Board: **Nevada State Board of Optometry**

Approved by: Caren C. Jenkins, Executive Director

Comment: The Nevada Board of Optometry regularly engages a webmaster and a license management software company to update its numerous online forms and payment options, as many of its fees are prorated quarterly. To assist in the Secretary of State's initial efforts to integrate such activity with the state business portal, our webmaster/CMS will need to update the information and assure that the Board's website is in sync with the business portal. As this collaborative process evolves, the Board may find that the interaction can be automated, thereby eliminating the ongoing cost.
