City/County: **Washoe County**

Approved by: Cadence Matijevich, Government Affairs Liaison

Comment: Washoe County anticipates that this BDR would result in an increase in the number of petitions submitted to the court by persons who are newly eligible to obtain a court order requiring a county assessor, county recorder, the Secretary of State or a city or county clerk to maintain the person's personal information in a confidential manner. It is estimated that each petition takes between 30 to 45 minutes of staff time to process. Because the total number of additional court orders that would be sought as a direct result of this BDR is unknown, the financial impact to the county cannot be determined.
