AN ACT relating to motor vehicles; revising provisions governing the issuance and display of license plate decals evidencing the registration status of motor vehicles registered through the fleet registration program; requiring the Department of Motor Vehicles to establish a program allowing the issuance of license plates by short-term lessors for vehicles registered through the fleet registration program; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 Existing law requires the Department of Motor Vehicles to issue a license plate
2 decal to a short-term lessor of vehicles who registers through the fleet registration
3 program established by the Department for such lessors. (NRS 482.2085) This bill
4 removes the requirement for the Department to issue such a license plate decal and
5 requires the Department to adopt regulations relating to the manner in which the
6 registration status of a vehicle in a fleet is indicated. This bill also requires the
7 Department to establish a program to allow short-term lessors to issue on behalf of
8 the Department license plates for vehicles of the short-term lessor which are
