Legislative Counsel's Digest:

1 Existing law provides for the licensure and regulation of occupational therapists
2 and occupational therapy assistants by the Board of Occupational Therapy.
3 (Chapter 640A of NRS) Existing law requires a person to meet certain requirements
4 to obtain a license as an occupational therapist or occupational therapy assistant,
5 including the satisfaction of certain educational requirements in a program
6 approved by the Board, the successful completion of a certain amount of fieldwork
7 experience approved by the Board and the passage of an examination approved by
8 the Board. (NRS 640A.120) **Section 8** of this bill revises those requirements to
9 instead require, with certain exceptions, a person who wishes to obtain a license as
10 an occupational therapist or occupational therapy assistant to: (1) pass an
11 examination on the laws and regulations governing the practice of occupational
12 therapy in this State approved by the Board pursuant to **section 10** of this bill; and
13 (2) hold a current certification as an occupational therapist or occupational therapy
14 assistant, as applicable, with the National Board for Certification in Occupational
15 Therapy, or its successor organization. **Section 5** of this bill revises a reference to
16 the educational program required for licensure to reflect the changes made by

17 **section 8. Section 19** of this bill repeals provisions concerning the issuance of
18 certain licenses to conform to the changes made by **section 8**.

19 Existing law authorizes the issuance of a license by endorsement as an
20 occupational therapist to an applicant who holds a valid and unrestricted license as
21 an occupational therapist in the District of Columbia or any state or territory of the
22 United States and who meets certain other requirements. (NRS 640A.165,
23 640A.166) **Section 2** of this bill authorizes the Board to issue a license by
24 reciprocity as an occupational therapist or occupational therapy assistant to a person
25 who holds a valid and unrestricted license as an occupational therapist or
26 occupational therapy assistant, as applicable, in any state that is a member of the
27 Occupational Therapy Licensure Compact and who meets certain other
28 requirements. **Sections 2, 11 and 12** of this bill require an applicant for a licensure
29 by endorsement or by reciprocity to meet the requirements set forth in **section 8**.

30 Existing law authorizes the Board to issue a temporary license to a person who
31 meets the qualifications for licensure as an occupational therapist or occupational
32 therapy assistant other than the passage of the examination approved by the Board.
33 If the person to whom a temporary license does not hold a license in another State
34 and is not certified by the National Board for Certification in Occupational
35 Therapy, existing law authorizes the person to practice occupational therapy under
36 the temporary license only under the general supervision of a licensed occupational
37 therapist. (NRS 640A.170) **Section 13** of this bill requires a temporary license to be
38 issued only to a person who is licensed in another state and who meets the
39 requirements set forth in **section 8. Section 3** of this bill provides for the issuance
40 of a provisional license to a person who: (1) has passed the examination approved
41 by the Board pursuant to **section 10**; (2) has completed certain educational
42 requirements; and (3) is eligible to take the national examination required for
43 certification. Under **section 3**, a person to whom a provisional license is issued is
44 authorized to practice occupational therapy under the temporary license only under
45 the general supervision of a licensed occupational therapist.

46 Existing law exempts a person enrolled in an educational program approved by
47 the Board from the provisions of existing law governing occupational therapy under
48 certain circumstances. (NRS 640A.070) **Section 6** of this bill revises the type of
49 educational program in which a person must be enrolled to qualify for the
50 exemption. **Section 9** of this bill revises certain requirements concerning an
51 application for a license. **Section 15** of this bill authorizes the Board to establish
52 fees for the issuance of a license by reciprocity and a provisional license.

53 Existing law authorizes the Board to adopt regulations imposing continuing
54 education requirements for the renewal of a license. (NRS 640A.180) **Section 14** of
55 this bill provides that such requirements may require a licensee to take and pass the
56 examination approved by the Board pursuant to **section 10** at intervals set by the
57 Board.

58 Existing law provides that the members of the Board serve without
59 compensation while engaged in the business of the Board. (NRS 640A.100)
60 **Section 7** of this bill provides that each member of the Board is entitled to a salary
61 of not more than \$150 per day, as fixed by the Board, while engaged in the business
62 of the Board.

63 Existing law authorizes the Board to impose certain penalties against a licensee
64 who commits certain violations of the provisions of existing law governing
65 occupational therapy or who engages in certain other conduct. (NRS 640A.200)
66 **Section 4** of this bill authorizes the Board to issue a citation to a licensee who
67 commits certain specified violations of certain regulations adopted by the Board.

68 **Sections 16-18** of this bill make technical changes to existing provisions which
69 exempt persons licensed as an occupational therapist or occupational therapy
70 assistant from certain provisions governing other professions.
