Explanation

(Use Additional Sheets of Attachments, if required)

This proposed legislation would create the Independent Redistricting Commission within the Legislative Department of the State of Nevada. The joint resolution specifies the duties and composition of the Commission's members and notes that all Commission meetings shall be open to the public. However, the joint resolution does not specify where and how often the Commission will meet, if Commission members will be provided any compensation, or what administrative costs of the Commission will be funded by the Legislative Counsel Bureau. Therefore, while the changes may have a fiscal impact to the Legislative Counsel Bureau in future biennia, the fiscal impact cannot be determined with any reasonable degree of certainty.
