Explanation

(Use Additional Sheets of Attachments, if required)

The agency reviewed this bill and determined there is no fiscal impact to the agency. This BDR provides for the licensure and regulation of behavioral health and wellness practitioners. Forensic services employ certified evaluators along with a specially trained clinical team. We do not foresee the need for wellness practitioners at this time. Any changes to the licensing board or advisory group would fall to the responsible individual and will not have a fiscal impact to the agencies.
