Local Government Responses
S.B. 68 / BDR 25 - 303

City/County: Carson City Approved by: Sheri Russell-Benabou, Chief Financial officer Comment: With the additional Transfer Tax funding this, there is no impact to Carson City, given we already have a Behavioral Health Board and Policies in place for Northern Nevada.				
Impact	FY 2022-23	FY 2023-24	FY 2024-25	Future Biennia
No Impact	\$0	\$0	\$0	\$0

City/County: Clark County Approved by: Rachel Stevens, Principal Management Analyst Comment: The bill would increase the tax on certain transfers of real property by 20 cents for each \$500 of value for deposit into the State's Critical Needs Fund. Fiscal impacts include one-time costs the Clark County Recorder's Office would incur to update existing software to account for the additional tax that would need to be collected and remitted to the State. There would also be costs associated with mailings and overtime needed to make changes to all printed literature, notify the public, update the website, and process the recordation requests and mail documents received prior to implementation.

City/County: **Humboldt County**

Approved by: Gina Rackley, Comptroller

Comment: Although this will increase the amount of collection by the Recorder, this will increase the quarterly expense as it is paid out to the State resulting in null effect to the County.

Impact	FY 2022-23	FY 2023-24	FY 2024-25	Future Biennia
No Impact	\$0	\$0	\$0	\$0

City/County: **Lyon County**

Approved by: Josh Foli, Comptroller

Comment: The funding from this bill would be invested in providing housing programs and grants. A portion of the funding will likely come to Lyon County, which may decrease County funds used towards indigent assistance or increase County grant funding, but it is not possible for us to quantify any amounts from the bill language.

City/County: **Washoe County**

Approved by: Cadence Matijevich, Government Affairs Liaison

Comment: The provisions of this BDR could result in additional revenues being available to Washoe County in the form of grants. However, because the total amount of grant funding available for award is unknown and because the total amount of grant funding and that Washoe County would be successful in being awarded is unknown, a reliable estimate of the financial effect cannot be determined.
