<p>City/County: Carson City Approved by: Sheri Russell-Benabou, Chief Financial Officer Comment: Unable to determine the fiscal impact as the statute is not clear on how much would be charged if the Secretary of State takes over the duties or if the Officer in question would be retained or removed.</p>

City/County: **Washoe County**

Approved by: Cadence Matijevich, Government Affairs Liaison

Comment: The fiscal impact of this BDR cannot be determined for Washoe County due to several uncertainties. It is unclear whether the Secretary of State would file with the district court against a public official or other person representing or employed by Washoe County who fails to fulfill their election-related duties in a timely manner as required by statute. This action, if taken, could result in a fiscal impact. However, there will be no additional fiscal impact related to the Secretary of State's approval of the voting system, as it is already an approved system.
