AN ACT relating to employment; creating the Independent Contractor Benefits Program; requiring the Administrator of the Employment Security Division of the Department of Employment, Training and Rehabilitation to administer the Program; setting forth certain requirements for the operation of the Program; requiring a participant in the Program to pay certain contributions; providing for the payment of benefits to participants in the Program who are out of work; creating the Independent Contractor Benefits Fund; and providing other matters properly relating thereto.

**Legislative Counsel’s Digest:**

1 **Section 12** of this bill creates the Independent Contractor Benefits Program and  
2 requires the Administrator of the Employment Security Division of the Department  
3 of Employment, Training and Rehabilitation to administer the Program. **Section 13**  
4 of this bill requires a person who wishes to participate in the Program to submit an  
5 application to the Administrator which includes, among other requirements: (1)  
6 proof sufficient to the Administrator that the person received the majority of his or  
7 her income in the immediately preceding year for services performed as an  
8 independent contractor; and (2) an identification of the amount of money that the  
9 person wishes to contribute to the Program each month. **Section 14** of this bill  
10 requires each participant in the Program to, with certain exceptions, pay a  
11 contribution to the Administrator in an amount specified in the application  
12 submitted pursuant to **section 13**. **Section 19** of this bill requires such a  
13 contribution to be deposited in the State Treasury for credit to the individual  
14 account of the participant in the Independent Contractor Benefits Fund created by  
15 **section 19**.  
16 **Section 15** of this bill requires a participant who wishes to receive benefits for  
17 any week in which the participant is out of work to submit a request to the

18 Administrator. **Section 9** of this bill sets forth the circumstances in which a  
19 participant will be deemed to be out of work. If the participant satisfies the  
20 eligibility requirements set forth in **section 16** of this bill, **section 15** requires the  
21 Administrator to pay the participant benefits, the amount of which is then required  
22 to be deducted from the participant's individual account in the Fund. **Section 17** of  
23 this bill requires the amount of benefits paid to a participant for a week in which the  
24 participant is out of work to be an amount equal to: (1) the balance of the  
25 participant's individual account in the Fund as of the date on which the participant  
26 submits a request for benefits divided by 52; or (2) if such amount is less than \$1,  
27 the balance of the participant's individual account in the Fund. **Section 18** of this  
28 bill requires the Administrator to terminate the participation in the Program of any  
29 participant who fails to pay the required contributions. **Section 18** also authorizes a  
30 participant to voluntarily terminate his or her participation in the Program at any  
31 time.

32 **Sections 3-11** of this bill define certain words and terms for the purposes of this  
33 bill.
