EXPLANATION – Matter in *bolded italics* is new; matter between brackets ~~omitted material~~ is material to be omitted.

AN ACT relating to health care; requiring certain providers of health care or other services and midwives to provide current, evidence-based information concerning Down syndrome to a person under certain circumstances; requiring certain providers of health care or other services and midwives to make certain referrals; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 Existing law requires the testing of newborn children and persons who are
2 pregnant to detect certain disorders and conditions. (NRS 442.010-442.020,
3 442.500-442.700) Existing law provides for the dissemination of information
4 concerning certain conditions affecting a person who is pregnant and newborn
5 children. (NRS 442.340, 442.385, 442.390, 442.590, 442.660) This bill requires a
6 provider of health care or other services or midwife who provides prenatal care or
7 pediatric care to provide certain information concerning Down syndrome and
8 support services in the community for persons with Down syndrome to: (1) a
9 person who is pregnant and has received a positive test result from a prenatal test
10 for Down syndrome if the person requests such information; or (2) the parent or
11 guardian of a child with Down syndrome. This bill also requires such a provider or
12 midwife to refer such a person to appropriate support services in the community
13 when necessary. This bill requires the Department of Health and Human Services to
14 post on an Internet website maintained by the Department a list of such support
15 services available in different areas of this State.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 **Section 1.** Chapter 442 of NRS is hereby amended by adding
2 thereto a new section to read as follows:
