
35 the board and for which the board may prescribe lesser qualifications.

36 3. An air ambulance carrying a sick or injured patient must be
37 occupied by a licensed attendant, or a person exempt from licensing
38 pursuant to subsection ~~6~~ 7 of NRS 450B.160, in addition to the pilot
39 of the aircraft.

40 4. The pilot of an air ambulance is not required to have a license
41 under this chapter.

42 5. A person who operates or uses a vehicle owned by a fire-
43 fighting agency is not required to be licensed under this chapter,
44 except that such a vehicle may not be used to provide the level of

1 medical care provided by an advanced emergency medical technician
2 or paramedic to sick or injured persons:

3 (a) At the scene of an emergency unless at least one person in the
4 vehicle is licensed to provide the care; or

5 (b) While transporting those persons to a medical facility unless
6 at least two persons in the vehicle are licensed to provide the care.

7 6. Nothing in this section precludes the operation of an aircraft
8 in this State in a manner other than as an air ambulance.

9 **Sec. 9.** NRS 450B.655 is hereby amended to read as follows:

10 450B.655 “Dedicated advanced life support ambulance” means
11 an ambulance equipped to provide advanced life support that:

12 1. Is capable of transporting a patient from a special event to a
13 hospital but, upon delivering the patient, immediately returns to the
14 site of the special event; and

15 2. Is staffed by:

16 (a) At least one licensed attendant who is an emergency medical
17 technician and one licensed attendant who is a paramedic; or

18 (b) At least two other attendants, each with an equivalent or a
19 higher level of skill than the levels described in paragraph (a) and
20 each of whom is licensed pursuant to this chapter or exempt from
21 licensure pursuant to subsection ~~6~~ 7 of NRS 450B.160.

22 **Sec. 10.** NRS 450B.660 is hereby amended to read as follows:

23 450B.660 “First-aid station” means a fixed location at the site of
24 a special event that is staffed by:

25 1. At least one licensed attendant who is an emergency medical
26 technician, advanced emergency medical technician or paramedic; or

27 2. A person with a higher level of skill than the levels described
28 in subsection 1 who is capable of providing emergency medical care
29 within his or her scope of practice and is licensed pursuant to this
30 chapter or exempt from licensure pursuant to subsection ~~6~~ 7 of
31 NRS 450B.160.

32 **Sec. 10.5.** Chapter 41 of NRS is hereby amended by adding
33 thereto a new section to read as follows:

34 *An attendant, firefighter employed by or serving as a volunteer*
35 *with a fire-fighting agency, an emergency medical technician,*
36 *advanced emergency medical technician, paramedic or a peace*
37 *officer who has received the training required pursuant to NRS*
38 *450B.160 or 450B.180 or section 11 of this act shall not be held to*
39 *a higher standard of care and does not have a duty greater than had*
40 *he or she not received the training with respect to the identification,*
41 *diagnosis or treatment of a developmental disability.*

42 **Sec. 11.** Chapter 289 of NRS is hereby amended by adding
43 thereto a new section to read as follows:

44 *1. The Peace Officers’ Standards and Training Commission*
45 *shall require, as a condition of the certification of each peace*

1 *officer, the completion of training concerning identifying and*
2 *interacting with persons with developmental disabilities.*

3 2. *Training completed pursuant to this section also satisfies the*
4 *requirement for such training prescribed by NRS 450B.160 or*
5 *450B.180, if applicable.*

6 3. *As used in this section, “developmental disability” has the*
7 *meaning ascribed to it in NRS 435.007.*

8 **Sec. 12.** NRS 289.450 is hereby amended to read as follows:

9 289.450 As used in NRS 289.450 to 289.650, inclusive, *and*
10 *section 11 of this act*, unless the context otherwise requires, the words
11 and terms defined in NRS 289.460 to 289.490, inclusive, have the
12 meanings ascribed to them in those sections.

13 **Sec. 13.** A person who, on October 1, 2019, is:

14 1. Licensed as an attendant or firefighter pursuant to
15 NRS 450B.160;

16 2. Certified as an emergency medical technician, advanced
17 emergency medical technician or paramedic pursuant to NRS
18 450B.180; or

19 3. Certified as a peace officer pursuant to chapter 289 of NRS,
20 ↪ must submit on or before October 1, 2020, proof that he or she has
21 completed the training required, as applicable, by subsection 4 of
22 NRS 450B.160, as amended by section 2 of this act, paragraph (b) of
23 subsection 3 of NRS 450B.180, as amended by section 4 of this act,
24 or section 11 of this act.
