Explanation

(Use Additional Sheets of Attachments, if required)

The division has determined there is no fiscal impact. NDF has the ability and currently does meet the obligations set forth in this statutory change under existing authorities. These operations are currently funded through grants received annually from the USFS for this specific program area. If these grant funds were not received in future years alternative funding sources (General Fund) would need to be found to ensure the division could meet the obligations set forth in this statutory change
