AB187 / BDR 15-591 AN ACT relating to crimes; expanding certain prohibitions relating to pornography involving minors; revising provisions relating to the crime of unlawful dissemination of an intimate image; providing penalties; and providing other matters properly relating thereto.

Existing law prohibits a person from committing certain acts regarding pornography involving minors. (NRS 200.700-200.760) In general, sections 1 and 2 of this bill expand these prohibitions to include pornography involving images of minors that have been altered through the use of artificial intelligence.

If this bill as introduced is enacted, the expansion of the prohibitions regarding pornography of a minor under section 1 & 2 of this bill will cause 9 NOCs to be modified, due to statute rewrites. And will add 9 new sub types and 9 new NOCs. It's also a mirror of AB126. Additionally, the expansion of the prohibitions regarding pornography of a minor under section 1 & 2 of this bill will cause an increase in the number of new sexual offender registrations and verifications needing to be processed by the the Department of Public Safety, Records, Communications and Compliance Division (RCCD). The cumulative impact of the legislation from the 2025 session will increase the volume of NOC revisions. RCCD may request to return to the Interim Finance Committee in the 2025-2027 biennium should workload increases necessitate additional staffing.
