Materials and supplies for classrooms are subject to negotiation by employers with recognized employee organizations.

Sec. 14. The Legislature hereby finds and declares that:

1. Available money is estimated to provide a sufficient number of licensed teachers to achieve in each school district pupil-teacher ratios of 17 pupils per licensed teacher in grades 1 and 2 in Fiscal Year 2019-2020 and Fiscal Year 2020-2021, and to achieve a pupil-teacher ratio of 20 pupils per licensed teacher in grade 3 in Fiscal Year 2019-2020 and Fiscal Year 2020-2021.

2. Certain school districts do not have a sufficient number of classrooms available to permit an average class size of 20 pupils per licensed teacher in grade 3.

3. It is unreasonable to assign 2 licensed teachers to a classroom of 40 pupils to attain a district-wide pupil-teacher ratio of 20 pupils per licensed teacher in grade 3.

4. School districts may, instead, attain the desired pupil-teacher ratio in classes where core curriculum is taught by using alternative methods of reducing the ratio, such as employing licensed teachers to provide remedial instruction.

5. School districts may wish to use money for class-size reduction to carry out programs that have been found to be effective in improving academic achievement.

6. The Legislature has specifically designed the laws relating to class-size reduction to allow the local school districts the necessary discretion to effectuate the reduction in the manner appropriate in their respective districts.

7. School districts are encouraged, to the extent possible, to further reduce the pupil-teacher ratio in each classroom in the district for grades 1, 2 and 3 for which additional funding is provided.

8. The Legislature intends to continue the reduced pupil-teacher ratio for grades 1, 2 and 3 throughout the State.

Sec. 15. 1. The Department of Education shall transfer from the State Distributive School Account the sum of \$161,650,216 for distribution by the Superintendent of Public Instruction to the county school districts for Fiscal Year 2019-2020 which must, except as otherwise provided in section 17 of this act, be used to employ licensed teachers to comply with the required ratio of pupils to teachers in grades 1, 2 and 3, as set forth in subsection 1 of section 14 of this act. Expenditures for the class-size reduction program must be accounted for in a separate category of expenditure in the State Distributive School Account.

2. Except as otherwise provided in section 17 of this act, the money transferred by subsection 1 must be used to pay the salaries and benefits of not less than 1,911 licensed teachers employed by school districts to meet the required pupil-teacher ratios in the 2019-2020 school year.

3. Any remaining balance of the money transferred by subsection 1 must not be committed for expenditure after June 30, 2020, and must be transferred and added to the money appropriated to the State Distributive School Account pursuant to section 5 of this act for Fiscal Year 2020-2021, and may be expended as the money in section 16 of this act is expended.

Sec. 16. 1. The Department of Education shall transfer from the State Distributive School Account the sum of \$165,487,286 for

distribution by the Superintendent of Public Instruction to the county school districts for Fiscal Year 2020-2021 which must, except as otherwise provided in section 17 of this act, be used to employ licensed teachers to comply with the required ratio of pupils to teachers in grades 1, 2 and 3, as set forth in subsection 1 of section 14 of this act. Expenditures for the class-size reduction program must be accounted for in a separate category of expenditure in the State Distributive School Account.

2. Except as otherwise provided in section 17 of this act, the money transferred by subsection 1 must be used to pay the salaries and benefits of not less than 1,915 licensed teachers employed by school districts to meet the required pupil-teacher ratios in the 2020-2021 school year.

3. Any remaining balance of the money transferred by subsection 1, including any money added thereto pursuant to section 15 of this act, must not be committed for expenditure after June 30, 2021, and must be reverted to the State General Fund on or before September 17, 2021.

Sec. 17. 1. The board of trustees of each school district:

(a) Shall file a plan with the Superintendent of Public Instruction describing how the money transferred pursuant to sections 15 and 16 of this act will be used to comply with the required ratio of pupils to teachers in grades 1, 2 and 3; and

(b) May, after receiving approval of the plan from the Superintendent of Public Instruction, use the money transferred pursuant to sections 15 and 16 of this act to carry out:

(1) An alternative program for reducing the ratio of pupils per teacher, including, without limitation, any legislatively approved program of flexibility; or

(2) Programs of remedial education that have been found to be effective in improving pupil achievement in grades 1, 2 and 3, so long as the combined ratio of pupils per teacher in the aggregate of kindergarten and grades 1, 2 and 3 of the school district does not exceed the combined ratio of pupils per teacher in the aggregate of kindergarten and grades 1, 2 and 3 of the school district in the 2004-2005 school year.

↪ The plan approved by the Superintendent of Public Instruction must describe the method to be used by the school district to evaluate the effectiveness of the alternative program or remedial education programs in improving pupil achievement.

2. In no event must the provisions of this section be construed to authorize the board of trustees of a school district in a county whose population is 100,000 or more to develop an alternative plan

for the reduction of pupil-teacher ratios pursuant to subsection 2 of NRS 388.720.

Sec. 18. 1. The money transferred for class-size reduction pursuant to sections 15 and 16 of this act:

(a) May be applied first to pupils considered most at risk of failure.

(b) Must not be used to settle or arbitrate disputes between a recognized organization representing employees of a school district and the school district, or to settle any negotiations.

(c) Must not be used to adjust the district-wide schedules of salaries and benefits of the employees of a school district.

(d) Must fund the pupil-to-teacher ratios associated with the type of class-size reduction program implemented, with authorization to distribute residual class-size reduction program funds to underperforming schools with approved class-size reduction variances.

2. The money transferred for class-size reduction pursuant to sections 15 and 16 of this act must not be distributed to a school district unless that school district has:

(a) Filed with the Department of Education a plan required by NRS 388.720 for achieving the required ratio set forth in NRS 388.700; and

(b) Demonstrated that, from resources of the school district other than allocations received from the State Distributive School Account for class-size reduction, a sufficient number of classroom teachers have been employed to maintain the average pupil-teacher ratio that existed for each grade for grades 1, 2 and 3 in that school district for the 3 school years immediately preceding the start of the class-size reduction program in the 1990-1991 school year.

In each fiscal year of the 2019-2021 biennium, the sum transferred must be allocated among the various school districts in accordance with a plan or formula developed by the Department of Education to ensure that the money is distributed equitably and in a manner that permits accounting for the expenditures of school districts.

5. The Department of Education shall, not later than November 1, 2019, and November 1, 2020, provide a written report to the Governor, the Legislative Committee on Education and the Director of the Legislative Counsel Bureau that describes, for the immediately preceding fiscal year, each expenditure made from the amount transferred in subsection 3 of section 16 of chapter 394, Statutes of Nevada 2017, p. 2597 or in subsection 4, as applicable, and the performance results of the participants of the Adult High School Diploma program.
