Explanation

(Use Additional Sheets of Attachments, if required)

As currently drafted, BDR 55-273 has been reviewed and the agency has determined that there is no fiscal impact to the Division of Financial Institutions. The reference to a fee in Section 50 and a civil penalty Section 80 of this bill were added to the bill draft inadvertently. Those references to the fee and civil are references to an existing fee and civil penalty. The agency will be submitting an amendment to remove those references prior to the introduction of the bill to committee.
