AN ACT relating to tobacco; providing an exception to the age verification requirements governing the sale, distribution or offering for sale of tobacco products for a face-to-face transaction that occurs within certain areas of a casino; and providing other matters properly relating thereto.

**Legislative Counsel’s Digest:**

1 Existing law prohibits a person from selling, distributing or offering to sell  
2 cigarettes, cigarette paper or other tobacco products to any person under 40 years of  
3 age without first performing age verification. (NRS 370.521) This bill provides an

5 products without age verification in a face-to-face transaction that occurs within an  
6 area of a casino where persons under the age of 21 years are already prohibited  
7 from loitering. This bill becomes effective upon its passage by the Legislature and  
8 approval by the Governor.
