No Impact	\$0	\$0	\$0	\$0

City/County: **Washoe County**

Approved by: Cadence Matijevich, Government Affairs Liaison

Comment: Washoe County's Vital Records program may incur incremental increases in the expenditure of staff time to comply with the provisions of this BDR requiring notice of deficiency to an applicant requesting a certified or official copy of a certificate of birth. Because the actual number of applications that may be received with a deficiency is unknown, a reliable estimate of the cost of such staff time cannot be determined; it is anticipated that such an effect would likely be de minimis. The provisions of the BDR requiring the development of a strategic plan to address homelessness would have no financial effect on Washoe County as the county would utilize existing resources to develop the required plan.

Impact	FY 2022-23	FY 2023-24	FY 2024-25	Future Biennia
Cannot Be Determined	\$0	\$0	\$0	\$0
