EXPLANATION – Matter in *bolded italics* is new; matter between brackets [omitted material] is material to be omitted.

AN ACT relating to education; revising provisions governing the election and appointment of members of the board of trustees of certain school districts; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 Under existing law, the members of the board of trustees of a county school
2 district in which more than 75,000 pupils are enrolled (currently Clark County
3 School District) are elected from seven election districts, established by the board
4 of trustees, that are as nearly equal in population as possible and are composed of
5 contiguous territory. (NRS 386.165) **Section 1.5** of this bill adds four nonvoting
6 members to the board of trustees of such a county school district, of whom: (1) one
7 nonvoting member must be appointed by the board of county commissioners of the
8 county in which the school district is located who must also reside in the school
9 district; and (2) three nonvoting members must be appointed by the governing
10 bodies of the three most populous incorporated cities in the county in which the
11 school district is located, with each governing body appointing one member who
12 must reside in the city of the governing body that appoints him or her.

13 **Section 1.5** also provides that the nonvoting members of the board of trustees:
14 (1) have, with certain exceptions, the same rights and responsibilities as the voting
15 members; and (2) do not have voting rights for the election of officers or the
16 authority to serve as an officer of the board of trustees. **Section 1.5** further provides
17 that each trustee holds office until his or her successor is appointed or elected and
18 qualified. **Section 7.5** of this bill makes a conforming change to require officers of
19 the board of trustees to be elected, voting members of the board of trustees.

20 **Section 1** of this bill makes a conforming change to provide that a board of
21 trustees of a county school district in which more than 75,000 pupils are enrolled
22 consists of 11 members.

23 **Sections 2-4** of this bill make conforming changes that clarify that certain
24 requirements for a candidate for the board of trustees of a school district only apply
25 to candidates who are elected and not appointed.

26 **Section 5** of this bill makes a conforming change that requires vacancies
27 among the elected members of a board of trustees of a school district to be filled by
28 appointment by the remaining elected members at a public meeting of the board of
29 trustees. **Section 5** additionally requires that vacancies that occur among the
30 appointed members of a board of trustees of a school district must be filled by the
31 appointing authority. **Section 6** of this bill makes a conforming change by allowing
32 for the governing body, and not exclusively the board of trustees, to appoint a
33 member to a temporary vacancy in the event a vacancy occurs due to a member
34 entering active military service.

35 **Section 7** of this bill makes a conforming change by deleting certain provisions
36 governing the term of office of a member of a board of trustees of a school district
37 which have been moved to **section 1.5**.

38 Under existing law, a majority of the members of the board of trustees
39 constitutes a quorum and no action of the board of trustees is valid unless the action
40 receives the approval of a majority of all the members of the board of trustees at a
41 regularly called meeting. (NRS 386.330) **Section 8.5** of this bill provides that a
42 majority of the elected members of the board of trustees constitutes a quorum and
43 that no action of the board of trustees is valid unless the action receives the
44 approval of a majority of all the elected members of the board of trustees at a
45 regularly called meeting.
