EXPLANATION – Matter in *bolded italics* is new; matter between brackets [omitted material] is material to be omitted.

AN ACT relating to technology; creating the Emerging Technologies Task Force within the Department of Business and Industry; prescribing the membership, powers and duties of the Task Force; authorizing the Director of the Department to create an Opportunity Center for Emerging Technology Businesses as part of the Office of Business Finance and Planning of the Department; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 **Sections 2-8** of this bill provide for an Emerging Technologies Task Force
2 within the Department of Business and Industry. **Section 6** of this bill creates the
3 Task Force and prescribes its membership. **Section 7** of this bill designates the
4 Chair of the Task Force and prescribes the minimum frequency of its meetings and
5 the number of members required to constitute a quorum. **Section 8** of this bill
6 requires the Task Force to develop certain strategies and make certain
7 recommendations with regard to: (1) attracting to this State businesses that are
8 engaged in the development of emerging technologies; and (2) encouraging the
9 growth of such businesses. **Section 8** also requires the Task Force to submit a
10 report of its findings and recommendations annually to the Governor, the Director
11 of the Department and the Legislature. **Section 9** of this bill makes a conforming
12 change to indicate the proper placement of **sections 2-8** in the Nevada Revised
13 Statutes.

14 Existing law authorizes the Director of the Department of Business and
15 Industry to create an Office of Business Finance and Planning within the
16 Department for administering, coordinating and improving access to programs to
17 assist in the growth and retention of business and industry in this State and to
18 provide certain information to the public. (NRS 232.522) **Section 10** of this bill

19 authorizes the Director to create an Opportunity Center for Emerging Technology
20 Businesses as part of the Office of Business Finance and Planning, if that office is
21 created, to advocate for, assist and support the growth of businesses engaged in the
22 development of emerging technologies.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

3 (i) One member who has experience as a consumer advocate,
4 appointed by the Director; and

5 (j) At least one member who has knowledge, skill and
6 experience in emerging technologies, appointed by the Director.

7 3. The Director may appoint as many additional members to
8 the Task Force who have knowledge, skill and experience in
9 emerging technologies as the Director deems necessary to carry
10 out the duties of the Task Force.

11 4. In appointing the members of the Task Force described in
12 subsections 2 and 3, the appointing authorities shall coordinate
13 the appointments to the extent practicable so that the members of
14 the Task Force:

15 (a) Represent the diversity of this State, including, without
16 limitation, the age, gender, sexual, ethnic, geographic and
17 socioeconomic diversity of this State; and

18 (b) Include persons with behavioral health conditions and
19 persons who have served or are serving in the military.

20 5. The term of each appointed member of the Task Force is 3
21 years. Such a member may be reappointed to the Task Force and
22 any vacancy must be filled in the same manner as the original
23 appointment.

24 6. The members of the Task Force serve without
25 compensation, except that each member is entitled, while engaged
26 in the business of the Task Force and within the limits of available
27 money, to receive the per diem allowance and travel expenses
28 provided for state officers and employees generally.

29 7. A member of the Task Force who is an officer or employee
30 of this State or a political subdivision of this State must be relieved
31 from his or her duties without loss of regular compensation so that
32 the member may prepare for and attend meetings of the Task
33 Force and perform any work necessary to carry out the duties of
34 the Task Force in the most timely manner practicable. A state
35 agency or political subdivision of this State shall not require an
36 officer or employee who is a member of the Task Force to make
37 up the time he or she is absent from work to carry out his or her
38 duties as a member of the Task Force or use annual vacation or
39 compensatory time for the absence.

40 8. The Director shall provide the personnel, facilities,
41 equipment and supplies required by the Task Force to carry out
42 the provisions of sections 2 to 8, inclusive, of this act.

43 9. As used in this section:

1 (a) "Large school district" has the meaning ascribed to it in
2 NRS 388G.530.

3 (b) "Title I school" has the meaning ascribed to it in
4 NRS 385A.040.

5 **Sec. 7. 1. The Director is the Chair of the Task Force.**

6 2. The members of the Task Force shall meet at least once
7 each quarter at the call of the Chair. The Task Force shall
8 prescribe procedures for its own management and government.

9 3. A majority of the members of the Task Force constitutes a
10 quorum, and a quorum may exercise all the powers conferred on
11 the Task Force.

12 **Sec. 8. 1. The Task Force shall:**

13 (a) Develop concrete strategies to ensure that this State
14 remains a leader in technological innovation by attracting
15 businesses engaged in the development of emerging technologies.

16 (b) Make recommendations for streamlining process,
17 regulatory, structural and other barriers a business engaged in the
18 development of emerging technologies may face in relocating to or
19 expanding operations in this State.

20 (c) Identify opportunities to develop leading practices and
21 standards that will support the growth of businesses engaged in
22 the development of emerging technologies.

23 (d) Address methods to comprehensively incorporate
24 blockchain technology into all levels of government.

25 (e) Recommend concrete steps to develop a workforce with
26 technical expertise in emerging technologies, including, without
27 limitation, prioritizing the employment of persons who are
28 unemployed as a result of a pandemic, a natural disaster or an act
29 of terrorism and persons who are 40 years of age or older.

30 (f) Solicit input from persons and organizations with expertise
31 in emerging technologies.

32 (g) On or before February 1 of each year, prepare and submit
33 a report to the Governor, the Director of the Department and the
34 Director of the Legislative Counsel Bureau for transmittal to the
35 Legislature concerning its findings and recommendations.

36 2. The Task Force may apply for any available grants and
37 accept any gifts, grants or donations to assist the Task Force in
38 carrying out its duties pursuant to this section.

5 232.522 The Director may:

6 1. Create within the Department, as part of the Office of the
7 Director, an Office of Business Finance and Planning to:

8 (a) Administer and coordinate programs related to financing for
9 the assistance of entities engaged in business and industry in this
10 state;

11 (b) Provide information to the public concerning the regulatory
12 programs, assistance programs, and other services and activities of
13 the Department; and

14 (c) Interact with other public or private entities to coordinate and
15 improve access to the Department's programs related to the growth
16 and retention of business and industry in this state.

17 2. Create within the Department, as part of the Office of
18 Business Finance and Planning, *if that office is created*, a Center for
19 Business Advocacy and Services:

20 (a) To assist small businesses in obtaining information about
21 financing and other basic resources which are necessary for success;

22 (b) In cooperation with the Executive Director of the Office of
23 Economic Development, to increase public awareness of the
24 importance of developing manufacturing as an industry and to assist
25 in identifying and encouraging public support of businesses and
26 industries that manufacture goods in this state;

27 (c) To serve as an advocate for small businesses, subject to the
28 supervision of the Director or the Director's representative, both
29 within and outside the Department;

30 (d) To assist the Office of Business Finance and Planning in
31 establishing an information and referral service within the
32 Department that is responsive to the inquiries of business and
33 industry which are directed to the Department or any entity within
34 the Department; and

35 (e) In cooperation with the Executive Director of the Office of
36 Economic Development, to advise the Director and the Office of
37 Business Finance and Planning in developing and improving
38 programs of the Department to serve more effectively and support
39 the growth, development and diversification of business and
40 industry in this state.

41 3. *Create within the Department, as part of the Office of*
42 *Business Finance and Planning, if that office is created, an*

1 (a) To assist businesses engaged in the development of
2 emerging technologies in obtaining information about financing
3 and other basic resources which are necessary for success;

4 (b) In cooperation with the Executive Director of the Office of
5 Economic Development, to increase public awareness of the
6 importance of developing emerging technologies and to assist in
7 identifying and encouraging public support for businesses that are
8 engaged in the development of emerging technologies;

9 (c) To serve as an advocate for businesses engaged in the
10 development of emerging technologies, subject to the supervision
11 of the Director or the Director's representative, both within and
12 outside the Department;

13 (d) To assist the Office of Business Finance and Planning in
14 establishing an information and referral service within the
15 Department that is responsive to the inquiries of businesses
16 engaged in the development of emerging technologies which are
17 directed to the Department or any entity within the Department.

18 (e) To collaborate with businesses engaged in the development
19 of emerging technologies, persons and organizations with
20 expertise in emerging technologies, public and private entities and
21 other interested stakeholders to promote:

22 (1) The integration of emerging technologies in the private
23 sector and at all levels of government; and

24 (2) The employment of persons who are unemployed as a
25 result of a pandemic, a natural disaster or an act of terrorism and
26 persons who are 40 years of age or older; and

27 (f) In cooperation with the Executive Director of the Office of
28 Economic Development, to advise the Director and the Office of
29 Business Finance and Planning in developing and improving
30 programs of the Department to serve more effectively and support
31 the growth, development and diversification of businesses engaged
32 in the development of emerging technologies in this State.

33 4. Require divisions, offices, commissions, boards, agencies or
34 other entities of the Department to work together to carry out their
35 statutory duties, to resolve or address particular issues or projects or
36 otherwise to increase the efficiency of the operation of the
37 Department as a whole and the level of communication and
38 cooperation among the various entities within the Department.
