Explanation

(Use Additional Sheets of Attachments, if required)

BDR 24-606 (SB122) prohibits a person from returning a mail ballot on behalf of a voter unless the person is a resident of this State, requiring that the person returning a ballot on behalf of a voter submit with the mail ballot an affirmation, signed under penalty of perjury, attesting that the person is a resident of this state. The bill becomes effective July 1, 2025.

The agency has reviewed the bill and determined that as this bill would create a new crime in statute, any arrest and subsequent conviction would require additional pre-sentence investigation staff and supervision officers. The Division does not possess the necessary data to estimate a number of convictions to determine whether the increase could be absorbed by existing staff or would require additional staff. Therefore, the total impact of this bill cannot be determined at this time. The agency reserves the right to go to the Interim Finance Committee for the future biennium should workload increases necessitate additional staffing.
