AN ACT relating to fireworks; revising provisions governing the authority of a board of county commissioners to enact certain ordinances related to fireworks; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Under existing law, a board of county commissioners is authorized to pass ordinances that: (1) regulate the sale, use, storage and possession of fireworks; and (2) provide penalties for a violation of such an ordinance. (NRS 244.367) This bill: (1) clarifies that the penalties that may be imposed for such a violation are criminal or civil penalties, or both; ~~and~~ (2) limits the maximum amount of a civil penalty that may be imposed pursuant to such an ordinance to ~~[\$50,000]~~ ***\$10,000*** for a single violation ~~[-]~~ ; and (3) ***prohibits civil penalties from being imposed pursuant to such an ordinance on a person who has received a license or permit pursuant to the ordinance. Section 2 of this bill also requires the consideration of certain factors such as the number and severity of any previous offenses when determining the amount and category of civil and criminal penalties. Section 2 further provides that the prohibitions of such an ordinance do not apply to a child under the age of 18 years unless the child has been emancipated.***

Section 1 of this bill makes a conforming change related to clarifying that a board may provide both criminal and civil penalties related to the regulation, sale, use, storage and possession of fireworks.
