18 711.600, *and section 7 of this act*, sections 35, 38 and 41 of chapter  
19 478, Statutes of Nevada 2011 and section 2 of chapter 391, Statutes  
20 of Nevada 2013 and unless otherwise declared by law to be  
21 confidential, all public books and public records of a governmental  
22 entity must be open at all times during office hours to inspection by  
23 any person, and may be fully copied or an abstract or memorandum  
24 may be prepared from those public books and public records. Any  
25 such copies, abstracts or memoranda may be used to supply the  
26 general public with copies, abstracts or memoranda of the records or  
27 may be used in any other way to the advantage of the governmental  
28 entity or of the general public. This section does not supersede or in  
29 any manner affect the federal laws governing copyrights or enlarge,  
30 diminish or affect in any other manner the rights of a person in any  
31 written book or record which is copyrighted pursuant to federal law.  
32 2. A governmental entity may not reject a book or record  
33 which is copyrighted solely because it is copyrighted.  
34 3. A governmental entity that has legal custody or control of a  
35 public book or record shall not deny a request made pursuant to  
36 subsection 1 to inspect or copy or receive a copy of a public book or  
37 record on the basis that the requested public book or record contains  
38 information that is confidential if the governmental entity can  
39 redact, delete, conceal or separate, including, without limitation,  
40 electronically, the confidential information from the information  
41 included in the public book or record that is not otherwise  
42 confidential.  
43 4. If requested, a governmental entity shall provide a copy of a  
44 public record in an electronic format by means of an electronic  
45 medium. Nothing in this subsection requires a governmental entity

1 to provide a copy of a public record in an electronic format or by  
2 means of an electronic medium if:

3 (a) The public record:

4 (1) Was not created or prepared in an electronic format; and

5 (2) Is not available in an electronic format; or

6 (b) Providing the public record in an electronic format or by  
7 means of an electronic medium would:

8 (1) Give access to proprietary software; or

9 (2) Require the production of information that is confidential  
10 and that cannot be redacted, deleted, concealed or separated from  
11 information that is not otherwise confidential.

12 5. An officer, employee or agent of a governmental entity who  
13 has legal custody or control of a public record:

14 (a) Shall not refuse to provide a copy of that public record in the  
15 medium that is requested because the officer, employee or agent has  
16 already prepared or would prefer to provide the copy in a different  
17 medium.

18 (b) Except as otherwise provided in NRS 239.030, shall, upon  
19 request, prepare the copy of the public record and shall not require  
20 the person who has requested the copy to prepare the copy himself  
21 or herself.

22 **Sec. 20.** This act becomes effective:

23 1. Upon passage and approval for the purpose of adopting any  
24 regulations and performing any other preparatory administrative  
25 tasks that are necessary to carry out the provisions of this act; and

26 2. On January 1, 2026, for all other purposes.
