Legislative Counsel's Digest:

Existing law charges the State Registrar of Vital Statistics with maintaining and preserving and each county health officer with collecting certain vital statistics, which is defined as records of births, deaths, fetal deaths, marriages, annulments, divorce and related information. (NRS 440.080, 440.110-440.260) **Section 1** of this bill requires the State Registrar and each county health officer to ensure that a diacritical mark used in the name of a person is properly recorded in the vital statistics of the State Registrar and county health officer.

Existing law requires the Department of Motor Vehicles to issue: (1) licenses to operate a motor vehicle or motorcycle, including, without limitation, instruction permits, commercial driver's licenses and motorcycle driver's licenses; (2) identification cards; and (3) driver authorization cards upon application, which

12 must include, among other requirements, the full legal name of the applicant. (NRS 13 483.2521, 483.270, 483.280, 483.290, 483.291, 483.340, 483.360, 483.375, 14 483.830, 483.850, 483.860, 483.8605, 483.908, 486.081) Sections 2 and 5 of this 15 bill provide that if the full legal name of an applicant for such a license, 16 identification card or driver authorization card includes a diacritical mark, the 17 Department must ensure the diacritical mark is properly recorded in the records of 18 the Department and displayed on any license, identification card or driver 19 authorization card issued by the Department.

20 Sections 1, 2 and 5 define "diacritical mark" as a mark in Latin script that is added or attached to a letter to indicate the pronunciation of the letter or word.

20 21 22 23 Section 3 of this bill provides that the provisions of section 2 apply to commercial driver's licenses. Sections 4 and 6 of this bill apply the existing 24 definitions in existing law to the provisions of sections 1, 2 and 5.
