Explanation

(Use Additional Sheets of Attachments, if required)

SB289 / BDR 15-996 is an act relating to crimes; expanding the applicability of enhanced penalties for assault or battery against a provider of health care under certain circumstances; creating a rebuttable presumption that a person know or should have known that another person was a provider of health care under certain circumstances; providing penalties; and providing other matters properly relating thereto.

The agency has reviewed the bill and determined that there is no fiscal impact.
