(Use Additional Sheets of Attachments, if required)

If enacted, the proposed legislation would enact the Interstate Teacher Mobility Compact. The Department has full reciprocity with all other jurisdictions with the exception of the Parent Involvement and Family Engagement course. This course can be changed from a licensure provision to a licensure renewal requirement through regulation once executive orders 3 and 4 are lifted. If passed, this bill will have a fiscal impact of 20 hours of staff overtime to write language; however, annual membership dues to support the Commission and work of the Commission for the compact are undetermined at this time and cannot be estimated.
