Local Government Responses
S.B. 385 / BDR 40 - 375

City/County: Carson City Approved by: Sheri Russell-Benabou, Chief Financial officer Comment: By increasing dental services, it could increase the cost of Carson City's Medicaid portion, but the amount cannot be estimated.				
Impact	FY 2022-23	FY 2023-24	FY 2024-25	Future Biennia
Cannot Be Determined	\$0	\$0	\$0	\$0

City/County: Clark County Approved by: Rachel Stevens, Principal Management Analyst Comment: The bill would require a hospital that discharges a patient to establish a team of providers of health care to assist in caring for the patient while they rehabilitate in their home. Additionally, providers would be required to document in the medical record of the patient the reasons they chose not to order or conduct a test that is customarily ordered or conducted. This would have a fiscal impact on University Medical Center, though the amount is not yet determined.

City/County: Lyon County Approved by: Josh Foli, Comptroller Comment: There will likely be increases in health insurance premiums by establishing a team of providers of health care for rehabilitation at home, but that is not possible to quantify. There is also likely to be increase in the amount the County provides in Medicaid match funding for the dental changes, but again we can't quantify that.
