Explanation

(Use Additional Sheets of Attachments, if required)

The Nevada System of Higher Education has reviewed the proposed legislation and has determined that while there would be a fiscal impact if implemented, NSHE is unable to determine the extent of that impact at this time. BDR 34-352 expands the Governor Guinn Millennium Scholarship eligibility to institutions outside the Nevada System of Higher Education. Because NSHE does not have access to enrollment information for institutions outside the system, we are unable to provide a cost estimate. However, it should be noted that any addition of eligible institutions is likely to increase the cost of the Governor Guinn Millennium Scholarship program.
