Name Michael Nakamoto

Title Chief Principal Deputy Fiscal Analyst

The following responses from local governments were compiled by the Fiscal Analysis Division. The Fiscal Analysis Division can neither verify nor comment on the figures provided by the individual local governments.

Local Government Responses
S.B. 419 / BDR 40 - 748

City/County: Clark County Approved by: Rachel Stevens, Principal Management Analyst Comment: Clark County has determined that the bill, as currently written, would not have a material fiscal impact.				
Impact	FY 2022-23	FY 2023-24	FY 2024-25	Future Biennia
No Impact	\$0	\$0	\$0	\$0

City/County: Washoe County Approved by: Cadence Matijevich, Government Affairs Liaison Comment: There would be no financial impact to Washoe County as a result of this bill.				
Impact	FY 2022-23	FY 2023-24	FY 2024-25	Future Biennia
No Impact	\$0	\$0	\$0	\$0

City/County: Carson City Approved by: Sheri Russell-Benabou, Chief Financial officer Comment: If passed, hopefully Carson City's electronic health records would comply, if not a new system could be expensive, considering the conversion of the data, training and software costs. It does state that there will be Grant Funding available for certain providers, but it is unclear if Carson City would be eligible. Lastly, it also includes expanding Medicaid to the undocumented which would increase the City's cost, but without knowing how many undocumented workers would use this, it is impossible to calculate an amount.				
Impact	FY 2022-23	FY 2023-24	FY 2024-25	Future Biennia
Cannot Be Determined	\$0	\$0	\$0	\$0

The following cities/counties did not provide a response: Churchill County
