AN ACT relating to taxation; revising provisions governing the use of certain revenue from the tax on liquor; and providing other matters properly relating thereto.

**Legislative Counsel’s Digest:**

1 Existing law imposes an excise tax on liquor, the amount of which is generally  
2 based on the percentage of alcohol by volume contained in the liquor. (NRS  
3 369.330) Under existing law, all revenue collected from this tax is deposited to the  
4 credit of the Liquor Tax Account in the State General Fund and the Department of  
5 Taxation is required to indicate the amount, if any, which is derived from the tax on  
6 liquor containing more than 22 percent of alcohol by volume. (NRS 369.170)  
7 Existing law requires the Department to apportion and distribute monthly to the  
8 counties of this State the portion of the tax on liquor containing more than 22  
9 percent of alcohol by volume collected during the preceding month which is  
10 equivalent to 50 cents per wine gallon. (NRS 369.173) Existing law also requires  
11 the State Controller to transfer monthly to the Tax on Liquor Program Account in  
12 the State General Fund the portion of the tax on liquor containing more than 22  
13 percent of alcohol by volume that exceeds \$3.45 per wine gallon. (NRS 369.174)  
14 Money in the Tax on Liquor Program Account is required to be used by the  
15 Division of Public and Behavioral Health of the Department of Health and Human  
16 Services to increase services for the prevention of alcohol or other substance use  
17 disorders and other related services. (NRS 458.097, 458.098) **Section 1** of this bill  
18 requires the State Controller to additionally transfer to the Tax on Liquor Program  
19 Account the first \$200,000 of the tax on liquor containing more than 22 percent of  
20 alcohol by volume that is available in each biennium after the distribution to the  
21 counties and the transfer to the Account of the amount that exceeds \$3.45 per wine  
22 gallon are made. **Section 2** of this bill requires that this additional money  
23 transferred to the Account be used by the Division of Public and Behavioral Health  
24 to pay for grants for the provision of certain recovery support services.
