City/County: **City of Mesquite**

Approved by: Nikki Thorn, Finance Director

Comment: The bill gives homeless person certain rights to pursue certain relief/damages in court. Since the legal action would be civil in nature, the local court involved would likely be the justice court at the county level (not municipal court). No impact on municipal court operations.

The bill could have significant fiscal impact by having to potentially defend against lawsuits brought by those who may try to claim that they were denied some access. That could cost thousands of dollars in each individual instance. Without knowing how often, how many cases could potentially be filed, etc. amount cannot be determined.

Comment: Bill effectively creates private right of action for homeless persons, thus creating liability to the County if a violation is determined to have occurred. The bill language is vague in its current form, thus potentially creating unintended consequences, legal challenges, and inconsistent application, all of which could have an undeterminable negative fiscal impact to the County.

City/County: **Lyon County**

Approved by: Josh Foli, Comptroller

Comment: The bill is estimated to create additional costs in the way of cleaning public facilities, such as parks, etc. due to homeless individuals moving from federal land to County property allowed under this bill. There is also anticipated to be additional costs for personnel due to cleanup. It is also anticipated that the County's liability insurance rates will increase due to the potential for additional court cases under the civil action section of this bill.

City/County: **Washoe County**

Approved by: Cadence Matijevich, Government Affairs Liaison
