AN ACT relating to education; revising provisions governing the election and appointment of members of the board of trustees of certain school districts; and providing other matters properly relating thereto.

**Legislative Counsel’s Digest:**

1 Under existing law, the members of the board of trustees of a county school  
2 district in which more than 75,000 pupils are enrolled (currently Clark County  
3 School District) are elected from seven election districts, established by the board  
4 of trustees, that are as nearly equal in population as possible and are composed of  
5 contiguous territory. (NRS 386.165) **Section 1** of this bill amends the electoral  
6 process for electing members of the board of trustees of a county school district in  
7 which more than 75,000 pupils are enrolled by requiring that the board of trustees  
8 consist of: (1) four members elected in election districts established by the board of  
9 county commissioners of the county in which the school district is located; (2) one  
10 member appointed by the board of county commissioners of the county in which  
11 the school district is located who also resides in the school district; and (3) two  
12 members appointed by the governing bodies of the two most populous incorporated  
13 cities in the county in which the school district is located, with each governing body  
14 appointing one member who resides in the city of the governing body that appoints  
15 him or her.

16 Existing law similarly requires that the members of the board of trustees of a  
17 county school district in which more than 25,000 pupils but not more than 75,000  
18 pupils are enrolled (currently Washoe County School District) establish seven  
19 election districts as follows: (1) five districts which are as nearly equal in  
20 population as is practicable, each of which includes approximately one-fifth of  
21 the population of the county; and (2) two districts which are as nearly equal in  
22 population as possible, each of which includes approximately one-half of the  
23 population of the county. (NRS 386.165) **Section 1** revises the provisions  
24 governing the election of members of the board of trustees of a county school

25 district in which more than 25,000 pupils but not more than 75,000 pupils are  
26 enrolled by requiring: (1) four members to be elected in an election district  
27 established by the board of county commissioners of the county in which the school  
28 district is located; (2) one member to be appointed by the board of county  
29 commissioners of the county in which the school district is located; and (3) two  
30 members to be appointed by the governing bodies of the two most populous  
31 incorporated cities in the county in which the school district is located, with each  
32 governing body appointing one member.

33 **Section 1** additionally requires election districts established by the board of  
34 county commissioners of the county in which a school district is located to be as  
35 nearly equal in population as possible and composed of contiguous territory.  
36 **Section 1** further provides that each trustee holds office until his or her successor is  
37 appointed or elected and qualified.

38 **Sections 2-4** of this bill make conforming changes that clarify that certain  
39 requirements for a candidate for the board of trustees of a school district only apply  
40 to candidates who are elected and not appointed.

41 **Section 5** of this bill makes a conforming change that requires vacancies  
42 among the elected members of a board of trustees of a school district to be filled by  
43 appointment at a public meeting of the board of trustees. **Section 5** additionally  
44 requires that vacancies that occur among the appointed members of a board of  
45 trustees of a school district must be filled by the appointing authority. **Section 6** of  
46 this bill makes a conforming change by allowing for the governing body, and not  
47 exclusively the board of trustees, to appoint a member to a temporary vacancy in  
48 the event a vacancy occurs due to a member entering active military service.

49 **Section 7** of this bill makes a conforming change by deleting certain provisions  
50 governing the term of office of a member of a board of trustees of a school district  
51 which have been moved to **section 1**.
