EXPLANATION – Matter in *bolded italics* is new; matter between brackets ~~omitted material~~ is material to be omitted.

AN ACT relating to motor vehicles; requiring the Department of Motor Vehicles to make certain efforts to provide employees who are fluent in certain languages at offices of the Department in certain circumstances; requiring the Department to provide certain services to document preparation services and the clients of document preparation services in certain circumstances; requiring the Secretary of State, the Attorney General or the district attorney to notify the Department of certain actions taken regarding a document preparation service; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

1 Under federal law, certain voting materials must be provided in a language
2 other than English in certain political subdivisions if more than 5 percent of the
3 citizens of voting age in the subdivision are members of a single language minority
4 and are limited-English proficient. (52 U.S.C. § 10503) **Section 1.3** of this bill
5 requires the Department of Motor Vehicles, in any office of the Department located
6 in a county where federal law requires voting materials in a language other than
7 English, to make every effort to provide at least one employee who is fluent in the
8 language of the relevant single language minority.

9 Existing law requires a person who wishes to conduct business as a document
10 preparation service to register with the Secretary of State and meet certain
11 requirements. (NRS 240A.100) A person who alleges certain violations against the
12 document preparation service may file a complaint with the Secretary of State, who
13 may investigate the complaint to determine if a violation has occurred.

* A B 2 8 8 R 2 *

14 (NRS 240A.260) Upon making such a determination, the Secretary of State is
15 authorized to deny, suspend, revoke or refuse to renew the registration of the
16 document preparation service, and may refer the violation to the Attorney General
17 or a district attorney to commence a civil action against the document preparation
18 service, with available remedies including injunctive relief, civil penalties and
19 restitution. (NRS 240A.270, 240A.280)

20 **Section 1.5** of this bill authorizes the Department of Motor Vehicles to
21 maintain service windows or locations in an office of the Department that are
22 dedicated to serving document preparation services conducting transactions on
23 behalf of clients if the Department determines that enough such transactions are
24 conducted to warrant it, and requires the Department to maintain such windows or
25 locations in certain counties. Such windows or locations may be used to provide
26 services to the general public during times when no document preparation services
27 are in the office seeking to conduct transactions. **Section 1.5** also authorizes a client
28 of a document preparation service who alleges a violation by the document
29 preparation service that involves a transaction with the Department of Motor
30 Vehicles to file the complaint with the Department. If the Department determines
31 that the alleged violation or violations more likely than not occurred, the
32 Department must forward the complaint to the Secretary of State for further action
33 under existing laws. **Section 1.5** also provides that, if the registration of a document
34 preparation service is suspended or revoked, the Department must not allow the
35 document preparation service to conduct transactions with the Department on
36 behalf of clients. If some penalty other than suspension or revocation of registration
37 is imposed on a document preparation service, the Department may suspend, for a
38 reasonable time, the privilege of the document preparation service to: (1) conduct
39 transactions with the Department on behalf of clients; or (2) use a service window
40 or location dedicated to document preparation services at any office of the
41 Department where such a window or location is provided. **Sections 1.7 and 1.9** of
42 this bill make conforming changes.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN

19 transactions on behalf of clients.

20 2. A person who is a client of a document preparation service
21 may file with the Department a complaint alleging a violation of

32 240A.260. Such evidence may include, without limitation, a
33 written receipt for payment to the document preparation service by
34 the client, as required pursuant to NRS 240A.230, for the
35 transaction or transactions that are the subject of the complaint.

40 committed by a document preparation service concerning a
41 transaction with the Department that resulted in:
