Legislative Counsel’s Digest:

The Local Government Purchasing Act governs the purchasing of services, supplies, materials and equipment by local governments. (Chapter 332 of NRS) This bill changes the terms “bid” to “response” and “request for bids” to “solicitation” throughout the Act to encompass the different methods of procurement which may be used by a local government to award a contract. **Section 6** of this bill makes the Act applicable to a metropolitan police department. (NRS 332.015)

Existing law requires a local government to maintain a record of all requests for bids and all bids received for a contract for which the estimated annual amount required to perform the contract is more than \$25,000 but not more than \$50,000 for at least 7 years after the execution of the contract. (NRS 332.039) **Sections 2 and 46** of this bill make this requirement

11 applicable to all contracts, regardless of the estimated annual amount required to perform the
12 contract. **Section 3** of this bill prescribes the requirements for a solicitation by a local
13 government. **Section 5** of this bill nonsubstantively reenacts provisions in existing law for
14 purposes of reorganization. (NRS 332.065) **Section 5** of this bill requires a local government
15 to award a contract on the basis of price if the estimated cost to perform the contract is more
16 than \$50,000 but not more than \$100,000.

17 Under existing law, a local government is prohibited from using on-line bidding as the
18 exclusive means of receiving bids for a request for bids. (NRS 332.047) **Section 9** of this bill
19 authorizes a local government to use an on-line solicitation as the exclusive means of
20 receiving responses to a solicitation if there is not any cost to the responding offeror for
21 submitting the response.

22 Existing law: (1) requires a local government to advertise a purchasing contract if the
23 estimated cost to perform the contract exceeds \$50,000; and (2) specifies the requirements for
24 such an advertisement. (NRS 332.039, 332.045) **Section 11** of this bill: (1) increases that
25 minimum monetary threshold for advertising such a contract to when the estimated annual
26 amount to perform the contract is more than \$100,000; and (2) revises the criteria for
27 awarding such a contract. **Sections 11 and 46** also provide for the inclusion of the
28 qualifications of a bidder with the requirements for awarding such a contract. **Sections 12 and**
29 **13** of this bill make conforming changes. **Section 8** of this bill revises requirements regarding
30 an advertisement for a purchasing contract.

31 Existing law imposes restrictions on the assignment of a purchasing contract. (NRS
32 332.095) **Section 14** of this bill authorizes the assignment of such a contract if the contract is
33 assigned by virtue of the acquisition of the person who is a party to the contract under certain
34 circumstances.

35 **Section 16** of this bill adds to the exemptions from the requirements of competitive
36 bidding in existing law certain services and equipment for computers, instructional materials,
37 the purchase of goods commonly used by hospitals and the purchase of certain forensic
38 equipment and supplies in certain circumstances. (NRS 332.115) **Section 20** of this bill
39 expressly authorizes a local government to dispose of personal property by donating it to
40 another governmental entity or nonprofit organization. (NRS 332.185)

41 Existing law authorizes a local government to join or use the contracts of the State of
42 Nevada, another state or a local government with the authorization of the contracting vendor.
43 (NRS 332.195) **Section 21** of this bill instead authorizes a local government to enter into a
44 contract pursuant to a solicitation by these entities. **Section 21** also authorizes a local
45 government to enter into a contract pursuant to a solicitation by certain cooperative
46 purchasing organizations.

47 The State Purchasing Act governs the purchasing of services, supplies, materials and
48 equipment by agencies of the Executive Department of the State Government, with certain
49 exceptions. (Chapter 333 of NRS) **Section 25** of this bill authorizes the Administrator of the
50 Purchasing Division of the Department of Administration to enter into a contract pursuant to a
51 solicitation for a bid or proposal by certain governmental entities. **Section 26** of this bill
52 provides that a purchasing officer facilitates, rather than participates in, certain activities
53 relating to the awarding of state contracts. (NRS 333.020) **Section 27** of this bill removes the
54 ability of the Administrator in existing law to supply the needs of a using agency from stores
55 of commodities on hand. (NRS 333.160) **Section 28** of this bill specifies a request for
56 qualifications and a request for information as methods of obtaining a state purchasing
57 contract. (NRS 333.162) **Section 29** of this bill removes the requirement in existing law that
58 bids be read publicly as they are opened. (NRS 333.330)

59 **Section 30** of this bill: (1) requires the inclusion of a person designated by the Chief
60 Information Officer of the State on a committee that evaluates proposals for the procurement
61 of technology for which the estimated cost is more than \$100,000 in certain circumstances;
62 and (2) eliminates certain factors specified in existing law that are required to be considered
63 by such a committee besides those factors disclosed in the request for proposals. (NRS
64 333.335)

65 Under existing law, a bid or proposal for a state purchasing contract for which the
66 estimated cost is more than \$50,000 but not more than \$250,000 that is submitted by a local
67 business owned by a veteran with a service-connected disability of at least zero percent and
68 who is a responsive and responsible bidder is deemed to be 5 percent lower than the bid or
69 proposal actually submitted. For state purchasing contracts for which the estimated cost is

70 more than \$250,000 but less than \$500,000, only a local business owned and operated by a
 71 veteran with a service-connected disability of 50 percent or more is eligible under existing law
 72 for the 5-percent preference. (NRS 333.3362, 333.3365, 333.3366) **Section 31** of this bill
 73 revises the qualifications for a local business to be eligible for such a preference to require
 74 that: (1) its principal place of business is in this State; and (2) the majority of the goods
 75 provided for in a state purchasing contract are produced in this State. (NRS 333.3363) **Section**
 76 **32** of this bill: (1) adds a contract for the services of a person as an independent contractor to
 77 the type of contract in existing law for which such a preference may be given; and (2)
 78 removes the monetary threshold between preferences and thereby allows a veteran with a
 79 service-connected disability of at least zero percent to be eligible for a preference on state
 80 purchasing contracts for any amount over \$250,000. (NRS 333.3366) **Sections 33 and 34** of
 81 this bill make conforming changes.

82 In addition to the duties prescribed by existing law for a person who is authorized to enter
 83 into a contract for state purchasing, **section 35** of this bill requires such a person to ensure that
 84 the contract: (1) includes any provision relating to insurance that the State Risk Manager
 85 determines is necessary; and (2) is approved by the Purchasing Division or the Office of the
 86 Attorney General. (NRS 333.337)

87 **Section 36** of this bill: (1) removes a requirement in existing law that the notice of award
 88 of a contract be posted in certain public buildings; (2) revises provisions governing an appeal
 89 of the award of a contract; and (3) removes a requirement in existing law that a cancellation of
 90 an award of a contract requires readvertising for bids. (NRS 333.370)

91 Under existing law, with certain exceptions, the Administrator is authorized to allow
 92 using agencies to make certain purchases locally up to certain monetary limitations. (NRS
 93 333.390) **Section 37** of this bill: (1) authorizes a using agency to purchase items that are not
 94 available directly from an entity with which the Purchasing Division has entered into a
 95 contract if the purchase is made in accordance with the State Administrative Manual and the
 96 statutes and regulations governing purchasing by state agencies; and (2) removes the monetary
 97 limitations on such purchases.

98 **Sections 38 and 39** of this bill remove a requirement in existing law that the
 99 Administrator issue bulletins indicating the supplies, materials and equipment available
 100 through the facilities of the Purchasing Division. (NRS 333.469, 333.470)

101 Existing law authorizes the Administrator to enter into an agreement for supplies,
 102 materials or equipment with a vendor who has entered into an agreement with the federal
 103 General Services Administration or certain other governmental agencies under certain
 104 circumstances. (NRS 333.480) **Section 40** of this bill removes authorization for the
 105 Administrator to enter into such an agreement with a vendor who has entered into an
 106 agreement with a non-federal agency as a result of the authority provided to the Administrator
 107 in **section 25**.

108 ~~Existing law prescribes the number of legislative measures which may be requested by~~
 109 ~~various departments, agencies and other entities of this State for each regular session of the~~
 110 ~~Legislature. (NRS 218D.100-218D.220) Section 42 of this bill authorizes the Commission to~~
 111 ~~Study Governmental Purchasing to request for each regular session of the Legislature the~~
 112 ~~drafting of not more than 2 legislative measures which relate to matters within the scope of the~~
 113 ~~Commission.]~~
