AN ACT relating to gaming; requiring the Nevada Gaming Commission to adopt regulations providing for the operation and registration of secondary sports pool wagering brokers; prohibiting a person from operating as a secondary sports pool wagering broker without obtaining a registration; requiring the Commission to adopt regulations specifying certain requirements concerning gaming employees; revising requirements relating to the filing of certain information concerning foreign gaming with the Nevada Gaming Control Board; providing a penalty; and providing other matters properly relating thereto.

**Legislative Counsel’s Digest:**

1 Existing law requires the Nevada Gaming Commission and the Nevada Gaming  
2 Control Board to administer state gaming licenses and manufacturer’s, seller’s and  
3 distributor’s licenses and to perform various acts relating to the regulation and  
4 control of gaming. (NRS 463.140) Existing law provides that it is unlawful for a  
5 person to perform certain actions relating to gaming, including, without limitation,  
6 operating a race book or sports pool, without having first procured, and thereafter  
7 maintaining, all required gaming licenses or registrations. (NRS 463.160) **Section 3**  
8 of this bill requires the Commission to adopt regulations providing for the operation  
9 and registration of secondary sports pool wagering brokers, which is defined in  
10 **section 2** of this bill to mean a person who, for a fee, facilitates the sale from one  
11 person to another of an existing wager originally placed with a person who operates  
12 a sports pool. **Section 3** requires the regulations adopted by the Commission to,  
13 without limitation: (1) require a secondary sports pool wagering broker to be  
14 registered with the Board; (2) require each employee of a secondary sports pool

15 wagering broker to register with the Board in the same manner as a gaming  
16 employee; (3) establish fees associated with such registrations; and (4) set forth  
17 requirements for the operation of a secondary sports pool wagering broker. **Section**  
18 **6** of this bill makes it unlawful for a person to operate as a secondary sports pool  
19 wagering broker without first procuring, and thereafter maintaining, the required  
20 registration. **Section 5** of this bill makes a conforming change to indicate the proper  
21 placement of **section 2** in the Nevada Revised Statutes.

22 Existing law prohibits a person from being employed as a gaming employee  
23 unless the person is registered with the Board. (NRS 463.335) Existing law defines  
24 "gaming employee" to include certain specified persons including, without  
25 limitation, employees whose duties are directly involved with the manufacture,  
26 repair, sale or distribution of gaming devices, certain associated equipment,  
27 cashless wagering systems or interactive gaming systems. (NRS 463.0157) **Section**  
28 **4** of this bill requires the Commission to adopt regulations specifying the duties  
29 relating to the manufacture or repair of gaming devices, associated equipment,  
30 cashless wagering systems or interactive gaming systems that an employee must  
31 have for the employee to constitute a gaming employee.

32 Existing law requires a licensee who participates in foreign gaming to file  
33 periodically certain documents, reports and other information with the Board. (NRS  
34 463.710) **Section 7** of this bill exempts a foreign gaming manufacturer from those  
35 filing requirements and instead requires a foreign gaming manufacturer to file with  
36 the Board certain annual reports, quarterly reports and other information required  
37 by the Commission. **Section 7** defines "foreign gaming manufacturer" to mean, in  
38 general, a licensee whose participation in foreign gaming is limited to receiving  
39 recurring gaming revenue from the placement of a gaming device outside this State.
