AN ACT relating to the City of Mesquite; revising the process for appointing the City Manager and City Attorney; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 The existing Charter of the City of Mesquite creates elective officer positions,
2 including a Mayor and five members of the City Council. (Mesquite City Charter §
3 1.050) The Charter also creates several executive officer positions, including the
4 City Manager and City Attorney, and requires the Mayor of Mesquite to appoint the
5 City Manager and City Attorney, subject to the advice and consent of the City
6 Council. (Mesquite City Charter § 1.080) This bill revises the process for those
7 appointments by requiring the Mayor to make the first nominations to fill the
8 positions of the City Manager and City Attorney. If a person so nominated by the
9 Mayor is not confirmed by at least four votes, with the Mayor and each member of
10 the City Council having one vote, this bill further provides that any member of the
11 City Council may submit a nominee for consideration and requires at least four
12 affirmative votes, with the Mayor and each member of the City Council having one
13 vote, for a nominee to be confirmed.
